County: San Bernardino County in California.

BUILDING CONSTRUCTION PROJECTS; DREDGING PROJECTS (does not include hopper dredge work); HEAVY CONSTRUCTION PROJECTS (does not include water well drilling); HIGHWAY CONSTRUCTION PROJECTS

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

|   |  |
|---|--|
| If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022: | <ul style="list-style-type: none"><li>. Executive Order 14026 generally applies to the contract.</li><li>. The contractor must pay all covered workers at least \$17.75 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2025.</li></ul>  |
| If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:         | <ul style="list-style-type: none"><li>. Executive Order 13658 generally applies to the contract.</li><li>. The contractor must pay all covered workers at least \$13.30 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2025.</li></ul> |

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <http://www.dol.gov/whd/govcontracts>.

#### PREMIUM PAY:

\$10.00 per hour shall be paid on all Power Equipment Operator work on the following Military Bases: China Lake Naval Reserve, Vandenberg AFB, Point Arguello, Seely Naval Base, Fort Irwin, Nebo Annex Marine Base, Marine Corp Logistics Base Yermo, Edwards AFB, 29 Palms Marine Base and Camp Pendleton

Workers required to suit up and work in a hazardous material environment: \$2.00 per hour additional. Combination mixer and compressor operator on gunite work shall be classified as a concrete mobile mixer operator.

SEE ZONE DEFINITIONS AFTER CLASSIFICATIONS

#### POWER EQUIPMENT OPERATORS CLASSIFICATIONS

GROUP 1: Bargeman; Brakeman; Compressor operator; Ditch Witch, with seat or similar type equipment; Elevator operator-inside; Engineer Oiler; Forklift operator (includes loed, lull or similar types under 5 tons; Generator operator; Generator, pump or compressor plant operator; Pump operator; Signalman; Switchman

GROUP 2: Asphalt-rubber plant operator (nurse tank operator);Coil Tubing Rig Operator, Concrete mixer operator-skip type; Conveyor operator; Fireman; Forklift operator (includes loed, lull or similar types over 5 tons; Hydrostatic pump operator; oiler crusher (asphalt or concrete plant); Petromat laydown machine; PJU side dum jack; Screening and conveyor machine operator (or similar types); Skiploader (wheel type up to 3/4 yd. without attachment); Tar pot fireman; Temporary heating plant operator; Trenching machine oiler

GROUP 3: Asphalt-rubber blend operator; Bobcat or similar

type (Skid steer); Equipment greaser (rack); Ford Ferguson (with dragtype attachments); Helicopter radioman (ground); Stationary pipe wrapping and cleaning machine operator

GROUP 4: Asphalt plant fireman; Backhoe operator (mini-max or similar type); Boring machine operator; Boxman or mixerman (asphalt or concrete); Chip spreading machine operator; Concrete cleaning decontamination machine operator; Concrete Pump Operator (small portable); Direct Push Operator (Geoprobe or similar types) Drilling machine operator, small auger types (Texoma super economical or similar types - Hughes 100 or 200 or similar types - drilling depth of 30' maximum); Equipment greaser (grease truck); Guard rail post driver operator; Highline cableway signalman; Hydra-hammer-aero stomper; Micro Tunneling (above ground tunnel); Power concrete curing machine operator; Power concrete saw operator; Power-driven jumbo form setter operator; Power sweeper operator; Rock Wheel Saw/Trencher; Roller operator (compacting); Screed operator (asphalt or concrete); Trenching machine operator (up to 6 ft.); Vacuum or much truck

GROUP 6: Articulating material hauler; Asphalt plant engineer; Batch plant operator; Bit sharpener; Concrete joint machine operator (canal and similar type); Concrete planer operator; Dandy digger; Deck engine operator; Derrickman (oilfield type); Drilling machine operator, bucket or auger types (Calweld 100 bucket or similar types - Watson 1000 auger or similar types - Texoma 330, 500 or 600 auger or similar types - drilling depth of 45' maximum); Drilling machine operator; Hydrographic seeder machine operator (straw, pulp or seed); Jackson track maintainer, or similar type; Kalamazoo Switch tamper, or similar type; Machine tool operator; Maginnis internal full slab vibrator, Mechanical berm, curb or gutter (concrete or asphalt); Mechanical finisher operator (concrete, Clary-Johnson-Bidwell or similar); Micro tunnel system (below ground); Pavement breaker operator (truck mounted); Road oil mixing machine operator; Roller operator (asphalt or finish), rubber-tired earth moving equipment (single engine, up to and including 25 yds. struck); Self-propelled tar pipelining machine operator; Skiploader operator (crawler and wheel type, over 3/4 yd. and up to and including 1-1/2 yds.); Slip form pump operator (power driven hydraulic lifting device for concrete forms); Tractor operator-bulldozer, tamper-scraper (single engine, up to 100 h.p. flywheel and similar types, up to and including D-5 and similar types); Tugger hoist operator (1 drum); Ultra high pressure waterjet cutting tool system operator; Vacuum blasting machine operator

GROUP 8: Asphalt or concrete spreading operator (tamping or finishing); Asphalt paving machine operator (Barber Greene or similar type); Asphalt-rubber distribution operator; Backhoe operator (up to and including 3/4 yd.), small ford, Case or similar types; Cable Bundling Machine Operator (excluding handheld); Cable Trenching Machine Operator (Spider Plow or similar types) Cast-in-place pipe laying machine operator; Combination mixer and compressor operator (gunite work); Compactor operator (self-propelled); Concrete mixer operator (paving); Crushing plant operator; Drill Doctor; Drilling machine operator, Bucket or auger types (Calweld 150 bucket or similar types - Watson 1500, 2000 2500 auger or similar types - Texoma 700, 800 auger or

similar types - drilling depth of 60' maximum); Elevating grader operator; Grade checker; Gradall operator; Grouting machine operator; Heavy-duty repairman; Heavy equipment robotics operator; Kalamazoo balliste regulator or similar type; Kolman belt loader and similar type; Le Tourneau blob compactor or similar type; Loader operator (Athey, Euclid, Sierra and similar types); Mobark Chipper or similar; Ozzie padder or similar types; P.C. slot saw; Pneumatic concrete placing machine operator (Hackley-Presswell or similar type); Pumpcrete gun operator; RCM Cementing Unit Operator, Rail/Switch Grinder Operator (Harsco or similar types) Rock Drill or similar types; Rotary drill operator (excluding caisson type); Rubber-tired earth-moving equipment operator (single engine, caterpillar, Euclid, Athey Wagon and similar types with any and all attachments over 25 yds. up to and including 50 cu. yds. struck); Rubber-tired earth-moving equipment operator (multiple engine up to and including 25 yds. struck); Rubber-tired scraper operator (self-loading paddle wheel type-John Deere, 1040 and similar single unit); Self-propelled curb and gutter machine operator; Shuttle buggy; Skiploader operator (crawler and wheel type over 1-1/2 yds. up to and including 6-1/2 yds.); Soil remediation plant operator; Surface heaters and planer operator; Tractor compressor drill combination operator; Tractor operator (any type larger than D-5 - 100 flywheel h.p. and over, or similar-bulldozer, tamper, scraper and push tractor single engine); Tractor operator (boom attachments), Traveling pipe wrapping, cleaning and bending machine operator; Trenching machine operator (over 6 ft. depth capacity, manufacturer's rating); trenching Machine with Road Miner attachment (over 6 ft depth capacity); Ultra high pressure waterjet cutting tool system mechanic; Water pull (compaction) operator

GROUP 10: Drilling machine operator, Bucket or auger types (Calweld 200 B bucket or similar types-Watson 3000 or 5000 auger or similar types-Texoma 900 auger or similar types-drilling depth of 105' maximum); Dual drum mixer, dynamic compactor LDC350 (or similar types); Monorail locomotive operator (diesel, gas or electric); Motor patrol-blade operator (single engine); Multiple engine tractor operator (Euclid and similar type-except Quad 9 cat.); Rubber-tired earth-moving equipment operator (single engine, over 50 yds. struck); Pneumatic pipe ramming tool and similar types; Prestressed wrapping machine operator; Rubber-tired earth-moving equipment operator (single engine, over 50 yds. struck); Rubber tired earth moving equipment operator (multiple engine, Euclid, caterpillar and similar over 25 yds. and up to 50 yds. struck), Tower crane repairman; Tractor loader operator (crawler and wheel type over 6-1/2 yds.); Woods mixer operator (and similar Pugmill equipment)

GROUP 12: Auto grader operator; Automatic slip form operator; Drilling machine operator, bucket or auger types (Calweld, auger 200 CA or similar types - Watson, auger 6000 or similar types - Hughes Super Duty, auger 200 or similar types - drilling depth of 175' maximum); Hoe ram or similar with compressor; Mass excavator operator less tha 750 cu. yards; Mechanical finishing machine operator; Mobile form traveler operator; Motor patrol operator (multi-engine); Pipe mobile machine operator; Rubber-tired earth-moving equipment operator (multiple engine, Euclid, Caterpillar and similar type, over 50 cu. yds. struck); Rubber-tired

self- loading scraper operator (paddle-wheel-auger type  
self-loading - two (2) or more units)

GROUP 13: Rubber-tired earth-moving equipment operator  
operating equipment with push-pull system (single engine,  
up to and including 25 yds. struck)

GROUP 14: Canal liner operator; Canal trimmer operator;  
Remote- control earth-moving equipment operator (operating  
a second piece of equipment: \$1.00 per hour additional);  
Wheel excavator operator (over 750 cu. yds.)

GROUP 15: Rubber-tired earth-moving equipment operator,  
operating equipment with push-pull system (single engine,  
Caterpillar, Euclid, Athey Wagon and similar types with any  
and all attachments over 25 yds. and up to and including 50  
yds. struck); Rubber-tired earth-moving equipment operator,  
operating equipment with push-pull system (multiple  
engine-up to and including 25 yds. struck)

GROUP 16: Rubber-tired earth-moving equipment operator,  
operating equipment with push-pull system (single engine,  
over 50 yds. struck); Rubber-tired earth-moving equipment  
operator, operating equipment with push-pull system  
(multiple engine, Euclid, Caterpillar and similar, over 25  
yds. and up to 50 yds. struck)

GROUP 17: Rubber-tired earth-moving equipment operator,  
operating equipment with push-pull system (multiple engine,  
Euclid, Caterpillar and similar, over 50 cu. yds. struck);  
Tandem tractor operator (operating crawler type tractors in  
tandem - Quad 9 and similar type)

GROUP 18: Rubber-tired earth-moving equipment operator,  
operating in tandem (scrapers, belly dumps and similar  
types in any combination, excluding compaction units -  
single engine, up to and including 25 yds. struck)

GROUP 19: Rotex concrete belt operator (or similar types);  
Rubber-tired earth-moving equipment operator, operating in  
tandem (scrapers, belly dumps and similar types in any  
combination, excluding compaction units - single engine,  
Caterpillar, Euclid, Athey Wagon and similar types with any  
and all attachments over 25 yds. and up to and including 50  
cu. yds. struck); Rubber-tired earth-moving equipment  
operator, operating in tandem (scrapers, belly dumps and  
similar types in any combination, excluding compaction  
units - multiple engine, up to and including 25 yds. struck)

GROUP 20: Rubber-tired earth-moving equipment operator,  
operating in tandem (scrapers, belly dumps and similar  
types in any combination, excluding compaction units -  
single engine, over 50 yds. struck); Rubber-tired  
earth-moving equipment operator, operating in tandem  
(scrapers, belly dumps, and similar types in any  
combination, excluding compaction units - multiple engine,  
Euclid, Caterpillar and similar, over 25 yds. and up to 50  
yds. struck)

GROUP 21: Rubber-tired earth-moving equipment operator,  
operating in tandem (scrapers, belly dumps and similar  
types in any combination, excluding compaction units -  
multiple engine, Euclid, Caterpillar and similar type, over  
50 cu. yds. struck)

GROUP 22: Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (single engine, up to and including 25 yds. struck)

GROUP 23: Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (single engine, Caterpillar, Euclid, Athey Wagon and similar types with any and all attachments over 25 yds. and up to and including 50 yds. struck); Rubber-tired earth-moving equipment operator, operating with the tandem push-pull system (multiple engine, up to and including 25 yds. struck)

GROUP 24: Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (single engine, over 50 yds. struck); Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (multiple engine, Euclid, Caterpillar and similar, over 25 yds. and up to 50 yds. struck)

GROUP 25: Concrete pump operator-truck mounted; Rubber-tired earth-moving equipment operator, operating equipment with the tandem push-pull system (multiple engine, Euclid, Caterpillar and similar type, over 50 cu. yds. struck); Spyder Excavator Operator, with all attachments

#### CRANES, PILEDRIVING AND HOISTING EQUIPMENT CLASSIFICATIONS

GROUP 1: Engineer oiler; Fork lift operator (includes loed, lull or similar types)

GROUP 2: Truck crane oiler

GROUP 3: A-frame or winch truck operator; Ross carrier operator (jobsite)

GROUP 4: Bridge-type unloader and turntable operator; Helicopter hoist operator

GROUP 5: Hydraulic boom truck; Stinger crane (Austin-Western or similar type); Tugger hoist operator (1 drum)

GROUP 6: Bridge crane operator; Cretor crane operator; Hoist operator (Chicago boom and similar type); Lift mobile operator; Lift slab machine operator (Vagtborg and similar types); Material hoist and/or manlift operator; Polar gantry crane operator; Self Climbing scaffold (or similar type); Shovel, backhoe, dragline, clamshell operator (over 3/4 yd. and up to 5 cu. yds. mrc); Tugger hoist operator

GROUP 7: Pedestal crane operator; Shovel, backhoe, dragline, clamshell operator (over 5 cu. yds. mrc); Tower crane repair; Tugger hoist operator (3 drum)

GROUP 8: Crane operator (up to and including 25 ton capacity); Crawler transporter operator; Derrick barge operator (up to and including 25 ton capacity); Hoist operator, stiff legs, Guy derrick or similar type (up to and including 25 ton capacity); Shovel, backhoe, dragline, clamshell operator (over 7 cu. yds., M.R.C.)

GROUP 9: Crane operator (over 25 tons and up to and including 50 tons mrc); Derrick barge operator (over 25 tons up to and including 50 tons mrc); Highline cableway operator;

Hoist operator, stiff legs, Guy derrick or similar type (over 25 tons up to and including 50 tons mrc); K-crane operator; Polar crane operator; Self erecting tower crane operator maximum lifting capacity ten tons

GROUP 10: Crane operator (over 50 tons and up to and including 100 tons mrc); Derrick barge operator (over 50 tons up to and including 100 tons mrc); Hoist operator, stiff legs, Guy derrick or similar type (over 50 tons up to and including 100 tons mrc), Mobile tower crane operator (over 50 tons, up to and including 100 tons M.R.C.);

GROUP 11: Crane operator (over 100 tons and up to and including 200 tons mrc); Derrick barge operator (over 100 tons up to and including 200 tons mrc); Hoist operator, stiff legs, Guy derrick or similar type (over 100 tons up to and including 200 tons mrc); Mobile tower crane operator (over 100 tons up to and including 200 tons mrc) ; Tower crane operator and tower gantry

GROUP 12: Crane operator (over 200 tons up to and including 300 tons mrc); Derrick barge operator (over 200 tons up to and including 300 tons mrc); Hoist operator, stiff legs, Guy derrick or similar type (over 200 tons, up to and including 300 tons mrc); Mobile tower crane operator (over 200 tons, up to and including 300 tons mrc)

GROUP 13: Crane operator (over 300 tons); Derrick barge operator (over 300 tons); Helicopter pilot; Hoist operator, stiff legs, Guy derrick or similar type (over 300 tons); Mobile tower crane operator (over 300 tons)

#### TUNNEL CLASSIFICATIONS

GROUP 1: Skiploader (wheel type up to 3/4 yd. without attachment)

GROUP 2: Power-driven jumbo form setter operator

GROUP 3: Dinkey locomotive or motorperson (up to and including 10 tons)

GROUP 4: Bit sharpener; Equipment greaser (grease truck); Slip form pump operator (power-driven hydraulic lifting device for concrete forms); Tugger hoist operator (1 drum); Tunnel locomotive operator (over 10 and up to and including 30 tons)

GROUP 5: Backhoe operator (up to and including 3/4 yd.); Small Ford, Case or similar; Drill doctor; Grouting machine operator; Heading shield operator; Heavy-duty repairperson; Loader operator (Athey, Euclid, Sierra and similar types); Mucking machine operator (1/4 yd., rubber-tired, rail or track type); Pneumatic concrete placing machine operator (Hackley-Presswell or similar type); Pneumatic heading shield (tunnel); Pumpcrete gun operator; Tractor compressor drill combination operator; Tugger hoist operator (2 drum); Tunnel locomotive operator (over 30 tons)

GROUP 6: Heavy Duty Repairman

GROUP 7: Tunnel mole boring machine operator

#### ENGINEERS ZONES

\$1.00 additional per hour for all of IMPERIAL County and the portions of KERN, RIVERSIDE & SAN BERNARDINO Counties as defined below:

That area within the following Boundary: Begin in San Bernardino County, approximately 3 miles NE of the intersection of I-15 and the California State line at that point which is the NW corner of Section 1, T17N, R14E, San Bernardino Meridian. Continue W in a straight line to that point which is the SW corner of the northwest quarter of Section 6, T27S, R42E, Mt. Diablo Meridian. Continue North to the intersection with the Inyo County Boundary at that point which is the NE corner of the western half of the northern quarter of Section 6, T25S, R42E, MDM. Continue W along the Inyo and San Bernardino County boundary until the intersection with Kern County, at that point which is the SE corner of Section 34, T24S, R40E, MDM. Continue W along the Inyo and Kern County boundary until the intersection with Tulare County, at that point which is the SW corner of the SE quarter of Section 32, T24S, R37E, MDM. Continue W along the Kern and Tulare County boundary, until that point which is the NW corner of T25S, R32E, MDM. Continue S following R32E lines to the NW corner of T31S, R32E, MDM. Continue W to the NW corner of T31S, R31E, MDM. Continue S to the SW corner of T32S, R31E, MDM. Continue W to SW corner of SE quarter of Section 34, T32S, R30E, MDM. Continue S to SW corner of T11N, R17W, SBM. Continue E along south boundary of T11N, SBM to SW corner of T11N, R7W, SBM. Continue S to SW corner of T9N, R7W, SBM. Continue E along south boundary of T9N, SBM to SW corner of T9N, R1E, SBM. Continue S along west boundary of R1E, SBM to Riverside County line at the SW corner of T1S, R1E, SBM. Continue E along south boundary of T1S, SBM (Riverside County Line) to SW corner of T1S, R10E, SBM. Continue S along west boundary of R10E, SBM to Imperial County line at the SW corner of T8S, R10E, SBM. Continue W along Imperial and Riverside county line to NW corner of T9S, R9E, SBM. Continue S along the boundary between Imperial and San Diego Counties, along the west edge of R9E, SBM to the south boundary of Imperial County/California state line. Follow the California state line west to Arizona state line, then north to Nevada state line, then continuing NW back to start at the point which is the NW corner of Section 1, T17N, R14E, SBM

\$1.00 additional per hour for portions of SAN LUIS OBISPO, KERN, SANTA BARBARA & VENTURA as defined below:

That area within the following Boundary: Begin approximately 5 miles north of the community of Cholame, on the Monterey County and San Luis Obispo County boundary at the NW corner of T25S, R16E, Mt. Diablo Meridian. Continue south along the west side of R16E to the SW corner of T30S, R16E, MDM. Continue E to SW corner of T30S, R17E, MDM. Continue S to SW corner of T31S, R17E, MDM. Continue E to SW corner of T31S, R18E, MDM. Continue S along West side of R18E, MDM as it crosses into San Bernardino Meridian numbering area and becomes R30W. Follow the west side of R30W, SBM to the SW corner of T9N, R30W, SBM. Continue E along the south edge of T9N, SBM to the Santa Barbara County and Ventura County boundary at that point which is the SW corner of Section 34, T9N, R24W, SBM, continue S along the Ventura County line to that point which is the SW corner of the SE quarter of Section 32, T7N, R24W, SBM. Continue E along the south edge of T7N, SBM to the SE corner to T7N, R21W, SBM. Continue N along East side of R21W, SBM to Ventura County and Kern County boundary at the NE corner of T8N, R21W. Continue W along the Ventura County and Kern County boundary to

the SE corner of T9N, R21W. Continue North along the East edge of R21W, SBM to the NE corner of T12N, R21W, SBM. Continue West along the north edge of T12N, SBM to the SE corner of T32S, R21E, MDM. [T12N SBM is a thin strip between T11N SBM and T32S MDM]. Continue North along the East side of R21E, MDM to the Kings County and Kern County border at the NE corner of T25S, R21E, MDM, continue West along the Kings County and Kern County Boundary until the intersection of San Luis Obispo County. Continue west along the Kings County and San Luis Obispo County boundary until the intersection with Monterey County. Continue West along the Monterey County and San Luis Obispo County boundary to the beginning point at the NW corner of T25S, R16E, MDM.

\$2.00 additional per hour for INYO and MONO Counties and the Northern portion of SAN BERNARDINO County as defined below:

That area within the following Boundary: Begin at the intersection of the northern boundary of Mono County and the California state line at the point which is the center of Section 17, T10N, R22E, Mt. Diablo Meridian. Continue S then SE along the entire western boundary of Mono County, until it reaches Inyo County at the point which is the NE corner of the Western half of the NW quarter of Section 2, T8S, R29E, MDM. Continue SSE along the entire western boundary of Inyo County, until the intersection with Kern County at the point which is the SW corner of the SE 1/4 of Section 32, T24S, R37E, MDM. Continue E along the Inyo and Kern County boundary until the intersection with San Bernardino County at that point which is the SE corner of section 34, T24S, R40E, MDM. Continue E along the Inyo and San Bernardino County boundary until the point which is the NE corner of the Western half of the NW quarter of Section 6, T25S, R42E, MDM. Continue S to that point which is the SW corner of the NW quarter of Section 6, T27S, R42E, MDM. Continue E in a straight line to the California and Nevada state border at the point which is the NW corner of Section 1, T17N, R14E, San Bernardino Meridian. Then continue NW along the state line to the starting point, which is the center of Section 18, T10N, R22E, MDM.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

-----

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

#### Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

#### Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

#### Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the

year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

#### State Adopted Rate Identifiers

The "SA" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

#### WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to [davisbaconinfo@dol.gov](mailto:davisbaconinfo@dol.gov) or by mail to:

Branch of Wage Surveys  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to [BCWD-Office@dol.gov](mailto:BCWD-Office@dol.gov) or by mail to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage

and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to [dba.reconsideration@dol.gov](mailto:dba.reconsideration@dol.gov) or by mail to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210.

## General Conditions

---

### 1. DEFINITIONS

- A. Acceptance: shall mean written acceptance of the Work by the County.
- B. Adjustment Factor: is the Contractor's competitively bid price adjustment to the Unit Prices as published in the Construction Task Catalog®. All Adjustment Factors are expressed as an increase or decrease from the published prices.
- C. Architect/Engineer of Record: as used herein shall mean the individual/firm designated by the County for the preparation of plans and specifications for a specific Job Order.
- D. Director: as used herein refers to the Director of the Project and Facilities Management Department.
- E. Award Criteria Figure: The amount determined in the Award Criteria Figure Calculation section (Award Formula) of the Bid Form, which is used for the purposes of determining the lowest bid.
- F. Board of Supervisors: as stated herein shall mean the Board of Supervisors, San Bernardino County.
- G. Completion (final completion): as used herein means that an individual Job Order issued under the contract is fully executed and completed in accordance with the Detailed Scope of Work, plans and specifications.
- H. Construction Task Catalog®: for this contract, is a comprehensive listing of specific repair or remodeling construction related tasks together with a specific unit of measurement and a Unit Price, also referred to as the "CTC".
- I. Contract Documents: consist of the contract; the legal advertisements covering the opening of bids; the performance, payment and security (bid) bonds; the Instructions to Bidders; General Conditions; Construction Task Catalog®; Technical Specifications; bid proposal; Certificates of Insurance; and the Addenda, all incorporated in the contract before its execution. Job Order Proposal documentation include shop drawings, sketches, Price Proposals, lists of Subcontractor, schedules, etc; as prepared for individual Job Orders, as well as the Job Order itself, shall also become part of the Contract Documents after its execution.
- J. Contractor: as used herein refers to the licensed person, firm, or corporation authorized to do business in the State of California with whom a contract has been made directly or through accredited representatives that have entered into a contract with the County for the performance of the Work described by these Contract Documents.
- K. County: as used herein shall mean the San Bernardino County.

- L. Day: as used herein, shall mean a calendar day, unless specifically stated otherwise. If a stated deadline should fall on a non-working day, the due date shall be the following business day.
- M. Department: as used herein, refers to the Project and Facilities Management Department of the San Bernardino County.
- N. Detailed Scope of Work: shall be determined by individual Job Orders issued hereunder. The Detailed Scope of Work is the complete description of services to be provided by the Contractor under an individual Job Order. The Detailed Scope of Work will include documentation for a given project. Documentation may include a narrative description of the work.

A Descriptive general scope of work is issued by the County along with the invitation to the Joint Scope Meeting. A Detailed Scope of Work is generated by the Contractor following the Joint Scope Meeting, and is approved by the County. The final Detailed Scope of Work is signed by the Contractor and the County.

- O. Director: as used herein, refers to the Director of the Project and Facilities Management Department, or his/her authorized representative.
- P. Division: as used herein, refers to the Project Management Division of the Project and Facilities Management Department of the San Bernardino County. The Division is represented by the Director or Chief Project Manager.
- Q. Emergency: as used in this contract shall mean such situations as shall require immediate action preventing Contractor from contacting the County prior to execution.
- R. Final Acceptance: shall mean written acceptance of the Work by the County as evidence by the Director's signature, or his designee, on the recommendation for Acceptance or on a Notice of Completion.
- S. Inspector: as used herein shall mean any representative of the County authorized to perform inspections for various aspects of the Work.
- T. Job Order: as used herein refers to the obligation document written by the County, such as a Purchase Order, requiring the Contractor to complete the Detailed Scope of Work within the Job Order Completion Time for the Job Order Price under a Job Order Contract. Each individual project to be accomplished under this contract will be through the issuance of a Job Order. A Job Order consists of plans, shop drawings, permits, specifications and the Detailed Scope of Work required to complete the work. The County will be responsible for the development of the Job Order as well as the observation and Acceptance of the Work contained within the Job Order. The County will review the Contractor's Job Order Proposal and if acceptable, shall sign the Job Order and issue a Notice To Proceed for the Work described therein. Each Job Order will include a Detailed Scope of Work, a firm fixed Job Order Price

Proposal from the Contractor, a time duration for the completion of the Work and any special conditions that might apply to that specific Job Order. There is no minimum or maximum value associated with an individual Job Order. A project may consist of one or more Job Orders.

- U. Job Order Completion Time: The time within which the Contractor must complete the Detailed Scope of Work.
- V. Job Order Contract (JOC): is a competitively bid, indefinite quantity contract for accomplishing an ongoing series of individual repair and remodeling and related services. Work is accomplished through the issuance of individual Job Orders against the contract. The bid documents include a Construction Task Catalog® containing construction tasks with preset Unit Prices. All Unit Prices are based on local labor, material and equipment prices and are for the direct cost of construction. Each Job Order issued will be a firm fixed priced order for accomplishing a specific task or project.
- W. Job Order Price: The value of the approved Job Order Price Proposal and the amount the Contractor will be paid for completing a Job Order.
- X. Job Order Price Proposal: A price proposal prepared by the Contractor that includes the Pre-priced Tasks, Non Pre-priced Tasks, quantities and appropriate Adjustment Factors required to complete the Detailed Scope of Work.
- Y. Job Order Proposal: as used herein is the Contractor's offer to do work. It refers to the Job Order Proposal documents prepared by the Contractor quoting a firm fixed price to achieve a specific Detailed Scope of Work as requested by the County. The Job Order Proposal will also contain approved shop drawings, permits and submittals as necessary, a detailed Job Order Price Proposal comprised of appropriate line items and quantities from the Construction Task Catalog®, supporting documentation for any Non Pre-Priced Tasks, a construction schedule, a list of Subcontractors, and other documentation as may be required by the County prior to the issuance of a Job Order.
- Z. Joint Scope Meeting: A site meeting to discuss the work before the Detailed Scope of Work is finalized.
- AA. Maximum Contract Value: The maximum value of Job Orders that the Contractor may receive under this Contract.
- BB. Minimum Contract Value: The minimum value of Job Orders that the Contractor has the opportunity to perform under this Contract.
- CC. Non-Compliance Notice: as used herein shall refer to a written notice issued to the Contractor that identifies installations, and/or substitutions that do not comply with codes or Contract Documents and for which payment cannot be made.
- DD. Non Pre-Priced Tasks: as used herein shall refer to those units of work that are not included in the Construction Task Catalog® but within the general scope and

intent of this contract and may be negotiated into this contract as needs arise. Such work requirements shall be incorporated into and made a part of this contract for the Job Order to which they pertain, and may be incorporated into the Construction Task Catalog®, if determined appropriate by the County, at the base price determined in this unit price contract. Non Pre-Priced work requirements shall be separately identified and submitted in the Job Order Proposal.

- EE. Normal Working Hours: shall mean standard shifts during the period of 7:00 a.m. to 5:00 p.m. Monday through Friday, except for County observed holidays. All other times are Other Than Normal Working Hours.
- FF. Notice of Completion: County shall record a Notice of Completion for each Project.
- GG. Notice to Proceed: is the written document issued by the County, authorizing the Contractor to commence work on an individual Job Order.
- HH. Other Contractors: as used herein shall mean any person, firm or corporation with whom a contract has been made by the County for the performance of any work which is not a portion of Work covered under this contract.
- II. Other than Normal Working Hours: Includes the hours of 5:01 p.m. to 6:59 a.m. Monday through Friday and all day Saturday, Sunday, and County Holidays.
- JJ. Pre-priced Task: A task described in, and for which a Unit Price is set forth in, the Construction Task Catalog®.
- KK. Project: The Project is the total construction improvements of which the Work, a series of individual Job Orders or an individual Job Order performed under the Contract Documents may be the whole or a part and which may include construction by the County or by Other Contractors.
- LL. Punch List: is a compilation of items which have not been completed in accordance with an individual Job Order and which will not interfere with the use of the premises as intended by the County.
- MM. Request for Proposal (RFP): refers to an official request made by the County for the Contractor to provide a Job Order Proposal for an identified project.
- NN. Subcontractor: as used herein shall be defined as a licensed person, firm, or corporation, and all of its lower tier Subcontractors, authorized to do business in the State of California, other than a material supplier/vendor laborer, who/which enters into a contract with a Contractor for the performance of any part of such Contractor's contract
- OO. Substantial Completion: shall mean that work on an individual Job Order is completed in accordance with the Detailed Scope of Work, plans and specifications, as modified by any Supplemental Job Order agreed by the

parties, so that the remaining work is such minor alterations and patching as the final inspection shall disclose. All warranties and guarantees for completed work shall commence at Substantial Completion of the project. The date of Substantial Completion will be established by the County.

- PP. Superintendent: as used herein refers to the executive representative of the Contractor who is present on the Work site at all times during the progress, authorized to receive and fulfill instructions from and communicate with the County, and capable of overseeing and executing the Work efficiently. The Superintendent shall be a direct employee of the prime Contractor. The Superintendent shall not actually perform the physical tasks involved unless otherwise waived in writing by the County.
- QQ. Supplemental Job Order: A secondary Job Order developed after the initial Job Order has been issued for the purpose of changing, deleting, or adding work to the initial Detailed Scope of Work, or changing the Job Order Completion Time.
- RR. Surety: as used herein shall mean the firm, corporation, or individual which is bound by the performance, payment and security (bid guaranty) bond with and for the Contractor, and which engages to be responsible for the Contractor's acceptable performance, payment and guaranty of the work and for payments of all debts pertaining thereto.
- SS. Technical Specifications: The written requirements for materials, equipment, systems, standards and workmanship for the Work, and performance of related services.
- TT. Unit Price: as used herein refers to the price published in the Construction Task Catalog® for a specific construction or construction related task. Unit Prices for new Pre-priced Tasks can be established during the course of the Contract and added to the Construction Task Catalogs®. The Unit Prices are fixed for the duration of the contract. Each Unit Price is comprised of the labor, equipment, tax, insurance bonds, and materials costs to accomplish that specific task.
- UU. Work: includes all labor, materials, equipment, transportation, and services necessary to produce the repair or remodeling tasks as required by the Detailed Scope of Work for an individual Job Order.

## **2. CONTRACT AND PERFORMANCE PERIOD**

- A. There is no Minimum Contract Value ordered under this contract. The Maximum Contract Value is stated in the Instructions to Bidders. The Maximum Contract Value may be increased to the maximum value allowed by law by agreement of both the County and the Contractor.
- B. This is a contract for repair, remodel or other repetitive work specified in individual Job Orders, effective for a period of 12 months from the start date of the contract approved by the Board of Supervisors. Job Orders issued prior to, but not completed, by the expiration of the contract period will be completed with

all provisions of this contract still in force.

- C. Performance time for each Job Order issued under this contract will be determined in accordance with the General Conditions. This performance time will be determined and agreed upon for each individual Job Order.
- D. The County, without invalidating the Job Order, may order changes in the Work by altering, adding to or deducting from the Work, by issuing a Supplemental Job Order. Supplemental Job Orders to an original Job Order issued prior to but not completed by the expiration of the contract period, will be completed with all the provisions of this contract still in force.
- E. Changes to the Contract may be accomplished after execution of the Contract and without invalidating the Contract, by Change Order.

### **3. CONTRACT SCOPE**

- A. The contract scope shall be determined by the individual Job Orders issued hereunder. Upon receipt of a Job Order, the contractor agrees to provide all management, work, material, supplies, parts (to include system components), transportation, plant supervision, labor and equipment, except when specified as County furnished, needed to repair or remodel at designed County locations. The Contractor agrees to provide quality assurance as specified in strict accordance with all terms, conditions, special contract requirements, specifications, attachments, and exhibits contained in this contract, Job orders under this contract, or incorporated by reference. The Contractor agrees to also be responsible for site safety as well as site preparation and cleanup.
- B. The Contractor's Work and responsibility shall include all programming, administration, and management necessary to provide repair, remodel, and related services as ordered. The Work shall be conducted by the Contractor in strict accordance with the contract and all applicable laws, regulations, codes, or directives; including all Federal, State, and Local laws, regulations, codes and directives. The Contractor agrees to insure that all Work provided meets, or exceeds critical reliability rate or tolerances specified or included in applicable referenced documents.

Contractor agrees to perform such work as quality control, financial control, and maintain accurate and complete records, files, library of documents to include Federal State, and Local regulations codes, laws, listed herein, and manufacturer's instructions and recommendations which are necessary and related to the Work to be performed.

Contractor agrees to provide related services such as preparing and submitting required reports, maintaining record drawings current from activities under this contract, performing administrative work, and submitting necessary information as specified. The Contractor agrees to provide; materials lists to include trade names, brand names, model number, and ratings for all materials necessary for a complete job.

- C. All Work will be ordered and funded when needed in accordance with the ordering clause and procedures contained in the Article 11 (Ordering Procedures).
- D. The Contractor may be required to complete Work in any location within San Bernardino County.
- E. The Contractor will be required prepare Job Order Proposals, perform Work on-site, and close-out many projects concurrently.
- F. The following documents and standards shall be used in the execution of Work under the contract and are considered to be part of this contract;
  - 1. Construction Task Catalog® (CTC)
  - 2. Technical Specification, in PDF format.

The intent of these specifications is to furnish concise industry and commercial standards for repair or remodeling of County facilities. If, however, there is a conflict between Federal, State, and Local codes and the Technical Specifications; Federal, State and Local codes shall be the governing document.

If there is a conflict between the section number contained in the CTC and the section number contained in the Technical Specifications, the description of the section shall control.

#### **4. INDEFINITE QUANTITY CONTRACT**

- A. This is an indefinite-quantity contract for the supplies or services specified and effective for the period stated in the contract.
- B. Work or performance shall be made only as authorized by Job Orders issued in the accordance with the ordering procedures clause. The Contractor agrees to furnish to the County when and if ordered, the supplies or services specified in the contract up to and including the quantity designated in the Job Orders issued to the Maximum Contract Value designated in the contract.

#### **5. COMPLIANCE WITH APPLICABLE LAW**

This Contractor agrees to comply with all applicable Federal, State and Local laws, rules regulations, ordinances and directives, and all provisions required thereby to be included in this contract are hereby incorporated herein by reference.

## 6. EQUALS

When any material, product, thing or service is specified or indicated in the Contract Documents, or individual Job Order under the contract, by brand, trade, patent or proprietary name and/or by the name of the manufacturer, the item so specified or indicated shall be deemed to be followed by the words "Or Equal." This is unless specifically directed by a County Project Manager that an exact brand, model is to be utilized for a specific Job Order, which direction shall be stated in the Job Order.

## 7. POST AWARD CONFERENCE

Before the issuance of the first Job Order under the contract, a conference will be conducted by the County to acquaint the Contractor with County policies and procedures that are to be observed during the prosecution of the Work and to develop mutual understanding relative to the administration of the contract.

## 8. GENERAL REQUIREMENTS

The County controls all work performed upon its real property.

- A. Management: The Contractor agrees to provide all appropriate personnel required to perform the Work and meet all contract requirements.
- B. Safety: The Contractor agrees to conduct regular safety meetings with its Subcontractor(s), and both the Contractor and Subcontractor(s) agree to familiarize themselves with all provisions of Article 65, "Safety and Health".
- C. Indefinite Work: The County will issue to the Contractor requests for Job Order Proposals for the firm-fixed-prices for Work requirements within the scope of the contract. The Contractor agrees to prepare all Job Order Proposals in accordance with Article 11, "Ordering Procedures."
- D. Site Visits: The Contractor agrees to visit all proposed work sites prior to the development of the Detailed Scope of Work. All site visits must be coordinate through the County.
- E. Scope of Work Requirements: The Contractor agrees to provide all documentation required to fully establish the Detailed Scope of Work, including but not limited to, shop drawings, sketches and/or specifications related to the proposed project. This documentation will be provided for the purpose of defining the Detailed Scope of Work, obtaining permits, and assisting the County in determining the best possible solution for repair and refurbishment issues.

The Contractor agrees to prepare all documents, shop drawings, and "as-built" drawings to meet all the requirements of Local, State and Federal regulations, codes, and directives. The County agrees to also provide as necessary the permits, forms, studies, and other documentation required by codes and agencies.

- F. Non Pre-Priced Task Requirements: In addition to the work unit requirement in the Construction Task Catalog® (CTC) and Technical Specifications, the County may require Non Pre-Price Tasks. Such Non Pre-Priced Tasks shall be incorporated into the Job Order in accordance with these Contract Documents.
- G. Contractor Inspections: The Contractor agrees to inspect all repairs and refurbishments to ensure that all Work is accomplished as specified under this contract. The Contractor agrees to prepare and maintain inspection files that reflect past and current inspection dates, results of all inspections made, corrections required, and corrections made.
- H. Compliance with all Applicable Laws and Regulations: The Contractor agrees to, as part of its factor, prepare and review as necessary the documentation noted in Item 9E above, to ensure its compliance with all applicable laws and regulations.
- I. Performance Evaluation Meetings: The Contractor agrees to meet with the County as requested, and in any event, not less than once a month, during contract performance. Mutual effort will be made to resolve any problems identified.
- J. Documentation and Information: The Contractor agrees to, when required by the Division, produce for inspection at the Contractor's office, any and all documentation or information concerning the Contractor's financial status, including without limitation, books, accounts, records, financial statements, vouchers, and canceled checks. The Contractor further agrees to permit the Division to copy any such documentation or information.
- K. Compliance with Contract Documents: Failure to comply with all requirements in the Contract Documents may result in disqualification under future Requests for Prequalification for the San Bernardino County Job Order Contract Program or award of a future San Bernardino County Job Order Contract.

## 9. WORK REQUIREMENTS

The Contractor agrees to:

A. Quality Control Plan:

1. The Contractor agrees to submit a written Quality Control Plan (QCP) which shall include the name of its employee responsible for ensuring quality. The Contractor agrees to notify the County, in writing, of any proposed change to the plan during the course of the contract. No change shall be implemented prior to review and Acceptance by the County. Once the County has accepted the Contractor's Quality Control Plan, it shall become part of this contract. Deviation from the Quality Control Plan without the express written approval of the County may place the Contractor in default of the contract.

2. The Contractor agrees to deliver two copies of its Quality Control Plan to the County no later than ten (10) Days from the date of contract award, and agrees to issue and deliver two copies whenever changes take place.
  3. The Contractor agrees to apply the approved Quality Control Plan, and agrees to ensure that all Work and requirements of the contract are met as specified.
  4. The Contractor agrees to maintain quality control over supplies, manufacturers, products, services, site conditions, and workmanship, to produce Work of specified quality. In addition, the Contractor agrees to comply with industry standards except where Contract Documents specify more restrictive tolerances, more rigid standards, or more precise workmanship. The Contractor agrees to participate in County inspections and verification as required, and perform and validate corrective actions in a timely manner.
- B. Standards: The Contractor agrees to meet the standards set forth by the Technical Specifications and all other applicable regulations, codes, directives, equipment specifications, and manufacturer's instructions and recommendations inclusive of equipment or vehicles, supplies, parts, or materials utilized to provide the required Work. In case of uncertainty of detail or procedure, the Contractor should request additional instruction from the County.
- C. Material Acquisition: The Contractor agrees to determine all materials required for each Job Order from shop drawings and sketches, specifications, Detailed Scope of Work, instructions, and any other available resources. The Contractor agrees to acquire all necessary materials and use them to produce the desired finished products.
- D. Material Storage: All materials stored at work sites shall be stored in a manner that precludes any safety or health risk to the public. Hazardous materials or waste as defined by Federal Standard 313D shall be handled in accordance with Environmental Protection Agency Federal Regulations, State Department of Health, and Department of Transportation and South Coast Air Quality Management District (AQMD) procedures.
- E. Electrical Equipment: All Contractor equipment utilizing County electrical sources must meet UL standards and be compatible with existing circuits. The Contractor agrees to prevent operation, or attempted operation, of equipment that requires electrical power exceeding the capacity of existing circuits.
- F. Recoverable Resources: Recovery items to which the County does not claim valuable interest, such as metal scrap, scrap lumber, crating materials, empty barrels, boxes, textiles and bags, waste paper, cartons, and similar materials that retain useful, recycling, salvage, or saleable value, shall become the property of the Contractor.
- G. Work in Progress: The Contractor agrees to consult with the County to resolve

all scope problems, disseminate project information and maintain close coordination on all matters relating to Work in progress.

