**WHEREAS**, the County conducted a competitive process to find Inland Juvenile Panel Attorneys, Inc. (Contractor) to provide these services; and

**WHEREAS**, based upon and in reliance on the representations of Contractor in its response to the County’s Request for Proposals, the County finds Contractor qualified to provide these appointed representation services; and

**WHEREAS**, the County desires that such services be provided by Contractor and Contractor agrees to perform these services as set forth below;

**NOW, THEREFORE**, the County and Contractor mutually agree to the following terms and conditions:

**A. DEFINITIONS**

allowing a "dual status" child to be simultaneously a ward of the court and a dependent child. "241 Single Status" shall refer to cases where the child is either only in the Delinquency Court, or only in Dependency Court.

- A.2 241.1 Referral Committee: Joint committee consisting of the County departments of CFS, Probation, Behavioral Health, Public Defender, District Attorney and County Counsel, and private counsel, for setting forth how and which cases are to be referred for 241 Dual Status or 241 Single Status to Delinquency Court or Dependency Court.

- A.6 Girls' Court: A court for girls in the juvenile justice system who have a history of trauma or exploitation or may be at risk for these things. The goal of a Girls' Court is to have a different track from traditional delinquency court that recognizes these girls unique and gender-specific risks and needs. The court focuses on providing services rather than on a conviction or detention.

In the event the County determines a conflict-of-interest situation exists, any increase in costs, associated with the conflict of interest situation, may be disallowed by the County and such conflict may constitute grounds for termination of the Contract. This provision shall not be construed to prohibit employment of persons with whom Contractor's officers, employees, or agents have family, business, or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicant.

- E.24 Funds made available under this Contract shall not supplant any federal, state or any governmental funds intended for services of the same nature as this Contract. Contractor shall not claim reimbursement or payment from County for, or apply sums received from County with respect to that portion of its obligations that have been paid by another source of revenue. **F. TRUST FUND**

- F.1 The County shall advance Contractor funds maintained for the sole purpose of payment of services of investigators and experts, and authorized expenses, required in the performance of the legal services under the Contract, in an estimated amount of \$20,000 based on the projected number of cases to be handled under the Contract, to be paid upon written request of the Contractor upon commencement of Contract. Such funds shall be placed in a separately maintained and dedicated account held by the Contractor in trust for the County. Funds advanced to the Contractor for the trust fund are to be expended only for the purposes and activities covered by the Contract, and as defined in this section. Trust fund advances will be deposited via EFT into the Contractor's dedicated account.
- F.2 The Contractor shall have the right to petition the County for additional funds to be deposited into the trust fund in the event that either: a) the actual caseload exceeds the projected caseload and the trust fund may be jeopardized, or b) as evidenced by declaration of the Contractor submitted to the County in the unusual event in which actual expenditures out of the trust fund have exceeded the budgeted funding amount.
- F.3 The Contractor is responsible for ensuring that all expenditures paid for out of the trust fund comply with all terms and conditions of the Contract.
- F.4 The trust fund shall remain the property of the County with the net balance of any such funds, and any interest earned on the account, reverting to the County at the conclusion of the Contract or upon request of the County. Contractor is responsible for ensuring that all expenditures from the trust fund account abide by all terms and conditions of the Contract.
- F.5 The Superior Court's Appointed Services Fee Schedule specifies the maximum billing rates for investigators and experts. While the Appointed Services Fee Schedule specifies the maximum billing rates, the County and Superior Court encourage the Contractor to pursue discounted rates when and where possible which will result in savings of trust fund expenditures. It is the duty of the Contractor to endeavor to negotiate the lowest hourly rate an expert will work for recognizing that the expert's services are a charge to the government. The Contractor shall pre-approve the billing rate and limit the total authorized billing amount before an investigator or expert commences services on a case appointed under the Contract.
- F.6 If, for purposes of providing representation services under the Contract, the Contractor reasonably needs a copy of a court proceeding transcript, that is not otherwise provided at no cost to Contractor by the Superior Court, the Contractor may pay with trust funds for the cost of copies of court proceeding transcripts up to \$100 per case at the Superior Court's approved rate, without obtaining advance approval. For any single transcript cost exceeding \$100, the

Contractor must obtain prior express written approval from the Superior Court's judge designated to hear and rule on such requests. Any such requests shall specify that the payment for transcripts shall be paid by the Contractor out of the Contract trust fund after approval by Court.

