The County of San Bernardino – Department of Risk Management (hereinafter referred to as County) and Manning & Kass, Ellrod, Ramirez, Trester, LLP (hereinafter referred to as Contractor) are parties to this agreement.

**WHEREAS**, County is self-insured for its liability and workers' compensation claims and self-administers its own and other public entity programs, and;

**WHEREAS**, Contractor is professionally qualified and competent in public liability law to defend County as required by law for all claims or actions filed against the County, Board Governed Special Districts, County Service Areas or other public entities.

**NOW, THEREFORE**, in consideration of the remuneration hereinafter set forth, Contractor agrees to provide the following services for County, Board Governed Special Districts, County Service Areas or other public entities, under the following terms and conditions:

#### I. CONTRACTOR GENERAL RESPONSIBILITIES

Unless otherwise noted, the assigned Contractor shall be the primary legal representative of the County and its employees in the matter assigned and shall be responsible for the proper handling of the file and complying

with all court or other dates, responding promptly to requests for information, e-discovery, correspondence, etc.

All assignments are made by Risk Management and/or County Counsel. The County will identify appropriate representatives for the assignment. Direct communication with other County employees, other than those already identified by the County, will be discussed with the County prior to contact. Open and continuous communication between Contractor and the County is essential to ensuring efficient Contractor work and the best possible outcome; and as such, the County shall be fully apprised and kept current on all developments and participate in all decisions concerning legal tactics and strategy. The County shall be provided with copies of all legal opinions and advice, and significant correspondence. All significant submissions shall be submitted to the County electronically in time for thorough review and discussion before any court or other deadline. It is expected that Contractor will maintain the highest ethical and professional standards on behalf of the County and will establish and maintain cordial and professional working relations with opposing counsel, the judiciary, mediators, third parties witnesses, and all others involved in the matter.

Contractor will not respond to any media requests related to any assignments, but will instead notify the County of any such requests or other media exposures.

Contracted firm will defend all claims or actions, including prejudgment and post-judgment proceedings at the trial and appellate court level, referred by the County and arising from alleged legal liability of the following entities:

- San Bernardino County
- San Bernardino County Flood Control District
- San Bernardino County Special Districts and County Service Areas.

1. Contractor shall have a duty to immediately report any case referred by County, which Contractor, in their sole discretion, determine to be a conflict of interest. Contractor may decline to represent County in any such case.
2. Contractor shall not undertake the representation of a client in the pursuit of a claim against the County without first obtaining a written waiver and consent from the County Counsel. Any request for a conflict waiver must be made in writing to County Counsel.
3. Cases assigned to Contractor by County shall be accepted with the understanding that professional fees shall be billed on a monthly basis and paid at the following hourly rates:
  - All Cases
  - \$265 – Partners
  - \$245 – Associates
  - \$115 – Law Clerks / Paralegals
4. Rate Guarantee and Escalation:

All rates will be considered firm for the entire period of the contract, rate escalation adjustments will not be considered during the contract period.
5. Reporting Requirements, Planning and Budget:

Contractor shall report on all significant developments as they occur, including emerging facts, shifting claims, or strategies, and other changes in the file. Report letters will be submitted electronically and be directed to the County, unless instructed otherwise by the County. Caution should be exercised when sending emails to ensure only appropriate individuals are included to avoid inadvertent waiver of attorney-client privilege.

A budget is required for each matter in which Contractor has been retained. The budget is intended to be an estimate of the scope, cost and duration of the matter, and used as a planning tool by the County. Amended or corrected budgets should be provided immediately to the County if the Contractor becomes aware of changes in the estimation of matter costs and fees.

If a case is heading toward trial, a separate trial budget should also be prepared. Prior to **all** mediations, mandatory settlement conferences and trials, the appropriate case evaluation, mediation brief or claim summary should be submitted at least 30 days prior to the mediation or settlement conference. No invoices will be paid until the initial budget is received. The County must approve the Initial Budget. If estimated fees and/or costs change, Contractor must discuss a modified budget with the County and provide an updated budget report before incurring any additional expenses. If Contractor invoices exceed the current budget estimate amount, an updated budget will be required before any new invoices will be paid.

The budget will note the County claim number, provide a brief overview of the case, and estimate costs and attorneys' fees for the matter.

