8. Deductibles and Self-Insured Retention – Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to Risk Management.
9. Failure to Procure Coverage – In the event that any policy of insurance required under this Contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Subrecipient or County payments to the Subrecipient will be reduced to pay for County purchased insurance.

10. Insurance Review – Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County’s risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Subrecipient agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

11. The Subrecipient agrees to provide insurance set forth in accordance with the requirements herein. 3. Civil Rights Compliance – The Subrecipient shall develop and maintain internal policies and procedures to assure compliance with each factor outlined by state regulation. These policies must be developed into a Civil Rights Plan, which is to be on file with the County Human Services Contracts Unit within thirty (30) days of awarding of the Contract. Providing services in a culturally appropriate and responsive manner is fundamental in any effort to ensure success of high quality and cost-effective health and human services. Subrecipient is also required to use both sides of paper sheets for reports submitted to the County whenever practicable.

To assist the County in meeting the reporting requirements of the California Integrated Waste Management Act of 1989 (AB 939), Subrecipient must be able to annually report the County's environmentally preferable purchases. - GG. Subrecipient understands and agrees that any and all legal fees or costs associated with lawsuits concerning this Contract against the County shall be the Subrecipient's sole expense and shall not be charged as a cost under this Contract. In the event of any Contract dispute hereunder, each Party to this Contract shall bear its own attorney's fees and costs regardless of who prevails in the outcome of the dispute.

Subrecipients are cautioned that making a false certification may subject the Subrecipient to civil penalties, termination of existing contract, and ineligibility to bid on a contract for a period of three (3) years in accordance with Public Contract Code section 2205. Subrecipient agrees that signing the Contract shall constitute signature of this Certification.
- JJ. Subrecipient shall comply with the Environmental Tobacco Smoke/Pro-Children Act of 1994 (20 U.S.C 6081 et seq.).

The written request must specify the changes requested, by line item and amount, and must include justification. Prior to implementation of a budget revision, the County shall approve (or deny) the budget revision request. The County has the authority to approve line item budget changes with prior state approval to the budget herein, as long as these changes do not exceed the total contract amount. County shall notify the Subrecipient in writing of the status of the budget revision request within fourteen (14) calendar days of receipt of the Subrecipient's written request. The County reserves the right to deny the Subrecipient's invoice for expenditures in excess of the approved budgeted line item amount. Budget amendments will be considered on a case by case basis.

Upon receipt of adequate documentation supporting a disallowed or

questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.

If the Subrecipient loses the final administrative appeal, Subrecipient shall repay, to the County, the over- claimed or disallowed expenses, plus accrued interest. Interest accrues from the Subrecipient's first receipt of the County's notice requesting reimbursement of questioned audit costs or disallowed expenses.