- F.7** The Contractor must obtain prior express written approval in the form of an order from the Superior Court's designated Penal Code (PC) section 987.2 Judge prior to: 1) expending \$500 total in trust funds for investigator services for any single case; 2) agreeing to any expert billing rate that exceeds the Superior Court's Appointed Services Fee Schedule; 3) expending more than \$100 for any single transcript; or 4) agreeing to any travel-related expense other than mileage reimbursement. A copy of the order issued by the PC section 987.2 Judge must be submitted with the Contractor's trust fund accounting.
- F.8** Although prior approval is generally not required for Contractor's expenditures out of the trust fund (exception \$500 limit for investigative services, extraordinary expert rate, transcript cost exceeding \$100, or travel-related expense other than mileage reimbursement), expenditures for investigators and experts shall comply with the Superior Court's rules regarding appointed services of investigators and experts, including travel and expenses.
- F.9** The Superior Court's rules pertaining to appointed services limit investigators to investigative services and related activities such as testimony. Investigator services paid out of the investigator/expert trust fund shall not include services that would normally be performed by the attorney or attorney office staff.
- F.10** Claims submitted to the Contractor by an investigator or expert must: follow the format of the Superior Court's Investigator and Experts Services Claim form; bear an original signature; include original receipts or invoices when expense reimbursement is requested; and provide sufficient specificity with regards to services performed to support the bill for payment, with dates and times of services itemized.
- F.11** The Contractor is responsible for certifying they have reviewed the investigator or expert billing for compliance with the terms of the Contract; that the services are consistent with the Superior Court's Local Rules pertaining to appointed service and Appointed Services Fee Schedule (unless a court order authorizing an exception is presented), and were performed at the Contractor's request, and the charges are reasonable and appropriate and have not been previously paid.
- F.12** Contractor shall submit quarterly accountings of expenditures out of the investigator/expert trust fund to the County department administering the Contract within thirty (30) days following the end of the quarter. The Contractor shall submit the final accounting within sixty (60) days of conclusion or termination of services under the Contract.
- F.13** The quarterly and final trust fund accountings must include a chronological summary of expenditures (current as of date of quarterly accounting), and all original supporting invoices or receipts with identification of the case number and client name and cancelled checks or images of both sides of cancelled check (including backside), bank account statements, and a copy of the account ledger. Original receipts or invoices will be required for expenses. If items such as blank audio and video tapes or film are purchased in bulk quantities by the investigator, the claim must be accompanied by the original receipt and a notation of the number of the item used for which reimbursement is being requested. The original receipt for bulk purchases will allow the County to verify the per-unit cost of the items. Court orders required under the terms of the Contract must be included in the trust fund accounting. Ordinary office expenses and general office overhead will not be allowed.

- F.14 The County will notify the Contractor in writing of any questions or issues regarding the trust fund accounting. The Contractor shall clarify or resolve any issue identified within thirty (30) days of receipt of written notice from the County.
- F.15 If the County determines the Contractor did not comply with the terms of the Contract, the County may refuse to ratify Contractor's election to expend the funds. The County will notify Contractor in writing if the County makes such a determination and will direct the Contractor to reimburse the trust fund and/or the County in the corresponding amount. If the Contractor fails to reimburse the County within thirty (30) days of receipt of written correspondence from the County regarding the County's determination that a trust fund expenditure did not comply with the Contract terms, the County may, at its option, withhold the amount determined to be reimbursed from future payments made under the Contract.
- F.16 Final payment to Contractor under the Contract shall not be made until all identified issues regarding the trust fund accountings have been resolved by Contractor to the satisfaction of the County

**G. INDEMNIFICATION AND INSURANCE REQUIREMENTS**

**G.1 Indemnification**

The Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless the County and the Superior Court and their authorized officers, employees, agents and volunteers (Indemnitees) from any and all claims, actions, losses, damages and/or liability arising out of this Contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County or Superior Court on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of Indemnitees. The Contractor indemnification obligation applies to the County's or Superior Court's "active" as well as "passive" negligence but does not apply to the County's or Superior Court's "sole negligence" or "willful misconduct" within the meaning of Civil Code section 2782.

The Contractor agrees to incorporate this indemnification provision (Section G.1) as a term and condition of Contractor's engagement of attorneys and/or law firms made available by the Contractor to provide legal services to clients under the Contract.

**G.2 Additional Insured**

All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and Superior Court and their officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County or Superior Court to vicarious liability but shall allow coverage for the County and Superior Court to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

**G.3 Waiver of Subrogation Rights**

The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County and Superior Court and their officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against the County and Superior Court.

**G.4 Policies Primary and Non-Contributory**

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County or Superior Court.

**G.5 Severability of Interests**

The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and the County/Superior Court or between the County/Superior Court and any other insured or additional insured under the policy.

**G.6 Proof of Coverage**

The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

**G.7 Acceptability of Insurance Carrier**

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

**G.8 Deductibles and Self-Insured Retention**

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

**G.9 Failure to Procure Coverage**

In the event that any policy of insurance required under this Contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor will be reduced to pay for County purchased insurance.

**G.10 Insurance Review**

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County or Superior Court to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County or Superior Court.

**G.11** The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that

coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the Contract term the following types of insurance with limits as shown:

**G.11.1** Workers' Compensation/Employer's Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of the Contractor and all risks to such persons under this Contract.

If Contractor has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

If the Contractor is transporting one or more non-employee passengers in performance of Contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If the Contractor owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

**G.11.4** Umbrella Liability Insurance – An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.