- H. Laboratory and Field Tests: The Contractor agrees to perform all laboratory and field tests, as directed by the County, to demonstrate compliance with Work specifications.
- I. Walk-Through Inspections: The Contractor agrees to perform preliminary walk-through inspections with the County and Inspectors to identify Punch List items and discrepancies prior to final inspection.
- J. Contractor Selection: The County may award an individual Job Order to any selected Contractor. Selection of the Contractor and award of the Job Order will be in compliance with established County procedures and based on one or more of the following criteria:
  - 1. Rotational selection among all Contractors, unless otherwise determined by the County.
  - 2. Evaluation of past and current performance on Job Orders of a similar nature and type of work, project size, construction management challenges, schedule performance, design management requirements, etc.
  - 3. Balancing of work load (Job Order dollar volume and construction backlog) among Contractors.
  - 4. Management of Job Order dollar volume within bonding limitations of the Contractor.
  - 5. Price, as it relates to the County's independent cost estimate.
  - 6. Contractor's responsiveness to the County on Job Orders.
  - 7. Other appropriate criteria as deemed in the best interest of the County.

#### **10. INTERPRETATIONS OF PLANS AND SPECIFICATIONS**

- A. Every part of the Work, as shown on the drawings and described in the specifications which are provided by the County for a specific Job Order, must be complete and finished. No deviations are to be made from the drawings or specifications without previously obtaining written authorization from the Director or Chief Project Manager.
- B. In general, the drawings will show dimensions, positions, and kind of construction; and the specifications will define materials, quantities, and methods. Any Work called for on the drawings and not mentioned in the specifications, or vice versa, shall be performed as though fully set forth in both. Work not particularly detailed, marked or specified, shall be the same as similar

parts that are detailed, marked or specified.

- C. The drawings shall be accurately followed as to scale, except where figures are given for dimensions which shall in all cases be taken in preference to scale measurements. Large-scale details take precedence over small drawings in all cases, full-scale drawings having preference.
- D. Should an error be found in the specifications or drawings, or in the work done by others affecting this Work, the Contractor shall notify the County at once, and the County will issue instructions as to procedure. If the Contractor proceeds with the Work so affected without such instructions, he will make good any resulting damage or defects. This includes typographical errors in the specifications and notational errors on the drawings where doubtful of interpretation.
- E. Where on any drawing a portion of the Work is drawn out and the remainder is indicated in outline, the drawn-out parts shall apply also to all other like portions of the Work. Where ornament or other detail is indicated on starting only, such detail shall be continued throughout the course of parts in which it occurs and shall also apply to all other similar parts in the Work unless otherwise indicated.

## **11. ORDERING PROCEDURES**

### **A. Joint Scope Meeting and Job Development:**

The County will issue, for each individual project, a Descriptive General Scope of Work and Joint Scope invitation requesting the Contractor's Superintendent and project manager and/or the County's end user representative, to meet at the project site. The County, Contractor and other necessary parties will visit the proposed work site and participate in a Joint Scope Meeting, which will include discussion and establishment of the following:

1. General Scope of Work
2. Definition and refinement of requirements
3. Existing site conditions
4. Methods and alternatives for accomplishing work including value engineering
5. Requirements for plans, sketches, shop drawings(s), submittals, etc.
6. Tentative construction duration work schedule
7. Preliminary quantity assumptions / estimates
8. Staging areas, site access and protocol for admission

9. Special conditions regarding unique facility operations
10. Safety requirements
11. Hazardous Materials or site conditions
12. Hours of operation
13. Liquidated damages
14. Date on which the Job Order proposal is due
15. Other requirements

As part of the required Joint Scope Meeting, the Contractor and the County will agree on a sequence of work; means of access to the premises and building; space for storage of materials and equipment; Work and materials and use of approaches; use of corridors, stairways, elevators; means of communications; and the location of partitions, eating spaces, and restrooms for the Contractor, for individual Job Orders. The Contractor agrees to be responsible for taking these factors into account when developing its Job Order Proposal.

The Detailed Scope of Work will be completed by the Contractor and submitted to the County for approval, prior to issuance of a Request for Proposal. This Detailed Scope of Work must be submitted within Five (5) working days or a mutually agreed upon time at the Joint Scope Meeting. If consultant services are required to clarify project requirements, they will be completed and submitted with the Detailed Scope of Work for County approval before a Request for Proposal will be issued.

Unless waived in writing, the Contractor agrees to provide all documentation required to fully establish the Detailed Scope of Work including, but not limited to, shop drawings, sketches and/or specifications that comply with the contract specifications and relate to the proposed project. This documentation will be provided for the purpose of defining scope, obtaining permits, and assisting the County in determining the best possible solution for repair and refurbishment issues. If the County requests a change in the proposed Detailed Scope of Work, the Contractor agrees to submit a revised Detailed Scope of Work reflecting all requested changes within two (2) working days. Failure to comply with these requirements may result in disqualification under future Requests for Prequalification for the San Bernardino County Job Order Contract Program or award of a future San Bernardino County Job Order Contract.

B. Request for Proposal:

Upon completion of the joint scoping process, the County will prepare a draft

descriptive scope of work referencing any sketches, drawings, photographs and specifications required to document accurately the work to be accomplished. The Contractor shall review the descriptive scope of work and request any required changes or modifications. Once the project development stage and Joint Scope Meeting have produced a County approved Detailed Scope of Work, the County will issue a Request for Proposal (RFP) to the Contractor. The RFP will include the Detailed Scope of Work approved by the County and other pertinent information with regards to scheduling, submittals, shop drawings and sketch requirements. The Contractor does not have the right to refuse to perform any task or any work in connection with a particular project. The Contractor agrees to prepare and submit a Job Order Proposal of Work in accordance with Section C below.

C. Job Order Proposal development:

The Contractor Job Order Proposal agrees to be comprised of the following elements:

1. Detailed Price Proposal

Pre-Priced work requirements

A Pre-priced Task is a task described in, and for which a Unit Price is set forth in, The Construction Task Catalog®. Pre-Priced work requirements will identify the type and number of work tasks required from the CTC. The price per unit set forth in the CTC shall serve as the base price for the purpose of the operation of this article. The Contractor's Job Order Proposal shall include support documentation to indicate that adequate engineering and planning for the requirement has been done, and that the Work tasks proposed are reasonable for the Detailed Scope of Work. Documentation to be submitted with the Job Order Proposal shall include, but not be limited to, Job Order Price Proposal, shop drawings, calculations, catalog cuts, and specifications, list of anticipated Subcontractors and Suppliers, construction schedule and any other requested documents.

The total extended price for Pre-Priced work requirements will be determined by multiplying the price per unit by the quantity required. The price offered in the Job Order Proposal will be determined by multiplying the total extended price by the appropriate Adjustment Factor. (Unit Price x quantity x Adjustment Factor.)

The Job Order Price shall be the value of the approved Job Order Price Proposal.

Non Pre-Priced Task requirements

Units of work not included in the CTC, but within the general scope and intent of this contract, may be negotiated into this contract as needs

arise. Such work requirements shall be incorporated into and made a part of this contract for the Job Order to which they pertain, and may be incorporated into the CTC if determined appropriate by the County at the negotiated price. Non Pre-Priced Tasks shall be separately identified and submitted in the Job Order Proposal. Whether a work requirement is Pre-Priced or Non Pre-Priced is a final determination by the County, binding and conclusive on the Contractor.

Information submitted in support of Non Pre-Priced Tasks agree to include, but not be limited to, the following: complete specifications and technical data, including work unit content, work unit costs data, schedule requirements; quality control and inspection requirements. Pricing data submitted in support of Non Pre-Priced Tasks include a cost or price analysis report, establishing the basis for selecting the approach proposed to accomplish the requirements. Unless otherwise directed by the County, cost data shall be submitted demonstrating that the Contractor solicited and received three bids. The Contractor shall not submit a quote or bid from any supplier or subcontractor that the Contractor is not prepared to use. The County may require additional quotes and bids if the suppliers or subcontractors are not acceptable or if the prices are not reasonable. The Contractor agrees to provide an installed Unit Price (or demolition price if appropriate), which shall include all costs required to accomplish the Non Pre-Priced Task.

In addition to items which are not included in the Construction Task Catalog®, a Non Pre-Priced line item maybe utilized, if the County clearly specifies the make or manufacture of the material that is to be utilized. The only item that will be accepted as Non Pre-Priced will be the direct material cost. If there is an associated line item listed in the Construction Task Catalog® for that type of material, then the labor and equipment costs must be utilized at the specific Adjustment Factor. In addition, to the Non Pre-Priced back up, a comparison to the material cost listed in the Construction Task Catalog® must be included with the Job Order Proposal Package for review and approval.

The final price submitted for Non Pre-Priced (NPP) Tasks shall be calculated according to the following formula:

Contractor performed duties

A = direct labor costs and fringe benefits per prevailing wage rates

B = direct material costs (supported by quotes)

C = direct equipment costs (supported by equipment amortization data)

D = allowable overhead costs =  $A \times 55\%$  (i.e., workers compensation insurance)

E = allowable profit =  $(A+B+C) \times 10\%$

Subcontractor performed duties

F = cost of Subcontractor(s) to Contractor (supported by quotes)

G = Contractor's allowance for Subcontractors cost =  $F \times 5\%$

H = Contractor's overhead for Subcontractor(s) costs in accordance with the following schedule:

F x 0% for NPP tasks < 10% of total Job Order value

F x 7% for NPP tasks 10-20% of total Job Order value

F x 10% for NPP tasks > 20% of total Job Order value

Total cost of Non-Pre-Priced Task

A+B+C+D+E+F+G+H After being used on three separate Job Orders, the unit price for the Non Pre-Priced Task may become fixed as a permanent Pre-Priced item, which will no longer require price justification.

The County's determination as to whether a task is a Pre-priced Task or a Non Pre-priced Task shall be final, binding and conclusive as to the Contractor.

Whenever, because of trade jurisdiction rules or small quantities, the cost of a minor task in the Job Order Price Proposal is less than the cost of the actual labor and material to perform such task, the County may permit the Contractor to be paid for such task as a Non Pre-priced Task, or use Pre-priced labor tasks and material component pricing to cover the actual costs incurred. Provided, however, that there is no other work for that trade on the Project or other work for that trade cannot be scheduled at the same time and the final charge does not exceed \$1,000.

Contractor shall make the necessary arrangements for and obtain all filings and permits required for the Work, including the preparation of all shop drawings, sketches, calculations and other documents and information that may be required therefor. If the Contractor is required to pay an application fee for filing a project, a fee to obtain a building permit, or any other permit fee to the City, State or some other governmental or regulatory agency, then the amount of such fee paid by the Contractor for which a receipt is obtained shall be treated as a Reimbursable Task to be paid without mark-up. The cost of expediting services or equipment

use fees are not reimbursable.

The Contractor's Job Order Proposal shall be submitted by the date indicated on the Request for Proposal. All incomplete Job Order Proposals shall be rejected. The time allowed for preparation of the Contractor's Job Order Proposal will depend on the complexity and urgency of the Job Order but should average between seven and fourteen days. On complex Job Orders, such as Job Orders requiring approvals and permits, allowance will be made to provide adequate time for preparation and submittal of the necessary documents. Failure to comply with these requirements may result in disqualification under future Requests for Prequalification for the San Bernardino County Job Order Contract Program or award of a future San Bernardino County Job Order Contract.

In emergency situations and minor maintenance and repair Job Orders requiring immediate completion, the Job Order Proposal may be required quickly and the due date will be so indicated on the Request for Proposal or, as described below, the Contractor may be directed to begin work immediately with the paperwork to follow.

If the Contractor requires clarifications or additional information regarding the Detailed Scope of work in order to prepare the Job Order Proposal, the request must be submitted within five (5) calendar days so that the submittal of the Job Order Proposal is not delayed.

2. Total Fixed Cost of the Job Order Proposal

The total fixed cost of the Job Order Proposal shall be determined by adding the total Job Order Proposal price offered for Pre-Priced and Non Pre-Priced work units.

3. Credits: Credits for Pre-priced and Non Pre-priced Tasks shall be calculated at the pre-set Unit Prices and multiplied by the appropriate Adjustment Factors. The result is that a credit for Tasks that have been deleted from the Detailed Scope of Work will be given at 100% of the value at which they were included in the original Job Order Price Proposal.

4. Submittals

All shop drawings, and "As-Built" drawings shall be prepared such that the drawings meet all the requirements of Local, State, and Federal regulations, codes and directives. The Contractor agrees to also provide as necessary, the forms, studies, and other documentation required by applicable codes and agencies.

The Contractor agrees to ensure that all engineering solutions conform strictly to the guides and criteria outlined in contract specifications. In

case of uncertainty of detail or procedure, the Contractor agrees to request additional instruction from the County. The Contractor is responsible for producing complete, competent, properly coordinated, and thoroughly checked documents.

At the Contractor's expense, as part of their Adjustment Factors, the documentation noted above, shall be prepared and reviewed as necessary to ensure its compliance with all applicable laws and regulations.

5. Work duration schedule

The Contractor agrees to furnish a schedule in accordance with Article 21, "Work Schedule" with each Job Order Proposal submitted.

6. Subcontractor's list

The Job Order Proposal represents the Contractor's offer to do Work, and as such, in accordance with sections 4100 to 4113, inclusive, of the Public Contract Code of the State of California, the Contractor agrees to list, on the Subcontractor listing report, the name and business location of each Subcontractor that will perform work, labor or render service on the Work in excess of one-half of one percent (1/2%) of the total Job Order Proposal amount. Contractors and Subcontractor which have been debarred from public works projects by the Labor Commissioner may not perform work under this contract. The Contractor agrees to list percentage of the project to be performed by proposed Subcontractor(s) and percentage of the project to be self-performed.

Contractor agrees to advise the County of any Subcontractor substitution(s) prior to commencement of Subcontractor work and to only substitute Subcontractor as authorized under Public Contract Code sections 4100 et seq. Contractor may be subject to penalties in accordance to the above referenced sections for illegal Subcontractor substitution.

Where a hearing is required for a decision on the substitution of subcontractors, pursuant to the provisions of Chapter 4, Part 1, Division 2, of the Public Contract Code, (commencing with Section 4100) by the awarding authority, or a duly appointed hearing officer, the Clerk of the Board of Supervisors shall prepare and certify a statement of costs incurred by the County for investigation, and to conduct the hearing, including the costs of any hearing officer and shorthand reporter appointed. For the purposes of a hearing for the substitution of subcontractors (pursuant to the Public Contract Code commencing with Section 4100) the awarding authority shall be the Director, or his/her designee.

The statement of costs shall be sent to the undersigned, who shall reimburse the County for all costs. If not paid separately, such reimbursement shall be deducted from monies due and owing to the

undersigned prior to acceptance of the project.

7. Electronic Job Order Proposal

The Contractor agrees to transmit an electronic copy of the Job Order Proposal, using the County furnished software, to the County.

8. Complete Job Order Proposal

By submitting a signed Job Order Proposal, the Contractor is agreeing to accomplish the Work outlined in the RFP and the Detailed Scope of Work for that particular Job Order. It is the Contractor's responsibility to include the necessary line items in the Job Order Proposal and apply the appropriate Adjustment Factor(s) prior to submitting it to the County. Errors and omissions in the Job Order Proposal shall be the responsibility of the Contractor. All costs associated with preparing Job Order Proposals shall be the responsibility of the Contractor. The County makes no commitment as to the award of individual Job Orders.

- D. Job Order Proposal Review: Each Job Order Proposal received from the Contractor will be reviewed in detail for appropriateness of quantities, proper Adjustment Factor and tasks selected. Submittals will be reviewed, as well as the work duration schedule and list of Subcontractor(s). The County will evaluate the entire Job Order Price Proposal and compare them with the independent County estimate of the same tasks to determine the reasonableness of approach, including the nature and number of work units proposed and the County's estimate of the Detailed Scope of Work. The County will determine whether the Contractor's Job Order Proposal is acceptable.

The Contractor may choose the means and methods of construction; subject however, to the County's right to reject any means and methods proposed by the Contractor that:

1. Will constitute or create a hazard to the work, or to persons or property;
2. Will not produce finished Work in accordance with the terms of the Contract; or
3. Unnecessarily increases the price of the Job Order when alternative means and methods are available.

The County reserves the right to reject a Job Order Proposal or cancel a Project for any reason. The County also reserves the right not to issue a Job Order if it is determined to be in the best interests of the County. The County may perform such work by other means. The Contractor shall not recover any costs arising out of or related to the development of the Job Order including but not limited to the costs to attend the Joint Scope Meeting, review the Detailed Scope of Work, prepare a Job Order Proposal (including third party services), subcontractor costs, and the costs to review the Job Order Proposal with the County.

By submitting a Job Order Proposal to the County, the Contractor agrees to accomplish the Detailed Scope of Work in accordance with the Request for Proposal at the lump sum price submitted. It is the Contractor's responsibility to include the necessary Pre-priced Tasks and Non Pre-priced Tasks and quantities in the Job Order Price Proposal prior to delivering it to the County.

Each Job Order provided to the Contractor shall reference the Detailed Scope of Work and set forth the Job Order Price and the Job Order Completion Time. All clauses of this Contract shall be applicable to each Job Order. The Job Order, signed by the County and delivered to the Contractor constitutes the County's acceptance of the Contractor's Job Order Proposal. A signed copy of the Job Order will be provided to the Contractor.

In the event that immediate emergency response is necessary, the Contractor shall be required to follow alternative procedures as established by the County. The Contractor shall begin work as directed notwithstanding the absence of a fully developed Request for Proposal, Detailed Scope of Work, or Job Order. The Contractor shall be compensated for such work as if the work had been ordered under the standard procedures.

E. Approval: Upon approval of the Detailed Scope of Work and the Contractor's Job Order Proposal, the County will issue a Job Order Authorization to the Contractor. The Job Order Authorization will include the firm fixed price of the Job Order and the project duration. Once the Job Order Authorization has been issued the Contractor agrees to:

1. Identify the Superintendent and Site Health and Safety Officer (SHSO);
2. Initiate submission of required shop drawings and submittals to the County for review and approval;
3. Prepare a detailed Work Schedule in accordance with Article 21.

The Contractor agrees to not begin construction prior to the construction start date identified in the Notice to Proceed (NTP).

The County reserves the right to reject a Contractor's Job Order Proposal based on unjustifiable quantities and/or methods, performance periods, inadequate documentation, or other inconsistencies or deficiencies on the Contractor's part in the sole opinion of the County.

The County reserves the right to issue a unilateral Job Order Authorization for the Work if a Job Order Proposal price cannot be mutually agreed upon. This is based upon unjustifiable quantities and incorrect line items in the sole opinion of the County.

The County also reserves the right to not issue a Job Order if the County's requirement is no longer valid or the project is not funded. In these instances, the Contractor has no right of claim to recover Job Order Proposal expenses.

The County may pursue continuing valid requirements by other means where agreement was not reached with the Contractor.

F. Job Order Proposal time requirements

1. Job Order Proposal submittal

The Contractor agrees to respond to a Request for Proposal within Five (5) working days, or a mutually agreed upon time. Contractor's response shall confirm receipt of the Request for Proposal, and a mutually agreed upon date for submittal of Contractor's detailed Job Order Price Proposal.

The Contractor agrees to make a thorough analysis of each Request for Proposal and submit all Requests for Information (RFI's) to the County. The RFI shall not extend the Job Order Proposal due date unless mutually agreed to by the County. All RFI's and responses will be included in the Detailed Scope of Work, for proper documentation.

2. Job Order Proposal review

The Contractor's project manager or agent agrees to be available for Job Order Proposal review meetings within two (2) Days of being notified by the County (via fax, e-mail, telephone, etc.). After review of the Job Order Proposal, the Contractor agrees to remove all inapplicable line items and adjust quantities as directed by the County.

3. Job Order Proposal modification

The Contractor will be granted only one opportunity to add new, valid line items that may have been omitted from its first Job Order Proposal by submitting a second, revised Job Order Proposal. The Contractor agrees to submit the revised Job Order Proposal within (2) two Days of the initial Job Order Proposal review meeting, unless otherwise specified in writing. Upon review of the revised Job Order Proposal, the Contractor agrees to remove all line items or adjust quantities deemed inappropriate by the County, and re-submit its Job Order Proposal within one (1) Day. No new line items may be added to the revised Job Order Proposal, nor may quantities be increased, nor modifiers added unless specifically agreed to in writing by the County's subsequent Job Order Proposal review.

4. Enforcement of time requirements

The Job Order Proposal time requirements contained herein will be strictly enforced. Failure to comply may result in the Contractor being deemed non-responsive to the Request for Proposal. The County may cancel the Request for Proposal from the Contractor and solicit another Contractor. The County may also deem the Contractor ineligible for any future JOC contracts.

## 12. CONSTRUCTION PROCEDURES

### A. Pre-Construction Meeting

Within no more than seven (7) Days from the issuance of the Job Order Authorization, unless the County grants additional time, the County will conduct a pre-construction meeting with the Contractor's project manager, Subcontractors, and the end-user to determine the actual project schedule, project access requirements and to address and resolve any customer concerns.

At the pre-construction meeting the Contractor agrees to:

1. Prepare a detailed work duration schedule and submit it to the County for approval prior to the issuance of the Notice To Proceed;
2. Designate in writing, the name of one or more persons who agrees to act as a Site Health and Safety Official (SHSO) who agrees to be at the job site at all times during which work of any kind is being performed, and who agrees to be thoroughly familiar with the Contractor's Injury and Illness Prevention Program (IIPP) and Code of Safe Practices (CSP);
3. Sign and submit to the County a Job Site Safety Affidavit specifying CAL/OSHA safety regulations with which the Contractor is required to comply. It is the responsibility of the Contractor to develop and submit the Job Site Safety Affidavit. The format of the Affidavit is to be determined by the Contractor. The Contractor is responsible to comply with all Safety regulations, which are pertinent to Completion of the Detailed Scope of Work.
4. Ensure all background checks are completed for all Contractor and Subcontractor personnel prior to the commencement of work at the job site. Provide a listing of all personnel working on the site.
5. Submit all Material Safety Data Sheets, required for materials to be utilized during the course of the job, as part of the Job Order Proposal. These are subject for review and approval by the County.

### B. Notice to Proceed

Following the pre-construction meeting, the County will issue a Notice to Proceed (NTP) which will provide the construction start date, the work duration period, and the Substantial Completion date. The Contractor agrees to begin and complete construction within the dates specified on the NTP. The County must approve all extensions of time in writing.

### C. Project Construction

The Contractor agrees to provide continuous on-site supervision on each Job

Order, using the Contractor's Superintendent while progress on the project is being accomplished. The Contractor's Superintendent agrees to be able to receive and comprehend instructions in English and agrees to be responsible for:

1. Coordination and providing supervision to all Subcontractor and workers;
2. Posting of the prevailing wage scale;
3. Maintaining a copy of the Contractors safety program manual made available to all construction personnel;
4. Conducting weekly on-site safety meetings;
5. Completing the daily labor and construction progress log on a daily basis and submit copies to the County on a daily basis. Copies of the previous day's reports must be submitted by 9:00AM of the following Day.
  - a. Daily labor log is to include a listing of Subcontractor(s) and a count of workers by trade providing services for the Day.
  - b. Construction progress log is to include a narrative of the work provided by trade(s). Narrative to include the various areas of the jobsite where Work was performed and any problems or conditions that were encountered.
  - c. In the event the Contractor fails to provide a daily log and/or construction progress log, the County may impose damages against the Contractor in the amount of fifty dollars (\$50.00) for each log and deduct from the Contractor's payment request, for each Day the Contractor does not provide the documentation.

County may suspend Contractor operations if no Contractor Superintendent is observed. All delays caused by the suspension will be the responsibility of the Contractor. No time extension or claims for cost(s) associated with the suspension will be granted by the County. Failure to comply with these requirements may result in disqualification under future Requests for Prequalification for the San Bernardino County Job Order Contract Program or award of a future San Bernardino County Job Order Contract.

D. Project Completion

The Contractor agrees to schedule a final job walk with the County. If required, the County will prepare a list of incomplete items, the "Punch List". The Contractor agrees to complete the "Punch List" corrections and schedule a final project completion job walk. The County will sign the "Punch List" as completed when determined, the project is finished. The Contractor agrees to submit the following along with its final payment request:

1. "Punch List" signed by the County;
2. Completed building inspection card;
3. All required warranties and maintenance requirements;
4. All record drawings or as-built drawings,
5. All required operation and maintenance manuals;
6. All keys and security entry cards;
7. Any other closeout items.

### **13. MEASUREMENTS TO BE VERIFIED**

Before ordering any material or doing any Work, the Contractor agrees to verify all measurements at the site of a specific Job Order, and agrees to be responsible for the correctness of the measurements. No extra charge or compensation will be allowed on account of difference between actual dimensions and the measurements indicated in the RFP. Any difference which may be found shall be submitted to the County for consideration before proceeding with the Work.

### **14. CAUTION TO CONTRACTORS**

The Contractor is cautioned in regard to Job Order Proposals to be issued hereunder that when the word approximate is used in conjunction with measurements, quantities, dimensions, etc., it is the Contractors' responsibility to verify any and all such items prior to submission of the Job Order Proposal. Contractors are also cautioned that any Job Order awarded is for all services or Work, as necessary, to repair and remodel the facilities covered by the contract in accordance with all contract terms and conditions. It shall also be the duty and responsibility of the Contractor to manage and conduct the required Work in the most effective and efficient manner possible and meet or exceed minimum critical rates or standards. In addition the Contractor is cautioned that no claims for additional moneys will be entertained when such claim is based upon a contention the contract fails to mention a specific item or component of facility covered by contract and the Work is required in the normal course of operations. For example, surfaced area repair statements may not mention culverts. However, culverts are a normal component of roads, streets, or erosion controls and are shown on plots or maps provided. As culverts are a normal component of the system, the Contractor agrees to be responsible for providing all necessary repair or replacement work or service.

### **15. SCHEDULING WORK**

As part of the required Joint Scope Meeting, the Contractor and the County will agree on a sequence of work; means of access to premises and building; space for storage of materials and equipment; Work and materials and use of approaches; use of corridors, stairways, elevators; means of communications; and the location of partitions, eating spaces, and restrooms for the Contractor, for individual Job Orders. The Contractor will

be responsible for taking these factors into consideration when developing Contractor's Job Order Proposal and schedule.

## **16. COMPUTER REQUIREMENTS**

The Contractor will be required to supply one (1) computer system capable of operating the County furnished JOC software, and individual email accounts for each of its project managers. The minimum system as described below is capable of operating the software. The system will be for the use of the Contractor and agrees to be owned, operated and located at the Contractor's discretion. The Contractor must have personnel trained in basic computer operations and must have high speed internet access. See section 93 for Gordian Cloud® software requirements.

The Job Order Contracting (JOC) System License and Fee Agreement is incorporated herein by reference. Any Contractor awarded a Job Order Contract shall be required to execute this Agreement with The Gordian Group.

The computer system will consist of these minimum specifications:

- A. Computer - Dell corp. Optiplex gx270, pentium 4, 3.2ghz (800 mhz bus), 1gbmb ram, 80gb hd (ata/100 7200rpm), 64mb video (geforce 4), 48x cd-rom, 2 usb 2.0), 10/100/10000 ethernet.
- B. Monitor
- C. Keyboard
- D. Mouse
- E. Software - Windows 2000 pro.

The Contractor will be responsible for providing maintenance for all the above equipment for the duration of the contract.

## **17. SPECIFICATIONS**

The Specifications are intended to establish the standards for quality, performance and technical requirements for all labor, workmanship, material, methods and equipment necessary to complete the Work.

When detailed specifications and drawings are provided by the County, for a specific Job Order these are to be considered part of the Detailed Scope of Work and take precedence.

## **18. CONTRACT DOCUMENTS AND ORDER OF PRECEDENCE**

- A. In the event that any provision(s) in any component part of the Contract Documents conflicts with any provision(s) of any other component part, the following order of precedence among the Contract Documents component parts

shall govern:

1. Any and all requirements in the Contract Documents pertaining to the American Rescue Plan Act (ARPA) Coronavirus Local Fiscal Recovery Fund (CLFRF) Federal Guidelines and Use Requirements.
  2. Contractor Agreement - County
  3. Written amendments and modifications to the contract
  4. Addenda and notices to bidders
  5. Job Orders (including Detailed Scopes Of Work and Requests for Proposals)
  6. Construction Task Catalog®
  7. Technical Specifications
  8. Performance bond
  9. Labor and material payment bond
- B. In the event there is a conflict between or among any provisions within one of the component parts of the Contract Documents, the higher standard or the more stringent requirement shall govern.

## **19. STANDARD SPECIFICATIONS**

- A. Where the specifications or the building code stipulate that a material shall conform to the American Society for Testing Materials (A.S.T.M.) specifications or other recognized standards, the Contractor agrees to, when so required, deliver to the County an affidavit or certificate in triplicate, signed by the manufacturer or supplier that the material furnished conforms to specifications or standards mentioned. When tests are required, the results of such tests shall be delivered to the County.
- B. References to the "building code" are to the edition of the applicable building code listed in the specifications, including any amendments thereto.

## **20. RECORD DRAWINGS (AS-BUILT RECORDS); REFERENCE MATERIAL**

- A. The Contractor agrees to maintain a set of Contract Documents, when applicable, on the project site for record documents. The Contractor agrees to promptly advise the County of any observations during contract performance of deficiencies in record drawings. In the event subsurface utility lines are located in other than locations indicated in record drawings, County will be promptly advised of the observation. For subsurface utility lines placed or moved by the Contractor, actual locations shall be included in a revised record drawing, and

the revised drawing will include, by offset dimensions to two permanently fixed surface features, the end of each run, including each change in direction. Valve, splice boxes, and similar appurtenances shall be located by dimensioning along the utility run from a reference point. The average depth below the surface of each run shall also be recorded. For structures or facilities affected by Work under this contract, the Contractor, at the time of Substantial Completion, shall submit to the County "as-built prints" showing the aforementioned data. For structures or facilities which the County may take temporary possession or use of prior to Substantial Completion of the Work, the County may request and the Contractor shall furnish the "as-built prints" at the time of such temporary possession or use. In the event the Contractor fails to maintain the record drawings as required herein, the County will consider that satisfactory progress has not been achieved under the Job Order.

- B. Contractor payments are contingent upon the record drawings being maintained in a current status, in as much as the County will not approve full payment unless record drawings are current.
- C. As a condition precedent to the certifying of the final payment under the contract, the Contractor shall submit complete record documents to the County.

## **21. WORK SCHEDULE**

- A. All time limits stated in the Contract Documents are of essence to the contract. The Contractor shall prosecute the Work at such time and in such manner that Completion of the Work agrees to occur in accordance with the County approved work duration schedule, including authorized adjustments thereto. Failure to complete the Work on a timely basis will subject the Contractor to liquidated damages as outlined below.
- B. With each Job Order Proposal, the Contractor agrees to furnish a Gantt chart work duration schedule showing the order in which the Contractor proposes to perform the Work, the durations in which the Contractor is to perform the Work, and the relative dates on which the Contractor contemplates starting and completing project tasks, including the acquisition of materials, fabrication, and equipment. The County may determine the level of detail and number of tasks required to be included on the schedule. Unless otherwise specified, the schedule shall be in the form of a Gantt chart work duration schedule of suitable scale to indicate appropriately the percentage of Work scheduled for Completion. At the discretion of the County, the Contractor may be required to furnish a Critical Path Method (CPM) schedule.
- C. Contractor's detail work duration schedule: the purpose of this requirement is to ensure adequate planning, coordination and execution of the Work, and to evaluate the progress of the Work. The schedule indicates the dates for starting and completing various aspects of the Work including, but not limited to, on-site construction activities as well as the submittal, approval, procurement, fabrication, and delivery of major items, materials and equipment. The schedule indicates phasing of Work activities as required. The schedule provides the Contractor's initial plan for the Work based on its understanding of the Detailed

Scope of Work, with the critical path highlighted.

- D. Schedule approval: all project schedules will be subject to the County's review and approval. The use of any particular scheduling system shall be subject to the approval of the County.
- E. Schedule updates: the Contractor agrees to maintain the work duration schedule updates on an ongoing basis and, when the County requests it, include the updates in its payment request. The Contractor may be required to submit a narrative report with each monthly update which shall include a description of current and anticipated problem areas, delaying factors and their impact, and an explanation of corrective action taken or proposed. Failure to do so may be considered a material breach of the contract. Any additional or unanticipated costs or expense required to maintain the schedules shall be solely the Contractor's obligation and Contractor agrees not to charge the County.
- F. Adjustment of the work duration schedule: the Contractor agrees that whenever it becomes apparent to the County, from the current monthly status review meeting or the schedule, that phasing or Job Order milestone dates will not be met, it will take some or all of the following actions at no additional cost to the County.
  - 1. Increase construction manpower in such quantities and crafts as will eliminate the backlog of Work.
  - 2. Increase the number of working hours per shift, shifts per working day, working days per week, the amount of construction equipment, or any combination of the foregoing to eliminate the backlog of Work.
  - 3. Reschedule the Work under this Job Order in conformance with all other specification requirements. The Contractor agrees to be liable for any additional cost incurred by the County for the adjustment of project schedules.
  - 4. Prior to proceeding with any of the above actions, the Contractor agrees to notify and obtain approval from the County for the proposed schedule changes. If such actions are approved, the Contractor agrees to incorporate the revisions into the schedule.
- G. Failure of the Contractor to comply with the work requirement under this article shall be grounds for a determination that the Contractor is not prosecuting the Work with sufficient diligence to ensure Completion within the time specified in the Job Order. Upon making this determination, the County may terminate the Contractor's right to proceed with the Work, or any separate part of it, in accordance with the default terms of this contract.

## **22. COUNTY'S RIGHT TO DELAY COMMENCEMENT OF THE WORK**

The County agrees to have the right to direct the Contractor to withhold actual commencement of the Work in part or in whole, and the Contractor agrees to comply

with such instructions. The Contractor agrees to be granted an extension of the Completion time of the Job Order equal to the number of working days delay caused to County pursuant to Contractor's compliance with such instructions. The Contractor will not be entitled to any additional compensation due to the subject extension of the Job Order Completion Time.

## **23. OBSERVATION AND INSPECTIONS**

- A. All Work shall meet with the approval of the County and shall be completed in conformity with the Contract Documents.
- B. The County or its representative agrees to have access to the Work at all times. The Contractor agrees to furnish all facilities for inspection at the site, and at shops or yards, and agrees to not cover up any Work requiring inspection until the same has been approved by the County. If Work should be covered up before being inspected, the Contractor agrees to be required to remove such portions of the Work as may be necessary to disclose the part in question.
- C. The County shall be given access to the Work at all times. Such access shall not be subject to restrictions which are not directly related to the provision and maintenance of health and safety.
- D. An inspection notice may be issued if the contract Work has not been executed in full-compliance with the Job Order and specifications. The Contractor is responsible for bringing all Work subject to an inspection notice into full compliance with the Job Order and specifications at no additional cost to the County. No Work will be paid for by the County until such Work is brought into full compliance with the Job Order and specifications.
- E. Technical reports may be generated for the purpose of evaluating the quality, correctness, functionality, etc. of the Contractor's Work or performance under this contract in accordance with the requirements of the Job Order and specifications.
- F. In order to allow for inspection by the County and other agencies, or any inspection required elsewhere in these specifications, the Contractor shall notify the Division a sufficient length of time in advance of the permanent concealment of any materials or Work.
- G. If otherwise not specified in the Detailed Scope of Work for the Job Order, whenever the Contractor desires to carry on the Work of this Contract at night or on a Saturday, Sunday, or holiday, he shall request authorization in writing from the Division for such Work at least twenty-four (24) hours in advance so that inspection may be provided, if authorization is granted, and the Contractor agrees to pay overtime reimbursement of costs for this service, unless otherwise specified.
- H. If any Work is concealed or performed without the prior notice specified above, then the Work shall be subject to such tests or exposure as may be necessary to prove to the County that the materials used and the Work done are in conformity

with the plans and specifications. All labor and equipment necessary for exposing and testing shall be furnished by the Contractor at his expense. The Contractor shall replace, at his own expense, any materials or work damaged by exposure and any faulty materials or workmanship evidenced by such exposure or testing.

- I. When, in order to comply with the intent of the specifications, and when not otherwise specified, inspection must be made at the plant or mill of the manufacturer or fabricator of material, the Contractor shall notify the County a sufficient length of time in advance to allow for arrangements to be made for such inspection.
- J. Any inspection or approval by any representative or agent of the County will not relieve the Contractor of the responsibility of incorporating in the Work only those materials which conform to the specifications, and any nonconforming materials shall be removed from the site whenever identified.
- K. The Contractor shall promptly remove from the premises all materials determined by the County to be nonconforming whether incorporated into the Work or not. Whenever Work has been determined to be nonconforming by the County, the Contractor shall promptly re-perform the Work in accordance with the Contract and without expense to the County; and shall bear the expense of making good all work of other contractors destroyed or damaged by such removal or replacement. No Work which is defective in construction or deficient in any of the requirements of the specifications shall be considered as accepted. The Contractor shall correct any imperfect work before the final inspection, or, at the option of the County, within the applicable guarantee period.
- L. Upon completion of the Work, the Contractor shall notify the County when he desires a final inspection of the Work. The County will make such inspection as soon thereafter as possible. If the Work is found to be in compliance with plans and specifications, the Division will recommend Acceptance of the Work and/or file the Notice of Completion with the County Recorder.

## **24. PERMITS AND LICENSES**

- A. Except as provided in D & E below, the Contractor agrees to obtain and pay for all permits required for the Work. Further, the Contractor agrees to obtain and pay for all permits incidental to the Work or made necessary by Contractor's operation. The Contractor agrees to obtain all building permits. The Contractor will be reimbursed for all direct costs of permits without mark-up. The Contractor must submit the direct cost of all permits and inspection in the Job Order Proposal. Any permit and/or inspection fees not included in the Job Order Proposal will not be reimbursed by the County. The County is not responsible for any re-inspection(s) required due to the Contractor's failure to pass initial inspection(s).
- B. The Contractor will be required to obtain a city business license to perform the work in the appropriate city, as specific in the Job Order.
- C. To comply with section 3800 of the Labor Code of the State of California, the

Contractor and all Subcontractors requiring a permit (building, plumbing, grading, and electrical, etc.) agree to file a workers' compensation certificate with the County.

- D. Exclusive of off-site inspection specified to be the County's responsibility, the Contractor agrees to arrange and pay for all off-site inspection of the Work including certification thereof required by the specifications, drawings, or by governing authorities.
- E. The County will provide on-site inspection of the Work and will arrange for off-site inspection when specified in the specifications. All other required inspections will be the responsibility of the Contractor.
- F. The County will not pay any costs for licenses required in the performance of the Work. The Contractor agrees to assume this responsibility in total.
- G. The County will inspect the Work for code compliance as part of permits pulled. The County will provide this inspection at no additional cost for the first inspection and for re-inspection. If the Contractor is unable to correct defective work after one re-inspection, the County may charge the Contractor for additional re-inspections.

## **25. TESTS**

- A. Arrangements for testing of materials, as required, shall be authorized and performed under the direction of the County's Building Construction Inspector.
- B. All material testing which conforms to or meets specified standards in the following categories shall be paid for by the County. Material tests in the following categories which fail to meet specified standards shall be paid for by the Contractor:
  - 1. Soil density tests
  - 2. Concrete compression tests
  - 3. Grout compression tests
  - 4. Mortar compression tests
  - 5. Testing of masonry units
  - 6. Testing of reinforcing steel
- C. Any other required or specified tests shall be paid by the Contractor and shall be performed by a qualified testing laboratory approved by the County.
- D. The Contractor shall pay for all additional and related costs, including professional services and special testing necessary to correct defects or damage

to the project due to faulty materials or construction procedures.

## **26. SUBSTANTIAL COMPLETION**

- A. The date of Substantial Completion of the Work, or designated portion thereof as set forth in the Detailed Scope of Work for a specific Job Order, is the date certified by the County when the Work is sufficiently complete and the County may occupy or use the Work, or designated portion thereof, for the use for which it is intended.
- B. When the Contractor considers that the Work, or designated portion thereof as set forth in the Detailed Scope of Work, is substantially complete as defined above, the Contractor agrees to prepare for submission to the County a list of items to be completed or corrected. The failure to include any items on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents. When the County determines that the Work or designated portion thereof is substantially complete, it will issue a certificate of Substantial Completion which agrees to establish the date of Substantial Completion. The certificate agrees to state the responsibilities of the County and the Contractor for security, maintenance, heat, utilities, damage to the Work, and insurance, and agrees to list remaining items to be corrected or completed. The Work not fully completed or corrected shall be completed to the satisfaction of the County within thirty (30) calendar Days after Substantial Completion, or within a period of time mutually agreed upon between the Contractor and the County. In the event the Contractor fails to complete or correct the remaining items within the allotted time, the County may complete or correct the items and deduct the cost thereof from the contract amount.
- C. Warranties required by the Contract Documents, as discussed in these General Conditions, shall commence on the date of Substantial Completion of the Work or designated portion thereof unless otherwise provided in the certificate of Substantial Completion.
- D. In accordance with the General Conditions, the County reserves the right to occupy substantially completed portions of the Work and any such portion agrees to be subject to the above provisions for Substantial Completion.

## **27. OCCUPANCY BY THE COUNTY**

- A. The Contractor, Contractor's employees and representatives will be admitted by the County to the premises for the purpose of executing the Work to be performed under this contract, but they agree to have no tenancy.
- B. It is further understood that the County agrees to have the right to take temporary possession of, or use any portion of, any substantially completed or partially completed part of the Work as the County may deem necessary for its operations upon notice to the Contractor. Before taking possession of any Work, the County may furnish the Contractor a list of items of outstanding or deficient Work remaining to be performed or corrected on those portions of the Work that the County intends to take possession of or use. However, a failure of the County to

list any item of Work shall not relieve the Contractor of responsibility for complying with the terms of the contract. The County's possession or use shall not be deemed an Acceptance of any Work so occupied or used until Final Acceptance under the terms of this contract, and thereafter pursuant to the warranty provisions of this contract; provided that the Contractor will not be responsible for any damages or loss to the Work in place caused by the County's possession or use.

- C. If prior possession or use by the County delays the progress of the Work or causes additional expense to the Contractor, an adjustment may be made in the contract amount or the contract time, under the applicable scheduling and cost provisions of this contract.

## **28. LABOR LAWS**

- A. The Contractor, his agents and employees shall be bound by and comply with all applicable provisions of the Labor Code and such federal, state and local laws which affect the conduct of the work including, without limit, payment of applicable prevailing wages.
- B. The Contractor shall strictly adhere to the provisions of the Labor Code regarding the employment of apprentices; minimum wages; payment of wages; alien labor, the eight-hour day; overtime, Saturday, Sunday and holiday work; and nondiscrimination because of race, color, national origin, physical handicap, sex or religion. The Contractor shall forfeit to the County the penalties prescribed in the Labor Code for violations.
- C. In accordance with the Labor Code, prevailing wage rate determinations are included elsewhere in these specifications for the work to be done on this project. Updated wage rates will be made available to the Contractor, who shall pay not less than these rates.
- D. Certified payroll records can be requested by County at any time and shall be delivered by Contractor within ten (10) days. In all events, certified payroll records shall be made available as required by law.
- E. When the State Labor Code minimum wage and the Federal Wage Determinations (Davis-Bacon Act) are applicable due to federal funding involvement, the higher of the two wage rates per each work classification will prevail.
- F. Contractors are prohibited from performing work on a public works project with a subcontractor who is ineligible to perform work on a public works project pursuant to Section 1777.1 or 1777.7 of the Labor Code. Any contract entered into between a contractor and a debarred subcontractor is void as a matter of law. A debarred subcontractor may not receive any public money for performing work as a subcontractor on a public works contract, and any public money that may have been paid to a debarred subcontractor by a contractor on the project shall be returned to the awarding body. The contractor shall be responsible for the payment of wages to workers of a debarred subcontractor who has been allowed to work on the project.

