<b>Grant Number (if applicable)</b>	

**Briefly describe the general nature of the contract:** This agreement grants the County \$949,999.05 of California Climate Investment, Proposition 4 monies through the California Department of Forestry and Fire Protection toward County's Hazardous Fuel Reduction Along Public Roadways Project. This project will remove hazardous fuels from approximately 282 acres that could damage road infrastructure and critical evacuation routes within the County's mountain and foothill communities. Approximately 50% of fuel reduction efforts will occur in disadvantaged and low-income communities with 37,471 structures affected.
