If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so. Contractor agrees that signing the Contract shall constitute signature of this Certification.

- NN. Contractor shall comply with the Environmental Tobacco Smoke/Pro-Children Act of 1994 (20 U.S.C 6081 et seq.).

IV. COUNTY RESPONSIBILITIES

- A. Compensate the Contractor per provisions of Section V of this Contract.

- D. Review and approve/deny activity calendars and budget revisions received from Contractor. Notify Contractor of County decision in a timely manner.
- E. Provide forms to Contractor as necessary.

V. FISCAL PROVISIONS

- A. The maximum amount payment under this Contract shall not exceed \$880,102, and shall be subject to availability of funds to the County. The consideration to be paid to Contractor, as provided herein, shall be in full payment for all Contractor's services and expenses incurred in the performance hereof, including travel and per diem.
- B. Payment Method and Schedule:

1. Reimbursements for items reflected on the Program Budget (Attachment C) shall be payable by Contract funds on a monthly basis.
 2. County shall reimburse Contractor for only those services and expenses specified in this Contract. Payments will be processed by County after receipt of:
 - a. Line item invoice of program expenditures incurred and salary earned for month ended;
 - b. Monthly reports as described in Section II, Paragraph Q.
- C. Contractor's invoices are to be submitted to the following address:
- San Bernardino County
Children and Family Services
Attn: Budget and Administrative Services
150 S. Lena Road
San Bernardino, CA 92415-0515
- D. Contractor shall accept all payments from County via electronic funds transfer (EFT) directly deposited into the Contractor's designated checking or other bank account. Contractor shall promptly comply with directions and accurately complete forms provided by County required to process EFT payments.
 - E. Cost for services under the terms of this Contract shall be incurred during the contract period except as approved by County. Contractor shall not use current year funds to pay prior or future year obligations.
 - F. Funds made available under this Contract shall not supplant any federal, state or any governmental funds intended for services of the same nature as this Contract. Contractor shall not claim reimbursement or payment from County for, or apply sums received from County with respect to that portion of its obligations that have been paid by another source of revenue. Contractor agrees that it will not use funds received pursuant to this Contract, either directly or indirectly, as a contribution or compensation for purposes of obtaining funds from another revenue source without prior written approval of the County.
 - G. County is not liable for the payment of any taxes, other than applicable sales or use tax, resulting from this Contract however designated, levied or imposed, unless County would otherwise be liable for the payment of such taxes in the course of its normal business operations.
 - H. Upon written demonstration of need by Contractor and at the option of County, funds may be advanced to Contractor by County upon approval of the Assistant County Executive Officer of Department Operations. Any such advance will cause the amounts payable to Contractor in subsequent months to be reduced to the amount determined by dividing the balance left by the number of months remaining in the contract term. No advance will increase the amount shown in Paragraph A of this Section. In the event of early termination, the Contractor shall pay the remaining balance due to the County within thirty (30) calendar days.
 - I. The Contractor shall request a budget amendment, in writing, in advance of expenditures: 1) when aggregate expenditures are expected to exceed an approved budgeted line item by more than fifteen (15%) percent; or 2) to add a new budget line item. No budget revision may result in an increase of the maximum dollar amount stated in Paragraph A, of this Section. The written request must specify the changes requested, by line item and amount, and must include justification. Prior to implementation of a budget revision, the County shall approve (or deny) the budget revision request. The County has the authority to approve line item budget changes to the budget herein, as long as these changes do not exceed the total contract amount. County shall notify the Contractor in writing of the status of the budget revision request within fourteen (14) calendar days of receipt of the Contractor's written request. The County reserves the right to deny the Contractor's invoice for expenditures in excess of the approved budgeted line item amount.
 - J. Upon receipt of additional funding sources, Contractor shall notify County within five business days, in writing, of funding sources and amounts received.

