The written request must be received by **March 23rd**. The person making the request will be responsible for its prompt delivery. Interpretations or corrections will be made only by addenda to specifications or by dated revisions or drawings with a copy of each addition or change being furnished through the District to each prospective bidder. Information derived from the maps, plans, specifications, profiles, drawings or from the Engineer or the Engineer's assistants shall not relieve the bidder of this responsibility.

- C.** The failure or omission of any bidder to receive or examine any form, instrument, addendum or other document, or failure to visit and to be acquainted with the conditions at the proposed project site, shall in no respect relieve the bidder from any obligation imposed by the bid or by the contract. - E. If a bidder to whom award is made fails or refuses to enter into Contract as herein provided, or to conform to any of the stipulated requirements in connection therewith, the money represented by the cashier's check or Bidder's Bond shall become the property of the District as provided in Section 4, hereof, the award will be annulled and at the discretion of the District, the contract may be awarded to the next lowest qualified bidder. Such bidders shall fulfill every stipulation embraced herein as if the parties to whom the first award was made. A corporation to which an award is made may be required before the contract is finally executed to furnish evidence of its corporate existence, of its right to do business in California and of the authority of the officer signing the contract and bonds for the corporation.

Said labor and material bond shall not be less than one hundred percent (100%) of the total amount of the Contract Sum named in the contract.
- C. The surety on all bonds furnished must be satisfactory to the District. The party required to furnish bonds pursuant to these instructions shall furnish such bonds at their own cost and expense. The District shall reject any bond if the surety's acknowledgment is not in the form included in the Contract documents.
- D. The Contractor shall obtain and pay for all licenses required by cities, San Bernardino County, State or Federal laws. The Contractor shall also be liable for any expense, of any kind, associated with any permit or license for any expense, of any kind, associated with any permit or license, including those obtained by the District, in excess of payments made by District prior to Contract Award.

The Contractor shall comply with the applicable requirements of all necessary permits and/or licenses, all at no additional cost to the District. Any inspection and/or testing fees required in connection with any governing permit and/or license shall be responsibility of the contractor, at no additional cost to the District.

12. INDEMNIFICATION, INSURANCE

Any reference to District in this Section 12 refers to the Big Bear Valley Recreation and Park District. Any reference County in this Section 12 refers to San Bernardino County. The Contractor agrees to and shall comply with the following indemnification and insurance requirements:

- A. Indemnification: To the fullest extent possible permitted by law, Contractor assumes liability for and agrees, at the Contractor's sole cost and expense, to promptly and fully indemnify, defend (with counsel reasonably approved by the District) (even if the allegations are false, fraudulent, or groundless), and hold harmless the County, the District, and their authorized officers, employees, agents and volunteers (Indemnitees) from and against any and all claims (including claims against the County or the District seeking compensation for labor performed or materials used or furnished to be used in the work or alleged to have been furnished on the project, including all incidental or consequential damages resulting to the County or the District from such claims), allegations, actions, suits, arbitrations, administrative proceedings, regulatory proceedings, or other legal proceedings, demands, losses, costs, damages, judgments, liens, stop notices, penalties,

anticipated losses of revenue and/or liability, and expenses (including, but not limited to, any fees of accountants, attorneys, experts or other professionals, or investigation expenses) arising out of, resulting from, or in any way (either directly or indirectly) related to the contract, the work, the project or any breach of the Contract by Contractor (or any of its officers, agents, employees, subcontractors, or any person performing any of the work, or from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the Indemnitees on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. The Contractor's indemnification obligation applies to the Indemnitee's "passive" negligence but does not apply to the Indemnitee's "sole" or "active" negligence or "willful misconduct" within the meaning of Civil Code section 2782 provided such "active" negligence or "willful misconduct" is determined by agreement of the parties or by findings of a court. In instances where an Indemnitee's "active" negligence accounts for only a percentage of the liability for the claim involved, the obligation of the Contractor will be for that entire percentage of liability for the claim not attributable to the "active" negligence or "willful misconduct" of the Indemnitees. The County and the District shall be consulted with regard to any proposed settlement.