- G. The Contractor shall inform himself as to Sections 1735, 1771, 1773, 1774, 1775, 1776, 1777, 1777.5, 1777.6, 1810, 1812, 1813, 1814, 1815, 1816, and 1850 of the Labor Code of the State of California, and shall comply with these and with all other applicable laws. In accordance with Section 1770 of the Labor Code, the Owner has ascertained the prevailing wages applicable to the work to be done as set forth in the Bid Documents.
- H. The Contractor shall, as a penalty, forfeit two hundred dollars (\$200.00) to the County for each calendar day or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of the Department of Industrial Relations for such work or craft in which such worker is employed by the Contractor or by any Subcontractor in connection with the Work. Pursuant to California Labor Code Section 1775, the difference between such prevailing wage rates and the amount paid to each worker for each calendar day, or portion thereof, for which each worker was paid less than the prevailing wage rate, shall be paid to each worker by the Contractor.
- I. The Contractor shall pay to the County a penalty of twenty-five dollars (\$25.00) for each worker employed on the Work by the Contractor or any Subcontractor, of any tier, for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any calendar day and forty (40) hours in any one calendar week, in violation of the provisions of the California Labor Code, unless compensation to the worker so employed by the Contractor is not less than one and one-half (1½) times the basic rate of pay for all hours worked in excess of eight (8) hours per day.
- J. Contractor shall comply with Senate Bill 854 (Chapter 28, Statutes of 2014) and Senate Bill 96 (Chapter 28, Statutes of 2017). The requirements include, but are not limited to, the following:
1. No contractor or subcontractor may be listed on a bid proposal (submitted on or after March 1, 2015) for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5, with limited exceptions from this requirements for bid purposes only as allowed under Labor Code section 1771.1(a).
  2. No contractor or subcontractor may be awarded a contract for public work or perform work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.
  3. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
  4. As required by the Department of Industrial Relations, Contractor is required to post job site notices, as prescribed by regulation, regarding compliance monitoring and enforcement by the Department of Industrial Relations.

5. Contractors and all subcontractors must submit certified payroll records online to the Labor Commissioner for all new public works projects issued on or after April 1, 2015, and for all public works projects, new or ongoing, on or after January 1, 2016.
  - (1) The certified payroll must be submitted at least monthly to the Labor Commissioner.
  - (2) The County reserves the right to require Contractor and all subcontractors to submit certified payroll records more frequently than monthly to the Labor Commissioner
  - (3) The certified payroll records must be in a format prescribed by the Labor Commissioner.
6. Registration with the Department of Industrial Relations and the submission of certified payroll records to the Labor Commissioner are not required if the public works project is \$25,000 or less when the project is for construction, alteration, demolition, installation or repair work, or if the public works project is \$15,000 or less when the project is for maintenance work.
7. Labor Code section 1725.5 states the following:

“A contractor shall be registered pursuant to this section to be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any public work contract that is subject to the requirements of this chapter. For the purposes of this section, “contractor” includes a subcontractor as defined by Section 1722.1.

(a) To qualify for registration under this section, a contractor shall do all of the following:

(1) (A) Register with the Department of Industrial Relations in the manner prescribed by the department and pay an initial nonrefundable application fee of four hundred dollars (\$400) to qualify for registration under this section and an annual renewal fee on or before July 1 of each year thereafter. The annual renewal fee shall be in a uniform amount set by the Director of Industrial Relations, and the initial registration and renewal fees may be adjusted no more than annually by the director to support the costs specified in Section 1771.3.

(B) Beginning June 1, 2019, a contractor may register or renew according to this subdivision in annual increments up to three years from the date of registration. Contractors who wish to do so will be required to prepay the applicable nonrefundable application or renewal fees to qualify for the number of years for which they wish to preregister.

(2) Provide evidence, disclosures, or releases as are necessary to establish all of the following:

(A) Workers' compensation coverage that meets the requirements of Division 4 (commencing with Section 3200) and includes sufficient coverage for any worker whom the contractor employs to perform work that is subject to prevailing wage requirements other than a contractor who is separately registered under this

section. Coverage may be evidenced by a current and valid certificate of workers' compensation insurance or certification of self-insurance required under Section 7125 of the Business and Professions Code.

(B) If applicable, the contractor is licensed in accordance with Chapter 9 (commencing with Section 7000) of the Business and Professions Code.

(C) The contractor does not have any delinquent liability to an employee or the state for any assessment of back wages or related damages, interest, fines, or penalties pursuant to any final judgment, order, or determination by a court or any federal, state, or local administrative agency, including a confirmed arbitration award. However, for purposes of this paragraph, the contractor shall not be disqualified for any judgment, order, or determination that is under appeal, provided that the contractor has secured the payment of any amount eventually found due through a bond or other appropriate means.

(D) The contractor is not currently debarred under Section 1777.1 or under any other federal or state law providing for the debarment of contractors from public works.

(E) The contractor has not bid on a public works contract, been listed in a bid proposal, or engaged in the performance of a contract for public works without being lawfully registered in accordance with this section, within the preceding 12 months or since the effective date of the requirements set forth in subdivision (e), whichever is earlier. If a contractor is found to be in violation of the requirements of this paragraph, the period of disqualification shall be waived if both of the following are true:

(i) The contractor has not previously been found to be in violation of the requirements of this paragraph within the preceding 12 months.

(ii) The contractor pays an additional nonrefundable penalty registration fee of two thousand dollars (\$2,000).

(b) Fees received pursuant to this section shall be deposited in the State Public Works Enforcement Fund established by Section 1771.3 and shall be used only for the purposes specified in that section.

(c) A contractor who fails to pay the renewal fee required under paragraph (1) of subdivision (a) on or before the expiration of any prior period of registration shall be prohibited from bidding on or engaging in the performance of any contract for public work until once again registered pursuant to this section. If the failure to pay the renewal fee was inadvertent, the contractor may renew its registration retroactively by paying an additional nonrefundable penalty renewal fee equal to the amount of the renewal fee within 90 days of the due date of the renewal fee.

(d) If, after a body awarding a contract accepts the contractor's bid or awards the contract, the work covered by the bid or contract is determined to be a public work to which Section 1771 applies, either as the result of a determination by the director pursuant to Section 1773.5 or a court decision, the requirements of this section shall not apply, subject to the following requirements:

(1) The body that awarded the contract failed, in the bid specification or in the

contract documents, to identify as a public work that portion of the work that the determination or decision subsequently classifies as a public work.

(2) Within 20 days following service of notice on the awarding body of a determination by the Director of Industrial Relations pursuant to Section 1773.5 or a decision by a court that the contract was for public work as defined in this chapter, the contractor and any subcontractors are registered under this section or are replaced by a contractor or subcontractors who are registered under this section.

(3) The requirements of this section shall apply prospectively only to any subsequent bid, bid proposal, contract, or work performed after the awarding body is served with notice of the determination or decision referred to in paragraph (2).

(e) The requirements of this section shall apply to any bid proposal submitted on or after March 1, 2015, to any contract for public work, as defined in this chapter, executed on or after April 1, 2015, and to any work performed under a contract for public work on or after January 1, 2018, regardless of when the contract for public work was executed.

(f) This section does not apply to work performed on a public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction, alteration, demolition, installation, or repair work or to work performed on a public works project of fifteen thousand dollars (\$15,000) or less when the project is for maintenance work."

8. Labor Code section 1771.1 states the following:

"(a) A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

(b) Notice of the requirement described in subdivision (a) shall be included in all bid invitations and public works contracts, and a bid shall not be accepted nor any contract or subcontract entered into without proof of the contractor or subcontractor's current registration to perform public work pursuant to Section 1725.5.

(c) An inadvertent error in listing a subcontractor who is not registered pursuant to Section 1725.5 in a bid proposal shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive, provided that any of the following apply:

(1) The subcontractor is registered prior to the bid opening.

(2) Within 24 hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.

(3) The subcontractor is replaced by another registered subcontractor pursuant to Section 4107 of the Public Contract Code.

(d) Failure by a subcontractor to be registered to perform public work as required by subdivision (a) shall be grounds under Section 4107 of the Public Contract Code for the contractor, with the consent of the awarding authority, to substitute a subcontractor who is registered to perform public work pursuant to Section 1725.5 in place of the unregistered subcontractor.

(e) The department shall maintain on its Internet Web site a list of contractors who are currently registered to perform public work pursuant to Section 1725.5.

(f) A contract entered into with any contractor or subcontractor in violation of subdivision (a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of Section 1725.5 or this section.

(g) If the Labor Commissioner or his or her designee determines that a contractor or subcontractor engaged in the performance of any public work contract without having been registered in accordance with this section, the contractor or subcontractor shall forfeit, as a civil penalty to the state, one hundred dollars (\$100) for each day of work performed in violation of the registration requirement, not to exceed an aggregate penalty of eight thousand dollars (\$8,000) in addition to any penalty registration fee assessed pursuant to clause (ii) of subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.

(h)(1) In addition to, or in lieu of, any other penalty or sanction authorized pursuant to this chapter, a higher tiered public works contractor or subcontractor who is found to have entered into a subcontract with an unregistered lower tier subcontractor to perform any public work in violation of the requirements of Section 1725.5 or this section shall be subject to forfeiture, as a civil penalty to the state, of one hundred dollars (\$100) for each day the unregistered lower tier subcontractor performs work in violation of the registration requirement, not to exceed an aggregate penalty of ten thousand dollars (\$10,000).

(2) The Labor Commissioner shall use the same standards specified in subparagraph (A) of paragraph (2) of subdivision (a) of Section 1775 when determining the severity of the violation and what penalty to assess, and may waive the penalty for a first time violation that was unintentional and did not hinder the Labor Commissioner's ability to monitor and enforce compliance with the requirements of this chapter.

(3) A higher tiered public works contractor or subcontractor shall not be liable for penalties assessed pursuant to paragraph (1) if the lower tier subcontractor's performance is in violation of the requirements of Section 1725.5 due to the revocation of a previously approved registration.

(4) A subcontractor shall not be liable for any penalties assessed against a

higher tiered public works contractor or subcontractor pursuant to paragraph (1). A higher tiered public works contractor or subcontractor may not require a lower tiered subcontractor to indemnify or otherwise be liable for any penalties pursuant to paragraph (1).

(i) The Labor Commissioner or his or her designee shall issue a civil wage and penalty assessment, in accordance with the provisions of Section 1741, upon determination of penalties pursuant to subdivision (g) and subparagraph (B) of paragraph (1) of subdivision (h). Review of a civil wage and penalty assessment issued under this subdivision may be requested in accordance with the provisions of Section 1742. The regulations of the Director of Industrial Relations, which govern proceedings for review of civil wage and penalty assessments and the withholding of contract payments under Article 1 (commencing with Section 1720) and Article 2 (commencing with Section 1770), shall apply.

(j)(1) Where a contractor or subcontractor engages in the performance of any public work contract without having been registered in violation of the requirements of Section 1725.5 or this section, the Labor Commissioner shall issue and serve a stop order prohibiting the use of the unregistered contractor or the unregistered subcontractor on all public works until the unregistered contractor or unregistered subcontractor is registered. The stop order shall not apply to work by registered contractors or subcontractors on the public work.

(2) A stop order may be personally served upon the contractor or subcontractor by either of the following methods:

(A) Manual delivery of the order to the contractor or subcontractor personally.

(B) Leaving signed copies of the order with the person who is apparently in charge at the site of the public work and by thereafter mailing copies of the order by first class mail, postage prepaid to the contractor or subcontractor at the address on file with either of the following:

(i) The Contractors' State License Board.

(ii) The Secretary of State.

(3) The stop order shall be effective immediately upon service and shall be subject to appeal by the party contracting with the unregistered contractor or subcontractor, by the unregistered contractor or subcontractor, or both. The appeal, hearing, and any further review of the hearing decision shall be governed by the procedures, time limits, and other requirements specified in subdivision (a) of Section 238.1.

(k) Failure of a contractor or subcontractor, owner, director, officer, or managing agent of the contractor or subcontractor to observe a stop order issued and served upon him or her pursuant to subdivision (j) is guilty of a misdemeanor punishable by imprisonment in county jail not exceeding 60 days or by a fine not exceeding ten thousand dollars (\$10,000), or both.

(l) This section shall apply to any bid proposal submitted on or after March 1, 2015, and any contract for public work entered into on or after April 1, 2015. This

section shall also apply to the performance of any public work, as defined in this chapter, on or after January 1, 2018, regardless of when the contract for public work was entered.

(m) Penalties received pursuant to this section shall be deposited in the State Public Works Enforcement Fund established by Section 1771.3 and shall be used only for the purposes specified in that section.

(n) This section shall not apply to work performed on a public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction, alteration, demolition, installation, or repair work or to work performed on a public works project of fifteen thousand dollars (\$15,000) or less when the project is for maintenance work."

9. Labor Code section 1771.4 states the following:

"a) All of the following are applicable to all public works projects that are otherwise subject to the requirements of this chapter:

(1) The call for bids and contract documents shall specify that the project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

(2) The awarding body shall post or require the prime contractor to post job site notices, as prescribed by regulation.

(3) Each contractor and subcontractor shall furnish the records specified in Section 1776 directly to the Labor Commissioner, in the following manner:

(A) At least monthly or more frequently if specified in the contract with the awarding body.

(B) In a format prescribed by the Labor Commissioner.

(4) If the contractor or subcontractor is not registered pursuant to Section 1725.5 and is performing work on a project for which registration is not required because of subdivision (f) of Section 1725.5, the unregistered contractor or subcontractor is not required to furnish the records specified in Section 1776 directly to the Labor Commissioner but shall retain the records specified in Section 1776 for at least three years after completion of the work.

(5) The department shall undertake those activities it deems necessary to monitor and enforce compliance with prevailing wage requirements.

(b) The Labor Commissioner may exempt a public works project from compliance with all or part of the requirements of subdivision (a) if either of the following occurs:

(1) The awarding body has enforced an approved labor compliance program, as defined in Section 1771.5, on all public works projects under its authority, except those deemed exempt pursuant to subdivision (a) of Section 1771.5, continuously since December 31, 2011.

(2) The awarding body has entered into a collective bargaining agreement that binds all contractors performing work on the project and that includes a mechanism for resolving disputes about the payment of wages.

(c) The requirements of paragraph (1) of subdivision (a) shall only apply to contracts for public works projects awarded on or after January 1, 2015.

(d) The requirements of paragraph (3) of subdivision (a) shall apply to all contracts for public work, whether new or ongoing, on or after January 1, 2016."

- K. As required by Labor Code section 1775(b)(1) the following Labor Code section are included in the General Conditions, and any revisions to the Labor Code sections hereinafter made are also incorporated:

Labor Code section 1771 - Except for public works projects of one thousand dollars (\$1,000) or less, not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work fixed as provided in this chapter, shall be paid to all workers employed on public works.

This section is applicable only to work performed under contract, and is not applicable to work carried out by a public agency with its own forces. This section is applicable to contracts let for maintenance work.

Labor Code section 1775 - (a)(1) The contractor and any subcontractor under the contract shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit not more than two hundred dollars (\$200) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rates as determined by the director for the work or craft in which the worker is employed for any public work done under the contract by the contractor or, except as provided in subdivision (b), by any subcontractor under the contractor.

(2)(A) The amount of the penalty shall be determined by the Labor Commissioner based on consideration of both of the following:

(i) Whether the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) Whether the contractor or subcontractor has a prior record of failing to meet its prevailing wage obligations.

(B)(i) The penalty may not be less than forty dollars (\$40) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, unless the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) The penalty may not be less than eighty dollars (\$80) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed penalties within the previous three years for failing to meet its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.

(iii) The penalty may not be less than one hundred twenty dollars (\$120) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the Labor Commissioner determines that the violation was willful, as defined in [subdivision \(c\) of Section 1777.1](#).

(C) If the amount due under this section is collected from the contractor or subcontractor, any outstanding wage claim under Chapter 1 (commencing with [Section 1720](#)) of Part 7 of Division 2 against that contractor or subcontractor shall be satisfied before applying that amount to the penalty imposed on that contractor or subcontractor pursuant to this section.

(D) The determination of the Labor Commissioner as to the amount of the penalty shall be reviewable only for abuse of discretion.

(E) The difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the contractor or subcontractor, and the body awarding the contract shall cause to be inserted in the contract a stipulation that this section will be complied with.

(b) If a worker employed by a subcontractor on a public works project is not paid the general prevailing rate of per diem wages by the subcontractor, the prime contractor of the project is not liable for any penalties under subdivision (a) unless the prime contractor had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime contractor fails to comply with all of the following requirements:

(1) The contract executed between the contractor and the subcontractor for the performance of work on the public works project shall include a copy of the provisions of this section and [Sections 1771, 1776, 1777.5, 1813, and 1815](#).

(2) The contractor shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees, by periodic review of the certified payroll records of the subcontractor.

(3) Upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages, the contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

(4) Prior to making final payment to the subcontractor for work performed on the public works project, the contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general prevailing rate of per diem wages to his or her employees on the public works project and any amounts due pursuant to [Section 1813](#).

(c) The Division of Labor Standards Enforcement shall notify the contractor on a public works project within 15 days of the receipt by the Division of Labor Standards Enforcement of a complaint of the failure of a subcontractor on that public works project to pay workers the general prevailing rate of per diem wages.

Labor Code section 1776 - (a) Each contractor and subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

(1) The information contained in the payroll record is true and correct.

(2) The employer has complied with the requirements of [Sections 1771](#), [1811](#), and [1815](#) for any work performed by his or her employees on the public works project.

(b) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of the contractor on the following basis:

(1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or his or her authorized representative on request.

(2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of the body awarding the contract, the Division of Labor Standards Enforcement, and the Division of Apprenticeship Standards of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or for copies thereof. However, a request by the public shall be made through either the body awarding the contract, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph (2), the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the contractor, subcontractors, and the entity through which the request was made. The public may not be given access to the records at the principal office of the contractor.

(c) The certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division. The payroll records may consist of printouts of payroll data that are maintained as computer records, if the printouts contain the same information as the forms provided by the division and the printouts are verified in the manner specified in subdivision (a).

(d) A contractor or subcontractor shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within 10

days after receipt of a written request.

(e) Except as provided in subdivision (f), any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the awarding body, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement shall be marked or obliterated to prevent disclosure of an individual's name, address, and social security number. The name and address of the contractor awarded the contract or the subcontractor performing the contract shall not be marked or obliterated. Any copy of records made available for inspection by, or furnished to, a multiemployer Taft-Hartley trust fund ([29 U.S.C. Sec. 186\(c\)\(5\)](#)) that requests the records for the purposes of allocating contributions to participants shall be marked or obliterated only to prevent disclosure of an individual's full social security number, but shall provide the last four digits of the social security number. Any copy of records made available for inspection by, or furnished to, a joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a) shall be marked or obliterated only to prevent disclosure of an individual's social security number.

(f)(1) Notwithstanding any other provision of law, agencies that are included in the Joint Enforcement Strike Force on the Underground Economy established pursuant to [Section 329 of the Unemployment Insurance Code](#) and other law enforcement agencies investigating violations of law shall, upon request, be provided nonredacted copies of certified payroll records. Any copies of records or certified payroll made available for inspection and furnished upon request to the public by an agency included in the Joint Enforcement Strike Force on the Underground Economy or to a law enforcement agency investigating a violation of law shall be marked or redacted to prevent disclosure of an individual's name, address, and social security number.

(2) An employer shall not be liable for damages in a civil action for any reasonable act or omission taken in good faith in compliance with this subdivision.

(g) The contractor shall inform the body awarding the contract of the location of the records enumerated under subdivision (a), including the street address, city, and county, and shall, within five working days, provide a notice of a change of location and address.

(h) The contractor or subcontractor has 10 days in which to comply subsequent to receipt of a written notice requesting the records enumerated in subdivision (a). In the event that the contractor or subcontractor fails to comply within the 10-day period, he or she shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit one hundred dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Apprenticeship Standards or

the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. A contractor is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

(i) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section.

(j) The director shall adopt rules consistent with the California Public Records Act (Chapter 3.5 (commencing with [Section 6250](#)) of Division 7 of Title 1 of the [Government Code](#)) and the Information Practices Act of 1977 (Title 1.8 (commencing with [Section 1798](#)) of Part 4 of Division 3 of the Civil Code) governing the release of these records, including the establishment of reasonable fees to be charged for reproducing copies of records required by this section.

Labor Code section 1777.5 - (a) Nothing in this chapter shall prevent the employment of properly registered apprentices upon public works.

(b) Every apprentice employed upon public works shall be paid the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of the craft or trade to which he or she is registered.

(c) Only apprentices, as defined in [Section 3077](#), who are in training under apprenticeship standards that have been approved by the Chief of the Division of Apprenticeship Standards and who are parties to written apprentice agreements under Chapter 4 (commencing with [Section 3070](#)) of Division 3 are eligible to be employed at the apprentice wage rate on public works. The employment and training of each apprentice shall be in accordance with either of the following:

(1) The apprenticeship standards and apprentice agreements under which he or she is training.

(2) The rules and regulations of the California Apprenticeship Council.

(d) When the contractor to whom the contract is awarded by the state or any political subdivision, in performing any of the work under the contract, employs workers in any apprenticeable craft or trade, the contractor shall employ apprentices in at least the ratio set forth in this section and may apply to any apprenticeship program in the craft or trade that can provide apprentices to the site of the public work for a certificate approving the contractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, the decision of the apprenticeship program to approve or deny a certificate shall be subject to review by the Administrator of Apprenticeship. The apprenticeship program or programs, upon approving the contractor, shall arrange for the dispatch of apprentices to the contractor. A contractor covered by an apprenticeship program's standards shall not be required to submit any additional application in order to include additional public works contracts under that program. "Apprenticeable craft or trade," as used in

this section, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the California Apprenticeship Council. As used in this section, "contractor" includes any subcontractor under a contractor who performs any public works not excluded by subdivision (o).

(e) Prior to commencing work on a contract for public works, every contractor shall submit contract award information to an applicable apprenticeship program that can supply apprentices to the site of the public work. The information submitted shall include an estimate of journeyman hours to be performed under the contract, the number of apprentices proposed to be employed, and the approximate dates the apprentices would be employed. A copy of this information shall also be submitted to the awarding body if requested by the awarding body. Within 60 days after concluding work on the contract, each contractor and subcontractor shall submit to the awarding body, if requested, and to the apprenticeship program a verified statement of the journeyman and apprentice hours performed on the contract. The information under this subdivision shall be public. The apprenticeship programs shall retain this information for 12 months.

(f) The apprenticeship program that can supply apprentices to the area of the site of the public work shall ensure equal employment and affirmative action in apprenticeship for women and minorities.

(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the apprenticeship program operates where the contractor agrees to be bound by those standards, but, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. Where an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Chief of the Division of Apprenticeship Standards, upon application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification.

(i) A contractor covered by this section that has agreed to be covered by an apprenticeship program's standards upon the issuance of the approval certificate, or that has been previously approved for an apprenticeship program in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeymen stipulated in the applicable apprenticeship standards, but in no event less than the 1-to-5 ratio required by subdivision (g).

(j) Upon proper showing by a contractor that he or she employs apprentices in a particular craft or trade in the state on all of his or her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by journeymen, the Chief of the Division of Apprenticeship Standards may grant a certificate exempting the contractor from the 1-to-5 hourly ratio, as set forth in this section for that craft or trade.

(k) An apprenticeship program has the discretion to grant to a participating contractor or contractor association a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the contractor from the 1-to-5 ratio set forth in this section when it finds that any one of the following conditions is met:

(1) Unemployment for the previous three-month period in the area exceeds an average of 15 percent.

(2) The number of apprentices in training in the area exceeds a ratio of 1 to 5.

(3) There is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis.

(4) Assignment of an apprentice to any work performed under a public works contract would create a condition that would jeopardize his or her life or the life, safety, or property of fellow employees or the public at large, or the specific task to which the apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

(l) When an exemption is granted pursuant to subdivision (k) to an organization that represents contractors in a specific trade from the 1-to-5 ratio on a local or statewide basis, the member contractors shall not be required to submit individual applications for approval to local joint apprenticeship committees, if they are already covered by the local apprenticeship standards.

(m)(1) A contractor to whom a contract is awarded, who, in performing any of the work under the contract, employs journeymen or apprentices in any apprenticeable craft or trade shall contribute to the California Apprenticeship Council the same amount that the director determines is the prevailing amount of apprenticeship training contributions in the area of the public works site. A contractor may take as a credit for payments to the council any amounts paid by the contractor to an approved apprenticeship program that can supply apprentices to the site of the public works project. The contractor may add the amount of the contributions in computing his or her bid for the contract.

(2) At the conclusion of the 2002-03 fiscal year and each fiscal year thereafter, the California Apprenticeship Council shall distribute training contributions received by the council under this subdivision, less the expenses of the Division of Apprenticeship Standards for administering this subdivision, by making grants to approved apprenticeship programs for the purpose of training apprentices. The funds shall be distributed as follows:

(A) If there is an approved multiemployer apprenticeship program serving the same craft or trade and geographic area for which the training contributions were

made to the council, a grant to that program shall be made.

(B) If there are two or more approved multiemployer apprenticeship programs serving the same craft or trade and geographic area for which the training contributions were made to the council, the grant shall be divided among those programs based on the number of apprentices registered in each program.

(C) All training contributions not distributed under subparagraphs (A) and (B) shall be used to defray the future expenses of the Department of Industrial Relations for the administration and enforcement of apprenticeship standards and requirements under this code.

(3) All training contributions received pursuant to this subdivision shall be deposited in the Apprenticeship Training Contribution Fund, which is hereby created in the State Treasury. Upon appropriation by the Legislature, all money in the Apprenticeship Training Contribution Fund shall be used for the purpose of carrying out this subdivision and to pay the expenses of the Department of Industrial Relations.

(n) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section. The stipulations shall fix the responsibility of compliance with this section for all apprenticeable occupations with the prime contractor.

(o) This section does not apply to contracts of general contractors or to contracts of specialty contractors not bidding for work through a general or prime contractor when the contracts of general contractors or those specialty contractors involve less than thirty thousand dollars (\$30,000).

(p) An awarding body that implements an approved labor compliance program in accordance with subdivision (b) of Section 1771.5 may, with the approval of the director, assist in the enforcement of this section under the terms and conditions prescribed by the director.

Labor Code Section 1813 - The contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit twenty-five dollars (\$25) for each worker employed in the execution of the contract by the respective contractor or subcontractor for each calendar day during which the worker is required or permitted to work more than 8 hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of this article. In awarding any contract for public work, the awarding body shall cause to be inserted in the contract a stipulation to this effect. The awarding body shall take cognizance of all violations of this article committed in the course of the execution of the contract, and shall report them to the Division of Labor Standards Enforcement.

Labor Code Section 1815 - Notwithstanding the provisions of [Sections 1810 to 1814](#), inclusive, of this code, and notwithstanding any stipulation inserted in any contract pursuant to the requirements of said sections, work performed by employees of contractors in excess of 8 hours per day, and 40 hours during any one week, shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 1/2 times the basic rate of

pay.

**29. WORKER/WORKER CERTIFICATION**

Only workers skilled in the various trades required under this contract agree to be employed upon the Work. Any mechanic or laborer employed upon the Work, who in the opinion of the County, is non-cooperative or who shall prove careless or incompetent, agrees to be immediately removed from the Work by the Contractor, when notified to do so, and shall not be re-employed upon the Work.

**30. HOURS OF WORK**

Work in excess of eight hours per day will be permitted by employees of this Contractor, under this contract, only if section 1815 of the Labor Code of California is complied with by this Contractor.

**31. SATURDAY, SUNDAY, HOLIDAY AND OVERTIME WORK**

- A. No work shall be done on Saturdays, Sundays or holidays recognized by the County government and no work shall be performed outside of Normal Working Hours without the consent of the County, unless required under the Job Order. In any event, all Work shall be subject to approval of the County. Prior to the start of such Work, the Contractor agrees to arrange with the County for the continuous or periodical inspection of the Work and tests of materials, when necessary. If requests are made by Contractors for permission to work overtime, nights, Saturdays, Sundays or holidays, and such requests are granted, the Contractor agrees to bear all extra expense to the County for inspection and other incidental expenses caused by such overtime work. If Contractor is requested, in the interest of the County, to work overtime by the County; or if overtime work is specifically required by the Job Order, all extra expense of inspection will be paid by the County. Should the Contractor find it necessary in order to complete the Work according to schedule to perform certain of Contractor's operations on Saturdays, Sundays, holidays or overtime, these operations agree to be performed as part of the Work included in the contract price and shall not constitute a basis for additional payments. Refer to above paragraph for the obligations for the Contractor to assume the cost of inspections.
- B. The County reserves the right to order in writing Work outside of Normal Working Hours to avoid inconvenience of occupants of existing facilities or to perform special operations that in the judgment of the County best serve the intent of the Contract Documents and the orderly prosecution of the Work. If the County elects to order Work outside of Normal Working Hours, the Contractor agrees to make all arrangements to supply an adequate work force for the task to be accomplished and will be compensated by utilizing the other than normal factor, where applicable.

**32. PREVAILING WAGE SCALE**

- A. The Contractor agrees to comply with all provisions of the Labor Code of the

State of California. However, if any Job Order will be paid for using Federal funds (Federally Assisted), then Federal labor standards, including the Davis-Bacon requirements, will be enforced, in addition to the State Labor code requirements.

- B. Under the provisions of said Labor Code, the California Department of Industrial Relations will ascertain the prevailing hourly rate in dollars and details pertinent thereto for each craft, classification or type of workers or mechanic needed to execute any contract which may be awarded by the awarding entity. If Federally Assisted then the U. S. Department of Labor will ascertain the prevailing hourly rate. When the State Labor Code prevailing wage and the Federal Wage Determinations (Davis-Bacon Act) are applicable due to federal funding involvement, the higher of the two wage rates per each work classification will prevail.
- C. Particulars of the current prevailing wage scale, which are applicable to the Work contemplated under these specifications, are filed with the County and the Department and must be posted at the project site by the Contractor.

### **33. EMPLOYMENT OF INDENTURED APPRENTICES**

- A. Contractor agrees to comply with sections 1777.1, 1777.5 and 1777.7 of the Labor Code, State of California.
- B. All Contractors agree to employ registered apprentices at a ratio in accordance with section 1777.5. Contractor agrees to be responsible for the compliance of all Subcontractors.
- C. Contractor and Subcontractors agree to keep an accurate record showing the name of the craft and wage rate of each apprentice and journeyman employed by each entity. Subcontractor agrees to provide, weekly, such records to the Contractor. Records shall be made available to the division of apprenticeship standards and the County, for the purpose of determining compliance. Failure to comply may result in withholding payments and other penalties as provided in Labor Code.

### **34. SAN BERNARDINO COUNTY SECURITY POLICY**

Contractor is advised that failure to fully comply with the security requirements of the contract shall result in the termination of the contract for default. The determination if the Contractor will be required to implement the following security procedures will be determined by County for each specific Job Order and will be directed by the County. This requirement will be defined as part of the Detailed Scope of Work.

#### **A. SECURITY**

- 1. All persons performing duties under the Contract shall be acceptable to the County. This shall include all employees of Contractor, all Subcontractors of Contractor, and all others who might have access to County facilities without the supervision of a County employee. This

includes all Contractor employees, Subcontractor employees, and may include suppliers and vendors or anyone else Contract retains to perform Work. All costs are the responsibility of the Contractor. All time required to comply shall be reflected on the schedule for each individual project.

2. Acceptability shall be determined by:
  - a. Background investigation.
  - b. The County's previous experience with the individual (if applicable).
3. Only those individuals, who have been determined acceptable by the County, have received their County issued Identification (ID) cards and who have been designated on the Contract as the individuals who shall be providing service to the facility shall be allowed to work in County facilities. Individuals no longer working for Contractor shall return ID Cards to the County upon separation.
4. Those individuals who fail a background investigation shall not be allowed to work in any County facility.
5. The misuse of any County issued ID cards, access control cards, keys, or alarm codes by Contractor or any of the employees of Contractor shall be considered as failure to fully comply with the security requirements of this contract and shall be considered grounds for termination of the contract.

#### B. BACKGROUND INVESTIGATION

1. All individuals required by County to undergo a County conducted background investigation shall not be authorized access to any County facility prior to the individual passing the background investigation.
2. Contractor shall submit a complete background investigation package for each employee, including Subcontractors, who will require access to County facilities. They shall provide the following for each person requiring a background investigation:
  - a. A completed Authority to Release Personal Information form or other forms as required by the County.
  - b. A check in the amount of \$58.00 payable to the San Bernardino County. The cost of the background investigation is currently \$58.00, and is required by the Department of Justice. Submit the completed package to the Division or as otherwise directed by the Division.

#### C. INCOMPLETE PACKAGES WILL NOT BE ACCEPTED.

1. Fees are determined by the County and the State of California and are subject to change at any time. Contractor will be responsible for any increase in fees.
2. Disqualifying information includes, but is not limited to the following:
  - Character / Moral Turpitude Violations
  - Theft / Related Offenses
  - Affiliation with Criminal Elements
  - Felony Convictions
  - Current (Pending) Criminal Cases
  - Active Arrest Warrants
  - CORI = Criminal Offender Record Information
  - CLETS = California Law Enforcement Telecommunication Systems
  - Any information that would prohibit a Contractor employee access to CLETS and/or CORI as outlined by the California Department of Justice. The County shall be notified if there is any criminal activity during employment. Any disqualifying activity by an employee or Subcontractor of Contractor shall deem that individual unacceptable and removed from employment. If the disqualifying activity is by Contractor, the contract will be terminated.

### **35. SUBMISSION EQUAL EMPLOYMENT OPPORTUNITY DOCUMENTS**

Contractor agrees to fully comply with the laws and programs (including regulations issued pursuant thereto) which are listed following this paragraph. Such compliance is required to the extent such laws, programs and their regulations are, by their own terms, applicable to this Contract. Contractor warrants that he will make himself thoroughly familiar with the applicable provisions of said laws, programs and regulations prior to commencing performance of the Contract. Copies of said laws, programs and regulations are available upon request from the San Bernardino County Human Resources Department at 157 West Fifth Street, First Floor, San Bernardino, California 92415. To the extent applicable, the provisions of said laws, programs and regulations are deemed to be a part of this Contract as if fully set forth herein.

- A. Vietnam Era Veterans' Readjustment Assistance Acts of 1972 and 1974, as amended. Pub. L.92-540, Title V, Sec. 503(a), Pub. L.93-508, Title IV, Sec. 402. (38 USCA 2011-2013).
- B. Rehabilitation Act of 1973, as amended (Handicapped) Pub. L.93-112, as amended (29 USCA 701-794).

- C. California Fair Employment Practice Act. Labor Code Secs. 1410 et seq.
- D. Civil Rights Act of 1964, as amended (42 USCA 2000a to 2000H-6) and Executive Order No. 11246, September 24, 1965, as amended.
- E. Equal Opportunity Clause

In addition, during the performance of this Contract, the Contractor agrees to comply with Executive Order 11246 of September 24, 1965, as amended, and Title VII of the Civil Rights Act of 1964, and is applicable pursuant to 41 CFR Section 60-1.4, as quoted in the "Construction Contract Labor Compliance Provisions (Attachment D)" and "Labor Compliance Contract Addendum" Compliance Guidelines For Construction Contractors", (elsewhere in these specifications).

- F. Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era

This clause is inserted pursuant to Executive Order 11701 of January 24, 1973, and the Vietnam Era Veterans Readjustment Assistance Acts of 1972 and 1974 (P.L. 92-540, 93-508), and is applicable pursuant to 41 CFR Sec. 60-250. (Wording appears in the "Contract Compliance Guidelines For Construction Contractor", elsewhere in these specifications.)

- G. Affirmative Action for Handicapped Workers

This clause is inserted pursuant to the Rehabilitation Act of 1973 (P.L. 93-112) and 41CFR Sec. 60-741.4.

1. The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
2. The Contractor agrees to comply with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.
3. In the event of the Contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.
4. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be

prescribed by the Manager, provided by or through the Contracting Officer. Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.

5. The Contractors will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of Section 503 of the Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.
  6. The Contractor will include the provisions of this clause in every subcontract or purchase order of \$2,500 or more unless exempted by rules, regulations or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor or vender. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.
- H. Executive Order 11588 - The Contractor shall comply with the provisions of Executive Order 11588 issued March 29, 1971, and any other executive order, statute or regulation regarding the stabilization of wages and prices in the construction industry.
- I. Executive Order 11246 - The Contractor certifies that he will fully comply with Executive Order 11246, as amended by Executive Order 11375, and the rules and regulations issued thereunder, which are hereby incorporated by reference as appropriate. The Contractor commits himself to such compliance by submitting a properly signed bid or offer or by signing or otherwise accepting a contract or subcontract.
- J. The Contractor agrees to secure from each listed Subcontractor and file, with the County, each of the following supplied certificates, forms and reports according to the instructions furnished for each and at the time shown below for each:
1. Upon notification to proceed for an individual Job Order:
    - a. Certificate of non-segregated facilities (subcontracts under \$10,000 excluded).
    - b. Certificate with regard to the performance of previous contracts or subcontracts subject to the equal opportunity clause and the filing of required reports (contracts/subcontracts under \$10,000 excluded).
    - c. Statement of workforce needs.

- d. Notice of equal employment opportunity.
2. Within ten (10) Days of award of any subcontracts over \$10,000:
  - a. Contractor's notification of subcontracts awarded.
3. Prior to commencement of construction:
  - a. Notice of equal employment opportunity (subcontracts under \$10,000 excepted).
  - b. Certification for applicable fringe benefits payments.
  - c. Federal lobbying certification (subcontracts under \$10,000 excepted).
  - d. Contractor's notice of Section 3 commitment as stated in 24 CFR 135.1 et seq. (contracts under \$100,000 excepted).
4. During the construction period:
  - a. Contractor's list of Federal and non-Federal work in bid condition area (San Bernardino County). (Subcontracts under \$10,000 excepted.)
  - b. Certificate of understanding and authorization (required when Statement of compliance is signed by a designated person).
5. Upon hiring or contracting with a Section 3 resident or business firm (contracts under \$100,000 excepted):
  - a. Section 3 resident certification
  - b. Section 3 business certification
6. Upon Completion of construction (contracts under \$100,000 excepted):
  - a. Section 3 compliance report

K. The Contractor agrees to have posted at the construction site prior to and during construction the following:

1. Equal employment opportunity poster
2. Labor poster
3. Department of Labor wage decision

### 36. FEDERAL EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS

Contractor agrees to comply with the provisions of Executive Orders, 11246, 11375, 11625, 12138, 12432, 12250, 13672, Title VII of the Civil Rights Act of 1964, the California Fair Employment Practice Act, and other applicable Federal, State, and County laws, regulations and policies relating to equal employment and contracting opportunities, including laws and regulations hereafter enacted.

All Contractors and Subcontractors whose contracts are in excess of \$10,000 must comply with Executive Order 1246 of September 24, 1965 entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967 and as supplemented in Department of Labor Regulations (41 CFR part 60).

A. Equal opportunity clause. During the performance of this contract, the Contractor agrees as follows:

1. The Contractor shall not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, sexual orientation, age, or military and veteran status. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, sexual orientation, age, or military and veteran status. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
3. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

5. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
7. The Contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a mean of enforcing such provisions, including sanction for noncompliance: Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

B. Notice of requirement for affirmative action to ensure equal employment opportunity (Executive Order 11246).

1. The offeror's or bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.
2. The goals and timetables for minority and female participation, expressed in percentage terms for, the Contractor's aggregate work force in each trade on all work in the covered area, are as follows:

| <u>Timetables</u> | <u>Goals for minority participation in each trade</u> | <u>Goals for female participation in each trade</u> |
|-------------------|---|---|
| May 2009          | 19.0 %  | 6.9%  |

These goals are applicable to all the Contractor's work (whether or not it is Federal or federally assisted) performed in the covered area. If the

contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the Work is actually performed. With regard to this second area, the Contract also is subject to the goals for both its federally involved and nonfederally involved construction.

The Contractor's compliance with the Executive Order and the regulation in 41 CFR part 60 - 4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60 - 4.3(a), and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor agrees to make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR part 60 - 4. Compliance with the goal will be measured against the total work hours performed.

3. The Contractor agrees to provide written notification to the Director of the Office of Federal Contract Compliance Programs within 10 working days of award of any subcontract in excess of \$10,000 at any tier for work under the contract resulting from this solicitation. The notification shall list the name, address and telephone number of the Subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract and the geographical area in which the contract is to be performed.
4. As used in this notice, and in the contract resulting from this solicitation, the "Covered Area" is the geographical area which comprises San Bernardino County, State of California.

C. Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246).

1. As used in these specifications:
  - a. "Covered Area" means the geographical area described in the solicitation from which this contract resulted;
  - b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor or any person to whom the Director delegates authority;
  - c. "Employer identification number" means the Federal social security number used on the employer's quarterly Federal tax return, U.S. Treasury Department form 941.

d. "Minority" includes:

- i. Black (all persons having origins in any of the black African racial groups not of Hispanic origin);
- ii. Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish culture or origin, regardless of race);
- iii. Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
- iv. American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification);

2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitation from which this contract resulted.

3. If the Contractor is participating (pursuant to 41 CFR 60 -4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the plan. Contractor must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees the overall good faith performance by Other Contractors or Subcontractor toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

4. The Contractor agrees to implement the specific affirmative action standards provided in paragraphs 7 (a) through (p) of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each trade in which it has employees in the covered area. Covered Construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the

minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women agrees to excuse the Contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.
6. In order for the non-working training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made commitment to employ the apprentices and trainee at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.
7. The Contractor agrees to take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor agrees to document these efforts fully, and agrees to implement affirmative action steps at least as extensive as the following:
  - a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
  - b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.
  - c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect

to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this agrees to be documented in the file with the reason therefore, along with whatever additional actions the Contractor may have taken.

