	SCOPE OF WORK – MAI USE A SEPARATE SCOPE OF WORK FOR EACH PROPOSED SERVICE CATEGORY
Contract Number:	
Contractor:	County of Riverside Department of Public Health, HIV/STD Branch
Grant Period:	March 1, 2023 – February 29, 2024
Service Category:	MAI EARLY INTERVENTION SERVICES
Service Goal:	Quickly link HIV infected individuals from communities of color (African American and Latinos) to testing services, core medical services, and support services necessary to support treatment adherence and maintain in medical care. Decreasing the time between acquisition of HIV and entry into care will facilitate access to medications, decrease transition rates, and improve health outcomes.
Service Health	Improved or maintained CD4 cell count
Outcomes:	Improved or maintained CD4 cell count, as a % of total lymphocyte cell count Improved retention in care (at least 1 medical visit in each 6-month period) Improved viral suppression rate Targeted HIV Testing-Maintain 1.1% positivity rate or higher
