19. TERMINATION AND TERMINATION COSTS

The COUNTY may immediately terminate this Contract upon the termination, suspension, discontinuation, or substantial reduction in ESG funding for the Contract activity or if for any reason the timely completion of the work under this Contract is rendered improbable, infeasible, or impossible:

1. If CONTRACTOR fails to perform the services within the time specified herein or any extension thereof; or,
2. If CONTRACTOR fails to perform any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms. If in either of these circumstances, CONTRACTOR does not cure such failure within a period of ten (10) days (or such longer period as the COUNTY may authorize in writing) after receipt of notice from the COUNTY specifying such failure, COUNTY may terminate this Contract.
3. CONTRACTOR shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and whether insolvent within the meaning of the Federal Bankruptcy Law or not.
4. The filing of a voluntary petition to have CONTRACTOR declared bankrupt.
5. The appointment of a Receiver or Trustee for CONTRACTOR.
6. The execution by CONTRACTOR of an assignment for the benefit of its creditors.

If CONTRACTOR materially fails to comply with any term of this Contract, the COUNTY may take one or more of the actions provided under Federal Regulation at 2 CFR 200.339 through 343, Enforcement, which include temporarily withholding cash, disallowing non-compliant costs, wholly or partly terminating the award, withholding future awards, requiring repayment for ineligible reimbursements, and other remedies that are legally available. In such event, CONTRACTOR shall be compensated for all eligible services rendered, and incurred costs related to the provision of such services, performed in good faith in accordance with the terms of this Contract that have not been previously reimbursed, to the date of said termination to the extent that ESG funds are available from HCD and HUD.

In the event the COUNTY terminates the Contract, in whole or in part, the COUNTY may procure, upon such terms and in such manner as the COUNTY may deem appropriate, services similar to those so terminated, and CONTRACTOR shall be liable to the COUNTY for any excess costs for such similar supplies or services; provided that CONTRACTOR shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.

20. MONITORING

The CDH Director, or designee, will conduct periodic program reviews, inclusive of desk audits and onsite monitoring, to monitor and assess the performance of the CONTRACTOR against goals and performance standards. These reviews will focus on the extent to which the planned program, as described in CONTRACTOR'S ESG Application and summarized in **Exhibit 1 – ELIGIBLE USES, BUDGET ALLOCATION AND ACCOMPLISHMENT GOALS** has been implemented. Effectiveness of program management and impact of the program pursuant to ESG & ESG-CV goals will also be reviewed. Authorized representatives of COUNTY and HUD shall have the right of access to all activities and facilities operated by CONTRACTOR under this Contract. Facilities include all files, records, and other documents related to the performance of this Contract. Activities include attendance at staff, board of directors, advisory committee and advisory board meetings and observation of on-going program functions. CONTRACTOR will allow access to records and permit on-site inspection by COUNTY

representatives, HUD and HCD representatives, and ensure that its employees and board members furnish such information, as in the judgment of COUNTY, HUD and HCD representatives, may be relevant to the question of compliance with contractual conditions and HCD or HUD directives, or the effectiveness, legality, and achievements of the program.

Substandard performance as determined by the COUNTY will constitute non-compliance with this Contract. If action to correct such substandard performance is not taken by the CONTRACTOR within thirty (30) days, when feasible and practical, after being notified by the COUNTY, contract suspension or termination procedures will be initiated.

21. INDEPENDENT CONTRACTOR

All parties hereto in the performance of this Contract will be acting in independent capacities and not as agents, employees, partners, joint ventures, or associates of one another. The employees or agents of one party shall not be deemed or construed to be the agent or employees of the other party for any purpose whatsoever.

22. CONFLICT OF INTEREST

CONTRACTOR shall comply with all applicable federal and state laws, regulations and policies governing conflict of interest, including State conflict of interest regulations found in California Government Code Sections 1090, 1126, 87100 et seq., federal conflict of interest regulations found in 24 CFR 570.611, 2 CFR 200.317 and 318, and any other applicable policies, rules and regulations related to conflict of interest.

