On Tuesday, March 15, 2022, on motion of Supervisor Baca, duly seconded by Supervisor Rutherford and carried, the following resolution is adopted by the Board of Supervisors of San Bernardino County, State of California.

SECTION 1. The Board of Supervisors of the County of San Bernardino, acting in its capacity as the governing body of County Service Area 70, hereby finds and determines:

c) That the exterior boundaries of the territory proposed to be formed into the said zone are described and set forth in Exhibit "A," attached hereto and incorporated herein by this reference.

d) That staff was contacted by residents along Mercury Way, Crestline, for the reasons of a desire to form a new road district zone comprised of approximately 1,800 linear feet of paved road and that would provide road services to include pulverizing of existing road surface and repaving, maintenance, and snow removal on Mercury Way between the intersections of Skyland Drive to the North and South in Crestline.

e) That County Service Area 70, Zone R-50 (Mercury Way), is intended for the purpose and reasons of providing road services, including road paving, maintenance, and snow removal services.
