Briefly describe the general nature of the contract:

In accordance with Master Agreement No. 08-5954S21 approval of Program Supplement Agreement No. 0000B025 is required prior to County invoicing Caltrans for reimbursement of costs associated with the non-infrastructure phase of work for the Pedestrian Safety Education Project. The estimated non-infrastructure phase cost is \$45,000 and will be funded with \$35,000 in state Active Transportation Program funds and \$10,000 in local match Gas Tax revenue. The program supplement sets out special covenants as a condition for the local agency to receive state aid administered through the State for a designated project. The program supplement also identifies the type of funds available for reimbursement.
