

SPECIAL CONDITIONS

- 1.1 Coordination, Scheduling, and Meetings: The Contractor shall coordinate scheduling all construction activities with the Project Manager from the Project and Facilities Management Department, County of San Bernardino, prior to beginning the activities. The successful bidder shall attend a preconstruction conference at a location and time set by the County.

Construction meetings shall be held at the job site or at a different location as instructed by the County. Details regarding job site meetings will be arranged at the preconstruction conference.

- 1.2 Codes, Ordinances and Regulations: All Work shall conform to the requirements of all Applicable Laws including the California Building Standards Code (as adopted and/or amended by the County), the Americans with Disabilities Act, Uniform Mechanical Code, Uniform Plumbing Code, Uniform Electrical Code, the Standard Plans for Public Works Construction, Construction Safety Orders of the Department of Industrial Relations – Division of Industrial Safety Construction Safety Orders, and all other State and National codes, ordinances, rules and regulations, which apply to the Work.

In any case of conflict between any of these requirements, and the Contract Documents, the requirement that is the strictest shall govern. Nothing in the Contract Documents is to be construed to permit Work not in conformance with these laws, codes and regulations.

- 1.3 Liquidated Damages: Section 8.5.3 of the General Conditions is amended to read the following:

In the event that Contractor fails to achieve Final Completion of the Work within the Contract Time, Contractor agrees to pay County the sum of **\$750 per day** for liquidated damages for each calendar day that Final Completion is delayed.

- 1.4 Safety: The Contractor shall be solely and completely responsible for conditions of the job site, including safety of all persons and property for the duration of the Work, on a 24-hour per day, 7-day week basis. Prior to the start of construction, Contractor shall provide the Project Manager with a copy of Contractor's Illness and Injury Prevention Program as required by California Code of Regulations, title 8, sections 1509 and 3203, and Section 10 of the General Conditions, specifically relating to this Project.

- 1.5 Project Inspections: All inspections shall be performed during normal business hours. Contractor shall notify the Project and Facilities Management Department Inspector and Project Manager 48 hours in advance of all requested inspections.

Project Nos. 10.10.0990 | 10.10.0992 | 10.10.0998

Contractor may request an inspection via email to the Project and Facilities Management Department Inspector and Project Manager at Ernesto.gonzalez@res.sbcounty.gov