Any person who is an employee, agent, consultant, officer, elected or appointed official of CONTRACTOR, who exercises any functions or responsibilities with respect to ESG funded activities identified in this Contract and who is in a position to participate in a decision making process or gain inside information with regard to activities identified in this Contract, may not obtain a financial interest or benefit from the ESG-assisted activities identified in this Contract or any related contract, subcontract, or agreement, either for themselves, an immediate family member or business partner, during his/her tenure. CONTRACTOR shall maintain written standards of conduct governing the performance of their employees engaged in the award and administration of contracts.

CONTRACTOR'S failure to comply with this Section may result in the termination of the Contract and repayment of funds as described in Section 19 in addition to any other available remedies to COUNTY.

This Section 22 shall survive termination of this Contract.

23. CONFIDENTIALITY

CONTRACTOR shall maintain the confidentiality of all its records in accordance with all applicable federal, state and COUNTY laws, regulations, ordinances, and directives relating to confidentiality. CONTRACTOR shall inform all of its officers, employees, and agents providing services hereunder of the confidentiality provisions of this Contract. In addition, CONTRACTOR must develop written procedures to ensure that all records containing personally identifying information shall remain confidential and kept secure and confidential; the address or location of any domestic violence or related shelter project assisted under ESG will not be made public; and, the address or location of any housing of a program participant will not be made public, except as provided under a preexisting privacy policy of the COUNTY or CONTRACTOR and consistent with state and local laws regarding privacy and obligations of confidentiality.

24. INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless the COUNTY and its authorized officers, employees, agents, and volunteers ("Indemnitees") from any and all claims, actions, losses, damages, and/or liability arising out of this Contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the COUNTY on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of Indemnitees.

CONTRACTOR'S indemnification obligation applies to the COUNTY'S "active" as well as "passive" negligence but does not apply to the COUNTY'S "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782. This indemnification includes, but is not limited to, any determination by HUD or its successors that activities undertaken by CONTRACTOR under this Contract fail to comply with any laws, regulations, or policies applicable thereto or that any funds billed by and disbursed to CONTRACTOR under this Contract were improperly expended. This Section 24 shall survive the termination of this Contract.

25. INSURANCE REQUIREMENTS

Additional Insured: All policies, except for the Workers' Compensation, Errors and Omissions and Professional Liability policies, shall contain endorsements naming the COUNTY and its officers, employees, agents, and volunteers as additional insureds with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the COUNTY to vicarious liability but shall allow coverage for the COUNTY to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

Waiver of Subrogation Rights: CONTRACTOR shall require the carriers of required coverages to waive all rights of subrogation against the COUNTY, its officers, employees, agents, volunteers, Contractors, and subcontractors. All general or auto liability insurance coverage provided shall not prohibit CONTRACTOR and CONTRACTOR'S employees or agents from waiving the right of subrogation prior to a loss or claim. CONTRACTOR hereby waives all rights of subrogation against the COUNTY.

Policies Primary and Non-Contributory: All policies required herein are to be primary and noncontributory with any insurance or self-insurance programs carried or administered by the COUNTY.

Severability of Interests: CONTRACTOR agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross-liability exclusions that preclude coverage for suits between CONTRACTOR and the COUNTY or between the COUNTY and any other insured or additional insured under the policy.

Proof of Coverage: CONTRACTOR shall furnish Certificates of Insurance to the County Department administering the contract evidencing the insurance coverage, including endorsements, as required, prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and CONTRACTOR shall maintain such insurance from the time CONTRACTOR commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Contract, CONTRACTOR shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

Acceptability of Insurance Carrier: Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A-VII." CONTRACTOR is an authorized self-insured public entity for purposes

of general liability, automobile liability, and workers' compensation. CONTRACTOR warrants that, through its self-insurance program, it has adequate coverage or resources to protect against any liabilities arising out of its performance regarding the terms and conditions of this agreement.

Deductibles and Self-Insured Retention: Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

Failure to Procure Coverage: In the event that any policy of insurance required under this Contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the contract or obtain insurance if it deems necessary and any premiums paid by the COUNTY will be promptly reimbursed by the CONTRACTOR or COUNTY payments to CONTRACTOR will be reduced to pay for COUNTY purchased insurance.

