FINANCIAL IMPACT

This item does not impact Discretionary General Funding (Net County Cost). Multipurpose Senior Services Program (MSSP) funds in the amount of \$1,847,820 are 50% State (\$923,910) and 50% Federal (\$923,910). Adequate appropriation and revenue have been included in the Department of Aging and Adult Services' (DAAS) 2023-24 budget.

BACKGROUND INFORMATION

MSSP includes social and healthcare management services, as well as a wide range of additional services that include housing, minor home repair, non-medical home equipment, chores, personal and respite care, transportation (escort and one-way trip), nutritional meal services, and communication devices. DAAS has been providing program services to eligible seniors since 1985. In 2023-24, DAAS anticipates MSSP services will be provided to an estimated 345 eligible seniors. Some of the eligibility requirements include, but are not limited to, age requirement of 65 years or older and being able to be serviced within the MSSP cost limitations. Due to the available variety of all program services, the average cost per senior ranges from \$369 to \$446 per month.

The Federal Older Americans Act promotes the welfare and dignity of older adults by providing valuable services to enable older adults to be independent, remain in their communities, and assist them to be engaged citizens. In 1976, the State of California designated San Bernardino County as an Area Agency on Aging. As a result of this designation, DAAS receives funding to administer MSSP services.
