(3) Deposits for Developer Deposit Accounts and Project Trust Accounts:

An initial deposit is required for each actual cost service or process. The initial deposit is as specified in this ordinance. The San Bernardino County Flood Control District may revise its estimate at any time during the processing of the service or process. If a revised estimate is higher than a previous estimate, the San Bernardino County Flood Control District may require an additional deposit. Notice of any required additional deposit shall be mailed (including email) to the applicant.
