Briefly describe the general nature of the contract: *The San Bernardino County Office of Emergency Services (OES) will enter an agreement with ESi Acquisition Inc., a Juvare Company, for WebEOC migration from a local environment to a hosted environment, in an amount not to exceed \$377,112, plus a one-time migration cost of \$15,000, for a Contract term of four and a half (4 1/2) years of services, for the period of January 1, 2024, to term date of June 30, 2028. OES administers the WebEOC system that has been designated as the County's disaster communication platform. During the activation of the County's Emergency Operations Center (EOC), this platform is utilized by the 24 Cities and Towns within the County and by all County Departments. WebEOC allows all stakeholders a real-time platform to report critical information to create a common operating picture and increase situational awareness. The WebEOC system is also leveraged by all stakeholders to report damage, document road conditions, and track shelter operations.*