Insurance Review: Insurance requirements are subject to periodic review by the COUNTY. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the COUNTY. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the COUNTY, inflation, or any other item reasonably related to the COUNTY'S risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the COUNTY.

CONTRACTOR agrees to provide insurance set forth in accordance with the requirements herein. If CONTRACTOR uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, CONTRACTOR agrees to amend, supplement, or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of the contract services.

Without in any way affecting the indemnity herein provided and in addition thereto, CONTRACTOR shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

Workers' Compensation/Employers Liability: A program of Workers' Compensation insurance or a state approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of CONTRACTOR and all risks to such persons under this Contract.

If CONTRACTOR has no employees, it may certify or warrant to the COUNTY that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the COUNTY'S Director of Risk Management.

With respect to CONTRACTOR that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

Commercial/General Liability Insurance: CONTRACTOR shall carry General Liability Insurance covering all operations performed by or on behalf of CONTRACTOR providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:

- (a) Premises operations and mobile equipment
- (b) Products and completed operations
- (c) Broad form property damage (including completed operations)
- (d) Explosion, collapse and underground hazards
- (e) Personal injury
- (f) Contractual liability
- (g) \$2,000,000 general aggregate limit

Automobile Liability Insurance: Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired, and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence.

If the CONTRACTOR is transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If the CONTRACTOR owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

Umbrella Liability Insurance: An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

26. AMENDMENTS AND VARIATIONS

This writing with attachments embodies the whole of this Contract of the parties hereto. There are no oral agreements not contained herein. Except as herein provided, addition or variation of the terms of this Contract shall not be valid unless made in the form of a written amendment to this Contract formally approved and executed by both parties.

☒ The provision below does not apply to this Agreement

27. USE OF ARRA FUNDS AND REQUIREMENTS

This Contract may be funded in whole or in part with funds provided by the American Recovery and Reinvestment Act of 2009 ("ARRA"), signed into law on February 17, 2009. Section 1605 of ARRA prohibits the use of recovery funds for a project for the construction, alteration, maintenance or repair of a public building or public work (both as defined in 2 CFR 176.140) unless all of the iron, steel, and manufactured goods (as defined in 2 CFR 176.140) used in the project are produced in the United States.

A waiver is available under three limited circumstances: (i) Iron, steel or relevant manufactured goods are not produced in the United States in sufficient and reasonable quantities and of a satisfactory quality; (ii) Inclusion of iron, steel or manufactured goods produced in the United States will increase the cost of the overall project by more than 25 percent; or (iii) Applying the domestic preference would be inconsistent with the public interest. This is referred to as the "Buy American" requirement. Request for

a waiver must be made to the County for an appropriate determination. Section 1606 of ARRA requires that laborers and mechanics employed by CONTRACTORS and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to ARRA shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C. 31). This is referred to as the “wage rate” requirement. The above-described provisions constitute notice under ARRA of the Buy American and wage rate requirements. CONTRACTOR must contact the COUNTY contact if it has any questions regarding the applicability or implementation of the ARRA Buy American and wage rate requirements. CONTRACTOR will also be required to provide detailed information regarding compliance with the Buy American requirements, expenditure of funds and wages paid to employees so that the COUNTY may fulfill any reporting requirements it has under ARRA. The information may be required as frequently as monthly or quarterly. CONTRACTOR agrees to fully cooperate in providing information or documents as requested by the COUNTY pursuant to this provision. Failure to do so will be deemed a default and may result in the withholding of payments and termination of this Contract. CONTRACTOR may also be required to register in the Central Contractor Registration (CCR) database at <http://www.ccr.gov> and may be required to have its subcontractors also register in the same database. CONTRACTOR must contact the COUNTY with any questions regarding registration requirements.

