FINANCIAL IMPACT

Approval of this item will not result in the use of additional Discretionary General Funding (Net County Cost). The agreement with the California Department of Parks and Recreation, Division of Boating and Waterways (DBW), through its Boating Safety and Enforcement Financial Aid Program (Financial Aid Program), in the amount of \$412,661, will help offset the Sheriff/Coroner/Public Administrator's (Department) 2024-25 estimated cost of \$1,042,724 to provide boating safety and enforcement activities at the Colorado River. The remaining estimated cost of \$630,063 will be funded within the Department's 2024-25 recommended budget allocation.

Funding from the California Department of Parks and Recreation is contingent upon approval of the State's 2024-25 budget. If funding for this program is reduced, an equal portion will be deducted from every Financial Aid Program recipient. No matching funds are required.

BACKGROUND INFORMATION

The Department operates and maintains the necessary equipment and personnel at the Colorado River to provide enforcement of boating regulations, assistance to boaters in distress, and for search and rescue operations. The Department coordinates with the Mohave County (Arizona) Sheriff's Department to provide regular boat patrols, as well as periodic task forces to enforce boating under the influence statutes.

On December 19, 2023 (Item No. 91), the Board of Supervisors approved the submission of an application to DBW in the amount of \$1,042,724 for funding to fully recover the cost of patrol

The State requires the County to sign the agreement prior to execution by the State. Under the terms of the proposed agreement, the County may terminate without cause in writing at any time, and DBW may terminate the agreement without cause with 60 days' advance written notice to the County.
