**Outreach Plan for Remote Public Participation**

In alignment with mandates of Senate Bill 707, the following initiatives demonstrate the County's dedication and reasonable efforts to provide residents with the resources and information necessary about how to engage and participate in Board of Supervisors (Board) meetings.

From approximately May 2026 through July 2026, the following forms of outreach will be conducted:

1. Inclusion of announcements about how to participate in Board meetings will be on County websites.
2. Distribution of information via Public Service Announcements
  - a. County Update videos in English and Spanish
  - b. Social Media posts
  - c. Mass email outreach
  - d. Newsletters
3. Creation and distribution of information handouts with a QR code providing participation information in English and Spanish.
4. Publication of advertisements explaining how to participate in Board meetings will be placed in local newspapers in English and Spanish.
5. Partnering with Community Groups and County departments holding outreach events across the county, including in underserved areas, to provide information about how to participate in Board meetings.

Regular and reoccurring outreach to include various forms of the outreach above will be conducted approximately every six months thereafter.