## 6. Settlements

Where liability is apparent, whether in favor of or against the County (including exposure to statutory attorneys' fees), early settlement frequently is the recommended course. Contractor is responsible for assessing liability exposure as soon as practicable and for recommending timely resolution strategies.

### a. Settlement Demands

All settlement demands and offers to mediate must be immediately reported to the County.

### b. Settlement Authority

- Contractor shall not enter into negotiation, agreement or binding settlement without first obtaining appropriate prior authorization from the County. Proposals for negotiations shall be made to the County, who will coordinate a discussion with appropriate personnel of the County. **The Contractor Evaluation must be provided to all discussion participants at least 72 hours before the scheduled discussion.**
- Settlement authority may be provided during the discussion, but any settlement is contingent on approval by the County, and this **shall** be communicated during any settlement negotiations. In cases involving statutory attorneys' fees, all settlement offers including statutory offers to compromise should be structured to resolve all claims including attorneys' fees.

Contractor is encouraged to explore the settlement of cases informally with opposing counsel after obtaining the appropriate authorization. The County also encourages mediations and participation in voluntary settlement in appropriate cases. Approval to mediate a case must be given by the County to Contractor. A representative of the County will be present at all mediations. If a proposed settlement is reached, Contractor shall emphasize that recommendations for all settlements are subject to approval by the County and/or the Board of Supervisors.

Contractor is responsible for assuring that the Settlement Agreement and Release ("Release") is accurate and legally enforceable. Upon execution of the Release by the opposing party and his/her/its counsel, the same shall be mailed by Contractor to the County to secure the necessary County signatures.

7. Contractor agrees that all work product including motions, writs, exposure identification, legal research, opinion letters, etc., may be copied and provided by the County to attorneys either employed or retained by the County and/or County's insurance carrier. This provision should not be construed as a waiver of the attorney/client privilege.

Contractor agrees to utilize the services of County contracted vendors such as court reporting agencies for all court reporting work on County cases; photocopy firms for document reproduction and investigative firms. To assist the Contractor in doing the work, the County shall provide lists of approved vendors. Only these contracted vendors shall be used. The County will also assist in retaining appropriate defense experts. Due to the County's contracting policy, firms are required to advance the cost of retained experts and will be reimbursed by the County as reimbursable expert fees.
9. Contractor agrees and understands that the County is paying on an hourly basis and will not pay for items that are charged on a "Value Billing" basis. For purposes of this Agreement, value billing is defined as billing time or fees for a task on any basis other than the actual time that was worked by the biller, measured in tenths of an hour.
10. Contractor agrees and understands that the Contractor is responsible for any expenses resulting from the errors or omissions made by Contractor. The County will not be responsible or invoiced for such expenses.
11. Contractor shall notify County of claims with potential settlement value over \$100,000 as soon as it becomes evident that the case does have merit or may result in costs to the County of over \$100,000.
12. Contractor agrees that all Risk Management and involved Department employees are public servants and do not require client development. Contractor, therefore, agrees not to charge the County for any client development costs.
13. Upon case resolution, Contractor agrees to submit final case analysis and reasons for disposition to County. This submission will include copies of pertinent documents evidencing the disposition.
14. Should either party choose to terminate this contract, Contractor shall continue to provide legal services as to any case referred to them prior to the notice of cancellation and shall be compensated, therefore, on the same terms and conditions as hereinbefore set forth until the conclusion of such case. However, the County retains the option of withdrawing any pending cases from further handling by Contractor and shall compensate Contractor for legal services provided to date of termination of this contract. Contractor will promptly return any cases that are withdrawn or transferred including any and all case files, work product and work in progress that have been generated.
15. Contractor shall not undertake any action(s), without Risk Management's concurrence, which could foreseeably result in Court-imposed sanction(s). The policy of the County is not to pay sanction(s) unless Risk Management intentionally caused the underlying action(s) and/or fully understood that sanctions could result from those actions.
16. This contract is with the Contractor named above; should the Contractor experience a name change during the contract period that requires any official name change, necessitating a new contract signature and/or Board of Supervisors approval, the Contractor shall be charged time and expense for such changes. Payment for such changes shall be paid in advance of the contract modification.
17. Administrative Services
  - a. Projects are assigned to specific Contractors according to vendor's expertise as projects are received from various County Departments.
  - b. There are no guarantees of specific number of hour blocks.
  - c. Contractors must possess required license when contract is awarded.