- d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.
- e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs, apprenticeship and trainee programs relevant to the Contractor's employment needs especially those programs funded or approved by the Department of Labor. The Contractor agrees to provide notice of these programs to the sources compiled under 7b above.
- f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on a bulletin board; accessible to all employees at each location where work is performed.
- g. Review, at least annually, the company's EEO policy and affirmative action obligation under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

- i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment sources, the Contractor agrees to send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.
- j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.
- k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR part 60 -3.
- l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
- m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.
- n. Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
- o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.
- p. Conduct a review, at least annually, of all supervisors' adherence to and performance under the Contractor's EEO policies and affirmative action obligations.
8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar groups of which the Contractor is a

member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these specifications provided that the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female force participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation agrees to not be a defense for the Contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).
10. The Contractor agrees to not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.
11. The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.
12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.
13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director agrees to proceed in accordance with 41 CFR 60-4.8.
14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is

being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of change in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

15. Nothing herein provided agrees to be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).
16. The Director, from time to time, agrees to issue goals and timetables for minority and female utilization which agree to be based on appropriate work force, demographic or other relevant data and which agrees to cover construction projects or construction contracts performed in specific geographic areas. The goals, which shall be applicable to each construction trade, shall be published as notices in the Federal register, and shall be inserted by the contracting officers and applicants, as applicable in the notice required by 41 CFR 60-4.2. Covered construction Contractors performing construction work in geographical areas where they do not have Federal or Federally Assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed.
17. Specific EEO requirements. For a Federally Assisted construction contract in excess of \$10,000 the Contractor/Subcontractor agrees to:
  - a. Forward the following EEO certification forms to the contract awarding authority prior to contract award: certification of non-segregated facilities and certification with regard to the performance of previous contracts or subcontracts subject to the equal opportunity clause and the filing of required reports.
  - b. Submit a notification of subcontracts awarded to the Director, Office of Federal Contract Compliance Programs, United States Department of Labor - ESA, 200 Constitution Avenue, NW, Room c3325, Washington, excess of \$10,000, listing the name, address, and telephone number of the Subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.
  - c. Send a notice of the Contractor's commitment to Equal

Employment Opportunity to labor unions, or representatives of workers prior to commencement of construction work.

- d. Display an Equal Employment Opportunity poster in a conspicuous place available to employees and applicants for employment.
  - e. For contracts in excess of \$10,000, bind Subcontractor to the Federal Equal Employment Opportunity requirements by including the provisions of paragraphs a through c, above, in the subcontract.
18. Civil Rights Act of 1964. Under Title VI of the Civil Rights Act of 1964, no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.
19. Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title.
20. Affirmative action compliance requirements:

The following forms and reports are required to be completed by the Contractor and/or Subcontractor according to the instructions furnished for each and at the time shown below for each:

- a. Within ten working days of subcontract award:
  - Contractor's notification of subcontracts awarded
- b. Prior to commencement of Work:
  - Notice of EEO commitment
- c. During the construction period:
  - Monthly employment utilization report (form cc257)

### **37. FAILURE TO COMPLY WITH AFFIRMATIVE ACTION**

In the event the Contractor fails to provide any of the documents required by Articles 35 and 36 of these General Conditions, the County may take any of the following actions:

- A. Impose damages against the Contractor in the amount of two hundred dollars (\$200) for each violation found and determined if the Contractor does not provide

the proper documentation within fourteen (14) calendar Days of notification.

- B. Withhold the release of five percent (5%) retention as indicated in the payments article of these General Conditions.
- C. Provide the Contractor with a failing grade on its contract term, which will be maintained by the County.
- D. Notify the Contractor that its JOC contract has been cancelled, terminated, or suspended because it has failed to comply with affirmative action reporting requirements.
- E. Notify the Contractor that it intends to commence debarment proceedings because the Contractor has failed to comply with affirmative action reporting requirements.

### **38. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT**

Contractor and all Subcontractors of any tier agree to comply with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR part 5) which is incorporated by reference in this contract.

### **39. EECBG FUNDS AND CDH FUNDS**

#### **A. Energy Efficiency and Conservation Block Grant (EECBG)**

If the individual Job Order is funded with Energy Efficiency and Conservation Block Grant fund, the following requirements will be in effect. The determination if the individual Job Order is EECBG funded will be identified in the Detailed Scope of Work for the specific Job Order.

Record Keeping – Contractors must maintain payrolls and basic records and submit certified weekly payrolls. Although use of [Form WH-347](#) is optional, the form will satisfy the requirements of Regulations, Parts 3 and 5 (29 CFR, Subtitle A), as to payrolls submitted in connection with contracts subject to the Davis Bacon and related Acts. Records to be maintained include:

1. Name, address, and social security number of each employee;
2. Each employee's work classification(s);
3. Hourly rate(s) of pay (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof);
4. Daily and weekly numbers of hours worked;
5. Deductions made; and actual wages paid.

Contractor shall submit weekly a copy of the payrolls to the County.

1. The prime contractor is responsible for the submission of the copies of payrolls of all subcontractors.
2. Each payroll shall be submitted with a "Statement of Compliance."
  - a. Payroll contains the required information.
  - b. Each labor and mechanic has been paid the full weekly wages.
  - c. Each labor and mechanic has been paid not less than the applicable wage rates and fringe benefits.
3. The Contractor and Sub-contractors shall make the payroll records available for inspection, copying, or transcription by authorized representatives of the Department of Energy.
  - a. The recipient or sub-recipient shall insert in the contract any or all clauses related to the Davis Bacon and its related acts
4. The contractor shall post in a prominent and accessible place at the project site wage determination (including additional classification and wage rates) and the Davis Bacon poster (WH-1321)

**B. Community Development Block Grant Funds (CDH)**

If the individual Job Order is funded with Community Development Block Grant Funds, then all requirements in the San Bernardino County Community Development and Housing Construction Contract Labor Compliance Provisions (Attachment D) and Labor Compliance Contract Addendum, including but not limited to Federal Labor Standard Provisions (HUD 4010 form), apply and are attached. The determination if the individual Job Order is funded by a Community Development Block Grant will be identified in the Detailed Scope of Work for the specific Job Order.

**40. PAYROLL RECORDS**

The Contractor agrees to comply with the requirements of section 1776 of the Labor Code, State of California, including maintaining payroll records as enumerated in subdivision (a). Contractor and Contractor's Subcontractor of any tier agree to submit to the County a copy of all certified payrolls, indicating that the wage rates are not less than those determined by the California Department of Industrial Relations or Federal prevailing wage rates if applicable, and that the classifications set forth for each laborer or mechanic conform with the work he/she performed. The Contractor agrees to be responsible for the submission of copies of payrolls for all Subcontractor with the submission of payment request.

Certified payroll shall be submitted with each payment request and shall include:

- A. Original document
- B. Company name & address
- C. Account number/project number
- D. Project name & address
- E. Period of time in which work is being performed
- F. Employee name, address and social security number
- G. Work classification, including sub-classification
- H. Hours paid
- I. Rate of pay
- J. Deductions
- K. Payroll check number
- L. Benefits
- M. Signature of employee authorized to certify payroll

#### **41. QUALITY OF WORK AND MATERIAL**

- A. All materials, parts and equipment furnished by the Contractor agree to be new, first quality and free from defects and imperfections. Workmanship shall be in accordance with the best standard practices.
- B. Any item or work installed by the Contractor but not in conformance with the drawings and specifications shall be removed and reinstalled by and at the Contractor's expense upon written request from the County.
- C. If such items or work are not removed or satisfaction obtained by the County within 30 calendar Days of such request, then the County may have such items or work removed and work completed to conform to drawings and specifications at the Contractor's expense.

#### **42. RESPONSIBILITY OF CONTRACTOR AND ITS REPRESENTATIVES**

- A. The Contractor will designate a County approved individual to serve as the primary point of contact for the contract. Contractor shall notify County when the primary contact will be unavailable/out of the office for one (1) or more workdays. The Contractor shall not change the primary contact without written acknowledgement to the County. Contractor or designee must respond to the

County inquiries within two (2) County business days.

- B. The Contractor agrees to give personal attention and supervision to the Work until same is entirely completed. The Contractor must have a senior manager in charge, who is competent to manage and administer the contract, and oversee the progress of the Work. The name of this representative shall be sent by letter to the Division immediately after the awarding of the contract.
- C. The Contractor must have a competent, full-time, on-site Superintendent in charge of overseeing the progress of Work performed on each Job Order under this contract, and who is authorized to receive instructions and to act for the Contractor on all matters related to the Work. This person shall be acceptable to the County and shall have a cell phone at which he or she can be reached at all times. The Contractor agrees to submit the name of its Superintendent in the Proposal for each Job Order. County may suspend the Contractor's work at the jobsite if Contractor's Superintendent is not present during the prosecution of the Work. The Contractor shall also have at all times an Office Manager assigned to this Contract. Additional staff will be provided depending on the volume of work. For each Job Order issued, the Contractor shall identify the Superintendent responsible for that Job Order. The Superintendent shall be reachable 24 hours a day, seven days a week. At all times, the Contractor shall provide one Superintendent for every Job Order.
  - 1. The Contractor shall reimburse the County \$400 per calendar day that a Superintendent is not on site at all times Work is being performed.

#### **43. REPAIRING DAMAGED WORK**

- A. Contractor agrees that all portions of the Work that may be damaged by accident or in the course of or on account of building operations, or by reason of any other cause whatsoever during the progress of the Work, shall be carefully and neatly repaired and turned over to the County ready for use.
- B. Should any part of the Work of this contract be cut into or damaged by Other Contractors, the Contractor and party causing such damage agrees to make adjustments between themselves relative to repairs and payment for same.

#### **44. LIST OF SUBCONTRACTOR AND SUBLETTING WORK**

- A. No part of the Work shall be done as piece work, nor shall it be left to a Subcontractor after the execution of the Notice To Proceed except as provided by law. In case part of the Work should be sublet, these General Conditions shall govern each trade insofar as they may apply to the Work of that trade.
- B. Where more than one Contractor or where Subcontractor are engaged upon the Work, they shall coordinate their efforts (in accordance with these General Conditions regarding Other Contractors, or under the control and guidance of the general Contractor), and agree to be responsible, one to the other, for any damage or injury to the Work.

- C. Contractor agrees to be governed by the provisions of sections 4100 to 4113, inclusive, of the Public Contract Code of the State of California. Contractor agrees to set forth in their Job Order Proposals, on forms provided for same, the name and location of the mill, shop or office of each Subcontractor who agrees to perform the work or labor or render service to the Contractor in or about the Work, and the portion of the Work which agree to be done by each Subcontractor.
- D. No subcontract shall be assigned or transferred except as provided in the above sections of the Public Contract Code of the State of California.
- E. In case any Work is left to a Subcontractor, the Contractor agrees to be at all times responsible for the Work so done to same extent as if the Contractor were doing or had done the Work.
- F. In accordance with Public Contract Code sections 4100 et seq., the Contractor must list all Subcontractors who agree to perform in excess of 1/2 of one percent (1/2%) of the Work on each Job Order Proposal.
- G. The Labor Commissioner may debar from bidding on, or receiving a public works contract, any Contractor or Subcontractor found to have violated public works laws with intent to defraud. No debarred Contractor or Subcontractor may perform work pursuant to this contract. A list of debarred Contractors and Subcontractor is published by the Labor Commissioner. The Contractor is liable for payment of wages due to any employees of debarred Contractor that was permitted to work under this contract.
- H. Without the prior written consent of the County, the contract is not assignable by the Contractor either in whole or in part.

#### **45. ADVERTISING**

No advertising matter shall be attached or painted on surfaces of buildings, fences or canopies, except that names of Contractors and Subcontractor, with their addresses and the designation of their particular branch may be shown on signs of a removable type. Size and location of such signs shall be subject to approval of the County. The Contractor agrees to provide a project identification signboard as specified.

#### **46. COORDINATION WITH OTHERS AND OTHER CONTRACTS**

- A. The County reserves the right to award other contracts for any work on any portion of the project not included in this contract.
- B. Where coordination with Other Contractors is required, the Contractor agrees to make the appropriate provisions in Contractor's CPM schedule for the access to the site by those Contractors, the schedules of work developed by them, and any coordination required between any of those Contractors and between any of them and this Contractor.

- C. The Contractor agrees to perform the Work of the contract so that it will properly coordinate and fit the work performed by Other Contractors. The Contractor agrees to give the Other Contractors every reasonable opportunity to perform their work, store materials and place equipment thereof, and fit Contractor's Work to the work of Other Contractors. The Contractor agrees to furnish to the Other Contractors all information necessary in order that they may properly connect and fit their work to Contractor's in ample time, so that they may have reasonable opportunity to prepare their work therefore. The Contractor agrees to make the Work of this contract ready to receive the work of the Other Contractors at the time fixed thereof, and agrees to fit this Work to that of the Other Contractors at the time fixed therefore.
- D. The Contractor agrees to cooperate with others in the prosecution of all Work and agrees to not interfere with material, equipment or workers of the County or Other Contractors engaged by the County at the site of the Work.
- E. All Contractors engaged in Work at the site, agree to have, insofar as practical, equal use of the premises and facilities. In case of disagreement regarding such use, the matter shall be referred to the County, whose decision relative to said use shall govern.
- F. If any part of the Contractor's Work depends for proper execution or results upon the Work of any Other Contractor, the Contractor agrees to inspect and promptly report to the Director any apparent discrepancies or defects in such work that render it unsuitable for such proper execution and results. Failure of the Contractor to inspect and report shall constitute an acceptance of the Other Contractor's work as fit and proper to receive the Contractor's Work, except as to defects which may develop in the Other Contractor's work after the execution of the Contractor's Work.
- G. Should the Contractor cause damage to the Work or property of any Other Contractor on the project, the Contractor agrees to, upon due notice, settle with such Other Contractor by agreement or arbitration if it will so settle. If such Other Contractor sues the County or initiates an arbitration proceeding on account of any damage alleged to have been so sustained, the County agrees to notify the Contractor who agrees to defend such proceedings at the Contractor's expense, and if any judgment or award against the County arises there from, the Contractor agrees to pay or satisfy it and agrees to reimburse the County for all attorney's fees and court or arbitration costs which the County has incurred.

#### **47. CONTRACTOR'S EQUIPMENT**

The Contractor agrees to furnish and maintain all equipment such as stairs, ramps, runways, scaffolds, hoists, etc., required for the proper execution of the Work. All such equipment and Work shall meet all requirements of all ordinances and laws applicable thereto.

#### **48. CONTRACTOR PERSONNEL**

- A. The Contractor agrees to employ only orderly and competent workers, skillful in the performance of the type of work required under this contract, to do the Work and agrees that whenever the County informs the Contractor in writing that any workers on the site are incompetent or disorderly such worker shall be discharged from the Work and shall not again be employed on the Work without the County's written consent.
- B. The Contractor agrees to give adequate attention to the faithful prosecution and completion of this contract and agrees to keep on the site at all times during project's progress, competent personnel, Superintendent and any necessary assistants to supervise and direct the Work. Grounds for removal of Contractor personnel specifically include (but is not limited to) the failure or refusal of such personnel to adhere to the Contractor's planned work schedule as approved with the Job Order Proposal.
- C. The Contractor's project manager agrees to supervise and direct the Work in accordance with the contract requirements. The Contractor agrees to be responsible for implementation of all construction means, methods, techniques, sequences, and procedures and for coordination of all portions of the Work.
- D. Before starting the Work, the Contractor agrees to designate and submit for County's approval, in writing, the names of the project manager and the Superintendent who will be assigned to the Work, along with their qualifications and experience. A facsimile of the project manager's signature shall be submitted to the County.
- E. The Contractor agrees to notify the County and obtain written approval for any change or reassignment of key personnel.

#### **49. KEY PERSONNEL**

- A. The Contractor agrees to submit the pre-award survey within 24 hours of notification of apparent low bid, which shall contain a project staff organizational chart including the names and resumes of employees in key positions who will work on this contract. All employees in key positions must be approved by the County.
- B. If any key personnel furnished by the Contractor for the project in accordance with the key personnel provisions of this section should be unable to continue in the performance of assigned duties for reasons due to death, disability or termination, the Contractor agrees to promptly notify the County explaining the circumstances. Changes in assignment of key personnel due to commitments not related to this contract are prohibited without County approval. Whenever, in the sole discretion of the County, the Contractor is not providing a sufficient level of supervision and project management, the County will direct the Contractor to increase the level of supervision for any or all projects, including but not limited to the right to direct the Contractor to assign a full time, dedicated Superintendent for any project; submit daily management, inspection, activity, and planning reports; substitute subcontractors; submit daily photographs of the work in place and the work areas prepared for the next day's work; and develop a site specific

quality control program, all at no cost to the County. In the event the County's personnel are required to provide direction or supervision of the work in the field because the Contractor has not provided sufficient supervision, the Contractor shall reimburse the County \$175 per hour for such effort.

- C. On request by the County, the Contractor agrees to furnish to the County within seven (7) Days the name of the person substituting for the individual unable to continue, together with any information the County may require to judge the experience and competence of the substitute person. Upon approval by the County, such substitute person shall be assigned to this contract and if the County rejects the substitute, the Contractor agrees to submit a second substitute person seven (7) Days thereafter. Such process shall be repeated for a reasonable period until the County approves the proposed replacement. After which a reasonable transition time of seven (7) days shall occur.
- D. In the event that, in the opinion of the County, the performance of personnel of the Contractor assigned to this contract is at an unacceptable level, such personnel shall cease to be assigned to this contract and shall return to the Contractor, and the Contractor agrees to furnish to the County, the name of a substitute person or persons in accordance with the previous paragraph. Absence of acceptable key personnel for the Work shall constitute an event of default.

## **50. AUDITS AND RECORDS**

- A. County shall have the absolute right to monitor the performance of Contractor in the delivery of services provided under this contract.
- B. County, State of California, or Federal Government, or any subdivision or appointee for these entities, shall have the absolute right to review and audit all records, books, papers, documents, corporate minutes, and other pertinent items as requested, and shall have absolute right to monitor the performance of Contractor in the delivery of services provided under this contract. Full cooperation shall be given by Contractor in any auditing or monitoring conducted.
- C. Contractor shall cooperate with County in the implementation, monitoring and evaluation of this contract and comply with any and all reporting requirements established by this contract.
- D. All records pertaining to service delivery and all fiscal, statistical and management books and records shall be available for examination and audit by County, Federal and State Representatives for a period of four years after final payment under the contract or until all pending County, State and Federal audits are completed, whichever is later. Records of the Contractor which do not pertain to the services under this contract may be subject to review or audit unless provided in this or another contract. Technical program data shall be retained locally and made available upon the County's reasonable advance written notice or turned over to County. If said records are not made available at the scheduled monitoring visit, Contractor may, at County's option, be required to reimburse County for expenses incurred due to required rescheduling of monitoring

visit(s).

- E. Contractor shall provide all reasonable facilities and assistance for the safety and convenience of County's representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work of the Contractor.
- F. Upon County request, contractor shall hire a licensed certified public accountant, approved by the County, who shall prepare and file with County, within 60 days after the termination of the contract, a certified fiscal audit of related expenditures during the term of the contract and a program compliance audit.
- G. All documents, data, products, graphics, computer programs, and reports prepared by the contractor pursuant to this contract shall be considered property of the County upon payment for services.

#### **51. WARRANTY AND CORRECTIONS TO WORK**

- A. In addition to any other warranties in this contract, the Contractor warrants, except as provided in paragraph (J) of this article, that Work performed under this contract conforms to the contract requirements and is free of any defect in equipment, material, or design furnished, or workmanship performed by the Contractor or any Subcontractor or supplier at any tier.
- B. Corrections to Work may be required during the Work or the warranty period. The County is expressly authorized at County's option to apply any sums withheld from progress payments toward the cost of such corrections.
- C. This warranty shall continue for a period of one year from the date of Substantial Completion of the Work. If the County takes occupancy of any part of the Work before Final Acceptance, a warranty covering that specific portion of the Work shall begin for a period of one year from the date the County takes Substantial Completion. The County will notify the Contractor in writing of the scope of any partial occupancy and the specific items under warranty.
- D. The Contractor agrees to remedy at the Contractor's expense any failure to conform, or any defect. In addition, the Contractor agrees to remedy at the Contractor's expense any damage to County owned or controlled real or personal property, when that damage is the result of:
  - 1. The Contractor's failure to conform to or comply with contract requirements; or
  - 2. Any defect of equipment, material, workmanship, or design furnished.
- E. The Contractor agrees to restore any Work damaged in fulfilling the terms and conditions of this article. The Contractor's warranty with respect to Work repaired or replaced shall run for 1 year from the date of repair or replacement.

- F. The Director agrees to notify the Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage.
- G. If the Contractor fails to remedy any failure, defect, or damage within 10 working days (or immediately in the case of an emergency where delay would cause serious risk of loss or damage) after receipt of notice, the County agrees to have the right to remove, replace, repair, or otherwise remedy the failure, defect, or damage, and all direct and indirect costs of such removal, replacement, repair and correction, including compensation for additional professional services shall be paid by the Contractor.
- H. With respect to all warranties, express or implied, from Subcontractor, manufacturers, or suppliers for work performed and materials furnished under this contract, the Contractor agrees to:
  - 1. Obtain all warranties that would be given in normal commercial practice;
  - 2. Require all warranties to be executed, in writing, for the benefit of the County, if directed by the County; and
  - 3. Enforce all warranties for the benefit of the County, if directed by the County.
- I. In the event the Contractor's warranty under paragraph (C) of this Article has expired, the County may bring suit at County's expense to enforce a Subcontractor's, manufacturer's, or supplier's warranty.
- J. The Contractor agrees to not be liable for the repair of any defects of material or design that is furnished by the County nor for the repair of any damage that results from any defect in County furnished material or design.
- K. This warranty shall not limit the County's rights under other articles of this contract with respect to latent defects, gross mistakes, or fraud.
- L. The terms of this condition do not relieve the Contractor of any legal liability for defects discovered after one year from the date of occupancy. The obligation imposed by this condition shall survive termination of the contract.

## **52. FAILURE TO COMPLETE WORK ON TIME – LIQUIDATED DAMAGES**

- A. Timely Completion of Job Orders issued under this contract is of the essence. Should the Contractor fail to substantially complete the Work specified in the Job Order in accordance with the approved construction schedule, and provided the Contractor has not previously obtained a written extension of Job Order Completion Time from the County according to the General Conditions, at the sole discretion of the County a sum appropriate with the following schedule may be deducted from each succeeding request for payment as liquidated damages on each Job Order if applicable.

#### Schedule for Liquidated Damages

| <u>Job Order Price</u> | <u>Liquidated damages per Day</u> |
|------------------------|-----------------------------------|
| Up to \$100,000        | \$750                             |
| \$100,001 to \$500,000 | \$1,000                           |
| Over \$500,000         | \$1,500                           |

- B. The applicability of liquidated damages shall be clearly noted on the Request for Proposal for each Job Order. No liquidated damages shall apply if not noted on the Request for Proposal.
- C. If the Contractor fails to complete any part of the Work in accordance with the work duration schedule, the County agrees to have the right to complete that part of the Work it deems necessary in order to maintain the work duration schedule. All direct and indirect costs of such Work shall be paid by the Contractor.
- D. Liquidated damages are in addition to the \$400 per calendar day that Contractor shall reimburse the County if a Superintendent is not on site at all times Work is being performed.

#### **53. DISRUPTION OF COUNTY SCHEDULED ACTIVITIES**

The Contractor agrees to not cause any disruption to a County scheduled activity. The Work shall be coordinated with the County and shall be accomplished in accordance with the schedule set forth in Job Orders issued hereunder. Schedule revisions shall be made known to the County on a timely basis, and all extensions of time must be in writing and approved by the County.

#### **54. TRUCKING**

The Contractor agrees to require that all trucks entering or leaving the project sites with loose materials be loaded and covered in a manner that will prevent dropping of materials on streets while in transit. Suitable tarpaulins shall be placed over the loads for materials subject to blowing.

#### **55. TOILET FACILITIES**

Contractor's personnel will normally be permitted to use toilet facilities on premises subject to regulation and control of the County. In the event Work is in a remote area or that toilet facilities are not available, adequate and suitable temporary facilities shall be provided by the Contractor.

#### **56. ELEVATORS**

- A. Any temporary use of existing elevators shall be by arrangement with the County. Such use will be of an intermittent nature. The Contractor agrees to provide and maintain suitable and adequate protection covering for the elevator

machinery, the hatchway entrance, and the interior of elevator during the periods of temporary use. Elevators shall not be loaded in excess of the rated capacity of the elevator.

- B. The County will bear the cost of electrical current for such temporary existing elevator usage. On Completion of the Work, the Contractor agrees to remove the protective coverings together with any resultant dirt and debris.

## **57. UTILITIES**

The County will provide access to utilities, such as electrical, water, sewage, etc., however, the Contractor may be required to pay for these services at current rates. The County will identify service tie-in points but connections to these tie-in points shall be the responsibility of the Contractor. The County will not be liable for any claims for costs associated with temporary outages or unavailability of these utilities.

## **58. REGULATIONS**

The site of the contract Work is on County property, or County leased property, or property where the County has authority to perform the Work, and all rules and regulations issued covering fire, safety, sanitation, severe weather conditions, admission to buildings, conduct of operations, etc., shall be observed by the Contractor, Contractor's employees, and Subcontractors. The regulations include:

- A. Fire prevention: Contractor's and Subcontractor's employees shall be cognizant of, and agree to comply with, all requirements for handling and storing combustible supplies and materials, daily disposal of combustible waste, trash, etc., in accordance with Federal, State and Local requirements, codes and regulations. The Contractor will require employees to become familiar with methods of activating building fire alarms.
- B. Safety: all rules of safety which are or may be imposed upon the Contractor by Federal, State, or Local code or regulation shall be effectively carried out in the performance of the Work set forth herein. Contractor agrees to take proper safety and health precautions to protect the Work, the Contractor's employees, the public and the property of others.
- C. Sanitation: the Contractor is responsible for and agrees to maintain all areas used by the Contractor in performance of the contract in a clean, neat, orderly, sanitary, and safe condition. The premises shall be kept free from accumulation of waste material and rubbish resulting from Work at all times. Combustible materials shall be removed daily.
- D. Conduct: The County reserves the right to refuse access to any Contractor's employee if the County determines it to be in the best interest of the County.

## **59. CONTRACTOR LIABLE AND RESPONSIBLE TO COUNTY**

- A. The Contractor agrees to be held liable by the County for the performance of all

the Work provided for under this contract. These specifications make no attempt to fix the Detailed Scope(s) of Work of the Subcontractor or the responsibility of any such Subcontractor, it being understood that the Contractor agrees to fix the detailed scope of all work and responsibilities of the Subcontractor.

- B. Any disputes which may arise in this connection between the Contractor and any Subcontractor must be settled between the parties concerned. The County will not undertake or be in any way responsible for the settlement of such disputes.

#### **60. ENVIRONMENTAL PROTECTION**

- A. The Contractor agrees to be responsible to protect the environment of work areas as affected by this contract. Contractor agrees to be responsible for the proper disposal of all solid, liquid, and gaseous contaminants and refuse in accordance with all Federal, State, Local requirements, codes and regulations.
- B. All chutes for refuse, and the like shall be covered or of such a design to fully confine the material to prevent the dissemination of dust.

#### **61. PROTECTION OF WORK AND PROPERTY**

- A. The Contractor agrees to continuously maintain adequate protection of all of the Contractor's Work from damage, and agrees to protect the County's property from injury or loss arising in connection with this contract. The Contractor agrees to make good any such damage, injury or loss, except as may be directly due to or caused by agents or employees of the County.
- B. The Contractor agrees to adequately protect adjacent property as provided by law and the Contract Documents.
- C. The Contractor agrees to provide and maintain all passageways, guard fences, lights and other facilities for protection and security required by public authorities or local conditions.
- D. In an emergency affecting the safety of life, of the Work, or of adjoining property of County, the Contractor, without special instructions or authorization from the County, is hereby permitted to act at the Contractor's discretion to prevent such threatened loss or injury.
- E. Any compensation claimed by the Contractor on account of emergency work as set forth in D above shall be determined by agreement of the County and the Contractor.
- F. The Contractor agrees to carefully protect all trees, shrubs, and hedges, not specified as being removed, from injury during Work and pay for damages to same resulting from insufficient or improper protection.
- G. The Contractor agrees to send proper notice, make all necessary arrangements

and perform all other services required for the care, protection and maintenance of all public utilities, including mail boxes, fire plugs, power and telephone poles and wires, and all other items of this character on or around the building site.

- H. Building materials, Contractor's equipment, and other supplies necessary to the Work may be stored on the premises with approval of the County. This shall in no manner relieve the Contractor from full responsibility for such materials.
- I. Where materials are not sold or furnished in packages or containers, the Contractor, when requested by the County, agrees to obtain invoices from the manufacturer or its agents covering such materials showing the name and brand of the materials furnished, which invoices must be furnished to the County.
- J. In the event of accidental damage to or disruption of any of the County's equipment, utilities, or facilities by the Contractor or any of the Subcontractors, or when life or property are endangered, the Contractor agrees to immediately take all necessary steps to replace/repair all pieces/parts of any damaged equipment/materials, make all necessary repairs and restore all services to normal. Further, the Contractor agrees to engage any and all required additional Subcontractors, labor, individuals or other outside services, deemed necessary by the County, to operate on a continuous, "around-the-clock" basis until all restoration is complete. Also, the Contractor agrees to provide and install all required materials and equipment.
- K. All costs involved in making repairs and restoring disrupted services to normal agrees to be borne by the Contractor.

## **62. PROJECT SITE STORAGE**

The Contractor agrees to store all supplies and equipment on Job Order project site(s) so as to preclude mechanical and climatic damage and maintain project sites in a neat and orderly manner at all times.

## **63. SITE PROTECTION**

- A. The Contractor agrees to provide adequate climatic protection for the exposed part of buildings wherever Work under this contract is performed.
- B. The Contractor agrees to cover equipment that is to remain in place within the area of contract operations and protect it against damage or loss. This includes equipment that is removed in the performance of Job Orders where directed for reuse in Work as required by drawings and specifications. Equipment temporarily removed that is in good operating condition at the time of removal shall be protected, cleaned and replaced equal to or better than its condition prior to its removal. Security for equipment or material that is to be reused and is removed for temporary storage at the work site shall be the sole responsibility of the Contractor. If the Contractor considers the equipment to be at risk after removal, arrangements should be made with the County for County storage while

removed. Transportation to and from the County storage site shall be provided for and at the Contractor's risk. The Contractor shall remain responsible for continued suitability for reuse of any equipment so stored by the County.

NOT FOR BID

#### **64. NOISE CONTROL/ABATEMENT**

- A. The Contractor agrees to comply with all applicable Federal, State and Local laws, ordinances, and regulations relative to noise control.
- B. Contractor agrees to comply with all Federal, State, and Local laws, regulations, and standards regarding environmental pollution. All environmental protection matter shall be coordinated through the County.

#### **65. SAFETY AND HEALTH**

This article is applicable to all Work covered by this contract.

##### **A. General:**

- 1. The Contractor agrees to submit a copy of its Injury and Illness Prevention Program (IIPP) and Code of Safe Practices (CSP) documents to the County not later than ten (10) Days from the date of contract execution.
- 2. Applicable publications: the publications listed below form a part of this specification to the extent referenced. The publications are referred to in the text by basic designation only:
  - a. Code of Federal Regulations (CFR);
  - b. OSHA General Industry Safety and Health Standards (29 CFR 1910), Publication v2206; OSHA Construction Industry Standards (29 CFR 1926). One source of these regulations is OSHA Publication 2207, which includes a combination of both parts 1910 and 1926 as they relate to construction safety and health. It is for sale by the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402;
  - c. National emission standards for hazardous air pollutants (40 CFR, Part 61);
  - d. Federal Standard (Fed. Std.); and
  - e. 313 D Material Safety Data Sheets, preparation and the submission thereof.
- 3. In the event of accident(s) of any kind, the Contractor agrees to furnish the County with copies of all accidents reports within 10 Days of the occurrence to the County. Reports shall be sent without delay and at the same time that they are forwarded to any other parties and jurisdictional agencies.

- B. Definition of hazardous materials: refer to hazardous and toxic materials/substances included in subparts H and Z of 29 CFR 1910; and to

others as additionally defined in Fed. Std. 313. Those most commonly encountered include asbestos, polychlorinated biphenyls (PCBs), explosives, lead, radon and radioactive material, but may include others. The most likely products to contain asbestos are spray-on fireproofing, insulation, boiler lagging, and pipe covering.

C. The County reserves the right to halt Work on any project where hazardous materials are suspected to be present. This stoppage will allow for proper testing and the development of a corrective action plan.

D. All persons working with hazardous materials shall be certified for the hazards with which they are working, including the Contractor's Superintendent.

E. Asbestos

1. The Contractor is warned that exposure to airborne asbestos has been associated with four diseases: lung cancer, certain gastrointestinal cancers, pleural or peritoneal mesothelioma and asbestosis. Studies indicate there are significantly increased health dangers to persons exposed to asbestos who smoke, and further, to family members and other persons who become indirectly exposed as a result of the exposed worker bringing asbestos-laden work clothing home to be laundered.

2. The Contractor is advised that friable and/or non-friable asbestos-containing material may be encountered in areas where contract Work is to be performed.

The Contractor must bid for asbestos abatement or take proper precautions for no exposure to asbestos. Proof of asbestos abatement and documentation of asbestos training must be provided to the County. Friable asbestos-containing material means any material that contains more than one percent asbestos by weight that hand pressure can crumble, pulverize or reduce to powder when dry. Non-friable asbestos-containing materials are materials in which asbestos fibers are bound by a matrix material, saturant, impregnant or coating. Non-friable asbestos-containing materials do not normally release airborne asbestos fiber during routine handling and end-use. However, excessive fiber concentrations may be produced during uncontrolled abrading, sanding, drilling, cutting, machining, removal, demolition or other similar activities.

3. Care must be taken to avoid releasing or causing to be released, asbestos fibers into the atmosphere where they may be inhaled or ingested. The Occupational Safety and Health Administration (OSHA) has set standards at 29 CFR 1910.1001 for exposure to airborne concentrations of asbestos, fibers, methods of compliance, medical surveillance, housekeeping procedures, and other measures that must be taken when working with or around asbestos-containing materials. The Environmental Protection Agency (EPA) has established standards at 40 CFR 61.140-156 for the control of asbestos emissions to the environment and the handling and disposal of asbestos wastes.

4. Friable asbestos containing materials are not permitted by current criteria and shall not be used in repair, remodeling or modification projects. Documents for all repair or remodeling projects will be reviewed to ensure that the use of friable asbestos-containing materials is not called for.
5. Maintenance, modification, or demolition activities where exposure to asbestos dust may occur from previously installed friable or non-friable asbestos- containing material will be identified. All precautions, to include proper work practices, medical surveillance, respiratory protection, industrial hygiene, and environmental protection requirements of OSHA (29 CFR 1910.1001), and EPA (40 CFR 61.140-156) as applicable, shall be strictly adhered to.
6. Contractor(s) staff working in designated County facilities known to contain asbestos must complete asbestos awareness training in accordance with CCR Title 8, Section 5208 and 1529. Training shall be consistent with EPA training requirements for local education agency maintenance staff as set forth in Code 40 of Federal Regulations (40 C.F.R. sec. 763.92(a)(1).). Documentation that Contractor(s) employees working under this contract have received such training must be submitted within 30 Days of the contract start date.

F. Petroleum Based Paints, Solvents, and Cleaners

1. The use of sealers, cleaners, paints, etc. containing petroleum distillates is discouraged and/or lead based products is discouraged and are approved only for use in County facilities when no other suitable alternative is available. If approved, workers must be trained on precautionary measures while working with petroleum distillates and/or lead based products.
2. The County will review with the Contractor's representative, a complete list of all sealers, cleaners, paints, etc., that are to be used during the contract.
3. The Contractor will submit a written request for all petroleum based products to be used. The request will indicate the amount to be used, labels of the products to be used, time of day/week when the products will be applied, and how the area will be ventilated.
4. The County must approve all requests and reserves the right to reject any requests to use petroleum based products. If questions exist on the safe use and application of the substance as outlined by the Contractor, an engineering testing lab under contract with the County will be consulted.
5. The County will assess whether or not concurrent air sampling by an engineering testing lab is justified.

6. All County employees on or adjacent to worksite must be aware of the effects of the products the Contractor intends to use, or approved to use. Contractor and County agree to coordinate with building manager/client department manager prior to starting work activity.

G. Contractor responsibility for jobsite safety:

The Contractor agrees to be solely responsible for ensuring that all Work performed under the contract is performed in strict compliance with all applicable Federal, State and Local occupational safety laws and regulations. The Contractor agrees to provide at its expense all safeguards, safety devices and protective equipment, and shall take any and all appropriate action to provide a safe jobsite.

H. Jobsite safety affidavit:

The Contractor is to complete and present, at the pre-construction meeting, a jobsite safety affidavit. In the jobsite safety affidavit the Contractor certifies that it is in compliance with CAL/OSHA regulations. The format of the affidavit is to be developed by the Contractor, and it is to include a description of all potential hazards and the safety mechanisms to be put in place, for the Detailed Scope of Work for each individual Job Order.

I. Project Health and Safety Official:

The Contractor must submit a copy of its Injury and Illness Prevention Program (IIPP) and Code of Safe Practices (CSP) documents not later than ten (10) Days from date of contract execution. For each Job Order, the Contractor shall designate in writing to the County one or more persons who shall act as a Site Health and Safety Official (SHSO) who agrees to be at the job site at all times during which work of any kind is being performed, and who agrees to be thoroughly familiar with the Contractor's Injury and Illness Prevention Program (IIPP) and Code of Safe Practices (CSP). The SHSO shall be available at all times to abate any potential safety hazards, and shall have the authority and responsibility to shut down an operation, if necessary. The SHSO agrees to be identified prior to the start of construction. Failure by the Contractor to provide the required SHSO agrees to be grounds for the County to direct the cessation of all work activities and operations, at no cost to the County, until such time as the Contractor is in compliance.

The SHSO agrees to monitor the Work area environment, perform tests as necessary, provide direction as to the level of protection and corresponding personal protective equipment required, and enforce compliance with the IIPP and CSP.

All costs for furnishing a SHSO, providing or having available trained employees and personal protective equipment, performing monitoring and testing, establishing and following safety procedures and measures, furnishing any required apparatus, and all other costs related to implementing the IIPP and CSP shall be considered as included in the Contractor's Adjustment Factor(s).

**66. COMPLIANCE WITH CLEAN AIR ACT, CLEAN WATER ACT, AND CALIFORNIA STATE WATER RESOURCES CONTROL BOARD.**

- A. Contractor agrees to comply with all applicable standards, orders, or requirements issued under the Clean Air Act of 1970 (including section 306), including all amendments, and all regulations implementing the Clean Air Act.
- B. Contractor agrees to comply with all applicable standards, orders, or requirements issued under the Clean Water Act of 1972 (including section 508), including all amendments, and all regulations implementing the Clean Water Act.
- C. Contractor agrees to comply with all applicable standards, orders, or requirements issued under Environmental Protection Agency regulations.
- D. Contractor agrees to comply with all requirements of the California State Water Resources Control Board, including the statewide General Permit for Discharges of Storm Waters Associated with Construction Sites (See Order No. 2009-0009- DWQ). This includes, but is not limited to, paying all appropriate fees, filing all required documentation, and complying with all the regulations of the State Water Resources Control Board.

**67. TRENCHING AND EXCAVATING**

Any public works contract of a local public entity which involves digging trenches or other excavations that extend deeper than four feet below the surface shall contain a clause which provides the following:

- A. That the Contractor shall promptly, and before the following conditions are disturbed, notify the public entity, in writing, of any:
  - 1. Material that the Contractor believes may be material that is hazardous waste, as defined in Section 25117 of the Health and Safety Code, that is required to be removed to a Class I, Class II, or Class III disposal site in accordance with provisions of existing law.
  - 2. Subsurface or latent physical conditions at the site differing from those indicated.
  - 3. Unknown physical conditions at the site of any unusual nature, different materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the contract.
- B. That the public entity shall promptly investigate the conditions, and if it finds that the conditions do materially so differ, or do involve hazardous waste, and cause a decrease or increase in the Contractor's cost of, or the times required for, performance of any part of the work shall issue a Supplemental Job Order under the procedures described in the contract.

- C. That, in the event that a dispute arises between the public entity and the Contractor whether the conditions materially differ, or involve hazardous waste, or cause a decrease or increase in the Contractor's cost of, or time required for, performance of any part of the work, the Contractor shall not be excused from any scheduled completion date provided for by the contract, but shall proceed with all work to be performed under the contract. The contractor shall retain any and all rights provided either by contract or by law which pertain to the resolution of disputes and protests between the contracting parties.

## **68. ENERGY CONSERVATION**

Contractor and Subcontractors of all tiers agree to comply with all mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (pub. L. 94-163). In addition, the Contractor agrees to;

- A. Use lights only in areas where work is actually being performed.
- B. Turn off faucets, valves, and equipment after required usage has been accomplished.
- C. Not use County telephones for personal reasons nor make any toll or long-distance calls.

## **69. SALVAGE AND SALVAGE DISPOSAL**

- A. The material and equipment which are removed or disconnected and, which the County desires to retain but which are not specified for immediate reuse, shall remain the property of the County. The County representative shall be informed of the presence of the property and disposition instructions shall be requested.
- B. Debris, rubbish, hazardous waste, and non-usable material resulting from the Work under this contract to which the County does not claim a further interest as a result of the preceding paragraph, shall be disposed of by and at the expense of the Contractor at a location off County property. Hazardous wastes must be disposed of in accordance with the Resource Conservation and Recovery Act and State and Local regulations. The contract Adjustment Factor includes the cost of all clean-up, including final cleanup on each individual Job Order.

## **70. SITE PREPARATION AND CLEANUP**

The Contractor agrees to:

- A. Coordinate with the County on a sequence of procedures for gaining access to the premises, space for storage of materials and equipment, work and materials, use of approaches, corridors stairways, and similar features of a structure. This

coordination is required prior to commencement of Work at a time directed by the County.

- B. Move the furniture and portable office equipment in the immediate work area to a designated location prior to start of Work, and replace these items to their original location upon Completion of the Work. The Contractor will be liable for damages incurred while moving furniture and equipment, and be responsible for contacting appropriate agencies for movement of vending machines. If the Work required by the Job Order will not allow furniture and portable office equipment to be replaced to its original positions, the County will be notified and new locations will be designated by the County for replacement of the furniture and equipment by the Contractor.
- C. Work of Contractor personnel, materials and equipment, and accomplishment of Work agrees to be made with a minimum of interference to operations and personnel.
- D. The Work shall, so far as practicable, be done in definite sections or divisions and confined to limited areas. Work shall be completed in the section before Work in other sections or divisions begin.
- E. Perform clean up and site restoration prior to final walk-through inspection. All projects shall be delivered in a clean, orderly and usable condition.

#### **71. ACCESS TO BUILDINGS**

- A. It shall be the Contractor's responsibility, through the County and appropriate building superintendent, to obtain access to buildings and facilities and arrange for the buildings to be opened and closed. It shall be the Contractor's responsibility to arrange for adequate security of the building(s) at the end of each work day and on weekends.
- B. It is the responsibility of the Contractor to prohibit the opening of locked areas by the Contractor's employees to permit the entrance of persons other than the Contractor's employees engaged in the performance of assigned work in those areas.

#### **72. COUNTY-FURNISHED EQUIPMENT/MATERIALS**

- A. From time to time the County may elect to supply its own materials and/or equipment for a specific project. In those cases the Contractor shall provide transportation of any County furnished equipment/materials included on the Job Order. The equipment/materials will be transported from the County storage area to the work site indicated on the Job Order. The Contractor assumes the risk and responsibility for the loss or damage to County-furnished property. The Contractor agrees to follow the instructions of the County's representative regarding the disposition of all County- furnished property not consumed in performance of a Job Order.

