

ADDENDUM NO. 2
TO THE BID DOCUMENTS FOR THE
GENERAL ENGINEERING JOB ORDER CONTRACTORS

The following changes and/or additions shall be made to the plans and/or specifications. All other requirements of the contract documents shall remain the same. The Bidder shall acknowledge receipt of the addendum by inserting its number and date in the Bid Proposal.

REVISE Mandatory Pre-bid Meeting Date:

Replace Bid Proposal with the Revised Bid Proposal reflecting the revised Bid Opening date of August 24, 2021 at 11:00 AM.

Question and Answer:

Q: Since multiple contractors will be awarded a JOC (e.g., 5 contractors for the General Building JOC, 3 contractors for the General Engineering JOC, etc.), what method(s) will the County use to select a contractor for performance of each job order under each JOC? Will the individual job orders also be competitively bid among the five GBJOC16 JOC contractors? Or will the County select one of the five contractors using another method (e.g., rotational basis, past performance record, etc.) for each job order?

A: The individual job orders are not competitively bid. Initially, work is assigned as evenly as possible across the contracts given varying project budget amounts. However, performance issues may affect the amount of work assigned to a contractor. There is no minimum amount of work guaranteed on these contracts.