19. Penalties
  - a. Penalties caused by the Contractor will be paid by the firm
  - b. Penalties assessed will be reviewed by the Director of Risk Management and Principal Assistant County Counsel.
  - c. If the County Adjuster is at fault or the adjuster's delay caused the penalty, the Contractor would not be expected to pay the penalty.
  - d. If the penalty was clearly caused by the Contractor, then the firm will be billed for the penalty and expected to pay the penalty.
  - e. The Director of Risk Management and Principal Assistant County Counsel will resolve appeals.
20. Monitoring of Service/Quality
  - a. Provide periodic written status reports in accordance with the reporting provisions of the contract and orally brief County officials on case status and strategy.

- b. Agree to comply with all of the County's Contractual Terms and Conditions as shown in Section X of this RFP.

**21. Digital Media and Correspondence**

The County's, Department of Risk Management may require the Contractor to submit any or all correspondence, reporting and media to be transmitted electronically to the County representative.

**22. Confidentiality**

All correspondence, communications and other applicable documents shall be conspicuously marked "Confidential - Attorney/Client Privilege".

The County considers efficiency in delivery of legal services as a critical component of successful legal representation and closely scrutinizes the invoices of all counsel. The County reserves the right to require backup documents to support charges and/or require that they be submitted in a format that permits the invoice information to be electronically analyzed. By representing the County, Contractor agrees to comply with the request and at the firm's expense. Payment of any invoice by the County, at any time, does not constitute a waiver of the County's rights to subsequently question, dispute, obtain reimbursement of, compromise or request repayment or future credit, or any bill or invoice previously paid. **Invoices received by the County not including a Status Report will not be paid until the Status Report is received.**

If the final bill cannot be submitted within 30 days, Contractor must advise the County as soon as practicable. Unless due to exigent circumstances, bills submitted after the final bill will not be paid. Expenses must be substantiated with receipts.

**b. Billing Format**

Invoices shall identify and describe each item of service in sufficient detail to identify the persons involved and the work performed by date and time billed and the person providing the services (including the hourly rate for each person). Statements must accurately itemize in detail all work performed on a matter in a task or activity based format. Attorneys and paralegals are to bill actual time incurred. Unnecessary duplication of work is to be avoided. Without prior approval from the County, there will be no more than two (2) attorneys and one (1) paralegal doing most of the work and billing most of the time on a case. These personnel must be identified on the initial evaluation of the matter. On occasion, firm personnel may have to work on a case due to vacations, illnesses, etc.; however, this is the exception, not the rule.

The audit will require the firm to produce any and all documentation that would support the billing submitted by the firm. The firm will produce any individual that has submitted billing on behalf of the firm, as well as any firm personnel who would have knowledge or information regarding any billing, and the firm shall produce such persons to answer any and all questions regarding the billings.

Contractor acknowledges that the County may use in-house staff, an outside auditing service, or other service or company as the County deems appropriate.

Records should include primary source documents. Fiscal records shall be kept in accordance with Generally Accepted Accounting Principles and must account for all funds, tangible assets, revenue and expenditures. Fiscal records must comply with the appropriate Office of Management and Budget (OMB) Circulars which state the administrative requirements, cost principles and other standards for accountancy.

All records pertaining to services delivered and all fiscal, statistical and management books and records shall be available for examination and audit by San Bernardino County's representatives for a period of three years after final payment under the Agreement or until all pending County, State and Federal audits are completed, whichever is later.

**D. Correction of Performance Deficiencies**

1. In the event of a problem or potential problem that could impact the quality or quantity of work, services, or the level of performance under this Contract, Contractor shall notify San Bernardino County within one (1) working day, in writing and by telephone.
2. Failure by Contractor to comply with any of the provisions, covenants, requirements or conditions of this Contract shall be a material breach of this Contract.

3. Contractor's Primary Contact and County representative shall attempt in good faith to promptly resolve any dispute, controversy or claim arising out of this Contract. If these representatives are unable to resolve a dispute, controversy or claim within ten (10) days after the initial request for a meeting, then the dispute shall be submitted to an executive-level performance review.

If the Primary Contact and County representative are not successful in resolving the dispute, negotiations shall be conducted by the County Executive Office, or designee, and the highest level executive for Contractor. If these representatives are unable to resolve the dispute within ten (10) days after the representatives have commenced negotiations, or 20 days have passed since the initial request for negotiations at this level, the Parties may agree in writing to submit the dispute to mediation.

