Terms and Conditions Governing This Order

1. This confidential Order may not be disclosed to third parties and is non-binding until accepted by CenturyLink, as set forth in section 4. Customer places this Order by signing (including electronically or digitally) or otherwise acknowledging (in a manner acceptable to CenturyLink) this document and returning it to CenturyLink. Pricing is valid for 90 calendar days from the date indicated unless otherwise specified.

2. Prior to installation, CenturyLink may notify Customer in writing (including by e-mail) of price increases due to off-net vendors. Customer has 2 business days following notice to terminate this Order without liability; or otherwise, Customer is deemed to accept the increase.

3. If a generic demarcation point (such as a street address) is provided, the demarcation point for on-net services will be CenturyLink's Minimum Point of Entry (MPOE) at such location (as determined by CenturyLink). Off-net demarcation points will be the off-net vendor's MPOE. If this Order identifies aspects of services that are procured by Customer directly from third parties, CenturyLink is not liable for such services.

4. The Service identified in this Order is subject to the CenturyLink Master Service Agreement(s) and applicable Service Schedule(s) between CenturyLink Communications, LLC and Customer (or its affiliate if expressly provided for under such affiliate Master Service Agreement). If Customer has not executed a CenturyLink Master Services Agreement with CenturyLink Communications, LLC but has executed a services agreement for applicable services with an affiliate of CenturyLink ("Affiliate Agreement"), then the terms of the most recent Affiliate Agreement will apply to the Service (to the extent not inconsistent with this Order); in such cases, the current standard Service Schedule applicable to the Services will apply. If CenturyLink and Customer have not executed a CenturyLink Master Service Agreement and/or applicable Service Schedule(s) governing the Service and have not executed an Affiliate Agreement, CenturyLink's current standard Master Service Agreement/Service Schedule(s) will govern, a copy of which are available upon request. The CenturyLink invoicing entity is the entity providing Services.

Notwithstanding anything in any Affiliate Agreement to the contrary, CenturyLink will notify Customer of acceptance of requested Service in this Order by delivering (in writing or electronically) the date by which CenturyLink will install Service (the "Customer Commit Date"), by delivering the Service, or by the manner described in a Service Schedule. CenturyLink will deliver a written or electronic notice that the Service is installed (a "Connection Notice"), at which time billing will commence. At the expiration of the Service Term, Service will continue month-to-month, and rates are subject to change upon 30 days' notice from CenturyLink. If the Affiliate Agreement governs and does not include early termination charges and if Customer cancels or terminates Service for any reason other than CenturyLink's uncured default or if CenturyLink terminates due to Customer's uncured default, then Customer will pay CenturyLink's standard early termination liability charges as identified in CenturyLink's ancillary charge summary, a copy of which is available upon request. "Affiliate Agreement" for CenturyLink Communications, LLC or any companies that were affiliates of CenturyLink Communications, LLC before the merger between CenturyLink and Level 3 Communications ("Merger") means only an applicable Interexchange Carrier (IXC) network agreement, e.g. CenturyLink Total Advantage Agreement, CenturyLink Total Advantage Express Agreement, or CenturyLink Wholesale Services Agreement, for non-government customers (each, a CenturyLink Affiliate Agreement). Affiliate Agreement also includes an Agreement between Customer and any entity that was an affiliate of Level 3 Communications before the Merger.

5. Neither party will be liable for any damages for lost profits, lost revenues, loss of goodwill, loss of anticipated savings, loss of data or cost of purchasing replacement service, or any indirect, incidental, special, consequential, exemplary or punitive damages arising out of the performance or failure to perform under this Order. Customer's sole remedies for any nonperformance, outages, failures to deliver or defects in Service are contained in the service levels applicable to the affected Service.

6. All transport services ordered from CenturyLink will be treated as interstate for regulatory purposes. Customer may certify transport service as being intrastate (for regulatory purposes only) in a format as required by CenturyLink, but only where the transport services are sold on a stand-alone basis, the end points for the service are located in the same state and neither end point is a CenturyLink provided IP port ("Intrastate Services"). Where Customer requests that services be designated as Intrastate Services, Customer certifies to CenturyLink that not more than 10% of Customer's traffic utilizing the Intrastate Services will be originated or terminated outside of the state in which the Intrastate Services are provided. Such election will apply prospectively only and will apply to all Intrastate Services stated in this Order.

7. Charges for certain Services are subject to (a) a monthly property tax surcharge and (b) a monthly cost recovery fee per month to reimburse CenturyLink for various governmental taxes and surcharges. Such charges are subject to change by CenturyLink and will be applied regardless of whether Customer has delivered a valid tax exemption certificate. For additional details on taxes and surcharges that are assessed, visit www.centurylink.com/taxes.

8. Customer will pay CenturyLink's standard: (a) expedite charges (added to the NRC) if Customer requests a delivery date inside CenturyLink's standard interval duration (available upon request or at <https://MyLevel3.net>) and (b) ancillary charges for additional activities, features or options as set forth in CenturyLink's ancillary charge summary, a copy of which is available upon request. If CenturyLink cannot complete installation due to Customer delay or inaction, CenturyLink may begin charging Customer and Customer will pay such charges.

9. Equipment provided by CenturyLink to be located in Customer's premises ("CPE") is subject to the terms of the Customer Premise Equipment Addendum, a copy of which is available upon request. For colocation, data center and/or hosting services, pre-arranged escorted access may be required at certain locations, and cross connect services are subject to whether facilities are available at the particular location to complete the connection.

10. For Level 3 Internet Services provided in certain countries in the Asia-Pacific region where CenturyLink does not currently hold a license to provide such Services, Customer consents to CenturyLink providing Service by procuring services of third-party carriers as Customer's agent, and Customer appoints CenturyLink as its agent to the extent necessary to obtain such Service. CenturyLink's affiliate is licensed in Hong Kong, Japan, Singapore and Australia.