The duty of the Contractor to indemnify and hold harmless the Indemnitees includes the separate and independent duty to defend the Indemnitees, which duty arises immediately upon receipt by Contractor of the tender of any claim from the County or the District. The Contractor's obligation to defend the County and the District and shall be at Contractor's sole expense, and not be excused because of the Contractor's inability to evaluate liability or because the Contractor evaluates liability and determines that the Contractor is not liable. The duty to defend shall apply whether or not a claim has merit or is meritless, or which involves claims or allegations that any or all of the Indemnitees were actively, passively, or concurrently negligent, or which otherwise asserts that the Indemnitees are responsible, in whole or in part, for any claim. The Contractor shall respond within thirty (30) calendar days to the tender of any claim for defense and/or indemnity by the County or the District, unless the County and the District agree in writing to an extension of this time. The defense provided to the Indemnitees by Contractor shall be by well qualified, adequately insured, and experienced legal counsel acceptable to the County Counsel.

It is the intent of the parties to the Contract that the Contractor and its subcontractors of all tiers shall provide the Indemnitees with the broadest defense and indemnity permitted by law. In the event that any of the defense, indemnity, or hold harmless provisions are found to be ambiguous, or in conflict with one another, it is the parties' intent that the broadest and most expansive interpretation in favor of providing defense and/or indemnity to the Indemnitees be given effect.

Contractor shall ensure, by written subcontract agreement, that each of Contractor's subcontractors of every tier shall protect, defend, indemnify and hold harmless the Indemnitees with respect to all claims arising out, in connection with, or in any way related to each such subcontractor's work in the same manner in which Contractor is required to protect, defend, indemnify, and hold the Indemnitees harmless. In the event Contractor fails to obtain such defense and indemnity obligations from its subcontractors as required herein, Contractor agrees to be fully responsible to the Indemnitees according to the terms of this Section.

Contractor's indemnification and defense obligations set for in this Section are separate and independent from the insurance requirements and do not limit, in any way, the applicability, scope, or obligations set forth in such insurance requirements. The purchase of insurance by the Contractor with respect to the obligations required herein shall in no event be construed as fulfillment or discharge of such obligations.

Contractor's obligations under this Section are binding on Contractor's and its subcontractors' successors, heirs and assigns and shall survive the completion of the work or termination of the Contractor's performance of the work.

- B. Insurance:** The Contractor agrees to furnish certified copies of all insurance policies and endorsements; all certificates of comprehensive, general and auto liability insurance; Workers' Compensation insurance; builder's risk insurance; and such other insurance that will protect it from claims for damages and personal injury, including death, which may arise from operations under the contract, whether such operation be by the Contractor or by any subcontractor of the Contractor, or anyone directly or indirectly employed by the Contractor or any subcontractor of the Contractor in accordance with Section 11.2 of the General Conditions and the Construction Contract. **The Contractor agrees to provide the Department of Public Works – Special Districts with Certificates of Insurance evidencing the required insurance coverage at the time Contractor executes the contract with the District.** All policies (excluding Workers' Compensation) shall name San Bernardino County, the District, and their officers, employees, agents and volunteers as additional insureds. All coverages shall be subject to approval by the County and District for adequacy of protection.

Environmental Liability Insurance: Environmental Liability Insurance is required for this Project. See Section 11.2.1.8 of the General Conditions.

13. PREVAILING WAGES

Bidders are hereby notified that this Project is subject to state prevailing wage guidelines. The prime Contractor and all subcontractors are required to pay their laborers and mechanics employed under this Contract, a wage not less than the wage applicable for their work classification, as specified in the wage guidelines. The District has obtained the general prevailing rate of per diem wages in accordance with the law to be paid for the construction of the above Project. The schedules have been obtained from the Director of the California Department of Industrial Relations (DIR), and reference is hereby made to copies thereof on file with the Special District Department at 222 Hospitality Lane, 2nd Floor, Street, San Bernardino, CA 92415-0450, which said copies are available to any interested party upon request and included in these bid documents. pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.”

14. NON-COLLUSION DECLARATION

The District requires all bidders to execute a Non-collusion Declaration in the form attached hereto. The District also reserves the right to require that the principal Contractor shall, before awarding any subcontract, secure from the proposed subcontractor(s) a Non-collusion Declaration in the form also attached.

15. SCHEDULE

The construction start date will begin when the "Notice to Proceed" is issued and the completion date will be **90 calendar days** after the "Notice to Proceed" is issued by the Department of Public Works - Special Districts.

16. ASSIGNMENT OF CONTRACT AND SUBSTITUTION OF SUBCONTRACTORS

No assignment by the Contractor of any Contract, or any part thereof, to be entered into in accordance with the Bid Documents and these Instruction to Bidders, or of funds to be received thereunder, will be recognized by the awarding authority unless such assignment has had the prior written approval of the awarding authority and the surety has had notice of such assignment in writing and has given written consent thereto.
