Briefly describe the general nature of the contract:

Berla Corporation's (Berla) End User License Agreement (Agreement) for the vehicle iVe Ecosystem, including system training and certification personnel and a software subscription to retrieve forensic information from vehicles involved with crimes. Forensic information includes GPS data, navigation history, call logs, contact lists, SMS messages, and emails. This evidence aids in the investigation and prosecution of crimes by linking defendants with crimes. Berla's Agreement consists of terms and conditions that are not standard to County contracts and require approval from the Board of Supervisors.
