Subsequent to a complaint from the residents of Mountain Home Village, the Department conducted a traffic investigation on Kilkare Road in the Mountain Home Village area. Kilkare Road is used to access a recreational area by the general public. During busy summer weekends, visitors often park along both sides of Kilkare Road and at times block the access to the residential community of Mountain Home Village. To control the parking and to make sure that access is provided to the community, the Department recommends that the Board of Supervisors establish “No Stopping, Standing or Parking” zones for all vehicles on the north and south sides of Kilkare Road except for a portion of the south side from a point 230 feet east of
