FROM

BRENDON BIGGS, Director, Department of Public Works – Transportation

SUBJECT

California Environmental Quality Act Finding, Plans, and Specifications for Chino and Montclair Areas Americans with Disabilities Act Ramps Project

RECOMMENDATION(S)

1. Find that the Chino and Montclair Areas Americans with Disabilities Act Ramp Project is exempt under the California Environmental Quality Act Guidelines, Title 14 of the California Code of Regulations Section 15301(c) Class 1 (existing facilities) and Section 15302(c) Class 2 (replacement or reconstruction).
 2. Approve the Chino and Montclair Areas Americans with Disabilities Act Ramp Project as defined in the Notice of Exemption.
 3. Approve the plans and specifications for the Chino and Montclair Areas Americans with Disabilities Act Ramp Project, as signed and sealed by a registered civil engineer.
 4. Authorize the Director of the Department of Public Works to advertise the Chino and Montclair Areas Americans with Disabilities Act Ramps Project for formal bids.
 5. Direct the Clerk of the Board of Supervisors to file and post the Notice of Exemption.

COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Ensure Development of a Well-Planned, Balanced, and Sustainable County.

Provide for the Safety, Health and Social Service Needs of County Residents.

FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The Chino and Montclair Areas Americans with Disabilities Act (ADA) Ramp Project (Project) is funded with Senate Bill 1 (SB1) Road Maintenance and Rehabilitation Account (RMRA) revenue and City of Montclair (City) funding. Sufficient appropriation and revenue are included in the Department's 2023-24 Road Operations budget (6650002000 20H15061).

BACKGROUND INFORMATION

The Project involves constructing new and replacing existing curb ramps at 25 locations in the Chino and Montclair areas in accordance with current design standards and pursuant to the ADA guidelines. Other improvements include reconstruction of sidewalks, driveways, spandrels, cross gutters, and minor street improvements, as needed. All work for the Project will be done within the existing right-of-way.

This Project was prioritized by the Board of Supervisors (Board) as part of the 2020-21 SB1 RMRA project list, which was approved on April 21, 2020 (Item No. 45). Updates to existing

ADA compliant curb ramps or installation of new ADA compliant curb ramps for the Project are required under the federal “2013 Department of Justice/Department of Transportation Joint Technical Assistance on the Title II of the ADA Requirements to Provide Curb Ramps when Streets, Roads, or Highways are Altered through Resurfacing” guidelines.

The Department’s environmental staff has reviewed this Project and determined that a categorical exemption in accordance with the California Environmental Quality Act (CEQA) Guidelines, Title 14 of the California Code of Regulations, Section 15301(c) Class 1 and Section 15302(c) Class 2 is appropriate. The Class 1 exemption allows for repair and maintenance activities on existing roads, sidewalks, gutters, and similar facilities that involve negligible or no expansion of use beyond that existing at the time of the lead agency’s determination. The Class 2 exemption allows for the replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. When the Board considers the environmental finding, the filing and posting of a Notice of Exemption is recommended.

This Project aligns with the County and the Chief Executive Officer’s goals and objectives of ensuring development of a well-planned, balanced, and sustainable County and providing for the safety of County residents by improving access for all pedestrians, including those with disabilities.

The Project’s Specifications include an allowance in the amount of \$50,000 for unforeseen differing site conditions associated with utility conflicts and/or subgrade stabilization.

PROCUREMENT

The Project will be advertised to invite formal bids in accordance with Section 22037 of the California Public Contract Code. The Department anticipates returning to the Board for an award of the construction contract in Fall 2023.