4. In the event of a non-cured breach, County may, at its sole discretion and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract.

In the event of such termination, San Bernardino County may proceed with the work in any manner deemed proper by San Bernardino County. The cost to San Bernardino County shall be deducted from any sum due to the Contractor under this Contract and the balance, if any, shall be paid by the Contractor upon demand.
5. Unless a remedy is specifically designated as exclusive, no remedy conferred by any of the specific provision of the Contract is intended to be exclusive of any other remedy, and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder, now or hereafter existing at law or in equity or by statute or otherwise. The election of any one or more remedies by either party shall not constitute a waiver of the right to pursue other available remedies.

Prior to making any other disclosures, BA must obtain a written authorization from the Individual.

If BA discloses PHI to a third party, BA must obtain, prior to making any such disclosure, (i) reasonable written assurances from such third party that such PHI will be held confidential as provided pursuant to this Agreement and only disclosed as required by law or for the purposes for which it was disclosed to such third party, and (ii) a written agreement from such third party to immediately notify BA of any breaches of confidentiality of the PHI, to the extent it has obtained knowledge of such breach. ### b. Prohibited Uses and Disclosures

- i. BA shall not use, access or further disclose PHI other than as permitted or required by this Agreement and as specified in the attached Contract or as required by law. Further, BA shall not use PHI in any manner that would constitute a violation of the Privacy Rule or the HITECH Act. BA shall disclose to its employees, subcontractors, agents, or other third parties, and request from CE, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder.
- ii. BA shall not use or disclose PHI for fundraising or marketing purposes.
- iii. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction and has paid out of pocket in full for the health care item or service to which the PHI solely relates. ### c. Appropriate Safeguards

- i. BA shall implement appropriate safeguards to prevent the unauthorized use or disclosure of PHI, including, but not limited to, administrative, physical and technical safeguards that reasonably protect the confidentiality, integrity and availability of the PHI BA creates, receives, maintains, or transmits on behalf of the CE, in accordance with 45 C.F.R. sections 164.308, 164.310, 164.312 and 164.316. [45 C.F.R. sections 164.504(e)(2)(ii)(b) and 164.308(b).]
- ii. In accordance with 45 C.F.R. section 164.316, BA shall maintain reasonable and appropriate written policies and procedures for its privacy and security program in order to comply with the standards, implementation specifications, or any other requirements of the Privacy Rule and applicable provisions of the Security Rule.
- iii. BA shall provide appropriate training for its workforce on the requirements of the Privacy Rule and Security Rule as those regulations affect the proper handling, use confidentiality and disclosure of the CE's PHI.

Such training will include specific guidance relating to sanctions against workforce members who fail to comply with privacy and security policies and procedures and the obligations of the BA under this Agreement.

d. Subcontractors

BA shall enter into written agreements with agents and subcontractors to whom BA provides CE's PHI that impose the same restrictions and conditions on such agents and subcontractors that apply to BA with respect to such PHI, and that require compliance with all appropriate safeguards as found in this Agreement.

e. Reporting of Improper Access, Use or Disclosure or Breach

Every suspected and actual Breach shall be reported immediately, but no later than one (1) business day upon discovery, to CE's Office of Compliance, consistent with the regulations under HITECH Act. Upon discovery of a Breach or suspected Breach, BA shall complete the following actions:

3. Number of staff, employees, subcontractors, agents or other third parties and the names and titles of each person allegedly involved;
4. Number of potentially affected Individual(s) with contact information; and
5. Description of how the Breach or suspected Breach allegedly occurred.

ii. Conduct and document a risk assessment by investigating without unreasonable delay and in no case later than five (5) calendar days of discovery of the Breach or suspected Breach to determine the following:

1. The nature and extent of the PHI involved, including the types of identifiers and likelihood of re-identification;
2. The unauthorized person who had access to the PHI;
3. Whether the PHI was actually acquired or viewed; and
4. The extent to which the risk to PHI has been mitigated.

iii. Provide a completed risk assessment and investigation documentation to CE's Office of Compliance within ten (10) calendar days of discovery of the Breach or suspected Breach with a determination as to whether a Breach has occurred. At the discretion of CE, additional information may be requested.

