The Contractor agrees to hold harmless and indemnify the County, their officers and employees from and against any third-party claims for injury, damage, loss liability to persons or property resulting from or arising out of the negligent acts, omissions, liabilities, or obligations of the Contractor, any affiliate, or any person or entity engaged by the Contractor as an expert, consultant, independent contractor, subcontractor, employee or agent.

G.2 Additional Insured

All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional named insured via Broad Form endorsement with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy.

G.3 Waiver of Subrogation Rights

The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against the County.

G.4 Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

G.5 Severability of Interests

The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and the County or between the County and any other insured or additional insured under the policy.

G.6 Proof of Coverage

The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

G.7 Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

G.8 Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

G.9 Failure to Procure Coverage

In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor will be reduced to pay for County purchased insurance.

G.10 Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

- G.11** The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

- G.11.1** Workers' Compensation/Employer's Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of the Contractor and all risks to such persons under this contract.

If Contractor has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

- G.11.2** Commercial/General Liability Insurance – The Contractor shall carry General Liability Insurance covering all operations performed by or on behalf of the Contractor providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. If the Contractor is transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If the Contractor owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

G.11.4 Umbrella Liability Insurance – An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a “dropdown” provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

I. CORRECTION OF PERFORMANCE DEFICIENCIES

I.1 Failure by Contractor to comply with any of the provisions, covenants, requirements or conditions of this Contract shall be a material breach of this Contract.

- I.2** In the event of a non-cured breach, County may, at its sole discretion and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract, Afford Contractor thereafter a time period of at least thirty (30) days within which to cure the breach, which period shall be established at the sole discretion of County. - d. In the event Stericycle engages any agent or Subcontractor to receive, maintain or transmit PHI to perform or assist with any of the Covered Services, Stericycle agrees to require such agent or Subcontractor to agree to the same restrictions and conditions that apply through this Agreement to Stericycle with respect to such information.
- e. If Stericycle maintains PHI in a Designated Record Set on behalf of Covered Entity, upon Covered Entity's request, Stericycle will make PHI in such Designated Record Set available to Covered Entity as necessary to allow Covered Entity to comply with its obligations to provide access to Individuals of their health information as required by 45 C.F.R. § 164.524.

To the extent required by law, Stericycle agrees to make its internal practices, books, and records relating to the Use and Disclosure of PHI available to the Secretary of HHS for the purposes of the Secretary determining Covered Entity's compliance with the Privacy Rule. Nothing in this Section will be construed as a waiver of any legal privilege or of any protections for trade secrets or confidential commercial information.

If a cure under this Section 6(b) is not reasonably possible, the non-breaching Party may immediately terminate this BAA and the Underlying Agreement. Before exercising any of these options, the non-breaching Party shall provide written notice to the breaching Party describing the violation and the action it intends to take.

7. Destruction of PHI. Upon termination, cancellation, expiration or other conclusion of the Agreement, Stericycle will:

- a. Destroy all PHI that Stericycle received from or stored on behalf of Covered Entity.
- b. Any such destruction of PHI shall be done with the use of technology or methodology that renders the PHI unusable, unreadable, or undecipherable to unauthorized individuals as specified by the Secretary in guidance issued pursuant to the HITECH Act.
- c. If Stericycle believes that the destruction of PHI is not feasible, Stericycle will extend the protections of this Agreement to the PHI not destroyed and limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction infeasible.
- d. Stericycle's obligations under this Section 7 will survive termination, cancellation, expiration or other conclusion of this Agreement.

8. Limitation of Liability. Notwithstanding anything to the contrary in the Underlying Agreement, Stericycle will not be liable for

any indirect, special, incidental, punitive, exemplary or consequential damages of any kind (including lost profits, fines, civil penalties, goodwill, data, the cost of replacement goods or services, or other intangible losses) arising from or related to this Agreement, including but not limited to Stericycle's breach or alleged breach of this Agreement, regardless of the form of action, whether in contract, tort (including negligence), or otherwise, even if Stericycle has been advised of the possibility of such damages. In no event shall Stericycle's aggregate liability arising out of or related to this Agreement, whether arising out of or related to breach of contract, tort (including negligence) or otherwise, exceed the amounts paid and amounts accrued but not yet paid for the Covered Services' in the previous twelve (12) months. Covered Entity's insurance carrier shall not be entitled to subrogate for any sums it has paid to or on behalf of Covered Entity resulting from fault by Business Associate in excess of the limitation of liability set forth herein above.

Assignment of Rights and Delegation of Duties.** Nothing in this Agreement shall confer upon any person other than the Parties and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns. However, Covered Entity may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of Stericycle, which consent shall not be unreasonably withheld or delayed. Notwithstanding any provisions to the contrary, however, Stericycle and Covered Entity may assign or delegate any of its rights or obligations hereunder to any of its wholly owned subsidiaries, affiliates or successor companies. Assignments made in violation of this provision are null and void.
- 11. Relationship of Parties.** For purposes of this Agreement, Stericycle is an independent contractor of Covered Entity and shall not be considered an agent of Covered Entity.

* The Environmental Surcharge is calculated at 4% of the invoice sub-total and is in addition to the Fuel Surcharge.

* Shred trucks used to render onsite destruction services consume significantly more fuel than trucks used for offsite services.

Calculation example:

If your invoice subtotal is \$100, and the U.S. National Weekly Retail On-Highway Diesel Prices is \$3.75 / U.S. gallon, the Offsite Fuel Surcharge would be 13.0% (15.0% for Onsite Service) based on the table above.
