FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The 2023-24 Recommended Budget for the In-Home Supportive Services Public Authority (IHSS PA), as presented in the Recommended Budget Book, includes Requirements for Special Revenue Funds of \$39.6 million and budgeted staffing of 41 positions. In addition, IHSS PA's budget includes approximately \$1.5 million in available reserves for future use.

BACKGROUND INFORMATION

In 2002, San Bernardino County (County) established the IHSS PA to serve elderly, blind, or disabled individuals who are not able to remain in their homes without assistance. Ordinance No. 3842 (adopted on January 8, 2002, Item No. 58) established the IHSS PA to act as the employer of records for San Bernardino In-Home Supportive Services (IHSS) providers, pursuant to Welfare and Institutions Code section 12301.6, subdivision (c)(1), to perform other IHSS functions as required by Welfare and Institutions Code section 12301.6, subdivision (e) and not be retained by County.

2023-24 Budget for In-Home Supportive Services Public Authority
June 13, 2023

Pursuant to Ordinance No. 3842, IHSS PA is an entity separate from the County. It is governed by a Board of Directors (Board) comprised of members of the Board of Supervisors and is a corporate public body exercising public and essential governmental functions with all powers necessary and convenient to carry out the delivery of in-home supportive services.

The IHSS PA is charged by the state legislature with providing mandated services to include a registry of potential care providers; background and qualification investigations of potential care providers; referrals to IHSS consumers of potential care providers from the registry; training for both IHSS care providers and consumers; and performance of other functions related to the delivery of in-home supportive services, as designated by the governing board.

The following table represents the 2023-24 Recommended Budget Summary for IHSS PA, which reflects an increase from the prior year:

Budget Book Group	2022-23 Modified	2023-24 Recommended	Change
Other Agencies	\$37,971,180	\$39,593,015	\$1,621,835

Note: The Recommended Budget Summary excludes contributions to reserves, if applicable.

Total budgeted Requirements are increasing by \$1,621,835 primarily to reflect an anticipated increase in hours of care by providers, resulting in additional health benefit costs, as immigrants are now eligible for IHSS services.

Recommendation No. 1 calls for the public hearing on the 2023-24 Recommended Budget for IHSS PA, as required by Government Code sections 29080 through 29092. Prior to presenting the IHSS PA 2023-24 budget for adoption, a notice was published on May 24 and May 30, 2023, setting the date of the public hearing for the purpose of making a recommendation regarding the Recommended Budget. The Recommended Budget documents were made available at the Clerk of the Board's office on May 23, 2023, for the public, and the public hearing is occurring at least 10 days after the documents were made available. The notice further sets forth that any member of the public may appear at the public hearing and be heard regarding any item on the Recommended Budget or the inclusion of additional items. All proposals for revisions should be submitted in writing to the Clerk of the Board before the close of the public hearing.

The public hearing is designed to discuss and implement any direction or changes to the Recommended Budget. Any requests for increases, decreases, omission of any item in the budget, or inclusion of any additional items shall not be made after the public hearing, unless the items were proposed in writing and filed with the Clerk of the Board before the close of the public hearing or unless approved by the Board by 4/5 vote.

Recommendation No. 2 approves and adopts the IHSS PA's 2023-24 budget, including appropriation, operating transfer out, contributions to reserves, available reserves, budgeted staffing, and authorization for adjustments for final fund balance. Attachment A lists the 2023-24 Recommended Budget appropriation, operating transfers out, contribution to reserves, available reserves, and budgeted staffing totals based on headcounts. The Recommended Budget, including Attachment A, satisfies the requirements set forth in Government Code Section 29089.