1. If BA and CE agree that a Breach has not occurred, notification to Individual(s) is not required.
2. If a Breach has occurred, notification to the Individual(s) is required and BA must provide CE with affected Individual(s) name and contact information so that CE can provide notification.

iv. Make available to CE and governing State and Federal agencies in a time and manner designated by CE or governing State and Federal agencies, any policies, procedures, internal practices and records relating to a Breach or suspected Breach for the purposes of audit or should the CE reserve the right to conduct its own investigation and analysis.

f. Access to PHI

To the extent BA maintains a Designated Record Set on behalf of CE, BA shall make PHI maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within ten (10) days of a request by CE to enable CE to fulfill its obligations under the Privacy Rule. If BA maintains ePHI, BA shall provide such information in electronic format to enable CE to fulfill its obligations under the HITECH Act. If BA receives a request from an Individual for access to PHI, BA shall immediately forward such request to CE.

g. Amendment of PHI

If BA maintains a Designated Record Set on behalf of the CE, BA shall make any amendment(s) to PHI in a Designated Record Set that the CE directs or agrees to, pursuant to 45 C.F.R. section 164.526, or take other measures as necessary to satisfy CE's obligations under 45 C.F.R. section 164.526, in the time and manner designated by the CE.

h. Access to Records

BA shall make internal practices, books, and records, including policies and procedures, relating to the use, access and disclosure of PHI received from, or created or received by BA on behalf of, CE available to the Secretary of HHS, in a time and manner designated by the Secretary, for purposes of the Secretary determining CE's compliance with the Privacy Rule and Security Rule and patient confidentiality regulations. Any documentation provided to the Secretary shall also be provided to the CE upon request.

i. Accounting for Disclosures

BA, its agents and subcontractors shall document disclosures of PHI and information related to such disclosures as required by HIPAA. This requirement does not apply to disclosures made for purposes of TPO. BA shall provide an accounting of disclosures to CE or an Individual, in the time and manner designated by the CE. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if known, the address of the entity or person; (iii) a brief description of PHI disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the Individual's authorization, or a copy of the written request for disclosure.

j. Termination

CE may immediately terminate this agreement, and any related agreements, if CE determines that BA has breached a material term of this agreement. CE may, at its sole discretion, provide BA an opportunity to cure the breach or end the violation within the time specified by the CE.

k. Return of PHI

Upon termination of this Agreement, BA shall return all PHI required to be retained by the BA or its subcontractors, employees or agents on behalf of the CE. In the event the BA determines that returning the PHI is not feasible, the BA shall provide the CE with written notification of the conditions that make return not feasible. Additionally, the BA must follow established policies and procedures to ensure PHI is safeguarded and disposed of adequately in accordance with 45 C.F.R. section 164.310, and must submit to the CE a certification of destruction of PHI. For destruction of ePHI, the National Institute of Standards and Technology (NIST) guidelines must be followed. BA further agrees to extend any and all protections, limitations, and restrictions contained in this Agreement, to any PHI retained by BA or its subcontractors, employees or agents after the termination of this Agreement, and to limit any further use, access or disclosures.

l. Breach by the CE

Pursuant to 42 U.S.C. section 17934, subdivision (b), if the BA is aware of any activity or practice by the CE that constitutes a material Breach or violation of the CE's obligations under this Agreement, the BA must take reasonable steps to address the Breach and/or end eliminate the continued violation, if the BA has the capability of mitigating said violation. If the BA is unsuccessful in eliminating the violation and the CE continues with non-compliant activity, the BA must terminate the Agreement (if feasible) and report the violation to the Secretary of HHS.

m. Mitigation

BA shall have procedures in place to mitigate, to the extent practicable, any harmful effect that is known to BA of a use, access or disclosure of PHI by BA, its agents or subcontractors in violation of the requirements of this Agreement.

n. Costs Associated to Breach

BA shall be responsible for reasonable costs associated with a Breach. Costs shall be based upon the required notification type as deemed appropriate and necessary by the CE and shall not be reimbursable under the Agreement at any time. CE shall determine the method to invoice the BA for said costs. Costs shall incur at the current rates and may include, but are not limited to the following:

- Postage;
- Alternative means of notice;
- Media notification; and
- Credit monitoring services.

o. Direct Liability

BA may be held directly liable under HIPAA for impermissible uses and disclosures of PHI; failure to provide breach notification to CE; failure to provide access to a copy of ePHI to CE or individual; failure to disclose PHI to the Secretary of HHS when investigating BA's compliance with HIPAA; failure to provide an accounting of disclosures; and, failure to enter into a business associate agreement with subcontractors.