- B. The Construction Task Catalog® included in this contract was developed on the basis that the Contractor would furnish all equipment and materials to accomplish the requirements of the contract. It may be advantageous for the County to furnish equipment and/or materials for an individual job order. In such event, the line item will only include the labor and equipment portion, not the material. The line item will be at the appropriate Adjustment Factor.

### **73. SHOP DRAWINGS AND SUBMITTALS**

- A. Shop drawings are drawings, diagrams, illustrations, schedules, performance charts, brochures and other data which are prepared by the Contractor or any Subcontractor, manufacturer, supplier or distributor, and which illustrate some portion of the Work.
- B. Samples are physical examples furnished by the Contractor to illustrate materials, equipment or workmanship, and to establish standards by which the Work will be judged.
- C. The Contractor agrees to review, stamp with his approval, and submit, with reasonable promptness, and in orderly sequence so as to cause no delay in the Work or in the work of any other Contractor, all shop drawings and samples required by the Contract Documents. Shop drawings and samples shall be properly identified as specified, or as the County may require. At the time of submission, the Contractor agrees to inform the County in writing of any deviation in the shop drawings or samples from the requirements of the Job Order.
- D. By approving and submitting shop drawings and samples, the Contractor thereby represents that the Contractor has determined and verified all field measurements, field criteria, materials, catalog numbers and similar data, or will do so, and that the Contractor has checked and coordinated each shop drawing and sample with the requirements of the Work and of the Contract Documents.
- E. The Contractor agrees to cross out any items on sheets, which constitute information not pertaining to the equipment specified, and clearly mark all components which are provided as "optional" by the manufacturer and required hereinafter. Failure to comply with the above will result in disapproval of shop drawings.
- F. The County will review and approve shop drawings and samples with reasonable promptness so as to cause no delay, but only for conformance with the design concept of the Job Order and with the information given in the Contract Documents. The County's approval of a separate item shall not indicate approval of the entire assembly in which the item functions.
- G. The Contractor agrees to make any corrections required by the County and agrees to resubmit the required number of corrected copies of shop drawings or new samples until approved. The Contractor agrees to direct attention, in writing or on resubmitted shop drawings, to (1) corrections requested by the

County on previous submission, and (2) to additional revisions made, other than those specifically requested by the County on previous submission.

- H. The County's approval of shop drawings or samples shall not relieve the Contractor of responsibility for any deviation from the requirements of the Contract Documents, unless the Contractor has informed the County in writing of such deviation at the time of submission and the County has given written approval to the specific deviation. Additionally, the County's approval shall not relieve the Contractor from responsibility for errors or omissions in the shop drawings or samples.
- I. No portion of the Work requiring a shop drawing or sample submission shall be commenced until the County has approved the submission. All such portions of the Work shall be in accordance with approved shop drawings and samples.

#### **74. INDEMNIFICATION AND INSURANCE REQUIREMENTS**

Contractor agrees to and shall comply with the following indemnification and insurance requirements:

##### **A. BASIC REQUIREMENTS:**

Indemnification – To the fullest extent possible permitted by law, Contractor assumes liability for and agrees, at the Contractor's sole cost and expense, to promptly and fully indemnify, defend (with counsel reasonably approved by County) (even if the allegations are false, fraudulent, or groundless), and hold harmless the County and its authorized officers, employees, agents and volunteers (Indemnitees) from and against any and all claims (including claims against the County seeking compensation for labor performed or materials used or furnished to be used in the work or alleged to have been furnished on the project, including all incidental or consequential damages resulting to the County from such claims), allegations, actions, suits, arbitrations, administrative proceedings, regulatory proceedings, or other legal proceedings, demands, losses, costs, damages, judgments, liens, stop notices, penalties, anticipated losses of revenue and/or liability, and expenses (including, but not limited to, any fees of accountants, attorneys, experts or other professionals, or investigation expenses) arising out of, resulting from, or in any way (either directly or indirectly) related to the contract, the work, the project or any breach of the Contract by Contractor (or any of its officers, agents, employees, subcontractors, or any person performing any of the work, or from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the Indemnitees on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. The Contractor's indemnification obligation applies to the Indemnitee's "passive" negligence but does not apply to the Indemnitee's "sole" or "active" negligence or "willful misconduct" within the meaning of Civil Code section 2782 provided such "active" negligence or "willful misconduct" is determined by agreement of the parties or by findings of a court. In instances where an Indemnitee's

“active” negligence accounts for only a percentage of the liability for the claim involved, the obligation of the Contractor will be for that entire percentage of liability for the claim not attributable to the “active” negligence or “willful misconduct” of the Indemnitees. The County shall be consulted with regard to any proposed settlement.

The duty of the Contractor to indemnify and hold harmless the Indemnitees includes the separate and independent duty to defend the Indemnitees, which duty arises immediately upon receipt by Contractor of the tender of any claim from the County. The Contractor’s obligation to defend the County shall be at Contractor’s sole expense, and not be excused because of the Contractor’s inability to evaluate liability or because the Contractor evaluates liability and determines that the Contractor is not liable. The duty to defend shall apply whether or not a claim has merit or is meritless, or which involves claims or allegations that any or all of the Indemnitees were actively, passively, or concurrently negligent, or which otherwise asserts that the Indemnitees are responsible, in whole or in part, for any claim. The Contractor shall respond within thirty (30) calendar days to the tender of any claim for defense and/or indemnity by the County, unless the County agrees in writing to an extension of this time. The defense provided to the Indemnitees by Contractor shall be by well qualified, adequately insured, and experienced legal counsel acceptable to the County Counsel.

It is the intent of the parties to the Contract that the Contractor and its subcontractors of all tiers shall provide the Indemnitees with the broadest defense and indemnity permitted by law. In the event that any of the defense, indemnity, or hold harmless provisions are found to be ambiguous, or in conflict with one another, it is the parties’ intent that the broadest and most expansive interpretation in favor of providing defense and/or indemnity to the Indemnitees be given effect.

Contractor shall ensure, by written subcontract agreement, that each of Contractor’s subcontractors of every tier shall protect, defend, indemnify and hold harmless the Indemnitees with respect to all claims arising out, in connection with, or in any way related to each such subcontractor’s work in the same manner in which Contractor is required to protect, defend, indemnify, and hold the Indemnitees harmless. In the event Contractor fails to obtain such defense and indemnity obligations from its subcontractors as required herein, Contractor agrees to be fully responsible to the Indemnitees according to the terms of this Section.

Contractor’s indemnification and defense obligations set for in this Section are separate and independent from the insurance requirements and do not limit, in any way, the applicability, scope, or obligations set forth in such insurance requirements. The purchase of insurance by the Contractor with respect to the obligations required herein shall in no event be construed as fulfillment or discharge of such obligations.

Contractor's obligations under this Section are binding on Contractor's and its subcontractors' successors, heirs and assigns and shall survive the completion of the work or termination of the Contractor's performance of the work.

Additional Insured – All policies, except for the Workers' Compensation, Errors and Omissions and Professional Liability policies, shall contain endorsements naming the County and its officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

Waiver of Subrogation Rights – The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against the County.

Policies Primary and Non-Contributory – All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

Severability of Interests – The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and the County or between the County and any other insured or additional insured under the policy.

Proof of Coverage – The Contractor shall furnish Certificates of Insurance to the County Department administering the contract evidencing the insurance coverage at the time the contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

Acceptability of Insurance Carrier – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A-VII".

Deductibles and Self-Insured Retention - Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

Failure to Procure Coverage – In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor will be reduced to pay for County purchased insurance.

Insurance Review – Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

B. **INSURANCE SPECIFICATIONS:**

The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

Workers' Compensation/Employers Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all

persons including volunteers providing services on behalf of the Contractor and all risks to such persons under this contract.

If Contractor has no employees, it may certify or warrant to the County that is does not currently have any employees or individuals who are defined as “employees” under the Labor Code and the requirement for Workers’ Compensation coverage will be waived by the County’s Director of Risk Management.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers’ Compensation insurance.

Commercial/General Liability Insurance – The Contractor shall carry General Liability Insurance covering all operations performed by or on behalf of the Contractor providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:

1. Premises operations and mobile equipment.
2. Products and completed operations.
3. Broad form property damage (including completed operations).
4. Explosion, collapse and underground hazards.
5. Personal injury
6. Contractual liability.
7. \$2,000,000 general aggregate limit.

Automobile Liability Insurance – Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence.

If the Contractor is transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If the Contractor owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

Increased Insurance Limits Required -

Contracts over one million (\$1,000,000) and less than three million (\$3,000,000) require limits of not less than three million (\$3,000,000) in General Liability and Auto Liability coverage.

Contracts over three million (\$3,000,000) and less than five million (\$5,000,000) require limits of not less than five million (\$5,000,000) in General Liability and Auto Liability coverage.

Contracts over five million (\$5,000,000) require limits of not less than ten million (\$10,000,000) in General Liability and Auto Liability.

For Contracts over one million (\$1,000,000) the Contractor must have Continuing Products/Completed Operations Liability Insurance with a limit of not less than five million (\$5,000,000) for each occurrence for at least three years following substantial completion of the work on projects over one million (\$1,000,000).

*Any contract that involves the use, handling, transportation, storage, abatement, containment or testing of any substance that is potentially toxic or hazardous to the environment, including but not limited to, those listed as hazardous by the United States Department of Transportation or the CAL OSHA "Director's list of Hazardous Substances" or listed as radioactive by the Nuclear Regulatory Commission, shall have the following additional requirements:*

Environmental Liability Insurance with a combined single limit of not less than five million (\$5,000,000) per claim or occurrence and a separate aggregate for the contract project. The required additional insured endorsement shall protect the County without any restrictions.

If insurance coverage is provided on a "claims made" policy, the "retroactive date" shall be shown and must be before the date of the start of the contract work. The claims made insurance shall be maintained or "tail" coverage provided for a minimum of five (5) years after contract completion.

Subcontractor Insurance Requirements - The Contractor agrees to require all parties or subcontractors, including architects or others it hires or contracts with related to the performance of this contract to provide insurance covering the contracted operations with the basic requirements for all contracts in Article 74, Section A, and the insurance specifications for all contracts in Article 74, Section B, (including waiver of subrogation rights) and naming the County as an additional insured. The Contractor agrees to monitor and review all such coverage and assumes all responsibility ensuring that such coverage is provided as required here.

Course of Construction/Installation (Builder's Risk) - Property insurance providing all risk, including theft coverage for all property and material to be used on the project. The insurance policy shall not have any coinsurance penalty.

Umbrella Liability Insurance - An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When

used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

## **75. BONDS**

- A. Prior to the execution of the contract, the Contractor agrees to file with the County surety bonds in the amounts and for the purposes noted below, duly executed by a corporate Surety licensed to transact business in the State of California and satisfactory to the County. The Contractor agrees to pay all premiums and costs thereof and incidental thereto.
- B. Each bond shall be signed by both the Contractor and the Surety.
- C. The JOC Contractor agrees to give two (2) surety bonds with good and sufficient sureties; the first in the sum of not less than the Maximum Contract Value to insure the claims of material men supplying materials to the Contractor, Subcontractor and mechanics and laborers employed by the Contractor on the Work; the second in the sum of not less than the Maximum Contract Value to ensure the faithful performance of the contract. Both bonds shall be on forms provided by the County or forms acceptable to the County.
- D. The "Materials and Labor Bond" (or "payment bond") shall be so conditioned as to insure to the benefit of persons furnishing materials for or performing labor upon the Work. The Contractor agrees to maintain the materials and labor bond in full force and effect until the Work is completed and accepted by the County, and until all claims for materials, labor and subcontracts are paid.
- E. The "Bond for Faithful Performance" shall be so conditioned as to ensure the faithful performance by the Contractor of all Work under said contract, within the time limits prescribed, including any refurbishment provisions, in a manner that is satisfactory and acceptable to the County; that all materials and workmanship supplied by the Contractor agrees to be free from original or developed defects; and that should original or developed defects or failures appear within a period of one year from the date of Substantial Completion, the Contractor agrees to, at the Contractor's expense, make good such defects and failures and make all replacements and adjustments required, within a reasonable time after being notified by the County to do so, and to the approval of the County. The Contractor agrees to maintain the bond in full force and effect during the performance of the Work of the Contractor and for a period of one year after the date of Substantial Completion. Also see Article 80 entitled "Patents and Royalties" of these General Conditions.
- F. Should any Surety or sureties upon said bonds or any of them become insufficient, said Contractor agrees to renew said bond or bonds with good and sufficient sureties within ten (10) Days after receiving notice from the County that the Surety or sureties are insufficient.
- G. Should any Surety or sureties be deemed unsatisfactory at any time by the

County, notice will be given the Contractor to that effect, and he agrees to forthwith substitute a new Surety or sureties satisfactory to the County. No further payment shall be deemed due or will be made under this contract until the new sureties shall qualify and be accepted by the County.

- H. Should the County increase the Maximum Contract Value, the contractor shall submit additional bonds as necessary to cover the additional value of the contract.

#### **76. AUTHORITY OF THE DEPARTMENT AND DIVISION**

- A. The Division shall represent the County and shall decide, within the provisions of the specifications and drawings, all questions which may arise concerning the quality or acceptability of materials furnished and work performed.
- B. All questions concerning substitutions, selections, materials, colors and textures shall be submitted to the Division for approval.
- C. In all cases requiring interpretation of the drawings and/or specifications, the decision of the Division shall be final.
- D. Final determination of the acceptable fulfillment of the Contract on the part of the Contractor shall be made by the Department.

#### **77. LAWS, CODES AND REGULATIONS TO BE OBSERVED**

- A. The Contractor agrees to become familiar and comply with all Federal, State, County and City laws, ordinances or regulations controlling the action or operation of those engaged in the Work, or affecting materials used, and operate in accordance therewith.
- B. In accordance with this requirement, it has not been considered necessary to enumerate all wiring, plumbing and other requirements covered by the codes. The Contractor, in making a bid, agrees that the requirements of such ordinances will be as carefully adhered to as if they were specifically set forth in the specifications.
- C. The Contractor agrees to hold harmless the County and all of its officers, agents and servants against any claims or liability arising from, or based upon the violation of such laws, by-laws, ordinances, regulations, orders or decrees, whether by the Contractor or the Contractor's employees, except where the instance of violation is done in accordance with the specifications.
- D. Work performed on County owned property, irrespective of political subdivision location, shall be governed by the County building laws; and Work performed outside the property lines of County owned property shall be governed by the local laws of the County, City, or other municipal government having jurisdiction.

#### **78. DISCREPANCIES, INTERPRETATIONS AND OMISSIONS**

Should the Contractor find any discrepancy, omission, violation of applicable codes, or be in doubt as to the meaning of the Contract Documents, the Contractor agrees to stop Work in progress, if that Work is affected by the particular discrepancy, omission or interpretation needed, and obtain direction from the County. The Contractor agrees to be held responsible for any loss or damage where there is a doubt as to what is required when proceeding with the Work without consulting the County.

#### **79. ASSIGNMENT**

The Contractor agrees to not assign this contract without the consent of the County.

#### **80. PATENTS AND ROYALTIES**

In the event that any patented article, material or process is to be installed or used in the performance of the Work, the Contractor agrees to pay the royalty chargeable and agrees to defend all suits and claims against the County, and agrees to hold it free and harmless, and herein agrees to indemnify the County from all liability, damages, costs, and royalties, including without limitation, reasonable attorney fees, from: (a) any infringement or alleged infringement of any patent, or for the misuse of any patented article, by Contractor and its Subcontractor in the performance of the Work, or (b) the infringement or alleged infringement of any patent, by the County's use or operation of the Work following the completion thereof by the contractor, or (c) the use or misuse by the Contractor and/or its Subcontractor during the performance of the Work, of any confidential information or secret processes, or (d) any use or misuse of confidential information or secret processes by the County in the use or operation of the Work following Acceptance, or (e) any loss to the County in the event that the County is enjoined from using such patented article or material and the incidental damage caused by the loss of use and damage to County property in removing same, and cost of replacing the article or material, the use of which is enjoined. Provided further the bond for faithful performance shall be deemed to expressly apply to this provision of the specifications.

#### **81. SUSPENSION OF WORK**

- A. The County may order the Contractor in writing to suspend, delay or interrupt all or any part of the Work for such period of time as he/she may determine to be appropriate for the convenience of the County.
- B. Upon receipt of the order, the Contractor agrees to immediately comply with its terms and take all reasonable steps to minimize incurring costs allocable to the Work covered by the order during the period of work stoppage.
- C. Once work has commenced, if the performance of all or any part of an individual Job Order is, suspended, delayed, or interrupted for a period longer than sixty (60) Days by (a) an act of the County in the administration of this contract, or (b) by the County's failure to act within the time specified in this contract (or, if no time is specified, within a reasonable time), an adjustment may be made for any increase in cost of performance of this contract (excluding profit) necessarily caused by suspension, delay, or interruption for a period longer than sixty (60) Days. This will be accomplished by issuing a new Job Order. However, no

adjustment shall be made under this article for any suspension, delay, or interruption to the extent (a) that performance would have been suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor, or (b) for which an adjustment is provided for or excluded under any other provision of this contract.

- D. No claim under this section shall be allowed (a) unless the Contractor notifies the County within fourteen (14) Days of incurring the costs (but this requirement shall not apply as to a claim resulting from a direction to suspend work), and (b) unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of such suspension, delay, or interruption, but not later than the date of final payment. No part of any claim based on the provisions of this clause shall be allowed if not supported by adequate evidence showing that the cost would not have been incurred but for a delay within the provisions of this article.
- E. The County will not be liable for any damages, anticipated profits, or costs incurred with respect to suspended work during any period of suspension, except for costs that (a) are incurred for the purpose of safeguarding the work materials, and equipment in transit or at the site, (b) are incurred for such personnel, Subcontractor, or rented equipment that are maintained at the site; or (c) are other reasonable and unavoidable costs of shutting down the Work or reassembling personnel and equipment.

## **82. TERMINATION**

### **A. Termination for Convenience:**

The County may, whenever the interests of the County so require, terminate this contract, in whole or in part, including any Job Order or any portion of a Job Order, for the convenience of the County with ten (10) days notice to Contractor. The County will give written notice of the termination to the Contractor specifying the part of the contract terminated and the date termination becomes effective.

1. The Contractor agrees to incur no further obligations in connection with the terminated Work, and, on the date set in the notice of termination, the Contractor agrees to stop work to the extent specified. The Contractor agrees to also terminate outstanding orders and subcontracts as they relate to the terminated Work. The Contractor agrees to settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated Work. The County may direct the Contractor to assign the Contractor's right, title, and interest under the terminated orders or subcontracts to the County. The Contractor must still complete the Work not terminated by the notice of termination and may incur obligations as are necessary to do so.
2. The County may require the Contractor to transfer title and deliver to the County in the manner and to the extent directed by the County: (a) the fabricated or un- fabricated parts, work in process, completed work,

supplies, and other material produced or acquired for the work terminated; and (b) the completed or partially completed shop drawings and sketches, information, and other property that, if the contract had been completed, would be required to be furnished to the County. The Contractor agrees to, upon direction of the County, protect and preserve property in the possession of the Contractor in which the County has an interest. If the County does not exercise this right, the Contractor agrees to use its best efforts to sell such supplies and manufacturing materials for the benefit of the County.

3. If the parties are unable to agree on the amount of a termination settlement, the County will pay the Contractor the following amounts:
  - a. For contract Work performed before the effective date of termination, the total, without duplication of any items, of:
    - i. The percentage of the contract price which equals the percentage (%) of Work completed in accordance with the schedule of values, if applicable, less prior progress payment(s), any applicable liquidated damages, charge backs, and fines for violation of EEOC requirements. 125% of the amount of outstanding stop notices shall be withheld until the stop notices are resolved as provided by law.
    - ii. The cost of settling and paying terminated subcontracts which are properly chargeable to the terminated portion of the Work.
  - b. The reasonable cost of settlement of the Work terminated, including:
    - i. Accounting, clerical, and other expenses reasonably necessary for the preparation of termination settlement bids and supporting data;
    - ii. The termination and settlement of subcontracts, excluding the amounts of such settlements; and.
    - iii. Storage, transportation, and other costs incurred, reasonably necessary for the preservation, protection, or disposition of the termination inventory.

#### **B. Termination for Default**

1. If the Contractor refuses or fails (a) to develop Job Order Proposals properly and diligently in substantial accord and compliance with the Request for Proposal issued by the County; (b) to reach agreement with the County on the means, methods, and quantities to accomplish a specific Detailed Scope of Work; (c) to commence the Work within the

time specified in the work duration schedule; (d) to prosecute the Work or any separable part with the diligence that will ensure Completion in accordance with the work duration schedule, including any extensions/adjustments made thereto; (e) to provide sufficient and properly skilled workmen or proper materials or equipment to complete the Work in an acceptable manner and without delay; (e) to promptly pay its Subcontractor, laborers, and material-men; (f) to perform any of the Contractor's other obligations under this contract; or (g) to complete the Work within the time specified in this contract ("events of default"), the County may, by written notice to the Contractor, terminate the right to proceed with the Work (or the separable part of the Work). In this event, the County may take over the Work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work. The Contractor and Contractor's sureties agrees to be liable for any damage to the County resulting from events of the default, whether or not the Contractor's right to proceed with the Work is terminated. This liability includes any increased costs incurred by the County in completing the Work.

2. The Contractor's right to proceed shall not be terminated because of delays, nor will the Contractor be charged with damages under this article, if:
  - a. The delay in completing the Work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor (examples of such causes include: (i) acts of god, (ii) acts of the public enemy, (iii) acts of the County in either its public or contractual capacity, (iv) acts of another Contractor in the performance of a contract with the County, (v) fires, (vi) floods, (vii) epidemics, (viii) quarantine restrictions, (ix) freight embargoes, (x) unusually severe weather, or (xi) delays of Subcontractor or suppliers at any tier arising from unforeseeable causes beyond the control and without the fault or negligence of both the Contractor and the Subcontractor or suppliers; and,
  - b. The Contractor, within fourteen (14) calendar Days from the beginning of any delay, unless extended by the County, notifies the County in writing of the causes of the delay. The County will ascertain the facts and the extent of the delay. If, in the judgment of the County, the findings warrant such action, the time for completing the Work will be extended by written approval of the County. The findings of the County will be final and conclusive on the parties.
3. If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of the County.

4. The rights and remedies of the County in this article are in addition to any other rights and remedies provided by law or under this contract. Time is of the essence for all delivery, performance, submittal, and Completion dates in this contract.

### **83. NOTICE OF SUSPENSION OR TERMINATION**

The notice of suspension or termination for any reason shall be given in writing and shall be complete one Day after deposit in the United States mail in a sealed envelope with postage prepaid and directed to the Contractor at the Contractor's address as filed with the County, or upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to the Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a co-partner, if the Contractor is a Partnership, or by the President, Vice President, Secretary or General Manager, if the Contractor is a corporation, or by the managing agent regularly in charge of the work on behalf of said Contractor, shall in any case be sufficient notice.

### **84. DISENTANGLEMENT**

#### **A. General Obligations**

The Contractor shall accomplish a complete transition of the services being terminated from the Contractor and the Subcontractor to the County, or to any replacement provider designated by the County, without any interruption of or adverse impact on the services or any other services provided by third parties (the "disentanglement"). The Contractor shall fully cooperate with the County and any new service provider and otherwise promptly take all steps, including, but not limited to providing all requested information, required to assist the County in effecting a complete disentanglement. The Contractor shall provide all information regarding the services or as otherwise needed for disentanglement, including data conversion, files, interface specifications, training staff assuming responsibility, and related professional services. The Contractor shall provide for the prompt and orderly conclusion of all Work, as the County may direct, including Completion or partial completion of projects, documentation of work in process, and other measures to assure an orderly transition to the County or the County's designee. All services related to disentanglement shall be performed by the Contractor at no additional cost to the County beyond what the County would pay for the services absent the performance of the disentanglement services. The Contractor's obligation to provide the services shall not cease until the disentanglement is satisfactory to the County, including the performance by the Contractor of all asset-transfers and other obligations of the Contractor provided in this paragraph, has been completed.

#### **B. Disentanglement Process**

The disentanglement process shall begin on any of the following dates: (i) the date the County notifies the Contractor that no funds or insufficient funds have been appropriated so that the term shall be terminated pursuant to the contract; (ii) the date designated by the County not earlier than sixty (60) Days

prior to the end of any initial or extended term that the County has not elected to extend pursuant to the contract; or (iii) the date any termination notice is delivered, if the County elects to terminate any or all of the services pursuant to the contract. Contractor's obligation to perform services, and County's obligation to pay for services, shall expire: (a) when funds appropriated for payment under this contract are exhausted; (b) at the end of the initial or extended term set forth in this contract; or (c) on the termination date, pursuant to this contract (with the applicable date on which Contractor's obligation to perform the services expires being referred to herein as the "expiration date"); provided, however, that the Contractor shall remain obligated to provide disentanglement services for up to twelve (12) months after any such expiration date for the applicable services. The Contractor and County shall discuss in good faith a plan for determining the nature and extent of the Contractor's disentanglement obligations and for the transfer of services in process provided, however, that the Contractor's obligation under this contract to provide all services necessary for disentanglement shall not be lessened in any respect. The Contractor shall be required to perform its disentanglement obligations on an expedited basis, as determined by the County, if the County terminates the term pursuant to the agreement.

C. Specific Obligations

The disentanglement shall include the performance of the following specific obligations:

1. No Interruption or Adverse Impact

The Contractor shall cooperate with the County and all of the County's other service providers to ensure a smooth transition at the time of disentanglement, with no interruption of services, no adverse impact on the provision of services or County's activities, no interruption of any services provided by third parties, and no adverse impact on the provision of services provided by third parties.

2. Third-Party Authorizations

Without limiting the obligations of the Contractor pursuant to any other clause in herein, the Contractor shall, subject to the terms of any third-party contracts, procure at no charge to the County any third-party authorizations necessary to grant the County the use and benefit of any third-party contracts between the Contractor and third-party Contractors used to provide the services, pending their assignment to the County.

3. Return, Transfer and Removal of Assets

- a. The Contractor shall return to the County all County assets in Contractor's possession.
- b. The County shall be entitled to purchase at net book value

those Contractor assets used for the provision of services to the County, other than those assets expressly identified by the parties from time to time as shared resources, such Contractor assets as the County may select. Contractor shall promptly remove from the County's premises, or the site of the work being performed by the Contractor for the County, any Contractor assets that the County, or its designee, chooses not to purchase under this provision.

4. Transfer of Leases, Licenses, and Contracts

The Contractor, at its expense, shall convey or assign to the County or its designee, such leases, licenses, and other contracts used by the Contractor, County, or any other person in connection with the services, as the County may select, when such leases, licenses, and other contracts have no other use by the Contractor. The Contractor's obligation described herein shall include the Contractor's performance of all obligations under such leases, licenses, and other contracts to be performed by it with respect to periods prior to the date of conveyance or assignment and the Contractor shall reimburse the County for any losses resulting from any claim that the Contractor did not perform any such obligations.

5. Delivery of Documentation

The Contractor shall deliver to the County or its designee, at the County's request, all documentation and data related to the County, including the County data, held by the Contractor, and the Contractor shall destroy all copies thereof not turned over to the County, at no charge to the County. Notwithstanding the foregoing, Contractor may retain one (1) copy of the documentation and data, excluding County data, for archival purposes or warranty support.

**85. MEDIATION AND ARBITRATION OF CLAIMS**

- A. Pursuant to Public Contract Code Section 20104(c), the current provisions of Article 1.5 of Chapter 1 of Part 3 of the Public Contract Code (commencing with Section 20104) dealing with the mediation and arbitration of public works claims are incorporated herein and a copy of these provisions are set forth below.

20104.

(a) (1) This article applies to all public works claims of three hundred seventy-five thousand dollars (\$375,000) or less which arise between a contractor and a local agency.

(2) This article shall not apply to any claims resulting from a contract between a contractor and a public agency when the public agency has elected to resolve any disputes pursuant to Article 7.1 (commencing with Section 10240) of Chapter 1 of Part 2.

(b) (1) "Public work" means "public works contract" as defined in Section 1101 but does not include any work or improvement contracted for by the state or the Regents of the University of California.

(2) "Claim" means a separate demand by the contractor for (A) a time extension, (B) payment of money or damages arising from work done by or on behalf of the contractor pursuant to the contract for a public work and payment of which is not otherwise expressly provided for or the claimant is not otherwise entitled to, or (C) an amount the payment of which is disputed by the local agency.

(c) The provisions of this article or a summary thereof shall be set forth in the plans or specifications for any work which may give rise to a claim under this article.

(d) This article applies only to contract entered into on or after January 1, 1991.

20104.2 For any claim subject to this article, the following requirements apply:

(a) The claim shall be in writing and include the documents necessary to substantiate the claim. Claims must be filed on or before the date of final payment. Nothing in this subdivision is intended to extend the time limit or supersede notice requirements otherwise provided by contract for the filing of claims.

(b) (1) For claims of less than fifty thousand dollars (\$50,000), the local agency shall respond in writing to any written claim within 45 days of receipt of the claim, or may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses or claims the local agency may have against the claimant.

(2) If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual agreement of the local agency and the claimant.

(3) The local agency's written response to the claim, as further documented, shall be submitted to the claimant within 15 days after receipt of the further documentation or within a period of time no greater than that taken by the claimant in producing the additional information, whichever is greater.

(c) (1) For claims of over fifty thousand dollars (\$50,000) and less than or equal to three hundred seventy-five thousand dollars (\$375,000), the local agency shall respond in writing to all written claims within 60 days of receipt of the claim, or may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses or claims the local agency may have against the claimant.

(2) If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual agreement of the local agency

and the claimant.

(3) The local agency's written response to the claim, as further documented, shall be submitted to the claimant within 30 days after receipt of the further documentation, or within a period of time no greater than that taken by the claimant in producing the additional information or requested documentation, whichever is greater.

(d) If the claimant disputes the local agency's written response, or the local agency fails to respond within the time prescribed, the claimant may so notify the local agency, in writing, either within 15 days of receipt of the local agency's response or within 15 days of the local agency's failure to respond within the time prescribed, respectively, and demand an informal conference to meet and confer for settlement of the issues in dispute. Upon a demand, the local agency shall schedule a meet and confer conference within 30 days for settlement of the dispute.

(e) Following the meet and confer conference, if the claim or any portion remains in dispute, the claimant may file a claim pursuant to Chapter 1 (commencing with Section 900) and Chapter 2 (commencing with Section 910) of Part 3 of the Division 3.6 of Title 1 of the Government Code. For purposes of those provisions, the running of the period of time within which a claim must be filed shall be tolled from the time the claimant submit his or her written claim pursuant to subdivision (a) until the time the claim is denied as a result of the meet and confer process, including any period of time utilized by the meet and confer process.

(f) This article does not apply to tort claims and nothing in this article is intended nor shall be construed to change the time periods for filing tort claims or actions specified by Chapter 1 (commencing with Section 900) and Chapter 2 (commencing with [Section 910\) of Part 3 of Division 3.6 of Title 1 of the Government Code](#).

**20104.4** The following procedures are established for all civil actions filed to resolve claims subject to this article:

(a) Within 60 days, but no earlier than 30 days, following the filing or responsive pleadings, the court shall submit the matter to nonbinding mediation unless waived by mutual stipulation of both parties. The mediation process shall provide for the selection within 15 days by both parties of a disinterested third person as mediator, shall be commenced within 30 days of the submittal, and shall be concluded within 15 days from the commencement of the mediation unless a time requirement is extended upon a good cause showing to the court or by stipulation of both parties. If the parties fail to select a mediator within the 15-day period, any party may petition the court to appoint the mediator.

(b) (1) If the matter remains in dispute, the case shall be submitted to judicial arbitration pursuant to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, notwithstanding Section 1141.11 of that code. The Civil Discovery Act (Title 4 (commencing with Section 2016.010) of Part 4 of

the Code of Civil Procedure) shall apply to any proceeding brought under this subdivision consistent with the rules pertaining to judicial arbitration.

(2) Notwithstanding any other provision of law, upon stipulation of the parties, arbitrators appointed for purposes of this article shall be experienced in construction law, and, upon stipulation of the parties, mediators and arbitrators shall be paid necessary and reasonable hourly rates of pay not to exceed their customary rate, and such fees and expenses shall be paid equally by the parties, except in the case of arbitration where the arbitrator, for good cause, determines a different division. In no event shall these fees or expenses be paid by state or county funds.

(3) In addition to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, any party who after receiving an arbitration award request a trial de novo but does not obtain a more favorable judgment shall, in addition to payment of costs and fees under that chapter, pay the attorney's fees of the other party arising out of the trial de novo.

(c) The court may, upon request by any party, order any witnesses to participate in the mediation or arbitration process.

20104.6. (a) No local agency shall fail to pay money as to any portion of a claim which is undisputed except as otherwise provided in the contract.

(b) In any suit filed under Section 20104.4, the local agency shall pay interest at the legal rate on any arbitration award or judgment. The interest shall begin to accrue on the date the suit is filed in a court of law.

B. Pursuant to Assembly Bill 626 (2015-2016 Reg. Sess.) the text of Public Contract Code section 9204 is included as follows:

(a) The Legislature finds and declares that it is in the best interests of the state and its citizens to ensure that all construction business performed on a public works project in the state that is complete and not in dispute is paid in full and in a timely manner.

(b) Notwithstanding any other law, including, but not limited to, Article 7.1 (commencing with Section 10240) of Chapter 1 of Part 2, Chapter 10 (commencing with Section 19100) of Part 2, and Article 1.5 (commencing with Section 20104) of Chapter 1 of Part 3, this section shall apply to any claim by a contractor in connection with a public works project.

(c) For purposes of this section:

(1) "Claim" means a separate demand by a contractor sent by registered mail or certified mail with return receipt requested, for one or more of the following:

(A) A time extension, including, without limitation, for relief from damages or penalties for delay assessed by a public entity under a contract for a public works project.

(B) Payment by the public entity of money or damages arising from work done by, or on behalf of, the contractor pursuant to the contract for a public works project and payment for which is not otherwise expressly provided or to which the claimant is not otherwise entitled.

(C) Payment of an amount that is disputed by the public entity.

(2) "Contractor" means any type of contractor within the meaning of Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code who has entered into a direct contract with a public entity for a public works project.

(3) (A) "Public entity" means, without limitation, except as provided in subparagraph (B), a state agency, department, office, division, bureau, board, or commission, the California State University, the University of California, a city, including a charter city, county, including a charter county, city and county, including a charter city and county, district, special district, public authority, political subdivision, public corporation, or nonprofit transit corporation wholly owned by a public agency and formed to carry out the purposes of the public agency.

(B) "Public entity" shall not include the following:

(i) The Department of Water Resources as to any project under the jurisdiction of that department.

(ii) The Department of Transportation as to any project under the jurisdiction of that department.

(iii) The Department of Parks and Recreation as to any project under the jurisdiction of that department.

(iv) The Department of Corrections and Rehabilitation with respect to any project under its jurisdiction pursuant to Chapter 11 (commencing with Section 7000) of Title 7 of Part 3 of the Penal Code.

(v) The Military Department as to any project under the jurisdiction of that department.

(vi) The Department of General Services as to all other projects.

(vii) The High-Speed Rail Authority.

(4) "Public works project" means the erection, construction, alteration, repair, or improvement of any public structure, building, road, or other public improvement of any kind.

(5) "Subcontractor" means any type of contractor within the meaning of Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code who either is in direct contract with a contractor or is a lower tier subcontractor.

(d) (1) (A) Upon receipt of a claim pursuant to this section, the public entity to which the claim applies shall conduct a reasonable review of the claim and, within a period not to exceed 45 days, shall provide the claimant a written statement identifying what portion of the claim is disputed and what portion is undisputed. Upon receipt of a claim, a public entity and a contractor may, by mutual agreement, extend the time period provided in this subdivision.

(B) The claimant shall furnish reasonable documentation to support the claim.

(C) If the public entity needs approval from its governing body to provide the claimant a written statement identifying the disputed portion and the undisputed portion of the claim, and the governing body does not meet within the 45 days or within the mutually agreed to extension of time following receipt of a claim sent by registered mail or certified mail, return receipt requested, the public entity shall have up to three days following the next duly publicly noticed meeting of the governing body after the 45-day period, or extension, expires to provide the claimant a written statement identifying the disputed portion and the undisputed portion.

(D) Any payment due on an undisputed portion of the claim shall be processed and made within 60 days after the public entity issues its written statement. If the public entity fails to issue a written statement, paragraph (3) shall apply.

- (2) (A) If the claimant disputes the public entity's written response, or if the public entity fails to respond to a claim issued pursuant to this section within the time prescribed, the claimant may demand in writing an informal conference to meet and confer for settlement of the issues in dispute. Upon receipt of a demand in writing sent by registered mail or certified mail, return receipt requested, the public entity shall schedule a meet and confer conference within 30 days for settlement of the dispute.

(B) Within 10 business days following the conclusion of the meet and confer conference, if the claim or any portion of the claim remains in dispute, the public entity shall provide the claimant a written statement identifying the portion of the claim that remains in dispute and the portion that is undisputed. Any payment due on an undisputed portion of the claim shall be processed and made within 60 days after the public entity issues its written statement. Any disputed portion of the claim, as identified by the contractor in writing, shall be submitted to nonbinding mediation, with the public entity and the claimant sharing the associated costs equally. The public entity and claimant shall mutually agree to a mediator within 10 business days after the disputed portion of the claim has been identified in writing. If the parties cannot agree upon a mediator, each party shall select a mediator and those mediators shall select a qualified neutral third party to mediate with regard to the disputed portion of the claim. Each party shall bear the fees and costs charged by its respective mediator in connection with the selection of the neutral mediator. If mediation is unsuccessful, the parts of the claim remaining in dispute shall be subject to applicable procedures outside this section.

(C) For purposes of this section, mediation includes any nonbinding process, including, but not limited to, neutral evaluation or a dispute review board, in which an independent third party or board assists the parties in dispute resolution through negotiation or by issuance of an evaluation. Any mediation utilized shall conform to the timeframes in this section.

(D) Unless otherwise agreed to by the public entity and the contractor in writing, the mediation conducted pursuant to this section shall excuse any further obligation under Section 20104.4 to mediate after litigation has been commenced.

(E) This section does not preclude a public entity from requiring arbitration of disputes under private arbitration or the Public Works Contract Arbitration Program, if mediation under this section does not resolve the parties' dispute.

- (3) Failure by the public entity to respond to a claim from a contractor within the time periods described in this subdivision or to otherwise meet the time requirements of this section shall result in the claim being deemed rejected in its entirety. A claim that is denied by reason of the public entity's failure to have responded to a claim, or its failure to otherwise meet the time requirements of this section, shall not constitute an adverse finding with regard to the merits of the claim or the responsibility or qualifications of the claimant.

- (4) Amounts not paid in a timely manner as required by this section shall bear interest at 7 percent per annum.
- (5) If a subcontractor or a lower tier subcontractor lacks legal standing to assert a claim against a public entity because privity of contract does not exist, the contractor may present to the public entity a claim on behalf of a subcontractor or lower tier subcontractor. A subcontractor may request in writing, either on his or her own behalf or on behalf of a lower tier subcontractor, that the contractor present a claim for work which was performed by the subcontractor or by a lower tier subcontractor on behalf of the subcontractor. The subcontractor requesting that the claim be presented to the public entity shall furnish reasonable documentation to support the claim. Within 45 days of receipt of this written request, the contractor shall notify the subcontractor in writing as to whether the contractor presented the claim to the public entity and, if the original contractor did not present the claim, provide the subcontractor with a statement of the reasons for not having done so.
- (e) The text of this section or a summary of it shall be set forth in the plans or specifications for any public works project that may give rise to a claim under this section.
- (f) A waiver of the rights granted by this section is void and contrary to public policy, provided, however, that (1) upon receipt of a claim, the parties may mutually agree to waive, in writing, mediation and proceed directly to the commencement of a civil action or binding arbitration, as applicable; and (2) a public entity may prescribe reasonable change order, claim, and dispute resolution procedures and requirements in addition to the provisions of this section, so long as the contractual provisions do not conflict with or otherwise impair the timeframes and procedures set forth in this section.
- (g) This section applies to contracts entered into on or after January 1, 2017.
- (h) Nothing in this section shall impose liability upon a public entity that makes loans or grants available through a competitive application process, for the failure of an awardee to meet its contractual obligations.
- (i) This section shall remain in effect only until January 1, 2020, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2020, deletes or extends that date.

#### **86. ACCEPTANCE OF FINAL PAYMENT AS RELEASE**

The acceptance by the Contractor of final payment for a specific Job Order, shall be and shall operate as a release to the County of all claims and all liability to the Contractor for all things done or furnished in connection with this Work and for every act and neglect of the County, and others relating to or arising out of this Work. No payment, however, final or otherwise, shall operate to release the Contractor or Contractor's sureties from any obligation under this contract or the performance and payment bond.

#### **87. FORUM SELECTION**

This contract shall be governed by and constructed in all aspects in accordance with the laws of the State of California without regard to principles of conflicts of laws. The venue of any action or claim brought by any party to this contract shall be the Superior Court of

California, San Bernardino County, San Bernardino District. Each party hereby waives any law or rule of court, which would allow them to request or demand a change of venue. If any action or claim concerning this contract is brought by any third party and filed in another venue, the parties hereto agree to use their efforts to obtain a change of venue to the Superior Court of California, San Bernardino County, San Bernardino District.

**88. WAIVER**

The waiver by the County of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition on any subsequent breach of the same or any other term, covenant or condition herein contained.

**89. ENTIRE AGREEMENTS**

This contract, together with all documents, the General Condition, all individual Job Orders, specifications, and drawings incorporated herein by reference, constitutes the entire agreement between the County and the Contractor, and there are no terms, conditions, or provisions, either oral or written, between the parties other than those herein contained, and this contract supersedes any and all oral or written representations, inducements, or understandings of any kind or nature between the parties relating to the Work. No provision of this contract may be amended or added to except by written agreement signed by the parties hereto, or their respective successor-in-interest.

**90. REQUEST FOR PAYMENTS**

- A. The Contractor must submit a "payment request" form with supporting documentation to the County for approval. Payment request shall not be deemed properly completed unless certified payrolls and any other mandatory submittals have been properly completed and submitted for each week worked during the time period covered by said payment request. Before submitting an Application for Payment (Final or Partial) the Contractor shall reach an agreement with the County concerning the percentage complete of the Detailed Scope of Work and the dollar value for which the Application for Payment may be submitted. Once the County approves the payment request form, payment will be made to the Contractor within thirty (30) Days. Deductions will be made from any payment request for the appropriate retention amount and/or withholdings due to stop notices or other claims be Subcontractor, suppliers or other vendors.
- B. If the County requests it, the Contractor agrees to include an update to the work duration schedule together with the payment request form. If the requested update(s) is not provided with the payment request, the payment request form may be considered incomplete and not processed.
- C. The Contractor may be required to submit a narrative report with each update to the work duration schedule. The narrative report shall include a description of current and anticipated problem areas, delaying factors and their impact, and an explanation of corrective action taken or proposed. Failure to provide the narrative report may be considered a material breach of contract.