- K. Contractor shall demonstrate the existence of a ten percent (10%) cash or in-kind match, other than funding provided by the State Department of Social Services. The required match is \$29,337 per year and must be for allowable costs, which include but are not limited to, rent, utilities, supplies, and personnel (volunteer). Any cash or in-kind match shall be reported on the monthly invoice and must be supported by appropriate documentation.
- L. Reimbursements under this contract will be limited to the obligations and expenditures specified in the Program Budget, included in Attachment C. Such specified expenditures will be further limited to those which are considered both reasonable and necessary, that is, those which in nature and amount do not exceed what would be incurred by an ordinarily prudent person in the conduct of competitive business. Contractor agrees County may recover any payments for goods and services (including rental of facilities), which were not reasonable and necessary or which exceeded the fair market value. The recovery shall be limited to payments over and above reasonable or fair market amounts, and any costs of recovery.
- M. Contractor shall submit a monthly report to Children and Family Services – Budget and Administrative Services, by the tenth (10th) calendar day of the month for the previous month of service. The monthly report consists of the monthly budget report (invoice), monthly program statistical report, and monthly program narrative report, which will describe service delivery activity and clearly describe progress toward meeting service delivery goals agreed to in Section II. County will provide forms for the report.
- N. If availability of funding to the County is decreased, Contractor shall submit a budget revision to County based on the new funding amount.

VI. RIGHT TO MONITOR AND AUDIT

- A. County shall have the absolute right to monitor the performance of Contractor in the delivery of services provided under this Contract.
- B. County or any subdivision or appointee thereof, and the State of California or any subdivision or appointee thereof, including the Auditor General, shall have absolute right to review and audit all records, books, papers, documents, corporate minutes, and other pertinent items as requested, and shall have absolute right to monitor the performance of Contractor in the delivery of services provided under this Contract. Full cooperation shall be given by Contractor in any auditing or monitoring conducted. Contractor shall repay to the County within thirty (30) days of receipt of audit findings any reimbursements made by County to Contractor that are determined by subsequent audit to be unallowable pursuant to the terms of this Contract or by law.
- C. Contractor shall cooperate with County in the implementation, monitoring and evaluation of this Contract and comply with any and all reporting requirements established by this Contract.
- D. All records pertaining to service delivery and all fiscal, statistical and management books and records shall be available for examination and audit by county, federal and state representatives for a period of three (3) years after final payment under the Contract or until all pending county, state, and federal audits are completed, whichever is later. Records of the Contractor which do not pertain to the services under this Contract may be subject to review or audit unless provided in this or another Contract. Technical program data shall be retained locally and made available upon the County's reasonable advance written notice or turned over to County. If said records are not made available at the scheduled monitoring visit, Contractor may, at County's option, be required to reimburse County for expenses incurred due to required rescheduling of monitoring visit(s). Such reimbursement will not exceed \$50 per hour (including travel time) and may be deducted from the following month's claim for reimbursement.
- E. Contractor shall provide all reasonable facilities and assistance for the safety and convenience of County's representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work of the Contractor.
- F. Upon County request, Contractor shall hire a licensed Certified Public Accountant, approved by the County, who shall prepare and file with County, within sixty (60) days after the termination of

the Contract, a certified fiscal audit of related expenditures during the term of the Contract and a program compliance audit.

