On March 13, 2018 (Item No. 65), the Board of Supervisors (Board) adopted Resolution No. 2018-20 approving formation of Assessment District (AD) 2018-1 (Snowdrop Road) that included related special assessments to fund future road and drainage improvements and ongoing operations and maintenance costs. On March 22, 2018, property owners within AD 2018-1 were given the option to prepay their improvement assessment on or before April 27,

2018. Full payment was received for 20 parcels and those property owners have therefore fully satisfied their payment obligation in regard to the improvement assessment.

On April 6, 2021 (Item No. 60), the Board adopted Resolution No. 2021-43 authorizing Series A bond issuance for AD 2018-1 (Snowdrop Road) to fund a project that entails approximately 2.1 miles of paved road and drainage improvements to a residential area in the unincorporated area north of the City of Rancho Cucamonga.

This item seeks authorization for levy of the following AD 2018-1 (Snowdrop Road) special assessments on the 2021-22 tax roll:

- Improvement Assessment – To fund debt service payments on the 22-year Series A bonds issued in April 2021 to finance the road and drainage improvements. This assessment is levied on 57 parcels, as detailed in Exhibit A, that the property owners opted not to prepay.
- Operations and Maintenance Assessment – To fund ongoing operation and maintenance costs, which includes inspections, cleaning, asphalt repair, administration and contingency costs. This assessment is levied on 77 parcels, as detailed in Exhibit B.
