16.0207A Booking or Other Processing Services.

A criminal justice administrative fee for booking or other processing in the maximum amount of \$102.42 is imposed. The fee is imposed upon a city, special district, school district, community college district, college, or university for each person arrested by an employee of that entity and brought to a County detention facility or jail for booking or detention. For purposes of this subsection, an "employee" shall include any person making an arrest on behalf of an agency enumerated above, including those arrests made on behalf of an agency contracting for law enforcement services with the County. The criminal justice administrative fee shall apply to any arrest attributable to an above-specified entity where an arrestee is brought to a County detention facility or jail for booking or detention.

The criminal justice administrative fee shall only apply to original or "fresh" arrests, and shall not apply to holds placed, commitments, warrants, remands, bail bond surrenders, enroutes (temporary holds placed by agencies transporting prisoners), temporary detention at a court facility where the arrestee has been previously booked at a County detention facility, orders of production, orders of return, rollups (inmates returning from work release), or escapees from county, state or federal detention or corrections facilities. The criminal justice administrative fee shall not be charged when multiple law enforcement agencies participate in a particular arrest and one of the agencies is the San Bernardino County Sheriff's Department not acting on behalf of a contract law enforcement city, or when a formal task force, as defined by Government Code section 29550(b)(8), has made the arrest, or where an arrest is made during any riot, disturbance, or event that is subject to a declaration of state of emergency by the Governor, or where such fee is otherwise prohibited by law.

The criminal justice administrative fee shall apply to all applicable booking or other processing services rendered on or after July 1, 1990. The County shall prepare

1 and send invoices to each city, special district, school district, community college
2 district, college, or university, and said invoices shall include the name of each arrestee
3 for which an agency is billed and the date(s) the services were provided. An invoice
4 shall be due and payable 30 days after the date of the invoice. Delinquent fees may be

(This fee is charged in addition to the per ton gate fee set forth in Subsection (a)(1)(A) above. This fee is charged on solid waste brought to a facility at which the Comprehensive Disposal Site Diversion Program has been implemented, unless such solid waste is: waste from a franchised or permitted waste hauler (or from a city, if the city collects its citizens' waste) and is brought in a front-, rear-, or side-loading refuse vehicle (i.e., packer truck); or waste brought from a Materials Recovery Facility or where collection or processing includes a recycling component and the waste contains only an incidental amount of inseparable recyclable materials; or waste generated by a commercial enterprise that has been reviewed and determined by the County of San Bernardino Department of Public Works–Solid Waste Management Division to be sufficiently source separated as to not contain more than an incidental amount of inseparable recyclable materials.)

(C) For loads in excess of one ton, the per ton charge shall be prorated for any fraction of a ton of the total weight of the load.

(2) Uncovered/Unsecured Loads:

To encourage the entrance into County waste facilities of loads that are

properly secured or covered pursuant to applicable State or local laws and in deflection of the additional costs incurred because of waste escaping such vehicles, loads brought to such facilities which are not properly secured or covered will be required to pay an additional Solid Waste Management Disposal Site Fee equal to the normal applicable disposal gate fee (including any applicable perchlorate add-on fee) for such waste. This will apply to both minimum and per ton loads, and also loads which would otherwise pay no gate fee, given the payment of a Land Use Fee pursuant to the provisions of Section 16.0222(c).

(b) Fee Adjustments:

Whenever use of a disposal site financed by land use fees is restricted by order of the Board of Supervisors and refuse is thereby hauled to other sites, the Board of Supervisors may permit acceptance of such refuse without charge at the receiving sites.

(c) Solid Waste Management Disposal Facility Fees:

(1) The following annual refuse disposal land use fees, based on the County Assessor's Land Use Codes, shall apply in the following areas. Where the Land Use Fee for any Use Code contains a schedule of fees based on the building size or number of dwelling units per parcel, but the relevant data base does not disclose sufficient building size or unit information to determine the correct category for a particular parcel, said parcel shall be charged as though it were the third smallest sized category if there are five or six size categories. If paid, such land use fees shall constitute, relative to ordinary refuse (excluding demolition waste, tires and hard to handle and special handling items) generated on the parcel of property for which the fee is paid, payment of the ordinary refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the passenger/light use vehicle and trailer fee as set forth in Subsection

1 16.0222(h)(1), which may be otherwise due:

12	(d)	Contracts with Cities or Other Users of the Refuse Disposal Sites:	
13		Notwithstanding any other provision of this Section 16.0222, the method of	
14		calculation of the disposal facility usage fee owed by a city or any other user of a	
15		refuse disposal site may be established by written agreement between such city	
16		(or other user, as the case may be) and the County. Upon expiration or

(g) Contractually Set Disposal Fee:

Notwithstanding the provisions of Subsection 16.0222(f), the method of calculation of the permit fee set forth in Subsection 16.0222(f) and the entity obligated for the payment thereof may be established by written agreement between any city and the County. Upon expiration or termination of any such written agreement, the permit fee as provided in Subsection 16.0222(f) shall again be applicable.

(h) Alternative Charges and Surcharges to the Per Ton Solid Waste Management Disposal Site Fees and the Land Use Solid Waste Disposal Facility Fees:

17 deposit is as specified in the code. If no amount is specified, the initial deposit is
18 the Department's initial estimate of the actual cost of the service or process.
19 The Department may revise its estimate at any time during the processing of the
20 project. If a revised estimate is higher than a previous estimate, the Department
21 may require an additional deposit. Notice of any required additional deposit
22 shall be mailed (including e-mail) to the applicant. The notice shall include the
23 date by which the deposit must be made, and shall inform the applicant that

Initial deposits and any additional deposits for all services or processes related to a project shall be placed and combined into a Project Trust Account. Such combined deposited funds will be utilized as the source of payment for any flat fee service, security deposit, or actual cost service on that project. In addition, deposits may also be placed in a Developer Deposit Account. Deposited funds in a Developer Deposit Account may be used by an individual or entity to fund various Project Trust Accounts.

(d) Applicant's obligation to pay actual cost – Land Use Services Department and Department of Public Works:

The applicant shall pay the actual cost of the project, regardless of any estimate; except that the applicant is not obligated for costs incurred after the applicant delivers to the Department of Public Works and/or the Land Use Services Department either an unconditional written withdrawal of the application, or a written notice to stop work which includes a waiver of any applicable time limits for processing the application.