- G. Pursuant to Code of Federal Regulations (CFR) – Title 2 CFR 200.501, Contractors expending \$750,000 or more in federal funds within the Contractor’s fiscal year must have a single audit or program-specific audit performed. A copy of the audit performed in accordance with Code of Federal Regulations (CFR) – Title 2 CFR 200.501 shall be submitted to the County within thirty (30) days of completion, but no later than nine (9) months following the end of the Contractor’s fiscal year. - B. Failure by Contractor to comply with any of the provisions, covenants, requirements or conditions of this Contract shall be a material breach of this Contract.
- C. In the event of a non-cured breach, County may, at its sole discretion and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract.
1. Afford Contractor thereafter a time period within which to cure the breach, which period shall be established at sole discretion of County; and/or
 2. Discontinue reimbursement to Contractor for and during the period in which Contractor is in breach, which reimbursement shall not be entitled to later recovery; and/or
 3. Withhold funds pending duration of the breach; and/or
 4. Offset against any monies billed by Contractor but yet unpaid by County those monies disallowed pursuant to Item "2" of this paragraph; and/or
 5. Terminate this Contract immediately and be relieved of the payment of any consideration to Contractor. In event of such termination, the County may proceed with the work in any manner deemed proper by the County. The cost to the County shall be deducted from any sum due to the Contractor under this Contract and the balance, if any, shall be paid by the Contractor upon demand.
- D. Unless a remedy is specifically designated as exclusive, no remedy conferred by any of the specific provision of the Contract is intended to be exclusive of any other remedy, and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder, now or hereafter existing at law or in equity or by statute or otherwise. The election of any one (1) or more remedies by either Party shall not constitute a waiver of the right to pursue other available remedies.

VIII. TERM

This Contract is effective as of July 1, 2022 and expires June 30, 2025, but may be terminated earlier in accordance with provisions of Section IX of the Contract. The Contract term may be extended for two (2) additional one-year periods by mutual agreement of the parties.

IX. EARLY TERMINATION

- A. The County may terminate the Contract immediately under Section V. Paragraph A, if funds are not available to the County, and under the provisions of Section VII, Paragraph C, Item 5 of the Contract. In addition, the Contract may be terminated without cause by the County by serving a written notice to the Contractor thirty (30) days in advance of termination. The Assistant Executive Officer of Department Operations or his/her designee is authorized to exercise the County’s rights with respect to any termination of this Contract.

- 1. This Contract;
- 2. Attachments to this Contract, as indicated herein; and
- 3. Price lists, SOWs, and other documents attached hereto or incorporated herein.

Nothing contained in this Contract shall be construed as creating a joint venture, partnership or employment arrangement between the Parties hereto, nor shall either Party have the right, power or authority to create an obligation or duty, expressed or implied, on behalf of the other Party hereto.

- D. Contractor shall not offer (either directly or through an intermediary) any improper consideration such as, but not limited to, cash, discounts, service, the provision of travel or entertainment, or any items of value to any officer, employee or agent of the County in an attempt to secure favorable treatment regarding this Contract.

The County, by written notice, may immediately terminate any contract if it determines that any improper consideration as described in the preceding paragraph was offered to any officer, employee or agent of the County with respect to the proposal and award process. This prohibition shall apply to any amendment, extension or evaluation process once a contract has been awarded.

Contractor shall immediately report any attempt by a County officer, employee or agent to solicit (either directly or through an intermediary) improper consideration from Contractor. The report shall be made to the supervisor or manager charged with supervision of the employee or to the County Administrative Office. In the event of a termination under this provision, the County is entitled to pursue any available legal remedies.

- E. Time is of the essence in performance of this Contract and each of its provisions. Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within twenty-four (24) hours, give notice thereof, including all relevant information with respect thereto, to the other party.