- D. The Contractor agrees that its signature on the payment request form, as herein prescribed, constitutes a sworn Statement.
- E. The Contractor agrees that its signature on the payment request form requesting either partial or final payment certifies that:
1. The specified percentage of Work has been completed and material supplied, and is directly proportional to the amount of the payment currently requested.
  2. The amount requested is only for performance in accordance with the specifications, terms and conditions of the subject contract.
  3. Timely payments will be made to Subcontractor and suppliers from the proceeds of the payment covered by this certification, in accordance with these General Conditions, and subcontract agreements.
  4. This request for payment does not include any amounts which the prime Contractor intends to withhold or retain from a Subcontractor or supplier, except those amounts withheld or retained in accordance with the terms and conditions of the subcontract.
  5. Not less than the prevailing rates of wages as ascertained by the County have been paid to laborers, workers and mechanics employed on the subject Work.
  6. There has been no unauthorized substitution of Subcontractor, nor have any unauthorized subcontracts been entered into.
  7. No subcontract was assigned or transferred or performed by anyone other than the original Subcontractor, except as provided in Sections 4100-4113, inclusive, of the Public Contract Code.
  8. If applicable, all required EEO/OAAC documentation has been submitted as required by these General Conditions.
  9. If requested, the Contractor has attached all work duration schedule updates.
  10. Where applicable, payments to Subcontractor and suppliers have been made from previous payments received under the contract.
  11. If it was requested, the Contractor has attached a schedule of values which reflects a detailed justification for the partial payment amount requested.
- F. In addition to paragraph D above, in the case of a request for final payment, the Contractor agrees that its signature on the payment request form certifies that all Punch List items have been signed off as completed by the County, and

that all building inspection cards have been completed.

- G. The Contractor agrees that it is submitting a request for payment within one year of the Completion of the project for which it is billing. If the Contractor does not submit a request for payment within one year of the Completion of the project for which it is billing, it herein agrees to forfeit that payment.
- H. If the Contractor's payment request is not approved, the County will issue a "Return of Payment Request for Correction" letter advising the Contractor of missing deliverables and/or information requiring correction. After making the appropriate corrections, the Contractor agrees to submit a second, or corrected, payment request form.
- I. If applicable, the Contractor's payment request may also be rejected if the Contractor fails to submit to the Office of Affirmative Action compliance all required EEO/OAAC documentation as required by these General Conditions. If any EEO/OAAC documents are missing or incomplete, the County may issue to the Contractor a return of Contractor's request for corrective action letter, along with a copy of the JOC contractor Equal Employment Opportunity Compliance memo completed by the Office of Affirmative Action Compliance. After complying with the outstanding EEO/OAAC requirements, the Contractor agrees to notify the County for further review of the payment request.
- J. If the Contractor fails to submit, within fourteen (14) Days of notification, the noted outstanding documents to the County will issue a "Notification of Assessed Damages" letter advising the Contractor that it has been assessed damages in the amount of \$200.00 for each violation. Once the Contractor has submitted a duly completed payment request form, the County will approve and will issue an authorization for payment.
- K. The Contractor agrees that the County's approval of payment does not relieve the Contractor of its responsibility to comply with the terms of the final Detailed Scope of Work, and with the conditions of the Job Order and contract for completed and future Work.
- L. The Contractor agrees that even though the County has approved payment, the County retains the right to further inspect the Work and issue correction notices.
- M. Payment Request Form

The Contractor agrees to submit the original Payment Request Form with the supporting documentation for payment. The payment request shall include, but is not limited to, the following information and attachments:

1. Job Order number;
2. Encumbrance number;

3. Payment period;
4. Current authorized amount;
5. The daily labor and construction progress log;
6. Certified payroll documents including Statement of compliance;
7. A schedule of values if requested;
8. A narrative report if requested, and if applicable;
9. A Subcontractor's fringe benefits Statement.

All payment requests are to be mailed to the following address:

San Bernardino County  
Project and Facilities Management Department  
385 North Arrowhead Avenue, Third Floor  
San Bernardino, CA 92415-0184

## **91. PAYMENTS TO CONTRACTOR**

### **A. Payment Types**

1. Lump sum payment – if an individual Job Order is scheduled for Completion within 45 Days or less, the County will make one payment, exclusive of retention. Contractor may request for one payment (excluding retention payment); however, payment will be made after Final Acceptance of the Job Order.
2. Partial payment – the County will consider a request for partial payments for Job Orders scheduled for a performance period of greater than 45 Days.
3. Monthly payment schedule – for projects with a monthly payment schedule, requests for payment must be submitted at least five (5) Days prior to the end of the month. Payments shall be made on inspected and approved Work only. Payment will be made on the valuation of work done as of the twenty-fifth day of each month.
  - a. After the first payment and before making any other payment to the Contractor, the County may require that the Contractor produce and deliver to the County satisfactory proof or evidence that all labor performed and materials furnished up to the date of the preceding payment request have been fully paid for, and that as of the said date, no claims exist if that is the case. This partial release of claim must be executed with the same formality as this

contract.

- b. Upon receipt of a stop notice, the County shall withhold from the Contractor an amount of money sufficient to cover the potential cost of the stop notice and the reasonable cost of any associated litigation. Such amount shall be not less than 125% of the amount of any such stop notice claim. In order to satisfy the requirements of a stop notice, the County will refuse to release funds held in retention.
  - i. If a subcontractor or supplier files a stop notice, the Contractor shall furnish a bond satisfactory to the County to release the stop notice and indemnify the County against such stop notice. The stop notice release bond shall:
    - (1) Be issued by a surety acceptable to the County admitted to issue surety bonds by the California Department of Insurance;
    - (2) Be in a form and substance satisfactory to the County; and
    - (3) In an amount of not less than 125% of the amount of any stop notice claim.
- c. In accordance with Public Contract Code Section 20104.50 the County will make partial payments within 30 Days after receipt of an undisputed and properly submitted payment request from a Contractor on a contract. If the payment request is determined not to be a proper payment request suitable for payment, it shall be returned to the Contractor as soon as practicable, but not later than seven Days after receipt, accompanied by a letter setting forth the reasons why the payment request is not proper.

B. Retention

When payments are made under this contract, five percent (5%) of each requested and approved payment will be retained. The retention will be released upon Final Acceptance of the Work, and the County's approval on the final payment request. A Notice of Completion must be filed for each Project exceeding \$45,000. Final payment is to be made 60 Days subsequent to the filing of the Notice of Completion and/or Final Acceptance of the Work.

C. Retention Release

The County's release of the retention does not relieve the Contractor of its responsibility to comply with both the proposed Detailed Scope of Work and the terms and conditions of the Job Order and contract for completed and warranty work.

The Contractor agrees that a condition precedent to the County's release of the five percent (5%) retention amount is in full compliance with this Article 91 herein.

The Contractor must submit a completed final payment request form to the County for approval. The Contractor agrees that the signature on the payment request form certifies that it has completed or submitted the following:

1. All required Affirmative Action Compliance documents; and
2. All warranties and maintenance requirements; and
3. All as-built prints and record drawings; and
4. All operation and maintenance manuals; and
5. All badges, keys and security entry cards; and
6. All other items as applicable.

Once the County approves the payment request form, an authorization for final payment will be issued.

Once the Contractor has submitted a duly completed Final Payment Release request form, the County will provide their approval, and the County will issue an authorization for payment.

The Contractor agrees that the County's approval of final payment does not relieve the Contractor of its responsibility to comply with the terms and conditions of the Job Order and contract for completed and future Work.

Contractor shall accept all payments from County via electronic funds transfer, directly deposited into the Contractor's designated checking or other bank account. Contractor shall promptly comply with direction and accurately complete forms provided by County required to process EFT payments.

## **92. PAYMENTS TO SUBCONTRACTOR**

The Contractor must pay all Subcontractor and suppliers within ten (10) calendar Days of Acceptance of that portion of the Work by the County.

## **93. COUNTY FURNISHED JOB ORDER CONTRACTING SOFTWARE**

The Job Order Contracting System License Agreement is incorporated herein by reference. Any Contractor awarded a Job Order Contract shall be required to execute this Agreement with The Gordian Group.

A. Job Order Contracting Software

1. The County selected The Gordian Group, Inc., dba The Mellon Group's (Gordian) Job Order Contracting ("JOC") Solution (Gordian JOC Solution™) for their JOC program. The Gordian JOC Solution includes Gordian's proprietary Gordian Cloud® JOC applications (JOC Applications) and construction cost data (Construction Task Catalog®), which shall be used by the Contractor to prepare and submit Job Order Price Proposals, subcontractor lists, and other requirements specified by the County. The Contractor shall be required to execute Gordian's JOC System License and Fee Agreement, and pay a JOC System License Fee to obtain access to Gordian's JOC Solution. The Contractor's use, in whole or in part, of Gordian's JOC Applications, Construction Task Catalog® and other proprietary materials provided by Gordian for any purpose other than to execute work under this Contract for the County is strictly prohibited unless otherwise approved in writing by Gordian. The Contractor hereby agrees to abide by the terms of the following Job Order Contracting System License.

B. Job Order Contracting System License

1. Gordian hereby grants to the Contractor, and the Contractor hereby accepts from Gordian for the term of this Contract or Gordian's Contract with the County, whichever is shorter, a nonexclusive right, privilege, and license to Gordian's proprietary JOC System and related proprietary materials (collectively referred to as "Proprietary Information") to be used for the sole purpose of executing Contractor's responsibilities to the County under this Contract. The Contractor hereby agrees that Proprietary Information shall include, but is not limited to, Gordian's JOC Applications and support documentation, Construction Task Catalog®, training materials and other Gordian provided proprietary materials. In the event this Contract expires or terminates as provided herein, or Gordian's Contract with the County expires or terminates, or the Contractor fails to pay the JOC System License Fee specified in this Contract, the JOC System License shall terminate and the Contractor shall return all Proprietary Information in its possession to Gordian.
2. In consideration for a non-exclusive, non-transferable, license to the Gordian JOC Solution, the Contractor shall pay Gordian a license fee ("Contractor License Fee") equal to one percent (1%) of the value of each Job Order, Purchase Order or other similar purchasing document ("Purchase Order") issued to the Contractor by the County. The Contractor License Fee shall be included in the Contractor's overhead costs, shall not be included as an additional line item cost in Job Order Price Proposals, and shall be payable to Gordian within ten (10) days of Contractor's receipt of each Purchase Order issued to the Contractor by the County. Gordian is hereby declared to be an intended third-party beneficiary of this Agreement. In the event any court action is brought to enforce payment of the Contractor License Fee by any party or third-party beneficiary of this Agreement, the prevailing party shall be entitled to an award of reasonable attorneys' fees and collection costs. The Contractor shall remit the Contractor License Fees as follows:

Payments Made Payable to: The Gordian Group, Inc.

Mail Checks to: P.O. Box 751959  
Charlotte, NC 28275-1959

3. Gordian may terminate the License Agreement in the event of: (1) any breach of a material term of this Agreement by the Contractor which is not remedied within ten (10) days after written notice to the breaching party; or (2) the other party's making an assignment for the benefit of its creditors, or the filing by or against such party of a petition under any bankruptcy or insolvency law, which is not discharged within thirty (30) days of such filing.
4. The Contractor acknowledges that disclosure of Proprietary Information will result in irreparable harm to Gordian for which monetary damages would be an inadequate remedy and agrees that no such disclosure shall be made to anyone without first receiving the written consent of Gordian. The Contractor further acknowledges and agrees to respect the copyrights, registrations, trade secrets, and other proprietary rights of Gordian in the Proprietary Information during and after the term of this Contract and shall at all times maintain complete confidentiality with regard to the Proprietary Information provided to the Contractor.
5. In the event of a conflict in terms and conditions between the JOC System License and any other terms and conditions of the Contract with the County or any Job Order, Purchase Order or similar purchasing document issued to the Contractor by the County, the JOC System License shall take precedence.

#### **94. TERMINATION FOR IMPROPER CONSIDERATION**

- A. County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the agreement or securing favorable treatment with respect to the award, amendment or extension of the agreement or the making of any determination with respect to the Contractor's performance pursuant to the agreement. In the event of such termination, County agrees to be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.
- B. Contractor agrees to immediately report any attempt by a County officer, employee or agent to solicit such improper consideration.
- C. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, to tangible gifts.

#### **95. RELEASE OF INFORMATION**

No news releases, advertisements, public announcements or photographs arising out of this contract or Contractor's relationship with the County may be made or used without prior written approval of the County.

**96. COUNTY'S QUALITY ASSURANCE PLAN**

The County or its agent will evaluate the Contractor's performance under this contract. Such evaluation will include assessing the Contractor's compliance with all contract terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures; the County may terminate this contract or impose other penalties as specified in this contract.

**97. FEDERAL EARNED INCOME CREDIT**

The Contractor agrees to notify its employees, and agrees to require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal Income Tax Laws. Such notice agrees to be provided in accordance with the requirements set forth in Internal Revenue Service Publication 596.

**98. SECURITY SERVICES AT COURT FACILITIES**

The Contractor acknowledges that when performing Work at any court facility during other than Normal Working Hours, security services will be required. In the event that the County is not the managing party for the court facility, the payment for the security services shall be negotiated with the courts. The Contractor acknowledges and agrees that it is critical to report to the site to perform Work as scheduled, and to complete all Work within the time specified.

Accordingly, the Contractor agrees that if it, or its Subcontractor, fails to report to the job site for work as scheduled, or if it, or its Subcontractor, fails to complete all work within the time specified due to the wrongful act or negligence of the Contractor or its Subcontractor, the cost for security services shall be charged to the Contractor, and/or shall be deducted from payments due the Contractor. The rights and remedies of the County in this article are in addition to any other rights and remedies provided by law or under this contract.

However, the Contractor agrees to incur no cost for security services for failure to report to a job site as long as it provides 48 hours advance notice to the County of its intention to not perform at the specified time.

**99. CONFLICT OF INTEREST**

Contractor shall make all reasonable efforts to ensure that no conflict of interest exists between its officers, employees, or Subcontractor and the County. Contractor shall make a reasonable effort to prevent employees, consultants, or members of government bodies from using their positions for purposes that are, or give the appearance of being motivated by a desire for private gain for themselves or others such as those with whom

they have family, business, or other ties.

In the event that County determines that a conflict of interest situation exists, any increase in costs associated with the conflict of interest situation may be disallowed by County and such conflict may constitute grounds for termination of the contract.

This provision shall not be construed to prohibit employment of persons with whom Contractors' officers, employees, or agents have family, business, or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicants and such persons have successfully competed for employment with other applicants on a merit basis.

#### **100. EMPLOYMENT ELIGIBILITY VERIFICATION**

The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor agrees to obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor agrees to retain all such documentation for all covered employees for the period prescribed by law.

#### **101. FORMER COUNTY OFFICIALS**

Contractor agrees to provide or has already provided information on former San Bernardino County Administrative Officials (as defined below) who are employed by or represent Contractor. The information provided includes a list of former County Administrative Officials who terminated County employment within the last five years and who are now officers, principals, partners, associates or members of the business. The information also includes the employment with or representation of Contractor. For purposes of this provision, "County Administrative Official" is defined as a member of the Board of Supervisors or such officer's staff, Chief Executive Officer or member of such officer's staff, County Department or group head, assistant department or group head, or any employee in the exempt group, management unit or safety management unit.

#### **102. REPRESENTATION OF THE COUNTY**

In the performance of the contract, Contractor, its agents and employees, shall act in an independent capacity and not as officers, employees, or agents of the County.

#### **103. PUBLIC RECORDS ACT**

Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records record retention and inspection/audit settlement of this contract; as well as those

documents which were required to be submitted in response to the Advertisement for Bids used in the solicitation process for this contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "Trade Secret", "Confidential", or "Proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a Job Order Proposal marked "Trade Secret", "Confidential", or "Proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

**104. ENVIRONMENTALLY PREFERABLE PURCHASING POLICY**

The Contractor agrees to comply with County Policy 11-08 – Environmentally Preferable Purchasing Policy.

**105. CHANGE OF ADDRESS**

Contractor shall notify the County, in writing, of any change in mailing address and/or physical location within ten (10) calendar Days of the change, and shall immediately notify County of changes in telephone or fax numbers.

**106. TRAVEL MANAGEMENT POLICY**

Contractor shall adhere to the County's Travel Management Policy (08-02 and 08-02SP1) when travel is pursuant to this Contract and for which reimbursement is sought from the County. In addition, Contractor is encouraged to utilize local transportation services, including but not limited to, the Ontario International Airport.

**107. GENERAL PROVISIONS**

A. When notices are required to be given pursuant to this contract, the notices shall be in writing and mailed to the following respective addresses listed below.

Contractor: As stated in Article IX of Contract

County: Director Project and Facilities Management  
Department  
San Bernardino County  
385 North Arrowhead Avenue, Third Floor  
San Bernardino, CA 92415-0184

- B. Nothing contained in this contract shall be construed as creating a joint venture, partnership or employment arrangement between the parties hereto, nor shall either party have the right, power or authority to create an obligation or duty, expressed or implied, on behalf of the other party hereto.
- C. County shall have power of attorney to pay delinquent debts and unpaid wages for work provided under this contract from accounts payable to Contractor in the event debts and wages have not been paid on a current basis.
- D. No waiver of any of the provisions of the contract shall be effective unless it is made in a writing which refers to provisions so waived and which is executed by the parties. No course of dealing and no delay or failure of a party in exercising any right under the contract shall affect any other or future exercise of that right or any exercise of any other right. A party shall not be precluded from exercising a right by its having partially exercised that right or its having previously abandoned or discontinued steps to enforce that right.
- E. Any alterations, variations, modifications, or waivers of provisions of the contract, unless specifically allowed in the contract, shall be valid only when they have been reduced to writing, duly signed and approved by the authorized representatives of both parties as an amendment to this contract. No oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto.
- F. If any provision of the contract is held by a court of competent jurisdiction to be unenforceable or contrary to law, it shall be modified where practicable to the extent necessary so as to be enforceable (giving effect to the intention of the parties) and the remaining provisions of the contract shall not be affected.

# NOTICE TO BIDDERS

## COUNTYWIDE VISION

---

The project(s) implemented with these funds assist in meeting an element of the Countywide Vision for sustainable infrastructures and housing as adopted by the County Board of Supervisors and San Bernardino County Transportation Authority on June 30, 2011.

## PROJECT FUNDING SUBJECT TO FEDERAL PREVAILING WAGE REQUIREMENTS

---

Bidders are advised that federal funds are being used for this project and that as a result, certain requirements are to be imposed, depending upon the source of the federal funds. Sources may include Community Development Block Grant (CDBG) funds, Neighborhood Stabilization Program (NSP) funds and/or HOME Investment Partnerships Program (HOME) funds. The utilization of these federal funds on a project will require the payment of federal prevailing wages under the Davis-Bacon and Related Acts ("DBRA") (40 USC §3142, 40 USC §§ 276a-276a-7, 29 CFR Part 5), which will be enforced when the contract amount for the Prime Contract exceeds \$2,000. The Prime Contractor is responsible for ensuring all Subcontractor(s) and lower tier Subcontractor(s) comply with DBRA. Also, Federal Labor Standards Provisions (HUD-4010) apply and are attached.

A copy of the Federal Prevailing Wage Decision, the date of which reflects the latest applicable modification at the time of the bid advertisement, shall be included. Bidders shall be notified, via Addendum, of modifications, if any, which supersede that modification included herein, up until a minimum of ten days prior to the actual Bid Opening for this project. Bidder can obtain Davis-Bacon Act Wage Decision(s) at: <https://sam.gov/content/home>.

**Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity** - The bidder's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Specifications" contained in the bid package. Goals and timetables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, is 19% for minorities and 6.9% for women.

## PROJECT FUNDING SUBJECT TO STATE PREVAILING WAGE REQUIREMENTS

---

Bidder is advised and certify by bidding on this project that bidder (including any and all sub-contractors) is aware of the requirements of California Labor Code Sections 1720 et seq. and 1770 et seq. as well as California Code of Regulations, Title 8, Section 16000 et seq. ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects. Section 1720 of the California Labor Code states in part: "For purposes of this paragraph, 'construction' includes work performed during the design, site assessment, feasibility study, and other preconstruction phases of construction including, but not limited to, inspection and land surveying work, regardless of whether any further construction work is conducted, and work performed during the post-construction phases of construction, including, but not limited to, all cleanup work at the jobsite." If the Services/Scope of Work are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Contractor agrees to fully comply with such Prevailing Wage Laws. Contractor shall make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to execute the Services/Scope of Work available to interested parties upon request and shall post copies at the Contractor's principal place of business and at the project site. Contractor will also adhere to any other applicable requirements, including but not limited to, those regarding the employment of apprentices, travel and

subsistence pay, retention and inspection of payroll records, workers compensation and forfeiture of penalties prescribed in the Labor Code for violations. Contractor shall defend, indemnify and hold the County, its elected officials, officers, employees and agents free and harmless from any claims, liabilities, costs, penalties or interest arising out of any failure or alleged failure to comply with Prevailing Wage Laws.

Upon request by bidder a copy of the Director's General Prevailing Wage Determination(s), the date of which reflects the latest applicable modification at the time of this bid advertisement will be furnished. Bidders shall be notified, via Addendum, of modifications, if any, which supersede that wage determination. Bidder can obtain a copy of the Director's General Prevailing Wage Determination(s) at: <http://www.dir.ca.gov/OPRL/dprevwagedetermination.htm>.

#### **PROJECT(S) SUBJECT TO FEDERAL AND STATE PREVAILING WAGE REQUIREMENTS**

When the project(s) is subject to both the State (CA) and Federal (Davis-Bacon) prevailing wage rate laws, and when federal funds trigger prevailing wage requirements as determined under the Davis Bacon Act, the higher of the two, the State prevailing wage rate and the Davis-Bacon (federal) wage rate and the most restricted prevailing wage regulation(s) will apply to each job classification, and the project(s), unless applicable law requires otherwise.

#### **PROJECT(S) SUBJECT TO BUILD AMERICA, BUY AMERICA ACT REQUIREMENTS**

Bidder is advised and certify by bidding on this project that bidder (including any and all sub-contractors) is aware of the requirements for the Buy America Preference, imposed by the Build America, Buy America Act (BABA), under Division G, Title IX of the Infrastructure Investment and Jobs Act (IIJA, PUB. L. No. 117-58 and 2 CFR 184) signed into law on November 15, 2021. Bidder can obtain Build America, Buy America Act information at <https://www.hud.gov/baba>

## CONSTRUCTION CONTRACT PROVISIONS - DEFINITIONS

The following are definitions of State and federal provisions/documents for federally-assisted projects.

**NOTE:** Please refer to the "Required Documents" table for any documents to be completed and submitted for this project. The term "Contractor" or "Contractor's" are used throughout this document and may refer to the Prime Contractor, Subcontractor and/or lower tier Subcontractor. See the "Required Documents" table for information on which Contractor(s) are required to submit each document.

**Affirmative Action Compliance Guidelines for Construction or Non-Construction Contractors –** Generally, affirmative action requirements apply to contracts and subcontracts in excess of \$10,000. This document provides guidelines to assist all Contractors, as identified on the "Required Documents" table, meet affirmative action and Equal Employment Opportunity requirements set forth in federal regulations 41 CFR 60.

**Affirmative Action Compliance Form For Construction Contracts Over \$10,000 (LCF DB16-2.2) –** eDocument affirming all Contractors, as identified on the "Required Documents" table, understanding and implementation of Affirmative Action Compliance requirements.

**Authorization For Payroll Deduction(s) (LCF 16-1.4) –** eDocument signed by any employee of the Contractor, as identified on the "Required Documents" table, who has "Other/Garnish" payroll deduction.

**Bid Bond –** A bid guarantee of at least 10% of the contract price is required from each bidder and must be submitted with the Bid.

**Build America, Buy America Act (BABA) -** Requires that all iron and steel, construction materials, and manufactured products used in federally-funded infrastructure projects are produced in the United States. **The Prime Contractor is responsible to include Build America, Buy America language in all executed Subcontractor/Sub-Tier contracts for the project(s).**

**Business Certification –** Business certification includes Disadvantaged Business Enterprise (DBE) – Disadvantaged Veteran Business Enterprise (DVBE) – Local Business Enterprise (LBE) – Minority Business Enterprise (MBE) – Small Business Enterprise (ESBE) – Women Business Enterprise (WBE).

**Certificate of Owner's Attorney –** This certificate is to be completed by the owner's attorney when applicable.

**Certificate of Understanding and Authorization Form (LCF 16-1.2) –** eDocument signed by all Contractors, as identified on the "Required Documents" table, certifying the most current "Davis-Bacon Labor Standards" has been read and understood.

**Certification of Bidder Regarding Equal Employment Opportunity (LCF DB16-2.1) –** eDocument certification required by all Contractors, as identified on the "Required Documents" table, by federal regulations (41 CFR 60).

**Certification of Compliance with Air and Water Acts –** All Contractors, as identified on the "Required Documents" table, must comply with this certification when the contract exceeds \$100,000.

**Checklist of Labor Law Requirements (LCF CA16-3.1) –** eDocument signed by all Contractors, as identified on the "Required Documents" table, acknowledging awareness of the applicable labor law requirements.

**Contractor's Certification of Compliance with Davis-Bacon and Related Acts (LCF DB16-2.0) –** eDocument certification required by all Contractors, as identified on the "Required Documents" table, by federal law (29 CFR 5).

**Davis-Bacon Act Wage Decision –** The Davis-Bacon Act Wage Decision contains the wage rates for construction projects within San Bernardino County. A copy of the Davis-Bacon Act Wage Decision is

included in the bid package and can also be found at <https://www.sam.gov/portal/public/SAM/>. The wage decision that applies to the project is the one in effect ten days prior to the bid opening date.

**eDocuments** – Labor compliance documents required to be submitted by all Contractors, as identified on the “Required Documents” table, electronically prior to Certified Payroll submission. Each eDocument is listed by name in the definitions herein.

**Equal Employment Opportunity Clauses/Equal Employment Opportunity Construction Contract Provisions** – These provisions are to be inserted in all applicable federally assisted contracts and subcontracts.

**E-signature Authorization (LCF 16-1.0)** – eDocument signed by an owner, partner, executive officer, and all duly authorized “Designee” employee(s) of all Contractors, as identified on the “Required Documents” table, who have authority to enter into agreements on behalf of Contractor and who will be uploading eDocuments and/or certified payroll records (CPR)s into LCPtracker. This document must be notarized with an “Acknowledgment” form and will be valid for a period of one (1) calendar year from the signature date.

**Federal Labor Standards Provisions (HUD-4010 form)** – These provisions set forth the federal labor requirements for Contractors working on federally assisted construction projects in which the prime contract exceeds \$2,000. Contractors are required to pay their laborers and mechanics working onsite a wage as specified in the FEDERALLY FUNDED PROJECTS section of this provision. ***The Prime Contractor is responsible to include the Labor Compliance Contract Addendum in all executed Subcontractor/Sub-Tier contracts for the project(s).***

**Fringe Benefit Statement (LCF 16-1.3)** – eDocument signed by all Contractors, as identified on the “Required Documents” table, identifying bona fide Fringe Benefits in which their employees are participating.

**Labor and Materials Bond** – This payment bond guarantees that employees/Subcontractors, and suppliers are paid for services rendered and materials supplied. The Labor and Materials Bond must be at least 100% of the contract price and must be submitted to the CITY/COUNTY upon award of the contract.

**LCPtracker – County Community Development and Housing Department (CDH)’s Online Certified Payroll System.**

**Performance Bond** – This bond guarantees the Contractor's performance under the terms of the construction contract and must be at least 100% of the contract price and submitted to the CITY/COUNTY following award of the contract.

**Project Wage Rate Sheet (LCF 16-1.1)** – eDocument used by all Contractors, as identified on the “Required Documents” table, to list *all* labor classifications and wage rate(s) applicable for the project to be set up in LCPtracker for CPR submittal.

**Section 3 (24 CFR Part 75, Subpart A-D)** – This law applies to all housing rehabilitation, housing construction and other public construction projects contract exceeding \$200,000 or more of housing and community development financial assistance from one or more U.S. Department of Housing and Urban Development (HUD) programs.

**Subject:** CPD Implementation Guidance for the Build America, Buy America Act's domestic content procurement preference as part of the Infrastructure Investment and Jobs Act.

This Notice provides initial implementation guidance for programs administered by the U.S. Department of Housing and Urban Development's (HUD) Office of Community Planning and Development (CPD) for the "Buy America Preference" (BAP) imposed by the Build America, Buy America Act (BABA) enacted under Division G, Title IX of the Infrastructure Investment and Jobs Act (IIJA, Pub. L. No. 117-58) signed into law on November 15, 2021.

This Notice provides CPD grantees and participating jurisdictions, collectively referred to as grantees, an overview of BABA, including key terms, HUD actions to implement BABA, guidance on HUD's general waivers, the phased implementation schedule for the BAP on CPD programs, and proposed next steps. The attached addenda include answers to frequently asked questions, examples of when the BAP applies for CPD grantees, and sample BAP language for agreements.

## **Purpose of the Notice**

This Notice is intended to notify grantees of the “Buy America Preference” (BAP) requirement under the Build America, Buy America Act (BABA) as they apply to CPD programs. This Notice identifies the CPD programs and activities that must comply with BABA along with the timeline for the application of the BAP. It also highlights issues that grantees will want to consider when preparing for HUD’s full implementation of the BAP, as described in “Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance” (88 Fed. Reg. 17001, effective March 15, 2023). This Notice refers to 88 Fed. Reg. 17001 as the “Phased Implementation Waiver” which establishes BAP implementation points according to a schedule across HUD programs.

Note: The guidance provided in this Notice is subject to change if the Office of Management and Budget (OMB) updates guidance on the application of BABA for Federal financial assistance (FFA) programs for infrastructure.

### **I. Overview of Build America, Buy America Act**

#### **The Build America, Buy America Act (BABA)**

The Build America, Buy America Act (BABA) was signed into law by President Biden on November 15, 2021, as part of the Infrastructure Investment and Jobs Act (IIJA) as Sections 70901-52 of Pub. L. No. 117-58. In addition to providing funding for roads, bridges, rails, and high-speed internet access, it created an incentive to increase domestic manufacturing across the country through the inclusion of BABA’s “Buy America Preference” (BAP). In general, the BAP requires that all iron, steel, manufactured products, and construction materials used in infrastructure projects funded with Federal financial assistance (FFA), as outlined in Section 70914(a) of BABA, must be produced in the United States. The intent of the BAP in BABA is to stimulate private-sector investments in domestic manufacturing, bolster critical supply chains, and support the creation of well-paying jobs for people in the United States. The preference is also intended to bolster American firms’ ability to compete and lead globally for years to come by requiring entities that receive Federal infrastructure funds to use American materials and products.

The BABA preference for American materials and products applies to all spending on infrastructure projects by Federal agencies, including HUD. In BABA and for purposes of this Notice, the Federal infrastructure spending with a BAP is referred to as “Federal financial assistance” or “FFA.” Under Section 70912(7), FFA for infrastructure “projects” includes the “construction, alteration, maintenance, or repair of infrastructure in the United States”. Under Section 70914(a), the use of American iron and steel, construction materials, and manufactured products applies to funding from CPD programs for infrastructure projects. However, the BAP does not apply to “pre and post disaster or emergency response expenditures” under Section 70912(4)(B). A list of CPD disaster or emergency funding meeting these criteria can be found in Section III.

Effective May 14, 2022, the BAP applies to infrastructure spending unless an agency issues a waiver in three limited situations: 1) when applying the domestic content procurement preference

would be inconsistent with the public interest, 2) when types of iron, steel, manufactured products or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality, or 3) where the inclusion of those products and materials will increase the cost of the overall project by more than 25 percent. Before issuing a waiver, under Section 70914(c), the head of a Federal agency, including HUD, must make publicly available a detailed written explanation for the proposed determination to issue the waiver and provide a period of not less than 15 days for public comment on the proposed waiver. Additional details on waivers can be found in Section IV.

#### **A. Federal Government-wide Guidance on BABA**

As a part of the Federal government's support of domestic production and manufacturing through infrastructure investments, OMB and HUD have taken several steps to implement the BAP by providing guidance and issuing HUD general waivers.

On August 23, 2023, OMB issued final rules for 2 CFR Parts 184 and 200 and provided further guidance on implementing the statutory requirements and improving FFA management and transparency (88 Fed. Reg. 57750, effective October 23, 2023). These government-wide regulations apply to HUD programs and provide direction on implementing a BAP waiver process. The new and revised regulations also provide additional guidance on construction material standards, the cost components of manufactured products, and their definitions.

On October 25, 2023, OMB issued guidance to all Federal agencies on how to implement BABA consistently across the government. The [“Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure” \(M-24-02\)](#) (OMB Guidance) directs Federal agencies, including HUD, on how to apply the BAP and provides an overview of the BAP waiver requirements. OMB may also issue additional or updated guidance in the future, and HUD will update its guidance as necessary.

#### **B. HUD Actions and Guidance on BABA**

BABA is a new and complex statute, which became effective in 2022. As such, establishing governmentwide guidance on these new statutory requirements has been an iterative process. Since the passage of BABA, HUD has worked diligently to implement the BAP for all HUD programs. Before the law became effective on May 14, 2022, HUD established a Department-wide BABA leadership committee. Beginning in June 2022, HUD issued a Request for Information (RFI) and collected public comments on potential BABA implications for HUD grantees. Based on these comments and to ease the transition in complying with the BAP, HUD proposed and received four general waivers for covered FFA, which includes CPD programs. These waivers and other BABA information are available on HUD's website at [BABA | HUD.gov / U.S. Department of Housing and Urban Development \(HUD\)](#). Further details on these waivers and their application to CPD programs are provided in Section IV of this Notice.

CPD has taken several actions to notify and communicate with stakeholders and grantees on BABA requirements and their impact on CPD programs. All CPD Fiscal Year (FY) 2022 grant transmittal letters and notices of funding opportunities (NOFOs) included a reference to the BAP

under BABA. For the FY2023 funding allocations, all CPD grant agreements with covered FFA included a clause to require that the grantee must comply with BABA, as applicable. Throughout 2023, CPD has held BABA information sessions for CPD grantees and has a dedicated email box at [CPDBABA@hud.gov](mailto:CPDBABA@hud.gov) to answer questions from individual grantees and stakeholders.

HUD is continuing to work towards implementing BABA across its covered FFA programs. Next steps include establishing a centralized waiver process for all HUD covered programs. CPD is incorporating BABA in its existing reporting systems and processes. To assist grantees, CPD is also developing additional guidance materials and support as the phased implementation of BABA progresses.

## **II. Definitions**

Key terms that have relevance to the interpretation and implementation of the BAP for CPD programs are defined in the BABA statute and may be found in 2 CFR part 184 and OMB guidance.

- A. Build America, Buy America Act is defined in 2 CFR § 184.3 and means division G, title IX, subtitle A, parts I–II, sections 70901 through 70927 of the Infrastructure Investment and Jobs Act (Pub. L. No. 117-58)
- B. Buy America Preference is defined in 2 CFR § 184.3 and means the “domestic content procurement preference” set forth in section 70914 of BABA, which requires the head of each Federal agency to ensure that none of the funds made available for a Federal award for an infrastructure project may be obligated unless all of the iron, steel, manufactured products, and construction materials incorporated into the project are produced in the United States.
- C. Categorization of Articles. The term “categorization of articles” refers to the requirement that articles, materials, and supplies should only be classified into one of the following categories:
  - i. Iron or steel products;
  - ii. Manufactured products;
  - iii. Construction materials; or
  - iv. Section 70917(c) materials.

An article, material, or supply should not be classified into more than one category and must be made based on the status of the article, material, or supply upon arrival to the work site for use in an infrastructure project. Articles, materials, or supplies must meet the Buy America Preference for only the single category in which they are classified and, in some cases, may not fall under any of the categories listed above.

- D. Component is defined in 2 CFR § 184.3 and means an article, material, or supply, whether manufactured or unmanufactured, incorporated directly into: a manufactured product; or, where applicable, an iron or steel product.
- E. Construction Materials is defined in 2 CFR § 184.3 and means articles, materials, or

supplies that consist of only one of the items listed in paragraph (1) of this definition, except as provided in paragraph (2) of this definition. To the extent one of the items listed in paragraph (1) contains as inputs other items listed in paragraph (1), it is nonetheless a construction material.

(1) The listed items are:

- i. Non-ferrous metals;
- ii. Plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables);
- iii. Glass (including optic glass);
- iv. Fiber optic cable (including drop cable);
- v. Optical fiber;
- vi. Lumber;
- vii. Engineered wood, and
- viii. Drywall.

(2) Minor additions of articles, materials, supplies or binding agents to a construction material do not change the categorization of the construction material.

F. Covered Materials includes the following when used in connection with an Infrastructure Project:

- (A) all iron and steel;
- (B) all Manufactured Products; and
- (C) all Construction Materials.

G. Covered CPD Programs. The term “covered CPD programs” means any Federal financial assistance administered by CPD that is used for infrastructure purposes, excepting expenditures related to pre and post disaster or emergency response.

H. Grantee. The term “grantee,” as defined at 24 CFR 5.100, means the person or legal entity to which a grant is awarded and that is accountable for the use of the funds provided.

I. Federal Financial Assistance (FFA) has the meaning given to the term in 2 CFR 200.1 (or successor regulations) and includes all expenditures by a Federal agency to a Non-Federal Entity for an Infrastructure Project, except that it does not include:

(A) expenditures for assistance authorized under section 402, 403, 404, 406, 408, or 502 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170a, 5170b, 5170c, 5172, 5174, or 5192) relating to a major disaster or emergency declared by the President under section 401 or 501, respectively, of such Act (42 U.S.C. 5170, 5191); or

(B) pre and post disaster or emergency response expenditures.

J. Infrastructure is described in 2 CFR 184.4(c) and encompasses public infrastructure projects in the United States, which includes, at a minimum: the structures, facilities, and equipment for roads, highways, and bridges; public transportation; dams, ports, harbors, and other

maritime facilities; intercity passenger and freight railroads; freight and intermodal facilities; airports; water systems, including drinking water and wastewater systems; electrical transmission facilities and systems; utilities; broadband infrastructure; and buildings and real property; and structures, facilities, and equipment that generate, transport, and distribute energy including electric vehicle (EV) charging. See also 2 CFR 184.4(d).

- K. Infrastructure Project. The term “infrastructure project” is defined in 2 CFR 184.3 and means any activity related to the construction, alteration, maintenance, or repair of infrastructure in the United States regardless of whether infrastructure is the primary purpose of the project.
- L. Iron and Steel Products. The term “iron and steel products” is defined in 2 CFR 184.3 and means an article, material, or supply that consists wholly or predominantly of iron or steel, or a combination of both.
- M. Predominantly of iron or steel or a combination of both is defined in 2 CFR 184.3 and means that the cost of the iron and steel content exceeds 50 percent of the total cost of all its components. The cost of iron and steel is the cost of the iron or steel mill products (such as bar, billet, slab, wire, plate, or sheet), castings, or forgings utilized in the manufacture of the product and a good faith estimate of the cost of iron or steel components.
- N. Made in America Office. The term “Made in America Office” or “MIAO” means the office at the Office of Management and Budget, established by section 70923 of BABA, that is charged with, among other things, enforcing compliance with the BAP and establishing the procedures to review waiver requests proposed by a Federal awarding agency.
- O. Manufactured Products is defined in 2 CFR 184.3 and means:
- (1) Articles, materials, or supplies that have been:
    - (i) Processed into a specific form and shape; or
    - (ii) Combined with other articles, materials, or supplies to create a product with different properties than the individual articles, materials, or supplies.
  - (2) If an item is classified as an iron or steel product, a construction material, or a section 70917(c) material under 2 CFR 184.4(e) and the definitions set forth in this section, then it is not a manufactured product. However, an article, material, or supply classified as a manufactured product under 2 CFR 184.4(e) and paragraph (1) of this definition may include components that are construction materials, iron or steel products, or section 70917(c) materials.
- P. Manufacturer is defined in 2 CFR 184.3 and means the entity that performs the final manufacturing process that produces a manufactured product.
- Q. Non-Federal Entity means a State, local government, Indian Tribe, Institution of Higher Education (IHE), or nonprofit organization, as provided in 2 CFR 200.1. Public Housing Agencies are Non-Federal Entities.

- R. Not Listed Construction Materials. The term “not listed construction materials” refers to the category of construction materials that are subject to the BAP, but not included in HUD’s specifically listed construction materials, as defined in the Phased Implementation Waiver. This includes:
- i. plastic and polymer-based products other than composite building materials or plastic and polymer-based pipe or tube;
  - ii. glass (including optic glass); and
  - iii. drywall.
- S. Obligate. The term “obligate,” for purposes of HUD’s phased implementation of BABA, means the date that HUD executed the legal instrument creating the relationship between HUD and the grantee for an award of Federal financial assistance. The milestone that establishes an obligation date depends on each program but for many CPD programs, such as CDBG, the obligation date occurs upon HUD’s execution of the grant agreement.
- T. OMB Guidance. The term “OMB guidance” refers to 2 CFR Part 184, the "[Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure](#)" (M-24-02), issued October 25, 2023, by the Office of Management and Budget, and any subsequent guidance to rescind or replace M-24-02. This guidance is applicable to the heads of all Federal agencies for the implementation of BABA’s Buy America Preference.
- U. Pre and Post Disaster or Emergency Response Expenditures. The term “pre and post disaster or emergency response expenditures” means Federal funding authorized under section 402, 403, 404, 406, 408, or 502 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) relating to a major disaster or emergency declared by the President under section 401 or 501, respectively. The BAP does not apply to pre and post disaster or emergency response expenditures authorized by statutes other than the Stafford Act and made in anticipation of or in response to an event that qualifies as an emergency or major disaster within the meaning of the Stafford Act.
- V. Produced in the United States is defined in 2 CFR 184.3 and means:
- i. In the case of iron or steel products, all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
  - ii. In the case of manufactured products:
    1. The product was manufactured in the United States; and
    2. The cost of components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard that meets or exceeds this standard has been established under applicable law or regulation for determining the minimum amount of domestic content of the manufactured product. See 2 CFR 184.2(a). The costs of components of a manufactured product are determined according

to 2 CFR 184.5.

- iii. In the case of construction materials, all manufacturing processes for the construction material occurred in the United States. See 2 CFR 184.6 for more information on the meaning of “all manufacturing processes” for specific construction materials.

W. Project. The term “project” means the construction, alteration, maintenance, or repair of infrastructure in the United States. (Section 70912(7) of BABA).

X. Section 70917(c) Materials. The term “section 70917(c) materials” is defined in 2 CFR 184.3 and means cement and cementitious materials; aggregates such as stone, sand, or gravel, or aggregate binding agents or additives. These materials are not considered “construction materials” for the purpose of BABA implementation.

Y. Specifically listed construction materials. The term “specifically listed construction materials” for HUD programs includes:

- a. non-ferrous metals;
- b. lumber;
- c. composite building materials; and
- d. plastic and polymer-based pipe and tube.

