Southern California Edison  
Attention: Rule 20A Program Manager

Re: Underground Utility Districts -Rule 20A

To Whom It May Concern:

The Board of Supervisors of San Bernardino County hereby authorizes Southern California Edison Company to proceed with Rule 20A funded underground utility work within defined segments of previously established Underground Utility Districts on Valley Boulevard and Beech Avenue.

The authorized work includes undergrounding existing overhead utilities on Valley Boulevard from Cedar Avenue to Spruce Avenue, and on Beech Avenue from Hibiscus Avenue to Randall Avenue. Work includes but not limited to the removal of utility poles, overhead wires, and associated structures, and the underground installation of electric and communication facilities necessary to serve properties within each authorized segment, including individual service connections and connection to the primary system at the first pole located outside of the district boundaries.

Underground utility work within other previously established Underground Utility Districts is not included in this authorization.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Noel Castillo, P.E.