p. Indemnification

BA agrees to indemnify, defend and hold harmless CE and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, penalties, injuries, costs and expenses (including costs for reasonable attorneys' fees) that are caused by or result from the acts or omissions of BA, its officers, employees, agents and subcontractors, with respect to the use, access, maintenance or disclosure of CE's PHI, including without limitation, any Breach of PHI or any expenses incurred by CE in providing required Breach notifications.

q. Judicial or Administrative Proceedings

CE may terminate the Contract, effective immediately, if (i) BA is named as a defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the Privacy Rule, Security Rule or other security or privacy laws or (ii) a finding or stipulation is made in any administrative or civil proceeding in which the BA has been joined that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the Privacy Rule, Security Rule or other security or privacy laws.

r. Insurance

In addition to any general and/or professional liability insurance coverage required of BA under the Contract for services, BA shall provide appropriate liability insurance coverage during the term of this Agreement to cover any and all claims, causes of action, and demands whatsoever made for loss, damage, or injury to any person arising from the breach of the security, privacy, or confidentiality obligations of BA, its agents or employees, under this Agreement and under HIPAA 45 C.F.R. Parts 160 and 164, Subparts A and E.

s. Assistance in Litigation or Administrative Proceedings

BA shall make itself, and any subcontractors, employees, or agents assisting BA in the performance of its obligations under the Agreement, available to CE, at no cost to CE, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers, or employees based upon a claimed violation of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule, or other laws relating to security and privacy, except where BA or its subcontractor, employee or agent is a named adverse party.

**III. Obligations of CE**

CE shall notify BA of any of the following, to the extent that such may affect BA's use, access, maintenance or disclosure of PHI:

- i. Any limitation(s) in CE's notice of privacy practices in accordance with 45 C.F.R. section 164.520.
- ii. Any changes in, or revocation of, permission by an individual to use, access or disclose PHI.

- iii. Any restriction to the use, access or disclosure of PHI that CE has agreed to in accordance with 45 C.F.R. section 164.522.

#### **IV. General Provisions**

##### **a. Remedies**

BA agrees that CE shall be entitled to seek immediate injunctive relief as well as to exercise all other rights and remedies which CE may have at law or in equity in the event of an unauthorized use, access or disclosure of PHI by BA or any agent or subcontractor of BA that received PHI from BA.

##### **b. Ownership**

The PHI shall be and remain the property of the CE. BA agrees that it acquires no title or rights to the PHI.

##### **c. Regulatory References**

A reference in this Agreement to a section in the Privacy Rule and Security Rule and patient confidentiality regulations means the section as in effect or as amended.

##### **d. No Third-Party Beneficiaries**

Nothing express or implied in the Contract or this Agreement is intended to confer, nor shall anything herein confer, upon any person other than CE, BA and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

##### **e. Amendment**

The parties acknowledge that state and federal laws related to privacy and security of PHI are rapidly evolving and that amendment of the Contract or this Agreement may be required to ensure compliance with such developments. The parties shall negotiate in good faith to amend this Agreement when and as necessary to comply with applicable laws. If either party does not agree to so amend this Agreement within 30 days after receiving a request for amendment from the other, either party may terminate the Agreement upon written notice. To the extent an amendment to this Agreement is required by law and this Agreement has not been so amended to comply with the applicable law in a timely manner, the amendment required by law shall be deemed to be incorporated into this Agreement automatically and without further action required by either of the parties. Subject to the foregoing, this Agreement may not be modified, nor shall any provision hereof be waived or amended, except in a writing duly signed and agreed to by BA and CE.

##### **f. Interpretation**

Any ambiguity in this Agreement shall be resolved to permit CE to comply with the Privacy and Security Rules, the HITECH Act, and all applicable patient confidentiality regulations.

##### **g. Compliance with State Law**

In addition to HIPAA and all applicable HIPAA Regulations, BA acknowledges that BA and CE may have confidentiality and privacy obligations under State law, including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code §56, et seq. ("CMIA")). If any provisions of this Agreement or HIPAA Regulations or the HITECH Act conflict with CMIA or any other California State law regarding the degree of protection provided for PHI and patient medical records, then BA shall comply with the more restrictive requirements.

##### **h. Survival**

The respective rights and obligations and rights of CE and BA relating to protecting the confidentiality or a patient's PHI shall survive the termination of the Contract or this Agreement.