### **III. Applicability of the BAP on CPD Programs**

Under Sections 70912 and 70914, the BAP applies to the purchase of iron, steel, manufactured products, and construction materials for Covered CPD Programs when funds are used for the construction, alteration, maintenance, or repair of infrastructure, as defined by BABA. Covered CPD Programs currently include:

- Community Development Block Grant Formula Programs (CDBG)
- Section 108 Loan Guarantee
- HOME Investment Partnerships Program (HOME)
- HOME Investment Partnerships American Rescue Plan Program (HOME-ARP)
- Housing Trust Fund (HTF)
- Recovery Housing Program (RHP)
- Emergency Solutions Grants (ESG)
- Continuum of Care (CoC)
- Housing Opportunities for Persons With AIDS (HOPWA)
- Self-Help Homeownership Opportunity Program (SHOP)
- Special NOFA for unsheltered and rural homeless
- Veterans Housing Rehabilitation and Modification Program (VHRMP)
- Community Project Funding (CPF)/Economic Development Initiatives (EDI)
- Section 4 Capacity Building
- Rural Capacity Building
- Pathways to Removing Obstacles to Housing (PRO Housing)
- Preservation and Reinvestment Initiative for Community Enhancement (PRICE)

- FY23 Permanent Supportive Housing (PSH) Funds

This list of Covered CPD Programs is subject to change if there are any changes to the eligible uses of funds or the establishment of new programs that fund infrastructure and are covered by BABA.

#### **CPD Programs Not Covered by BAP:**

Under Section 70912(4)(B), the BAP does not apply to Federal funds for “pre and post disaster or emergency response.” The following CPD funds are administered for disaster or emergency-related purposes and therefore the BAP does not apply:

- Community Development Block Grant – Disaster Recovery Funds (CDBG-DR)
- Community Development Block Grant – Mitigation (CDBG-MIT)
- Community Development Block Grant – National Disaster Resilience Competition (CDBG-NDR)
- Community Development Block Grant CARES Act (CDBG-CV)
- Housing Opportunities for Persons With AIDS CARES Act (HOPWA-CV)
- Emergency Solutions Grants CARES Act (ESG-CV)

Additionally, the Community Compass Technical Assistance program is excluded from the BAP as the program does not fund any covered infrastructure activities.

#### **IV. Buy America Preference Waivers Currently in Effect for HUD Programs**

Under Section 70914(b), HUD is able to issue, after consultation with OMB’s MIAO, general waivers, and project-specific waivers to the BAP if it is determined that a waiver falls into one of the following three categories: 1) when applying the domestic content procurement preference would be inconsistent with the public interest, 2) when types of iron, steel, manufactured product or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality, or 3) where the inclusion of those products and materials will increase the cost of the overall project by more than 25 percent. In order for HUD to consider either a general or project specific waiver request and be able to review it with OMB, the waiver must include a detailed written explanation and allow for the public to comment for at least 15 days, as required under Section 70914(c).

## HUD's General Waivers Applicable to Covered CPD Programs

Four general applicability waivers are currently in effect for HUD programs and apply to all Covered CPD Programs. Each waiver is outlined below.

| General Waiver Type                                   | Purpose   | Effective Dates   |
|---|---|---|
| <b>Public Interest Phased Implementation</b>          | HUD issued a public interest waiver, <a href="#"><u>"Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance"</u></a> to allow for orderly implementation of the BAP across HUD programs. The Phased Implementation Waiver establishes a schedule for the phased implementation of the BAP across CPD programs and infrastructure materials.  | The public interest waiver was issued in March 2023 and established a phased implementation schedule for the application of the BAP to HUD programs through FY2025. The BAP has been in effect since November 15, 2022, for the use of iron and steel for infrastructure projects funded with newly obligated FFA through the CDBG program. |
| <b>Exigent Circumstances</b>                          | HUD issued a public interest waiver for exigent circumstances, <a href="#"><u>"Public Interest Waiver of Build America, Buy America Provisions for Exigent Circumstances as Applied to Certain Recipients of HUD Federal Financial Assistance"</u></a> . This waiver applies when there is an urgent need by a CPD grantee to immediately complete an infrastructure project because of a threat to life, safety, or property of residents and the community.   | The public interest waiver for exigent circumstances is effective from November 23, 2022, for a period of five years ending on November 23, 2027, or such shorter time as HUD may announce via Notice.  |
| <b>De Minimis, Small Grants, and Minor Components</b> | HUD issued a public interest <i>de minimis</i> , small grants, and minor components waiver titled <a href="#"><u>"Public Interest De Minimis and Small Grants Waiver of Build America, Buy America Provisions as Applied to Certain Recipients of HUD Federal Financial Assistance"</u></a> . This waives the BAP for all infrastructure projects whose total cost (from all funding sources) is equal to or less than the simplified acquisition threshold at 2 CFR 200.1 which is currently \$250,000. This Notice also waives the application of the BAP for a | The public interest <i>de minimis</i> , small grants, and minor components waiver is effective from November 23, 2022, for a period of five years ending on November 23, 2027, or such shorter time as HUD may announce via Notice.   |

| General Waiver Type             | Purpose   | Effective Dates  |
|---------------------------------|---|--|
|                                 | <i>de minimis</i> portion of an infrastructure project, meaning a cumulative total of no more than five percent of the total cost of the iron, steel, manufactured products, and construction materials used in and incorporated into the infrastructure project, up to a maximum of \$1 million.   |  |
| <b>Tribal Recipients Waiver</b> | HUD issued a public interest waiver, “ <a href="#"><i>Extension of Public Interest, General Applicability Waiver of Build America, Buy America Provisions as Applied to Tribal Recipients of HUD Federal Financial Assistance: Final Notice</i></a> ” for the BAP as it applies to Tribal recipients. HUD will consult with Tribally Designated Housing Entities and other Tribal Entities on how to apply the BAP. | The waiver of the BAP as it applies to Tribal recipients is effective from May 23, 2023, until May 23, 2024. |

### HUD Project-Specific Waivers

Additionally, a CPD grantee may request a project-specific waiver from the BAP for covered FFA on a limited, case-by-case basis. HUD may grant a project specific waiver after consultation and review with the OMB’s MIAO. As with the general waivers, under Section 70914(b) HUD may issue a project-specific waiver to the BAP if it is determined that a waiver falls into one of the following three categories: 1) when applying the domestic content procurement preference would be inconsistent with the public interest, 2) when types of iron, steel, manufactured product or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality, or 3) where the inclusion of those products and materials will increase the cost of the overall project by more than 25 percent. A waiver for a specific project may vary depending upon the circumstances of the project, and specific items, products, or materials in question.

### Understanding HUD’s Phased Implementation Approach

Under Section 70914(a), the BAP for covered FFA infrastructure projects, including those funded by CPD programs, was required to be in effect no later than 180 days after it was signed into law. Thus, starting May 14, 2022, all new awards of covered FFA for infrastructure projects obligated by HUD would have had a BAP under BABA. Due to the short implementation period of 180 days, and to allow for the domestic industry and FFA recipients to have the time and notice necessary to implement BABA efficiently and effectively, HUD issued several general public

interest waivers, including a Phased Implementation Waiver. Over the course of two years, under this waiver, HUD will implement the BAP in an incremental process for all HUD programs, including CPD programs, to come into compliance with BABA. This phased approach is also intended to reduce the burden on grantees due to the uncertain costs of compliance with the BAP. This approach is also intended to provide transparency concerning the full implementation plans in connection with HUD infrastructure projects. HUD wants to avoid any unnecessary and undue hardships that could jeopardize the timely and cost-effective completion of projects that previously were not subject to a BAP and to allow time for grantees to come into full compliance.

In the table below, the columns identify four separate categories of covered materials subject to the BAP (iron and steel, specifically listed construction materials, not listed construction materials, and manufactured products) and the rows identify covered HUD programs. To use the table, find the program that funds the project under consideration, then find the covered materials that will be used in the project. The cell in the table where the applicable row and column intersect indicates the date on which the BAP will begin applying to the specific materials used in the project under consideration. It is important to note that the date of obligation is the date on which HUD executed the legal instrument creating the relationship between HUD and the grantee for an award of FFA, commonly the date the grant agreement is signed by HUD.

## Phased Implementation Schedule for HUD Programs

The table below outlines the phased implementation timeline for HUD's covered programs published in the Phased Implementation Waiver.

## Phased Implementation Schedule for CPD Programs

Covered CPD programs began applying the BAP for infrastructure projects not covered under a general waiver for specific materials in phases beginning on November 15, 2022, and through FY2025. This section describes when the BAP applies to specific Covered CPD programs in accordance with HUD's Phased Implementation Waiver.

| Iron or Steel  |  |  |
|--|--|--|
| CPD Program  | BAP Effective Date   | Implementation Examples  |
| <b>CDBG</b>  | The BAP first applied to CDBG funds, obligated on or after November 15, 2022, and that will be used to purchase iron and steel for infrastructure projects.                                | This means CDBG grants obligated via a CDBG grant agreement signed by HUD on or after November 15, 2022, are subject to the BAP. CDBG grants obligated via a CDBG grant agreement signed by HUD prior to November 15, 2022, are not subject to the BAP.  |
| <b>RHP</b>   | The BAP will apply to RHP funds obligated on or after August 23, 2023, used to purchase iron or steel for infrastructure projects.   | This means RHP grants obligated via a RHP grant agreement signed by HUD on or after August 23, 2023, are subject to the BAP. A RHP grant obligated via a grant agreement signed by HUD prior to August 23, 2023, is not subject to the BAP.  |
| <b>ESG, CoC, HOPWA, SHOP, VHRMP, CPF/EDI, Section 4, Rural Capacity Building, Pro Housing, PRICE, PSH, and NOFOs</b> | The BAP will apply to funds from all other covered CPD programs, except HOME and HTF, obligated on or after February 22, 2024, used to purchase iron or steel for infrastructure projects. | Grantees should identify the execution date by HUD on the grant agreement or other legal instrument. The BAP applies to funds obligated by HUD on or after February 22, 2024.<br><br>For HOPWA competitive grants, obligation is the date the award letter is signed. HOPWA competitive grantees should compare the date on its award letter to the February 22, 2024, to determine if its grant is subject to the BAP.<br><br>EDI Community Project Funding has a different obligation determination. Grantees should consult their Congressional Grant Officer for more information. |
| <b>HOME &amp; HTF</b>  | The BAP will apply to HOME and HTF funds obligated on or after August 23, 2024, used to purchase iron or steel for infrastructure projects.  | This means HOME and HTF grants obligated via grant agreements signed by HUD on or after August 23, 2024, are subject to the BAP. A HOME or HTF grant obligated via a grant agreement signed by HUD prior to August 23, 2024, is not subject to the BAP.  |

| <b>Materials Other Than Iron or Steel</b>   |   |   |
|---|---|---|
|   | <b>CDBG &amp; RHP Programs</b>  | <b>All Other Covered CPD Programs</b>   |
| <b>Specifically Listed Construction Materials (Non-Ferrous Metals, Lumber, Composite Building Materials, Plastic and Polymer Based Pipe and Tube)</b> | The BAP will apply to FY2024 and subsequent CDBG and RHP awards used to purchase specifically listed construction materials as well as to purchase iron and steel.  | The BAP will apply to funds from all other Covered CPD programs obligated on or after August 23, 2024, used for the purchase of specifically listed construction materials as well as iron and steel for infrastructure projects.   |
| <b>Not Listed Construction Materials</b>  | The BAP will apply to FY2025 and subsequent CDBG and RHP awards used to purchase not listed construction materials for infrastructure projects.   | The BAP will apply to all Covered CPD program (except CDBG and RHP) funds obligated on or after August 23, 2024, used for the purchase of not listed construction materials, as well as specifically listed construction materials and iron and steel, for infrastructure projects. |
| <b>Manufactured Products</b>  | The BAP will apply to FY2025 and subsequent CDBG and RHP awards used to purchase manufactured products as well as specifically listed construction materials and iron and steel, for infrastructure projects. | The BAP will apply to all Covered CPD program funds (except CDBG and RHP) obligated on or after August 23, 2024, used for the purchase of manufactured products for infrastructure projects.  |

### **Applying the BAP and HUD Waivers to CPD Programs**

Once the BAP applies to an infrastructure project, a grantee must:

1. Comply with the BAP, or
2. Utilize one of HUD's general waivers, or
3. Obtain a project-specific waiver to exclude the project from the BAP.

As a part of its record keeping, a CPD grantee should document its process to analyze if the BAP applies to a project using the approach below:

#### **Step 1: Type of project/activity**

Are the funds being used for an infrastructure project, as defined by BABA and explained in this notice?

- If yes, proceed to step 2.
- If no, the BAP does not apply. The BAP only applies to infrastructure projects.

## **Step 2: Funding source**

Identify the source(s) of the project funding, including CPD funding, HUD funding or other Federal agency funding that must comply with BABA. Does the project funding include any Covered CPD Programs listed in this notice? (Note: The BAP does not apply to funds that are for pre- or post-disaster or emergency response.)

- If yes, and HUD contributes the largest portion of Federal funds to the project, proceed to step 3.
- If yes, and another Federal agency contributes the largest portion of Federal funds to the project, that Federal agency is the “Cognizant Agency for Made in America”, and the grantee should follow that agency’s guidance for applicability of the BAP to the project.
- If no, then the project does not need to comply with the BAP for CPD funds but may need to comply with the BAP due to the inclusion of other HUD or Federal funding sources.

## **Step 3: Materials**

Identify the materials that will be used in this infrastructure project. Does the project use materials subject to the BAP (iron or steel, specifically listed construction materials, not listed construction materials, or manufactured products), identified in this Notice?

- If yes, proceed to step 4.
- If no, then the BAP does not apply. The BAP only applies to covered materials.

## **Step 4: Date of obligation**

Consult the Phased Implementation Waiver schedule table. Identify the cell that corresponds to the Covered CPD Program funding and materials used in your project. This cell identifies the date on which the BAP will apply for the Covered CPD Program and the materials. Based on the date of obligation of the Covered CPD Program funds, does the BAP apply to the funding source and materials that will be used in your project?

- If yes, proceed to step 5.
- If no, the BAP does not apply.

## **Step 5: General waivers**

Consider the available HUD General Waivers. As of this Notice, there are three general waivers that may be utilized as an alternative to compliance with the BAP under the Phased Implementation Waiver: 1) Exigent Circumstances Waiver, 2) the De Minimis, Small Grants, and Minor Components Waiver, and 3) the Tribal Recipients Waiver. Analyze each available HUD general waiver, based upon the specific requirements of that waiver.

1. *Exigent Circumstances Waiver*: Is there an urgent need to immediately complete the project because of a threat to life, safety, or property of residents and the community?
  - If yes, the Exigent Circumstances Waiver may apply, and the project would not be subject to the BAP.
2. *De Minimis, Small Grants, and Minor Components Waiver*: Is the total cost of the project equal to or less than \$250,000?
  - If yes, the *De Minimis*, Small Grants, and Minor Components Waiver may apply, and the project would not be subject to the BAP.

OR

This waiver can be applied to a portion of the products used in an infrastructure project if the cumulative cost of those products does not exceed five percent of the total cost of covered products used in the project (up to \$1 million).

- In that case, the BAP would be waived for part of the project, but the rest of the project would still need to comply with the BAP.

3. *Tribal Recipients Waiver:* Is the project being funded by a Tribal recipient?

- If yes, the Tribal Recipients Waiver may apply, and the project would not be subject to the BAP. (This is rare for CPD programs.)
- If no to General Waiver questions 1, 2, and 3, proceed to Step 6.

**Step 6: Project-specific waivers**

Consider the criteria for project-specific waivers. Project-specific waivers to the BAP may be available if it is determined that a waiver falls into one of the following three categories: 1) when applying the domestic content procurement preference would be inconsistent with the public interest, 2) when types of iron, steel, manufactured product or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality, or 3) where the inclusion of those products and materials will increase the cost of the overall project by more than 25 percent. Project-specific waivers are available on a limited, case-by-case basis, after HUD's consultation and review with OMB's MIAO.

1. Would applying the BAP to the project be inconsistent with the public interest?
  - If yes, a project-specific waiver may be considered.
2. Are the types of iron, steel, manufactured products, or construction materials used in the project not produced in the United States in sufficient and reasonable available quantities or of a satisfactory quality?
  - If yes, a project-specific waiver may be considered.
3. Would the inclusion of iron, steel, manufactured products, or construction materials produced in the United States increase the cost of the overall project by more than 25 percent?
  - If yes, a project-specific waiver may be considered.
  - If no to Project specific waiver questions 1, 2, and 3, the BAP likely applies to the project and the project should comply with the requirements of the BAP.

Grantees should consult the entirety of this Notice and other applicable BABA guidance before making a determination on BAP applicability to a specific project. Grantees should reach out to their local CPD field office if they require additional assistance with determining BAP applicability.

## Federal Government-wide Guidance on Project/Product-Specific Waivers

Under Section 70914(b), BABA allows a Federal agency, such as HUD, to waive the BAP for covered FFA in three instances: 1) when applying the domestic content procurement preference would be inconsistent with the public interest, 2) when types of iron, steel, manufactured product or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality, or 3) where the inclusion of those products and materials will increase the cost of the overall project by more than 25 percent. To direct Federal agencies on how to implement this waiver process, OMB issued guidance that HUD will follow when reviewing a waiver request from a CPD grantee. According to OMB, agencies may reject or grant waivers in whole or in part. When an agency is considering a waiver, it should, to the greatest extent possible, be issued at the project level and be product specific. When that is not possible, an agency may issue a broader waiver. The agency should follow three principles before issuing any type of waiver:

- 1) The waiver may be time-limited, meaning it is issued for a certain period of time, rather than for a specific project. For example, a time-limited waiver may apply when an item that is “nonavailable” is widely used in projects funded by a particular program.
- 2) The waiver should be targeted, meaning it should only apply to specific item(s), product(s), or material(s) or category(ies) of item(s), product(s), or material(s).
- 3) The waiver may be conditional with conditions that support the policies of BABA.

OMB guidance outlined the waiver review process for agencies to follow before issuing a waiver. Based on this guidance, HUD is developing its Department-wide project-specific waiver process. For HUD to consider a project or product-specific waiver it must:

- Have a detailed justification for the use of goods, products, or materials mined, produced, or manufactured outside the United States.
- A certification that there was a good faith effort to solicit bids for domestic products supported by terms included in requests for proposals, contracts, and nonproprietary communications with potential suppliers.
- In addition, at a minimum and to the greatest extent practicable, each proposed waiver submitted for consideration by the MIAO should include the following information, as applicable:
  - Waiver type (nonavailability, unreasonable cost, or public interest).
  - Recipient name and Unique Entity Identifier (UEI).
  - Federal awarding agency organizational information (e.g., Common Government-wide Accounting Classification (CGAC) Agency Code).
  - Financial assistance listing name and number.
  - Federal financial assistance program name.
  - Federal Award Identification Number (FAIN) (if available).
  - Federal financial assistance funding amount.

- Total estimated infrastructure expenditures, including all Federal and non-Federal funds (to the extent known).
- Infrastructure project description and location (to the extent known).
- List of iron or steel item(s), manufactured products, and construction material(s) proposed to be excepted from Buy America requirements, including name, cost, country(ies) of origin (if known), and relevant PSC and NAICS code for each.
- A certification that the Federal official or assistance recipient made a good faith effort to solicit bids for domestic products supported by terms included in requests for proposals, contracts, and nonproprietary communications with the prime contractor.
- A statement of waiver justification, including a description of efforts made (e.g., market research, industry outreach), by the Federal awarding agency and, in the case of a project or award specific waiver, by the recipient, in an attempt to avoid the need for a waiver. Such a justification may cite, if applicable, the absence of any Buy America-compliant bids received in response to a solicitation.
- Anticipated impact if no waiver is issued.
- Any relevant comments received through the public comment period.

The purpose of the information is to ensure that HUD has adequate information to perform due diligence, that MIAO has sufficient information to determine whether the proposed waiver is consistent with law and policy, and that sufficient information is available for public review. Information provided for public review should help interested manufacturers gauge the demand for products for which agencies are considering waiving a Buy America preference.

Once HUD has reviewed all required information, it will notify OMB's MIAO. The purpose of this consultation is for the MIAO to identify any opportunities to structure the waiver to maximize the use of goods, products, and materials produced in the United States to the greatest extent possible consistent with law. Following this consultation with MIAO, HUD is required to post the proposed waiver on its BABA website with a detailed written explanation of the proposed determination to issue the waiver and must provide at least 15 days for public comment. General applicability waivers require a minimum 30-day public comment period. Once the public comment period ends, HUD will submit the proposed waiver to MIAO to determine if the waiver is consistent with applicable law and policy. The MIAO will notify the agency of its determination of the proposed waiver. Only after this process has been completed may the HUD issue the waiver.

### **Applying for a HUD Specific Waiver**

Prior to seeking a waiver, grantees should determine if and how BABA applies and follow measures to maximize compliance with the BAP based on the above guidance. At this time, HUD's BABA waiver process is as follows:

1. Contact [CPDBABA@hud.gov](mailto:CPDBABA@hud.gov) for BABA technical assistance as needed.
2. Prepare a "[Build America Buy America Waiver Request](#)" with the information required by the MIAO.

3. Submit a waiver application with all necessary information to HUD at [BuildAmericaBuyAmerica@hud.gov](mailto:BuildAmericaBuyAmerica@hud.gov).
  - HUD is currently using email while an automated process is under development.
4. Provide additional information as requested by HUD during the review process to proceed with public comment in the Federal Register, and final approval by MIAO.
5. HUD reviews waivers before they are posted to the Federal Register for public comment and sent to the MIAO for approval. If approved, the waiver is posted on [MadeInAmerica.gov](http://MadeInAmerica.gov).

### **CPD Grantees Receiving Funds from Multiple Federal Agencies**

For CPD grantees that receive funds from multiple Federal agencies for an infrastructure project, the Federal agency contributing the greatest amount of covered FFA for the project will be considered the “Cognizant Agency for Made in America,” according to OMB Guidance. This lead agency should take responsibility for coordinating with the other Federal awarding agencies. Such coordination will provide uniform waiver criteria and adjudication processes, minimize duplicative efforts among Federal agencies, and reduce burdens on recipients. The Cognizant Agency for Made in America shall be responsible for consulting with the other Federal awarding agencies, publicizing the proposed joint waiver, and submitting the proposed joint waiver for review to MIAO.

### **CPD Record Keeping Requirements**

To comply with BABA, the BAP must be included in the terms and conditions of all federal awards including subawards, contracts, and purchase orders for the work performed or products supplied for infrastructure projects. CPD grantees should document the process to analyze if the BAP applies to a project using the approach in this Notice and collect records to demonstrate compliance with BABA requirements. Records should be consistent with existing records retention requirements for each of the Covered CPD programs. If there are no CPD program-specific records requirements, the CPD grantee may follow “retention requirements for records,” under 2 CFR § 200.334 as applicable to Federal grants.

HUD will issue guidance about reporting on BABA required activities under 24 CFR 91.520, at a later date. At this time, CPD is working to include the BAP into its existing CPD systems (Integrated Disbursement and Information System, Disaster Recovery Grant Reporting System) for grantees to generate reports to track progress and compliance with BABA. Additional details on record keeping requirements will be determined by HUD and shared with CPD grantees as it is available.

### **V. Contact Information**

Grantees that have questions on this Notice should contact their assigned HUD Field Office Representative or send their request directly to [CPDBABA@hud.gov](mailto:CPDBABA@hud.gov). CPD Field Offices should direct inquiries and comments to their program desk officer.

## Addendum 1

### Frequently Asked Questions

#### *General Information*

**1. What is BABA? What is the “Buy America Preference”?**

The Build America, Buy America (BABA) Act was enacted on November 15, 2021, as part of the Infrastructure Investment and Jobs Act (IIJA) (Pub. L. No. 117-58) also known as the Bipartisan Infrastructure Law. BABA establishes a domestic content procurement preference known as the “Buy America Preference” (BAP) for Federal infrastructure spending. The BAP requires that all iron, steel, manufactured products, and construction materials used in infrastructure projects funded with Federal financial assistance must be produced in the United States.

**2. What types of Federal financial assistance (FFA) are subject to the BAP?**

FFA subject to BABA includes all expenditures by a Federal agency to a non-Federal entity for an infrastructure project, including grants, cooperative agreements, non-cash contributions or donations of property, direct assistance, loans, loan guarantees, and other types of financial assistance.

**3. What projects or activities does the BAP apply to?**

The BAP applies to the iron, steel, construction materials, and manufactured products used in infrastructure projects funded by Federal financial assistance (FFA), which includes covered materials and covered activities. Infrastructure projects include construction, alteration, maintenance, or repair of any infrastructure in the United States as defined in the next paragraph and in the Definitions section of this Notice.

The term “infrastructure” includes the structures, facilities, and equipment for projects traditionally considered infrastructure, including buildings and real property. For CPD programs, this may include, but is not limited to, certain funding for:

- road and sidewalk improvement projects;
- water, sewer, and other utility projects;
- broadband infrastructure;
- housing construction and rehabilitation;
- community facility construction and rehabilitation;
- homeless shelter construction and rehabilitation;
- and other CPD-funded activities that are defined as infrastructure according to BABA (section 70912(5)).

#### **4. What materials does the BAP apply to?**

The BAP requires that all iron, steel, manufactured products, and construction materials used in infrastructure projects funded with Federal financial assistance must be produced in the United States.

#### **5. What does “produced in the United States” mean for materials to which the BAP applies?**

The term “produced in the United States,” as defined in 2 CFR 184.3, means:

- in the case of iron or steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
- in the case of manufactured products that:
  - the product was manufactured in the United States; and
  - the cost of components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard that meets or exceeds this standard has been established under applicable law or regulation for determining the minimum amount of domestic content of the manufactured product; and
- in the case of construction materials, that all manufacturing processes for the construction material occurred in the United States.

#### ***CPD Program Specific***

#### **6. Which CPD programs are subject to the BAP?**

Any CPD program that can be used for the purpose of infrastructure as defined by BABA. These programs are considered Covered CPD programs.

#### **7. Which CPD funds or programs are NOT subject to the BAP?**

The BAP does not apply to Federal funds for “pre and post disaster or emergency response” according to BABA. Therefore, at the time of publication of this notice, the BAP does not apply to the following CPD funds or programs that administer disaster related FFA:

- Community Development Block Grant Disaster Recovery Funds (CDBG-DR)
- Community Development Block Grant Mitigation (CDBG-MIT)
- Community Development Block Grant – National Disaster Resilience Competition (CDBG-NDR)
- Community Development Block Grant CARES Act (CDBG-CV)
- Housing Opportunities for Persons With AIDS CARES Act (HOPWA-CV)
- Emergency Solutions Grants CARES Act (ESG-CV)

The Community Compass Technical Assistance program is also excluded from the BAP as the program does not fund any covered infrastructure activities.

- 8. I am funding a project with CDBG funds that were obligated (i.e., the grant agreement was signed by HUD) before November 15, 2022. Does the BAP apply?**

No, the BAP does not apply to HUD funds that were obligated before November 15, 2022. HUD defines the date of obligation as the date that HUD signed the agreement with the grantee. The BAP will apply to CDBG funds used for iron or steel that were obligated on or after November 15, 2022.

There is an additional consideration. If FY funds for which BABA applies are added to this infrastructure project, BABA then will apply to the entire project.

- 9. I am a grantee funding a project with CDBG funds that were obligated (i.e., the grant agreement was signed by HUD) on or after November 15, 2022. Does the BAP apply?**

If the CDBG funds used in your infrastructure project were obligated on or after November 15, 2022, the BAP will apply to all iron or steel used in the project, unless a waiver applies to the project. If these BABA funds are applied to an infrastructure project that does not have a BAP, the addition of these funds will attach BABA to the entire project. BABA would apply as described in HUD's Phased Implementation Waiver unless there is a project-specific waiver approved by the MIAO.

- 10. I am funding a public facilities project with total FFA of \$2,500,000. \$400,000 of CDBG funds are being used for engineering and administration fees of a project. Other federal funding will pay for the remaining construction activities. Is the BAP applicable to this project?**

Yes, the total project cost is over \$250,000 and the project is construction of an infrastructure project. The total cost of a project must not exceed \$250,000 from all sources to qualify for an exemption of the BAP under HUD's general waiver for small projects.

#### ***Documentation and Grant Management***

- 11. Does the BAP apply to subrecipients or contractors?**

In most cases, yes, the BAP requirements apply to subgrantees, including subrecipients, contractors, and developers who are awarded Federal financial assistance for use in public infrastructure projects. The BAP requirements apply to all FFA and do not distinguish between the end user of the federal funds. The BAP applies as long as the funding is derived from a Federal agency, even if they are a pass-through entity unless a particular section of the terms and conditions of the Federal award specifically indicates otherwise.

**12. Is there standard language grantees can include in subrecipient/bid contract documents?**

Grantees should include the BABA language from their grant agreement in any subrecipient and bid contract documents to ensure BABA compliance by subrecipients, developers and/or contractors. Please refer to Addendum 3 for the language used in CPD grant agreements.

**Waivers**

**13. Are there any waivers available for the BAP?**

There are currently four general applicability waivers in effect for HUD programs that apply to CPD programs: 1) Phased Implementation Waiver, 2) Exigent Circumstances Waiver, 3) *De Minimis*, Small Grants, and Minor Components Waiver, and 4) Tribal Recipients Waiver. The details of each of these waivers can be found in Section IV of this Notice, or by visiting HUD's BABA website to see the latest available HUD waivers at: [https://www.hud.gov/program\\_offices/general\\_counsel/baba](https://www.hud.gov/program_offices/general_counsel/baba). Waivers, as they are approved by the MIAO, will be updated on HUD's website.

**14. Will there be project or product specific waivers of the BAP?**

In addition to HUD's general waivers, HUD may also grant "project-specific" waivers from the BAP for covered FFA on a limited, case-by-case basis, after consultation and review with the MIAO at OMB. HUD may issue a project-specific waiver to the BAP if it is determined that a waiver falls into one of the following three categories: 1) when applying the domestic content procurement preference would be inconsistent with the public interest, 2) when types of iron, steel, manufactured product or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality, or 3) where the inclusion of those products and materials will increase the cost of the overall project by more than 25 percent. A waiver for a specific project may vary depending upon the circumstances of the project, and specific items, products, or materials in question. HUD is currently developing the process through which a grantee may request a waiver. More information will be made available once that process is developed.

## **Addendum 2**

### **Examples of BAP for CPD Programs**

This appendix provides a selection of illustrative examples to assist grantees in determining if the BAP applies to their projects.

**Example 1:** A grantee funds a water and sewer project containing iron and steel. The project is funded using \$1 million in FY23 CDBG funding. The total Federal financial assistance for the project is \$3 million.

The BAP applies to this project because it is a CDBG project using funding obligated on or after November 15, 2022, the project contains iron or steel, and the total cost of the project is greater than the simplified acquisition threshold at 2 CFR 200.1 which is currently \$250,000.

**Example 2:** A grantee funds a water and sewer project containing iron and steel. The project is funded using \$100,000 in FY23 CDBG funding. The total Federal financial assistance for the project is \$2 million.

The BAP applies to this project because it is a CDBG project using funding obligated on or after November 15, 2022, the project contains iron or steel, and the total cost of the project is greater than \$250,000.

**Example 3:** A participating jurisdiction contributes \$2 million in HOME funds for construction of a multi-unit residential building, which includes iron or steel. The funds are obligated by HUD on July 15, 2023.

The BAP does not apply to this project because the BAP will not apply to HOME funds used for iron or steel until August 23, 2024.

**Example 4:** A participating jurisdiction contributes \$2 million in HOME funds for the construction of a multi-unit residential building, using iron or steel. The funds are obligated by HUD after August 23, 2024.

The BAP applies to this project because the project includes iron or steel, the total cost of the project is greater than \$250,000, and the project uses HOME funds obligated after the date on which the BAP begins to apply to HOME funds used for iron or steel.

**Example 5:** A grantee funds acquisition of land using \$300,000 in Recovery Housing Program (RHP) funds that were obligated on September 1, 2023. The acquisition is part of a multifamily housing construction project containing iron or steel.

The BAP applies because the purpose of the funding is a covered activity (construction) that includes iron or steel. The total cost of the project from all sources is greater than \$250,000 and the funds are obligated after the date on which the BAP applies to RHP funds used for iron or steel.

**Example 6:** A grantee purchases a fire engine which will serve a low- to -moderate-income neighborhood. The grantees uses \$300,000 in FY23 CDBG funding for the purchase.

The BAP does not apply because the funding is not used for a covered activity (construction, alteration, maintenance, or repair) for an infrastructure project.

**Example 7:** A grantee uses \$400,000 in Recovery Housing Program (RHP) funds to rehabilitate a multi-unit residential building, using iron or steel. The funds are obligated by HUD after August 23, 2023.

The BAP applies to this project because it uses iron or steel, the total cost of the project is greater than \$250,000, and the project uses RHP funding that is obligated after the date on which the BAP begins to apply to RHP funds used for iron or steel (August 23, 2023).

### **Addendum 3**

#### **Sample BABA Language in Grant Agreements**

The language below is included in all CPD program NOFOs and grant agreements. Similar to other cross cutting requirements, grantees should include the following BABA language in all contracts and agreements with subrecipients, contractors, developers and subgrantees. Grantees and subrecipients should include this language in any NOFOs and procurement bid/contract documents to ensure BABA compliance by subgrantees, developers and/or contractors.

The Grantee must comply with the requirements of the Build America, Buy America (BABA) Act, 41 USC 8301 note, and all applicable rules and notices, as may be amended, if applicable to the Grantee's infrastructure project. Pursuant to HUD's Notice, "Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance" (88 FR 17001), any funds obligated by HUD on or after the applicable listed effective dates, are subject to BABA requirements, unless excepted by a waiver.

## **LABOR COMPLIANCE REQUIREMENTS**

### **Project Bidding**

1. Borrower, Prime Contractor, Subcontractor, and every Sub-Tier contractor shall include this CONSTRUCTION CONTRACT LABOR COMPLIANCE PROVISIONS (Attachment D) in all bid documents for Prime Contractor(s), Subcontractor(s) and every Sub-Tier contractor(s) and must clearly state the appropriate prevailing wage rate(s) (i.e., Federal, State, commercial and/or residential and the date of the appropriate wage schedule) for the project(s).

### **Construction**

1. Borrower, Prime Contractor, Subcontractor, and every Sub-Tier contractor shall include the Davis Bacon/California LABOR COMPLIANCE CONTRACT ADDENDUM (DB/CA LCCA) attachment and must clearly state the appropriate prevailing wage rate(s) (i.e., Federal, State, commercial and/or residential and the date of the appropriate wage schedule) for the project(s) in every executed agreement (i.e., contract, purchase order, on-call, etc.) on the project(s).
2. Borrower shall ensure that the Prime Contractor, prior to accepting prospective Subcontractor(s) bid(s) and any Subcontractor accepting prospective lower tier Subcontractor(s) bid(s), has confirmed that each Subcontractor's and lower tier Subcontractor bid is based on the appropriate prevailing wage rate(s) and the correct job classifications for the work to be performed on the project(s) under the subcontract.
3. Prime Contractor, Subcontractor, and every lower tier Subcontractor shall maintain copies of their executed contract(s) for the project(s) and shall provide to CDH a copy of such executed contract(s) upon request within no more than three (3) business days.
4. Prior to construction start, CDH will conduct a mandatory Labor Compliance Pre-Construction Meeting(s). Prime Contractor, Subcontractor, and every lower tier Subcontractor working on the project(s) shall have, in attendance from their office, a representative responsible for managing the duties of prevailing wage labor compliance. Items to be discussed include, but are not limited to, Federal and State labor law requirements applicable to the project(s), prevailing wage requirements, respective record-keeping responsibilities, the requirement for submittal of certified payroll records to CDH, compliance documents and the prohibition against discrimination in employment, required signage, sign-in sheets/daily logs, contract language, WMBE reporting, employee reporting, possible audits, etc. The meeting will be canceled and rescheduled if Prime Contractor, Subcontractor, and/or every lower tier Subcontractor working on the project(s) representative responsible for managing the duties of prevailing wage labor compliance fail to attend the meeting unless authorized to do so by CDH in writing prior to the meeting.
5. Prime Contractor shall maintain at project site(s) daily log/sign-in sheets. Daily log/sign-in sheets shall be separated by company. Sheets shall be written in English and Spanish (and other languages, as appropriate) and shall include CDH and any project labor consultant name and phone number of the current wage monitor, for any worker to contact if there are any questions or concerns about their wages or any other concerns about the project. Prime Contractor shall enforce that all workers employed on site must sign in at the job site daily including time-in, time-out and lunch period (including any applicable travel time to and from project site). The workers must identify the Prime Contractor, Subcontractor and any lower tier Subcontractor for whom they are working and their job classification. Daily log/sign-in sheets shall be emailed to CDH no more than seven (7) days from the end of the scheduled project work week. If requested in writing by CDH, Prime Contractor shall provide to CDH any requested daily log/sign-in sheet copies within no more than three (3) business days of request. Workers who are subject to split-classifications during their tour of duty on the project(s) site shall edit the daily log/sign-in sheets on day's worker duties triggered split-classifications assignment to reflect their actual hours worked in each classification.

6. Prime Contractor, Subcontractor, and every lower tier Subcontractor shall complete in its entirety a Project ID Card for each worker employed on the worksite of the project(s). The Project ID Card shall be completed within five (5) days of execution of contract award for project(s) or before worker(s) begins employment on the project(s) site. The Project ID Card template shall be downloaded from LCPtracker. Prime Contractor, Subcontractor, and every lower tier Subcontractor may use an equivalent Project ID form if approved by CDH in advance and in writing. Prime Contractor, Subcontractor, and every lower tier Subcontractor shall be responsible for furnishing and requiring each worker employed on the worksite to have in possession and/or display such identification card as may be approved and directed by CDH or its designee. Any worker(s) employed on project(s) site found to be without their Project ID Card may be removed from site until Project ID Card is restored. Any Prime Contractor, Subcontractor, and every lower tier Subcontractor who falsifies information on a Project ID Card and/or knowingly reports incorrect information regarding a worker employed on project(s) site shall be dismissed and removed from the project and barred from conducting further business on the project. Workers need to consider wearing heavy duty ID card holders, as they work in extremely physical environments.
7. CDH and/or its designee shall conduct employee interviews and Prime Contractor, Subcontractor, and every lower tier Subcontractor agrees to have their employees interviewed for the purposes of prevailing wage compliance. Employee interviews should be conducted at a frequency and number sufficient to establish the degree of adequacy and accuracy of the CPR, and the nature and extent of any violations. They should also be representative of all classifications of employees on the project. (29 CFR 5.6 (a) (3)).

In doubtful compliance situations, interviews with former employees may be appropriate. Employee interviews are intended to be private from their employer and Prime Contractor agrees allow CDH and/or its designee to conduct such interviews. Each employee should be informed that the information given is confidential, and that his/her identity will not be disclosed to the employer without the employee's written permission. CDH and/or its designee shall conduct at least one set of wage interviews with a representative group of workers during the project construction (PWRB 2013, Investigative Procedures Under Davis Bacon Related Act/Contract Work Hours and Safety Standards Act). CDH and/or its designee must conduct additional interviews if there is any reason to suspect a Contractor or their Subcontractor is at risk for violating wage requirements. As provided in 29 CFR 5.6(a)(5), all interviews must be conducted in confidence.

8. As permitted by Department of Labor, HUD, projects subject to DBRA and Title 8, section 16404 of the California Code of Regulations, allows Prime Contractor, Subcontractor and every lower tier Subcontractor to submit a weekly CPR electronically. Prime Contractor, Subcontractor, and every lower tier Subcontractor agrees to use LCPtracker and shall submit weekly CPR's as required during the term of construction on the project(s). LCPtracker is a web-based software CDH utilizes to collect, verify and manage prevailing wage certified payrolls and related labor compliance documentation.

Prime Contractor, Subcontractor and every Sub-Tier shall submit, via electronic submission, documents as required by CDH, which may include, but is not limited to Certified Payroll Records (CPR)s, Statements of Compliance and other required documents. Prime Contractor, Subcontractor and every Sub-Tier and/or their designee shall sign the E(Electronic)-Signature Authorization Agreement, which must be notarized with an "Acknowledgment", and establish a Personal Identification Number (PIN), on LCPtracker. Prime Contractor, Subcontractor and every Sub-Tier will electronically sign, by use of their established PIN, all documents requiring a signature that are submitted to CDH via LCPtracker. Prime Contractor, Subcontractor and every lower tier Subcontractor agree that their PIN, once established on LCPtracker, constitutes their electronic signature and understands that any information and documents submitted using their PIN is electronically certifying their signature. Prime Contractor, Subcontractor and every lower tier Subcontractor understand that they are legally bound, obligated, and responsible by use of their PIN/electronic signature as much as would be by their handwritten signature.

9. To meet labor compliance requirements, CDH requires that each Prime Contractor, Subcontractor, and every lower tier Subcontractor agrees to complete and submit all required eDocuments on LCPtracker.

All eDocuments are accessed, submitted and approved through LCPtracker. All eDocuments are submitted through CDH's Online Certified Payroll System using a PIN. If requested in writing by CDH, Prime Contractor, Subcontractor, and every lower tier Subcontractor shall provide to CDH any additional requested compliance documentation within no more than three (3) business days of request.

One of the documents that will be required to be uploaded in LCPtracker as part of the eDocuments, is a City business license or a letter stating the reasons why no business license is required. All contractors performing work on a project site located within an incorporated city must possess or obtain that city's business license. However, if the project is located in an unincorporated area of the County, and the contractor's business is located in an incorporated city, the contractor must possess or obtain a business license within the city where their business is located. An exception to the business license requirement will be a letter explaining the exception to the business license requirement, if the contractor's business and the project work site are both located in an unincorporated area of the County.

Prime Contractor, Subcontractor, and every lower tier Subcontractor agree to do the following on project(s):

- A. Submit a hard copy of the Electronic Signature Authorization form within five (5) working days of executed contract - to establish a Personal Identification Number (PIN)) Form must be completed and signed by a company owner, partner, executive officer or designee (if applicable) before a contractor may establish a PIN and electronically sign documents online.
- B. Complete Project ID cards as specified.
- C. Submit required eDocuments online within ten (10) working days of executed contract.
- D. Submit \*non-required eDocuments and other documentation online as specified.
- E. Submit CPRs online within ten (10) working days of the work week's ending date.
- F. Submit one CPR online per project, per week.
- G. Report all workers, including owners, partners and superintendents, who were onsite.
- H. All contractors must submit CPRs online from the start of the project until the time that they finish their work on the project.
- I. All contractors must submit a Statement of Non-Performance online to certify that no work was performed by their company for any week of the project they are not working.
- J. All contractors must submit a final CPR online for the last week they are working on-site.
- K. All contractors must pay every worker on a weekly basis (if applicable).
- L. All CPRs must indicate check number or direct deposit transaction number.