- F. The State and County shall have all ownership rights in software or modifications thereof and associated documentation designed, developed or installed with Federal financial participation. - G. County shall have a royalty-free, non-exclusive and irrevocable license to publish, disclose, copy, translate, and otherwise use, copyright or patent, now and hereafter, all reports, studies, information, data, statistics, forms, designs, plans, procedures, systems, and any other materials or properties developed under the Contract including those covered by copyright, and reserves the right to authorize others to use or reproduce such material. All such materials developed under the terms of the Contract shall acknowledge San Bernardino County as the funding agency and Contractor as the creator of the publication. No such materials or properties produced in whole or in part under the Contract shall be subject to private use, copyright or patent right by Contractor in the United States or in any other country without the express written consent of County. Copies of all educational and training materials, curricula, audio/visual aids, printed material, and periodicals, assembled pursuant to the Contract must be filed with County prior to publication. Contractor shall receive written permission from County prior to publication of said training materials.
- H. All documents, data, products, graphics, computer programs and reports prepared by Contractor pursuant to the Contract shall be considered property of the County upon payment for services (and product, if applicable). All such items shall be delivered to County at the completion of work under the Contract, subject to the requirements of Section VIII, Term. Unless otherwise directed by County, Contractor may retain copies of such items.
- I. No waiver of any of the provisions of the Contract shall be effective unless it is made in a writing which refers to provisions so waived and which is executed by the Parties. No course of dealing and no delay or failure of a Party in exercising any right under the Contract shall affect any other or future exercise of that right or any exercise of any other right. A Party shall not be precluded from exercising a right by its having partially exercised that right or its having previously abandoned or discontinued steps to enforce that right.
- J. Any alterations, variations, modifications, or waivers of provisions of the Contract, unless specifically allowed in the Contract, shall be valid only when they have been reduced to writing, duly signed and approved by the Authorized Representatives of both parties as an amendment to this Contract. No oral understanding or agreement not incorporated herein shall be binding on any of the Parties hereto.
- K. If any provision of the Contract is held by a court of competent jurisdiction to be unenforceable or contrary to law, it shall be modified where practicable to the extent necessary so as to be enforceable (giving effect to the intention of the Parties) and the remaining provisions of the Contract shall not be affected.
- L. This Contract shall be governed by and construed in all aspects in accordance with the laws of the State of California without regard to principles of conflicts of laws. The Parties agree to the exclusive jurisdiction of the federal court located in the County of Riverside and the state court located in San Bernardino County, for any and all disputes arising under this Contract, to the exclusion of all other federal and state courts.
- M. In the event the County determines that service is unsatisfactory, or in the event of any other dispute, claim, question or disagreement arising from or relating to this Contract or breach thereof, the parties hereto shall use their best efforts to settle the dispute, claim, question or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties.
- N. The parties actions under the Contract shall comply with all applicable laws, rules, regulations, court orders and governmental agency orders. The provisions of this Contract are specifically

In the event that a subpoena or other legal process commenced by a third party in any way concerning the services provided under this Contract is served upon Contractor or County, such party agrees to notify the other party in the most expeditious fashion possible following receipt of such subpoena or other legal process. Contractor and County further agree to cooperate with the other party in any lawful effort by such other party to contest the legal validity of such subpoena or other legal process commenced by a third party as may be reasonably required and at the expense of the party to whom the legal process is directed, except as otherwise proceed herein in connection with defense obligations by Contractor for County.
- P. This Contract supersedes and replaces all previous contracts, agreements and understandings, oral, written and implied, between the County and Contractor hereto with respect to the subject matter hereof. All such prior contracts, agreements and understandings are hereby terminated and deemed of no further force or effect.
- Q. Neither party shall be liable for failure or delay to perform obligations under this Contract, which have become practicably impossible because of circumstances beyond the reasonable control of the applicable party. Such circumstances include without limitation, natural disasters or acts of God; acts of terrorism; labor disputes or stoppages; war; government acts or orders; epidemics, pandemics or outbreak of communicable disease; quarantines; national or regional emergencies; or any other cause, whether similar in kind to the foregoing or otherwise, beyond the party's reasonable control. Written notice of a party's failure or delay in performance due to force majeure must be given to the other party no later than thirty (30) days following the force majeure event commencing, which notice shall describe the force majeure event and the actions taken to minimize the impact thereof. All delivery dates under this Contract affected by force majeure shall be tolled for the duration of such force majeure. The parties hereby agree, when feasible, not to cancel but reschedule the pertinent obligations and deliverables for mutually agreed dates as soon as practicable after the force majeure condition ceases to exist.