Schedule of Expenditure of Federal Awards

In addition to the requirements described in “Use of ARRA Funds and Requirements,” proper accounting and reporting of ARRA expenditures in single audits is required. CONTRACTOR agrees to separately identify the expenditures for each grant award funded under ARRA on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by the Office of Management and Budget Circular A-133, “Audits of States, Local Governments, and Nonprofit Organizations.” This identification on the SEFA and SF-SAC shall include the Federal award number, the Catalog of Federal Domestic Assistance (CFDA) number, and amount such that separate accountability and disclosure is provided for ARRA funds by Federal award number consistent with the recipient reports required by ARRA Section 1512 (c). In addition, CONTRACTOR agrees to separately identify to each sub-contractor and document at the time of sub-contract and at the time of disbursement of funds, the Federal award number, any special CFDA number assigned for ARRA purposes, and amount of ARRA funds. CONTRACTOR may be required to provide detailed information regarding expenditures so that the County may fulfill any reporting requirements under ARRA described in this section. The information may be required as frequently as monthly or quarterly. CONTRACTOR agrees to fully cooperate in providing information or documents as requested by the County pursuant to this provision. Failure to do so will be deemed a default and may result in the withholding of payments and termination of this Contract.

Whistleblower Protection

CONTRACTOR agrees that both it and its subcontractors shall comply with Section 1553 of the ARRA, which prohibits all non-Federal subcontractors, including the State, and all subcontractors of the State, from discharging, demoting or otherwise discriminating against an employee for disclosures by the employee that the employee reasonably believes are evidence of: (1) gross mismanagement of a contract relating to ARRA funds; (2) a gross waste of ARRA funds; (3) a substantial and specific danger to public health or safety related to the implementation or use of ARRA funds; (4) an abuse of authority related to the implementation or use of recovery funds; or (5) a violation of law, rule, or regulation related to an agency contract (including the competition for or negotiation of a contract) awarded or issued relating to ARRA funds.

CONTRACTOR agrees that it and its subcontractors shall post notice of the rights and remedies available to employees under Section 1553 of Division A, Title XV of the ARRA.

28. ANTI-DISCRIMINATION

No person shall, on the basis of race, color, ancestry, national origin, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, physical disability, mental disability, medical condition, genetic information, age, religious creed, military, or veteran status, be excluded from participating in, be refused the benefits of, or otherwise be subjected to discrimination in any activities, programs, or employment supported by this Contract.

29. CONTRACT COMPLIANCE

CONTRACTOR shall make every effort to ensure that all projects funded wholly or in part by ESG or ESG-CV funds shall provide equal employment and career advancement opportunities for minorities and women. In addition, CONTRACTOR shall make every effort to employ residents of the area and shall keep a record of the positions that have been created directly or as a result of this program.

30. COMPLIANCE WITH FEDERAL, STATE, AND LOCAL LAWS AND REGULATIONS

All parties agree to be bound by all applicable federal, state, and local laws, ordinances, regulations, directives, and all applicable cross-cutting requirements as they pertain to the performance of this Contract. This Contract is subject to and incorporates the following, including, but not limited to:

- (1) **Economic Opportunities for Low- and Very Low-income Persons.** The CONTRACTOR shall ensure that employment and other economic opportunities generated by the Program shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing. Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u, and regulations at 24 CFR Part 135 apply, except that homeless individuals have priority over other Section 3 residents in accordance with § 576.405(c).
- (2) **Civil Rights.** The CONTRACTOR agrees to comply with Title VI of the Civil Rights Act of 1964, as amended, Title VIII of the Civil Rights Act of 1968, as amended, Section 109 of the Title I of the Housing and Community Development Act of 1974, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, and 41 CFR Chapter 60.
- (3) **Nondiscrimination and Equal Employment Opportunity.** During the performance under this AGREEMENT, the CONTRACTOR shall not discriminate against any employee or applicant for employment based on race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, sexual orientation, or any other basis prohibited by applicable law. The CONTRACTOR shall take affirmative action to ensure that all applicants and employees are treated without regard to race, color, creed, religion, sex, age, handicap, disability, ancestry, national 13 origin, marital status, familial status, and sexual orientation. The CONTRACTOR shall comply with all provisions of Executive Order 11246, Equal Employment Opportunity, as amended by Executive Orders 11375 ,11478, 12086, and 12107.
- (4) **Nondiscrimination and Equal Opportunity in Participation.** The requirements in 24 CFR part 5, subpart A are applicable, including the nondiscrimination and equal opportunity requirements at 24 CFR § 5.105(a). The CONTRACTOR shall not discriminate against any participant on the ground of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familiar status, sexual orientation, or any other basis prohibited by applicable law. The

CONTRACTOR shall, through affirmative outreach, make known that use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. The CONTRACTOR must take appropriate steps to ensure effective communication with persons with disabilities.

- (5) Americans with Disabilities Act. The CONTRACTOR agrees to comply with any federal regulations issued pursuant to compliance with the Americans with Disabilities Act, which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and Local government services, and public accommodations.
- (6) Fair Housing. Under section 808(e)(5) of the Fair Housing Act, HUD has a statutory duty to affirmatively further fair housing. HUD requires the same of its funded sub-recipients. The CONTRACTOR has a duty to affirmatively further fair housing opportunities for classes protected under the Fair Housing Act.
- (7) Displacement and Relocation. CONTRACTOR must ensure that it has taken all reasonable steps to minimize displacement of persons. Relocation must be consistent with requirements as set forth in 24 CFR §576.408.
- (8) Affirmative Outreach. The COUNTY and CONTRACTOR must make known that use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. If it is unlikely that the procedures that the recipient or subrecipient intends to use to make known the availability of the facilities, assistance, and services will reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for those facilities and services, the recipient or subrecipient must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services. The recipient and its subrecipients must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, recipients and subrecipients are also required to take reasonable steps to ensure meaningful access to programs and activities for limited English proficiency (LEP) persons (c).
- (9) The California Fair Employment and Housing Act of 1959 codified as Government Code §§12900 - 12996, the California statute used to fight sexual harassment and other forms of unlawful discrimination in employment and housing.

31. PARTICIPATION OF HOMELESS PERSONS

In compliance with the federal regulations governing the ESG Program, and specifically 24 CFR 576.405 governing homeless assistance and participation, CONTRACTOR will require its subcontractor to provide for the participation of not less than one homeless or formerly homeless individual on its subcontractor's *board of directors or other equivalent policymaking entity*. To the extent feasible, CONTRACTOR'S subcontractor must involve homeless individuals and families in providing work or services pertaining to operating facilities, providing services assisted under ESG, and providing services for occupants of facilities assisted under ESG. CONTRACTOR'S subcontractor must provide a certification (**Exhibit 14 - Homeless Participation Certification**) documenting compliance with, or efforts to comply with, this requirement.

32. SUSPENSION AND DEBARMENT

By entering this Contract, CONTRACTOR certifies that CONTRACTOR, including its principals, is not suspended, or debarred from participating in federally funded contracts and sub-awards.

33. GOOD STANDING OF NON-PROFIT STATUS

CONTRACTOR certifies:

- (1) It is a duly organized and existing non-profit corporation in good standing and authorized to do business under the laws of the State of California and in possession of required non-profit status under the United States Internal Revenue Code [for example, 26 USC § 501(c)(3)]. The CONTRACTOR has full right, power, and lawful authority to accept the funding hereunder and to undertake all obligations as provided herein and the execution, performance, and delivery of this Contract by the CONTRACTOR has been fully authorized by all requisite actions on the part of the CONTRACTOR.
- (2) If CONTRACTOR non-profit status changes at any time during this Contract, it will advise the COUNTY within 15 days.
- (3) If the CONTRACTOR is a private non-profit, it hereby agrees that the members of its Board of Directors will receive no compensation, directly or indirectly, other than reimbursement for expenses, from any funds generated from or because of the ESG program, for their services.
- (4) As a non-profit, the CONTRACTOR acknowledges that administration of its operation and services are subject to the requirements as established in 2 CFR § 200.

34. INTEGRATED DISBURSEMENT AND INFORMATION SYSTEM (IDIS) AND FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (“FFATA”)

To ensure compliance with transparency and reporting, COUNTY must collect and report data on its use of ESG funds in the Integrated Disbursement and Information System (IDIS) and other reporting systems, as specified by HUD. The COUNTY must also comply with the reporting requirements in 24 CFR parts 85 and 91 and the reporting requirements under the Federal Funding Accountability and Transparency Act of 2006, (31 U.S.C. 6101 note), which are set forth in Appendix A to 2 CFR part 170, which is a reporting system used to report awards and amounts of awards made to subrecipients.

Upon request by COUNTY, CONTRACTOR must provide information required for IDIS and FFATA reporting purposes.