(\*Non-required eDocuments are those eDocuments which are not mandatory per LCPtracker; however, which may be required for a particular job on a case-by-case basis as specified.)

## **STATE PREVAILING WAGE REQUIREMENTS**

---

- A. All or a portion of the Scope of Work in the Contract or Purchase Order (as applicable) requires the payment of prevailing wages and compliance with the following requirements.**

### **(1) Determination of Prevailing Rates**

Pursuant to Labor Code sections 1770, et seq., the County has obtained from the Director of the Department of Industrial Relations (DIR) pursuant to the California Labor Code, the general prevailing rates of per diem wages and the prevailing rates for holiday and overtime work in the locality in which the Scope of Work is to be performed. Copies of said rates are on file with the County, will be made available for inspection during regular business hours, may be included elsewhere in the specifications for the Scope of Work, and are also available online at [www.dir.ca.gov](http://www.dir.ca.gov). The wage rate for any classification not listed, but which may be required to execute the Scope of Work, shall be commensurate and in accord with specified rates for similar or comparable classifications for those performing similar or comparable duties. In accordance with Labor Code section 1773.2, the Contractor shall post, at appropriate and conspicuous locations on the jobsite, a schedule showing all applicable prevailing wage rates and shall comply with the requirements of Labor Code sections 1773, et seq.

### **(2) Payment of Prevailing Rates**

Each worker of the Contractor, Subcontractor, lower tier Subcontractor engaged in the Scope of Work, shall be paid not less than the general prevailing wage rate, regardless of any contractual relationship which may be alleged to exist between the Contractor, Subcontractor, lower tier Subcontractor and their respective worker(s). California law prohibits the use of credits for Employer Payments to reduce the obligation to pay the hourly straight time or overtime wages specified as the Basic Hourly Rate in the general prevailing wage determination.

### **(3) Prevailing Rate Penalty**

The Contractor shall, as a penalty, forfeit two hundred dollars (\$200.00) to the County for each calendar day or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of the DIR for such work or craft in which such worker is employed by the Contractor, Subcontractor or lower tier Subcontractor in connection with the Scope of Work. Pursuant to California Labor Code section 1775, the difference between such prevailing wage rates and the amount paid to each worker for each calendar day, or portion thereof, for which each worker was paid less than the prevailing wage rate, shall be paid to each worker by the Prime Contractor, Subcontractor or lower tier Subcontractor.

### **(4) Ineligible Contractors**

Pursuant to the provisions of Labor Code section 1777.1, the Labor Commissioner publishes and distributes a list of contractors ineligible to perform work as a Prime Contractor, Subcontractor, or lower tier Subcontractor on a public works project. This list of debarred contractors is available from the DIR website at <http://www.dir.ca.gov/Public-Works/PublicWorks.html>. Any contract entered into between a Prime Contractor and a debarred subcontractor is void as a matter of law. A debarred Subcontractor may not receive any public money for performing work as a Subcontractor on a public works contract, and any public money that may have been paid to a debarred Subcontractor by a Prime Contractor on the project shall be returned to the County. The Prime Contractor shall be responsible for the payment of wages to workers of a debarred Subcontractor or lower tier Subcontractor who has been allowed to work on the Scope of Work.

### **(5) Payroll Records**

Pursuant to California Labor Code section 1776, the Prime Contractor, Subcontractor, and lower tier Subcontractor shall keep accurate certified payroll records showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker or other employee employed by them in connection with the Scope of Work. Each payroll record enumerated herein shall contain or be verified by a

written declaration that it is made under penalty of perjury stating both of the following: (1) the information contained in the payroll record is true and correct and (2) the Prime Contractor, Subcontractor, or lower tier Subcontractor has complied with the requirements of California Labor Code sections 1771, 1811, and 1815 for any Scope of Work performed by his or her employees. The payroll records shall be available for inspection at all reasonable hours at the principal office of the Prime Contractor on the following basis:

- (1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to such employee or his/her authorized representative on request;
- (2) A certified copy of all payroll records shall be made available for inspection or furnished upon request to the County or the Division of Labor Standards Enforcement of the DIR;
- (3) A certified copy of payroll records shall be made available upon request to the public for inspection or copies thereof made; provided, however, that a request by the public shall be made through either the County or the Division of Labor Standards Enforcement. If the requested payroll records have not been previously provided to the County or the Division of Labor Standards Enforcement, the requesting party shall, prior to being provided the records, reimburse the cost of preparation by the Prime Contractor, Subcontractor, or lower tier Subcontractor and the entity through which the request was made. The public shall not be given access to such records at the principal office of the Prime Contractor;
- (4) The Prime Contractor shall file a certified copy of the payroll records with the entity that requested such records within ten (10) days after receipt of a written request; and
- (5) Copies provided to the public, by the County or the Division of Labor Standards Enforcement shall be marked or obliterated to prevent disclosure of an individual's name, address and social security number. The name and address of the Prime Contractor, Subcontractor, or lower tier Subcontractor performing a part of the Scope of Work shall not be marked or obliterated. The Prime Contractor shall inform the County of the location of payroll records, including the street address, city and county and shall, within five (5) working days, provide a notice of a change of location and address.

The Prime Contractor shall have ten (10) days from receipt of the written notice specifying in what respects they must comply with the above requirements. In the event Prime Contractor does not comply with the requirements of this section within the ten (10) day period, the Prime Contractor shall, as a penalty to the County, forfeit one-hundred dollars (\$100.00) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Labor Standards Enforcement, such penalty shall be withheld from any portion of the payments then due or to become due to the Prime Contractor.

#### **(6) Limits on Hours of Work**

Pursuant to California Labor Code section 1810, eight (8) hours of labor shall constitute a legal day's work. Pursuant to California Labor Code section 1811, the time of service of any worker employed at any time by the Prime Contractor, Subcontractor, or lower tier Subcontractor, upon the Scope of Work or upon any part of the Scope of Work, is limited and restricted to eight (8) hours during any one calendar day and forty (40) hours during any one calendar week, except as provided for under Labor Code section 1815. Notwithstanding the foregoing provisions, work performed by employees of the Prime Contractor, Subcontractor, or lower tier Subcontractor in excess of eight (8) hours per day and forty (40) hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight (8) hours per day at not less than one and one-half (1½) times the basic rate of pay.

#### **(7) Penalty for Excess Hours**

The Prime Contractor shall pay to the County a penalty of twenty-five dollars (\$25.00) for each worker employed on the Scope of Work by the Prime Contractor, Subcontractor, or lower tier Subcontractor for

each calendar day during which such worker is required or permitted to work more than eight (8) hours in any calendar day and forty (40) hours in any one calendar week, in violation of the provisions of the California Labor Code, unless compensation to the worker so employed by the Prime Contractor, Subcontractor or lower tier Subcontractor is not less than one and one-half (1½) times the basic rate of pay for all hours worked in excess of eight (8) hours per day.

**(8) Senate Bill 854 (Chapter 28, Statutes of 2014) Requirements:**

1) Prime Contractor, Subcontractors and lower tier Subcontractors shall comply with Senate Bill 854 (signed into law on June 20, 2014). The requirements include, but are not limited to, the following:

- a. No Prime Contractor, Subcontractor, or lower tier Subcontractor may be listed on a bid proposal for a public works project unless registered with the DIR pursuant to Labor Code section 1725.5, with limited exceptions from this requirements for bid purposes only as allowed under Labor Code section 1771.1(a).
- b. No Prime Contractor, Subcontractor, or lower tier Subcontractor may be awarded a contract for public work or perform work on a public works project unless registered with the DIR pursuant to Labor Code section 1725.5.
- c. This project is subject to compliance monitoring and enforcement by the DIR.
- d. As required by the DIR, Prime Contractor is required to post job site notices, as prescribed by regulation, regarding compliance monitoring and enforcement by the DIR.
- e. Prime Contractor, Subcontractors, and lower tier Subcontractors must submit certified payroll records online to the Labor Commissioner for all public works projects, new or ongoing, on or after January 1, 2016.
  - a. The certified payroll must be submitted at least monthly to the Labor Commissioner.
  - b. The County reserves the right to require Prime Contractor, Subcontractors, and lower tier Subcontractor to submit certified payroll records more frequently than monthly to the Labor Commissioner.
  - c. The certified payroll records must be in a format prescribed by the Labor Commissioner.

2) Labor Code section 1725.5 states the following:

A Prime Contractor, Subcontractors, and lower tier Subcontractors shall be registered pursuant to this section to be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any public work contract that is subject to the requirements of this chapter. For the purposes of this section, "contractor" includes a subcontractor as defined by Section 1722.1.

(a) To qualify for registration under this section, a Prime Contractor shall do all of the following:

- (1) Beginning July 1, 2014, register with the Department of Industrial Relations in the manner prescribed by the Department and pay an initial nonrefundable application fee of four hundred dollars (\$400) to qualify for registration under this section and an annual renewal fee on or before July 1<sup>st</sup> of each year thereafter. The annual renewal fee shall be in a uniform amount set by the Director of Industrial Relations, and the initial registration and renewal fees may be adjusted no more than annually by the Director to support the costs specified in Section 1771.3.

(2) Provide evidence, disclosures, or releases as are necessary to establish all of the following:

- (A) Workers' Compensation coverage that meets the requirements of Division 4 (commencing with Section 3200) and includes sufficient coverage for any worker whom the Prime Contractor, Subcontractor or lower tier Subcontractor employs to

perform work that is subject to prevailing wage requirements other than a contractor who is separately registered under this section. Coverage may be evidenced by a current and valid certificate of Workers' Compensation Insurance or certification of self-insurance required under Section 7125 of the Business and Professions Code.

- (B) If applicable, the Prime Contractor, Subcontractor, or lower tier Subcontractor is licensed in accordance with Chapter 9 (commencing with Section 7000) of the Business and Professions Code.
  - (C) The Prime Contractor, Subcontractor or Sub-Tier does not have any delinquent liability to an employee or the state for any assessment of back wages or related damages, interest, fines, or penalties pursuant to any final judgment, order, or determination by a court or any federal, state, or local administrative agency, including a confirmed arbitration award. However, for purposes of this paragraph, the contractor shall not be disqualified for any judgment, order, or determination that is under appeal, provided that the contractor has secured the payment of any amount eventually found due through a bond or other appropriate means.
  - (D) The contractor is not currently debarred under Section 1777.1 or under any other federal or state law providing for the debarment of contractors from public works.
  - (E) The contractor has not bid on a public works contract, been listed in a bid proposal, or engaged in the performance of a contract for public works without being lawfully registered in accordance with this section, within the preceding 12 months or since the effective date of the requirements set forth in subdivision (e), whichever is earlier. If a contractor is found to be in violation of the requirements of this paragraph, the period of disqualification shall be waived if both of the following are true:
    - (i) The contractor has not previously been found to be in violation of the requirements of this paragraph within the preceding 12 months.
    - (ii) The contractor pays an additional nonrefundable penalty registration fee of two thousand dollars (\$2,000).
- (b) Fees received pursuant to this section shall be deposited in the State Public Works Enforcement Fund established by Section 1771.3 and shall be used only for the purposes specified in that section.
- (c) A contractor who fails to pay the renewal fee required under paragraph (1) of subdivision (a) on or before the expiration of any prior period of registration shall be prohibited from bidding on, or engaging in the performance of, any contract for public works until once again registered pursuant to this section. If the failure to pay the renewal fee was inadvertent, the contractor may renew its registration retroactively by paying an additional nonrefundable penalty renewal fee equal to the amount of the renewal fee within 90 days of the due date of the renewal fee.
- (d) If, after a body awarding a contract accepts the contractor's bid or awards the contract, the work covered by the bid or contract is determined to be a public work to which Section 1771 applies, either as the result of a determination by the director pursuant to Section 1773.5 or a court decision, the requirements of this section shall not apply, subject to the following requirements:
- (1) The body that awarded the contract failed, in the bid specification or in the contract documents, to identify as a public work that portion of the work that the determination or decision subsequently classifies as a public work.
  - (2) Within 20 days following service of notice on the awarding body of a determination by the Director of Industrial Relations pursuant to Section 1773.5 or a decision by a court that the contract was for public work as defined in this chapter, the contractor and any subcontractors

are registered under this section or are replaced by a contractor or subcontractors who are registered under this section.

- (3) The requirements of this section shall apply prospectively only to any subsequent bid, bid proposal, contract, or work performed after the awarding body is served with notice of the determination or decision referred to in paragraph (2) of this subdivision.

- (e) The requirements of this section shall apply to any bid proposal submitted on or after March 1, 2015, and any contract for public work, as defined in this chapter, entered into on or after April 1, 2015.

3) Labor Code section 1771.1 states the following:

- (a) A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal subject to the requirements of Section 4104 of the Public Contract Code or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.
- (b) Notice of the requirement described in subdivision (a) shall be included in all bid invitations and public works contracts, and a bid shall not be accepted, nor any contract or subcontract entered into without proof of the contractor or subcontractor's current registration to perform public work pursuant to Section 1725.5.
- (c) An inadvertent error in listing a subcontractor who is not registered pursuant to Section 1725.5 in a bid proposal shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive, provided that any of the following apply:
  - (1) The subcontractor is registered prior to the bid opening.
  - (2) Within 24 hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.
  - (3) The subcontractor is replaced by another registered subcontractor pursuant to Section 4107 of the Public Contract Code.
- (d) Failure by a subcontractor to be registered to perform public work as required by subdivision (a) shall be grounds under Section 4107 of the Public Contract Code for the contractor, with the consent of the awarding authority, to substitute a subcontractor who is registered to perform public work pursuant to Section 1725.5 in place of the unregistered subcontractor.
- (e) The department shall maintain on its Internet Web site a list of contractors who are currently registered to perform public work pursuant to Section 1725.5.
- (f) A contract entered into with any contractor or subcontractor in violation of subdivision (a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of Section 1725.5 or this section.
- (g) If the Labor Commissioner or his or her designee determines that a contractor or subcontractor engaged in the performance of any public work contract without having been registered in accordance with this section, the contractor or subcontractor shall forfeit, as a civil penalty to the state, one hundred dollars (\$100) for each day of work performed in violation of the registration requirement, not to exceed an aggregate penalty of eight thousand dollars (\$8,000) in addition to any penalty registration fee assessed pursuant to clause (ii) of subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5(h).

(h)(1) In addition to, or in lieu of, any other penalty or sanction authorized pursuant to this chapter, a higher tiered public works contractor or subcontractor who is found to have entered into a subcontract with an unregistered lower tier subcontractor to perform any public work in violation of the requirements of Section 1725.5 or this section shall be subject to forfeiture, as a civil penalty to the state, of one hundred dollars (\$100) for each day the unregistered lower tier subcontractor performs work in violation of the registration requirement, not to exceed an aggregate penalty of ten thousand dollars (\$10,000).

- 1) The Labor Commissioner shall use the same standards specified in subparagraph (A) of paragraph (2) of subdivision (a) of Section 1775 when determining the severity of the violation and what penalty to assess, and may waive the penalty for a first time violation that was unintentional and did not hinder the Labor Commissioner's ability to monitor and enforce compliance with the requirements of this chapter.
- 2) A higher tiered public works contractor or subcontractor shall not be liable for penalties assessed pursuant to paragraph (1) if the lower tier subcontractor's performance is in violation of the requirements of Section 1725.5 due to the revocation of a previously approved registration.
- 3) A subcontractor shall not be liable for any penalties assessed against a higher tiered public works contractor or subcontractor pursuant to paragraph (1). A higher tiered public works contractor or subcontractor may not require a lower tiered subcontractor to indemnify or otherwise be liable for any penalties pursuant to paragraph (1).

(i) The Labor Commissioner or his or her designee shall issue a civil wage and penalty assessment, in accordance with the provisions of Section 1741, upon determination of penalties pursuant to subdivision (g) and subparagraph (B) of paragraph (1) of subdivision (h). Review of a civil wage and penalty assessment issued under this subdivision may be requested in accordance with the provisions of Section 1742. The regulations of the Director of Industrial Relations, which govern proceedings for review of civil wage and penalty assessments and the withholding of contract payments under Article 1 (commencing with Section 1720) and Article 2 (commencing with Section 1770), shall apply.

(j) (1) Where a contractor or subcontractor engages in the performance of any public work contract without having been registered in violation of the requirements of Section 1725.5 or this section, the Labor Commissioner shall issue and serve a stop order prohibiting the use of the unregistered contractor or the unregistered subcontractor on all public works until the unregistered contractor or unregistered subcontractor is registered. The stop order shall not apply to work by registered contractors or subcontractors on the public work.

- 2) A stop order may be personally served upon the contractor or subcontractor by either of the following methods:
  - a) Manual delivery of the order to the contractor or subcontractor personally.
  - b) Leaving signed copies of the order with the person who is apparently in charge at the site of the public work and by thereafter mailing copies of the order by first class mail, postage prepaid to the contractor or subcontractor at one of the following:
    - a. The address of the contractor or subcontractor on file with either the Secretary of State or the Contractors' State License Board.
    - b. If the contractor or subcontractor has no address on file with the Secretary of State or the Contractors' State License Board, the address of the site of the public work.
- 3) The stop order shall be effective immediately upon service and shall be subject to appeal by the party contracting with the unregistered contractor or subcontractor, by the unregistered

contractor or subcontractor, or both. The appeal, hearing, and any further review of the hearing decision shall be governed by the procedures, time limits, and other requirements specified in subdivision (a) of Section 238.1.

- 4) Any employee of an unregistered contractor or subcontractor who is affected by a work stoppage ordered by the commissioner pursuant to this subdivision shall be paid at his or her regular hourly prevailing wage rate by that employer for any hours the employee would have worked but for the work stoppage, not to exceed 10 days.
  - (k) Failure of a contractor or subcontractor, owner, director, officer, or managing agent of the contractor or subcontractor to observe a stop order issued and served upon him or her pursuant to subdivision (j) is guilty of a misdemeanor punishable by imprisonment in county jail not exceeding 60 days or by a fine not exceeding ten thousand dollars (\$10,000), or both.
  - (l) This section shall apply to any bid proposal submitted on or after March 1, 2015, and any contract for public work entered into on or after April 1, 2015. This section shall also apply to the performance of any public work, as defined in this chapter, on or after January 1, 2018, regardless of when the contract for public work was entered.
  - (m) Penalties received pursuant to this section shall be deposited in the State Public Works Enforcement Fund established by Section 1771.3 and shall be used only for the purposes specified in that section.
  - (n) This section shall not apply to work performed on a public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction, alteration, demolition, installation, or repair work or to work performed on a public works project of fifteen thousand dollars (\$15,000) or less when the project is for maintenance work.
- 4) Labor Code section 1771.4 states the following:
- (a) All of the following are applicable to all public works projects that are otherwise subject to the requirements of this chapter:
    - (1) The call for bids and contract documents shall specify that the project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
    - (2) The awarding body shall post or require the prime contractor to post job site notices, as prescribed by regulation.
    - (3) (A) Each contractor and subcontractor shall furnish the records specified in Section 1776 directly to the Labor Commissioner, in the following manner:
      - (i) At least monthly or more frequently if specified in the contract with the awarding body. For purposes of this clause, "monthly" means that a submission of records shall be made at least once every 30 days while work is being performed on the project and within 30 days after the final day of work performed on the project.
      - (ii) In an electronic format, in the manner prescribed by the Labor Commissioner, on the department's internet website.
    - (B) A contractor or subcontractor who fails to furnish records pursuant to subparagraph (A), relating to its employees, shall be subject to a penalty by the Labor Commissioner of one hundred dollars (\$100) per each day in which that party was in violation of subparagraph (A), not to exceed a total penalty of five thousand dollars (\$5,000) per project. Penalties received pursuant to this paragraph shall be deposited in the State Public Works Enforcement Fund established by Section 1771.3 and shall be used only for the purposes specified in that section.
    - (C) The Labor Commissioner shall not levy a penalty pursuant to subparagraph (B) until a contractor or subcontractor fails to furnish the records pursuant to subparagraph (A) 14 days after the requirement set forth in clause (i) of subparagraph (A).

(D) Penalties pursuant to subparagraph (B) may only accrue to the actual contractor or subcontractor that failed to furnish the records pursuant to subparagraph (A).

(4) If the contractor or subcontractor is not registered pursuant to Section 1725.5 and is performing work on a project for which registration is not required because of subdivision (f) of Section 1725.5, the unregistered contractor or subcontractor is not required to furnish the records specified in Section 1776 directly to the Labor Commissioner but shall retain the records specified in Section 1776 for at least three years after completion of the work.

(5) The department shall undertake those activities it deems necessary to monitor and enforce compliance with prevailing wage requirements.

(b) The Labor Commissioner may exempt a public works project from compliance with all or part of the requirements of subdivision (a) if either of the following occurs:

(1) The awarding body has enforced an approved labor compliance program, as defined in Section 1771.5, on all public works projects under its authority, except those deemed exempt pursuant to subdivision (a) of Section 1771.5, continuously since December 31, 2011.

(2) The awarding body has entered into a collective bargaining agreement that binds all contractors performing work on the project and that includes a mechanism for resolving disputes about the payment of wages.

(c)

(1) The requirements of paragraph (1) of subdivision (a) shall only apply to contracts for public works projects awarded on or after January 1, 2015.

(d) The requirements of paragraph (3) of subdivision (a) shall apply to all contract for public work, whether new or ongoing, on or after January 1, 2016.

#### **(9) Compliance with California Labor Code section 1720.9**

(1) Labor Code section 1720.9 expanded the definition of “public works” under the California Prevailing Wage Law to include the following:

(a) Hauling and delivery of ready-mixed concrete to carry out a public works, contract, with respect to contracts involving any state agency, including the California State University and the University of California, or any political subdivision of the state.

(2) Section 1720.9 defines the term “ready-mixed concrete” and specifies that rate of pay shall be the current prevailing wage “for the geographic area in which the factory or batching plant is located” as determined by the DIR. The entity hauling or delivering ready-mixed concrete to carry out a public works contract shall enter into a written subcontract agreement with the party that engaged the entity to supply the ready-mixed concrete. The written agreement shall require compliance with Prevailing Wage Law.

(3) Section 1720.9 requires that the entity hauling or delivering ready-mixed concrete to carry out a public works contract shall submit a certified copy of the payroll records required by subdivision (a) of Section 1776 to the party that engaged the entity and to the general contractor within five working days after the employee has been paid, accompanied by a written time record that shall be certified by each driver for the performance of job duties in Section 1720.9(c).

(4) Section 1720.9(e) the entity hauling or delivering ready-mixed concrete for public works project shall be considered subcontractors and must register with the DIR as per Labor Code 1725.5.

### **B. STATE PUBLIC WORKS APPRENTICESHIP REQUIREMENTS**

#### **1. State Public Works Apprenticeship Requirements:**

The Contractor is responsible for compliance with Labor Code section 1777.5 and the California Code of Regulations, title 8, sections 230 – 230.2 for all apprenticeable occupations (denoted with “#” symbol next to craft name in DIR Prevailing Wage Determination), whether employed by the Contractor, subcontractor, vendor or consultant. Included in these requirements is (1) the Contractor’s requirement to provide notification (i.e. DAS-140) to the appropriate apprenticeship committees; (2) pay training fund contributions for each apprenticeable hour employed on the Contract; and (3) utilize apprentices in a minimum ratio of not less than one apprentice hour for each five journeyman hours by completion of Contract work (unless an exception is granted in accordance with Labor Code section 1777.5) or request for the dispatch of apprentices.

Any apprentices employed to perform any of the Scope of Work shall be paid the standard wage to apprentices under the regulations of the craft or trade for which such apprentice is employed, and such individual shall be employed only for the work of the craft or trade to which such individual is registered. Only apprentices, as defined in California Labor Code section 3077, who are in training under apprenticeship standards and written apprenticeship agreements under California Labor Code sections 3070 et seq. are eligible to be employed for the Scope of Work. The employment and training of each apprentice shall be in accordance with the provisions of the apprenticeship standards and apprentice agreements under which such apprentice is training.

## **2. Compliance with California Labor Code section 1777.5 requires all public works contractors to:**

### **(1) Submit Contract Award Information (DAS-140)**

- a. Although there are a few exemptions (identified below), all Contractors, regardless of union affiliation, must submit contract award information when performing on a California public works project.
- b. The DAS-140 is a notification “announcement” of the Contractor’s participation on a public works project—*it is not a request for the dispatch of an apprentice*.
- c. Contractors shall submit the contract award information (you may use form DAS 140) within 10 days of the execution of the prime contract or subcontract, but in no event later than the first day in which the Contractor has workers employed on the public work project.
- d. Contractors who are already approved to train apprentices (i.e. check “Box 1” on the DAS-140) shall only be required to submit the form to their approved program.
- e. Contractors who are NOT approved to train apprentices (i.e. those that check either “Box 2” or “Box 3” on the DAS-140) shall submit the DAS-140 TO EACH of the apprenticeship program sponsors in the area of your public works project. For a listing of apprenticeship programs see <http://www.dir.ca.gov/Databases/das/pwaddrstart.asp>.

### **(2) Employ Registered Apprentices**

- a. Labor Code section 1777.5 requires that a contractor performing work in an “apprenticeable” craft must employ one (1) hour of apprentice work for every five (5) hours performed by a journeyman. This ratio shall be met prior to the Contractor’s completion of work on the project. “Apprenticeable” crafts are denoted with a pound symbol “#” in front of the craft name on the prevailing wage determination.
- b. All Contractors who do not fall within an exemption category (see below) must request for dispatch of an apprentice from an apprenticeship program (for each apprenticeable craft or trade) by giving the program actual notice of at least 72 hours (business days only) before the date on which apprentices are required.
- c. Contractors may use the “DAS-142” form for making a request for the dispatch of an apprentice.
- d. Contractors who are participating in an approved apprenticeship training program and who did not receive sufficient number of apprentices from their initial request must request dispatch of apprentices from ALL OTHER apprenticeship committees in the project area in order to fulfill this requirement.
- e. Contractor should maintain and submit proof (when requested) of its DAS-142 submittal to the apprenticeship committees (e.g. fax transmittal confirmation). A Contractor has met its requirement

to employ apprentices only after it has successfully made a dispatch request to all apprenticeship programs in the project area.

- f. Only "registered" apprentices may be paid the prevailing apprentice rates and must, at all times work under the supervision of a Journeyman (Cal. Code Regs., tit 8, § 230.1).

### **(3) Make Training Fund Contributions**

- a. Contractors performing in apprenticeable crafts on public works projects, must make training fund contributions in the amount established in the prevailing wage rate publication for journeymen and apprentices.
- b. Contractors may use the "CAC-2" form for submittal of their training fund contributions.
- c. Contractors who do not submit their training fund contributions to an approved apprenticeship training program must submit their contributions to the California Apprenticeship Council (CAC), PO Box 420603, San Francisco, CA 94142-0603.
- d. Training fund contributions to the CAC are due and payable on the 15th day of the month for work performed during the preceding month.
- e. The "training" contribution amount identified on the prevailing wage determination shall not be paid to the worker, unless the worker falls within one of the exemption categories listed below.

### **3. Exemptions to Apprenticeship Requirements:**

The following are exempt from having to comply with California apprenticeship requirements. These types of contractors do not need to submit a DAS-140, DAS-142, make training fund contributions, or utilize apprentices.

- a. When the Contractor holds a sole proprietor license ("Owner-Operator") and no workers were employed by the Contractor. In other words, the contractor performed the entire work from start to finish and worked alone.
- b. Contractors performing in non-apprenticeable crafts. "Apprenticeable" crafts are denoted with a pound symbol "#" in front of the craft name on the prevailing wage determination.
- c. When the Contractor has a direct contract with the Public Agency that is under \$30,000.
- d. When the project is 100% federally-funded and the funding of the project does not contain any city, county, and/or state monies (unless the project is administered by a state agency in which case the apprenticeship requirements apply).
- e. When the project is a private project not covered by the definition of public works as found in Labor Code section 1720.

### **4. Exemption from Apprenticeship Ratios:**

The Joint Apprenticeship Committee shall have the discretion to grant a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the Contractor from the 1-to-5 ratio set forth in this Section when it finds that any one of the following conditions are met:

- (1) Unemployment for the previous three-month period in such area exceeds an average of fifteen percent (15%); or
- (2) The number of apprentices in training in such area exceeds a ratio of 1-to-5 in relation to journeymen; or
- (3) The Apprenticeable Craft or Trade is replacing at least one-thirtieth (1/30) of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis; or
- (4) If assignment of an apprentice to any work performed under the Contract Documents would create a condition which would jeopardize such apprentice's life or the life, safety or property of fellow employees or the public at large, or if the specific task to which the apprentice is to be assigned is of such a nature that training cannot be provided by a journeyman.

When such exemptions from the 1-to-5 ratio between apprentices and journeymen are granted to an organization which represents contractors in a specific trade on a local or statewide basis, the member contractors will not be required to submit individual applications for approval to local Joint Apprenticeship Committees, provided they are already covered by the local apprenticeship standards.

**5. Contractor's Compliance:**

The responsibility of compliance with this Section for all Apprenticeable Trades or Crafts is solely and exclusively that of the Contractor. All decisions of the Joint Apprenticeship Committee(s) under this Section are subject to the provisions of California Labor Code section 3081 and penalties are pursuant to Labor Code section 1777.7 and the determination of the Labor Commissioner.

NOT FOR BID

**A. APPLICABILITY**

The Project or Program to which the construction work covered by this Contract pertains is being assisted by the United States of America, and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

**1. Minimum wages and fringe benefits**

- i. All laborers and mechanics employed or working upon the site of the work (or otherwise working in construction or development of the project under a development statute), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of basic hourly wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. As provided in 29 CFR 5.5(d) and (e), the appropriate wage determinations are effective by operation of law even if they have not been attached to the contract. Contributions made or costs reasonably anticipated for bona fide fringe benefits under the Davis-Bacon Act (40 U.S.C. 3141(2)(B)) on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(v) of these contract clauses; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics must be paid the appropriate wage rate and fringe benefits on the wage determination for the classification(s) of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: *Provided*, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under 29 CFR 5.5(a)(1)(iii)) and the Davis-Bacon poster (WH-1321) must be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

**ii. Frequently recurring classifications**

- A. In addition to wage and fringe benefit rates that have been determined to be prevailing under the procedures set forth in 29 CFR part 1, a wage determination may contain, pursuant to § 1.3(f), wage and fringe benefit rates for classifications of laborers and mechanics for which conformance requests are regularly submitted pursuant to 29 CFR 5.5(a)(1)(iii), provided that:
  1. The work performed by the classification is not performed by a classification in the wage determination for which a prevailing wage rate has been determined;
  2. The classification is used in the area by the construction industry; and
  3. The wage rate for the classification bears a reasonable relationship to the prevailing wage rates contained in the wage determination.
- B. The Administrator will establish wage rates for such classifications in accordance with 29 CFR 5.5(a)(1)(iii)(A)(3). Work performed in such a classification must be paid at no less than the wage and fringe benefit rate listed on the wage determination for such classification.

**iii. Conformance**

- A. The contracting officer must require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract be

classified in conformance with the wage determination. Conformance of an additional classification and wage rate and fringe benefits is appropriate only when the following criteria have been met:

1. The work to be performed by the classification requested is not performed by a classification in the wage determination; and
  2. The classification is used in the area by the construction industry; and
  3. The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.
- B. The conformance process may not be used to split, subdivide, or otherwise avoid application of classifications listed in the wage determination.
- C. If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken will be sent by the contracting officer by email to [DBAconformance@dol.gov](mailto:DBAconformance@dol.gov). The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.
- D. In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer will, by email to [DBAconformance@dol.gov](mailto:DBAconformance@dol.gov), refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.
- E. The contracting officer must promptly notify the contractor of the action taken by the Wage and Hour Division under 29 CFR 5.5 (a)(1)(iii)(C) and (D). The contractor must furnish a written copy of such determination to each affected worker or it must be posted as a part of the wage determination. The wage rate (including fringe benefits where appropriate) determined pursuant to 29 CFR 5.5 (a)(1)(iii)(C) or (D) must be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

**iv. Fringe benefits not expressed as an hourly rate**

Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor may either pay the benefit as stated in the wage determination or may pay another bona fide fringe benefit or an hourly cash equivalent thereof.

**v. Unfunded plans**

If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *Provided*, That the Secretary of Labor has found, upon the written request of the contractor, in accordance with the criteria set forth in 29 CFR 5.28, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

**vi. Interest** In the event of a failure to pay all or part of the wages required by the contract, the contractor will be required to pay interest on any underpayment of wages.

## 2. Withholding

### i. Withholding requirements

The U. S. Department of Housing and Urban Development may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for the full amount of wages and monetary relief, including interest, required by the clauses set forth in 29 CFR 5.5(a) for violations of this contract, or to satisfy any such liabilities required by any other Federal contract, or federally assisted contract subject to Davis-Bacon labor standards, that is held by the same prime contractor (as defined in 29 CFR 5.2). The necessary funds may be withheld from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to Davis-Bacon labor standards requirements and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld. In the event of a contractor's failure to pay any laborer or mechanic, including any apprentice or helper working on the site of the work (or otherwise working in construction or development of the project under a development statute) all or part of the wages required by the contract, or upon the contractor's failure to submit the required records as discussed in 29 CFR 5.5(a)(3)(iv), HUD may on its own initiative and after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

### ii. Priority to withheld funds

The Department has priority to funds withheld or to be withheld in accordance with 29 CFR 5.5(a)(2)(i) or (b)(3)(i), or both, over claims to those funds by:

- A. A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;
- B. A contracting agency for its procurement costs;
- C. A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;
- D. A contractor's assignee(s);
- E. A contractor's successor(s); or
- F. A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901-3907.

## 3. Records and certified payrolls

### i. Basic record requirements

**A. Length of record retention.** All regular payrolls and other basic records must be maintained by the contractor and any subcontractor during the course of the work and preserved for all laborers and mechanics working at the site of the work (or otherwise working in construction or development of the project under a development statute) for a period of at least 3 years after all the work on the prime contract is completed.

**B. Information required** Such records must contain the name; Social Security number; last known address, telephone number, and email address of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act); daily and weekly number of hours actually worked in total and on each covered contract; deductions made; and actual wages paid.

**C. Additional records relating to fringe benefits.** Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(v) that the wages of any laborer or mechanic include the amount of any

costs reasonably anticipated in providing benefits under a plan or program described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act, the contractor must maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits.

**D. Additional records relating to apprenticeship** Contractors with apprentices working under approved programs must maintain written evidence of the registration of apprenticeship programs, the registration of the apprentices, and the ratios and wage rates prescribed in the applicable programs.

**ii. Certified payroll requirements**

**A. Frequency and method of submission** The contractor or subcontractor must submit weekly, for each week in which any DBA- or Related Acts-covered work is performed, certified payrolls to HUD if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the certified payrolls to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to HUD. The prime contractor is responsible for the submission of all certified payrolls by all subcontractors. A contracting agency or prime contractor may permit or require contractors to submit certified payrolls through an electronic system, as long as the electronic system requires a legally valid electronic signature; the system allows the contractor, the contracting agency, and the Department of Labor to access the certified payrolls upon request for at least 3 years after the work on the prime contract has been completed; and the contracting agency or prime contractor permits other methods of submission in situations where the contractor is unable or limited in its ability to use or access the electronic system

**B. Information required** The certified payrolls submitted must set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i)(B), except that full Social Security numbers and last known addresses, telephone numbers, and email addresses must not be included on weekly transmittals. Instead, the certified payrolls need only include an individually identifying number for each worker (e.g., the last four digits of the worker's Social Security number). The required weekly certified payroll information may be submitted using Optional Form WH-347 or in any other format desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/wh347.pdf> or its successor website. It is not a violation of this section for a prime contractor to require a subcontractor to provide full Social Security numbers and last known addresses, telephone numbers, and email addresses to the prime contractor for its own records, without weekly submission by the subcontractor to the sponsoring government agency (or the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records).

**C. Statement of Compliance** Each certified payroll submitted must be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor, or the contractor's or subcontractor's agent who pays or supervises the payment of the persons working on the contract, and must certify the following:

1. That the certified payroll for the payroll period contains the information required to be provided under 29 CFR 5.5(a)(3)(ii), the appropriate information and basic records are being maintained under 29 CFR 5.5 (a)(3)(i), and such information and records are correct and complete;
2. That each laborer or mechanic (including each helper and apprentice) working on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly

from the full wages earned, other than permissible deductions as set forth in 29 CFR part 3; and

3. That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification(s) of work actually performed, as specified in the applicable wage determination incorporated into the contract.
  - D. **Use of Optional Form WH-347** The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 will satisfy the requirement for submission of the “Statement of Compliance” required by 29 CFR 5.5(a)(3)(ii)(C).
  - E. **Signature** The signature by the contractor, subcontractor, or the contractor’s or subcontractor’s agent must be an original handwritten signature or a legally valid electronic signature.
  - F. **Falsification** The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under 18 U.S.C. 1001 and 31 U.S.C. 3729.
  - G. **Length of certified payroll retention** The contractor or subcontractor must preserve all certified payrolls during the course of the work and for a period of 3 years after all the work on the prime contract is completed.
- iii. **Contracts, subcontracts, and related documents** The contractor or subcontractor must maintain this contract or subcontract and related documents including, without limitation, bids, proposals, amendments, modifications, and extensions. The contractor or subcontractor must preserve these contracts, subcontracts, and related documents during the course of the work and for a period of 3 years after all the work on the prime contract is completed.
- iv **Required disclosures and access**
- A. **Required record disclosures and access to workers** The contractor or subcontractor must make the records required under 29 CFR 5.5(a)(3)(i)–(iii), and any other documents that HUD or the Department of Labor deems necessary to determine compliance with the labor standards provisions of any of the applicable statutes referenced by 29 CFR 5.1, available for inspection, copying, or transcription by authorized representatives of HUD or the Department of Labor, and must permit such representatives to interview workers during working hours on the job.
  - B. **Sanctions for non-compliance with records and worker access requirements** If the contractor or subcontractor fails to submit the required records or to make them available, or refuses to permit worker interviews during working hours on the job, the Federal agency may, after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, that maintains such records or that employs such workers, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available, or to permit worker interviews during working hours on the job, may be grounds for debarment action pursuant to 29 CFR 5.12. In addition, any contractor or other person that fails to submit the required records or make those records available to WHD within the time WHD requests that the records be produced will be precluded from introducing as evidence in an administrative proceeding under 29 CFR part 6 any of the required records that were not provided or made available to WHD. WHD will take into consideration a reasonable request from the contractor or person for an extension of the time for submission of records. WHD will determine the reasonableness of the request and may consider, among other things, the location of the records and the volume of production.
  - C. **Required information disclosures** Contractors and subcontractors must maintain the full Social Security number and last known address, telephone number, and email address of each covered worker, and must provide them upon request to HUD if the agency is a party to

the contract, or to the Wage and Hour Division of the Department of Labor. If the Federal agency is not such a party to the contract, the contractor, subcontractor, or both, must, upon request, provide the full Social Security number and last known address, telephone number, and email address of each covered worker to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to HUD, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or other compliance action.

**4. Apprentices and equal employment opportunity**

**i. Apprentices**

- A. Rate of pay** Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship (OA), or with a State Apprenticeship Agency recognized by the OA. A person who is not individually registered in the program, but who has been certified by the OA or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice, will be permitted to work at less than the predetermined rate for the work they perform in the first 90 days of probationary employment as an apprentice in such a program. In the event the OA or a State Apprenticeship Agency recognized by the OA withdraws approval of an apprenticeship program, the contractor will no longer be permitted to use apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.
- B. Fringe benefits** Apprentices must be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringe benefits must be paid in accordance with that determination.
- C. Apprenticeship ratio** The allowable ratio of apprentices to journeymen on the job site in any craft classification must not be greater than the ratio permitted to the contractor as to the entire work force under the registered program or the ratio applicable to the locality of the project pursuant to 29 CFR 5.5(a)(4)(i)(D). Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated in 29 CFR 5.5(a)(4)(i)(A), must be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under this section must be paid not less than the applicable wage rate on the wage determination for the work actually performed.
- D. Reciprocity of ratios and wage rates** Where a contractor is performing construction on a project in a locality other than the locality in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyworker's hourly rate) applicable within the locality in which the construction is being performed must be observed. If there is no applicable ratio or wage rate for the locality of the project, the ratio and wage rate specified in the contractor's registered program must be observed.

- ii. Equal employment opportunity** The use of apprentices and journeymen under this part must be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

**5 Compliance with Copeland Act requirements.** The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

**6 Subcontracts.** The contractor or subcontractor must insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (11), along with the applicable wage determination(s) and such other clauses or contract modifications as the U.S. Department of Housing and Urban Development may by appropriate instructions require, and a clause requiring the subcontractors to include these clauses and wage determination(s) in any lower tier subcontracts. The prime contractor is responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section. In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and may be subject to debarment, as appropriate.

**7 Contract termination: debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

**8 Compliance with Davis-Bacon and Related Act requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

**9 Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

**10. Certification of eligibility.**

i. By entering into this contract, the contractor certifies that neither it nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of 40 U.S.C. 3144(b) or 29 CFR 5.12(a).

ii. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of 40 U.S.C. 3144(b) or 29 CFR 5.12(a).

iii. The penalty for making false statements is prescribed in the U.S. Code, Title 18 Crimes and Criminal Procedure, 18 U.S.C. 1001.

**11 Anti-retaliation** It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:

i. Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the DBA, Related Acts, or 29 CFR parts 1, 3, or 5;

ii. Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under the DBA, Related Acts, or 29 CFR parts 1, 3, or 5;

iii. Cooperating in any investigation or other compliance action, or testifying in any proceeding under the DBA, Related Acts, or 29 CFR parts 1, 3, or 5; or

iv. Informing any other person about their rights under the DBA, Related Acts, or 29 CFR parts 1, 3, or 5.

**B. Contract Work Hours and Safety Standards Act (CWHSSA)**

The Agency Head must cause or require the contracting officer to insert the following clauses set forth in 29 CFR 5.5(b)(1), (2), (3), (4), and (5) in full, or (for contracts covered by the Federal Acquisition Regulation) by reference, in any contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses must

be inserted in addition to the clauses required by 29 CFR 5.5(a) or 4.6. As used in this paragraph, the terms “laborers and mechanics” include watchpersons and guards.

**1. Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

**2. Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in 29 CFR 5.5(b)(1) the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages and interest from the date of the underpayment. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchpersons and guards, employed in violation of the clause set forth in 29 CFR 5.5(b)(1), in the sum of \$31 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in 29 CFR 5.5(b)(1).

**3. Withholding for unpaid wages and liquidated damages**

**i. Withholding process** The U.S Department of Housing and Urban Development or the recipient of Federal assistance may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for any unpaid wages; monetary relief, including interest; and liquidated damages required by the clauses set forth in 29 CFR 5.5(b) on this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act that is held by the same prime contractor (as defined in 29 CFR 5.2). The necessary funds may be withheld from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to the Contract Work Hours and Safety Standards Act and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld.

**ii Priority to withheld funds** The Department has priority to funds withheld or to be withheld in accordance with 29 CFR 5.5(a)(2)(i) or (b)(3)(i), or both, over claims to those funds by:

- A.** A contractor’s surety(ies), including without limitation performance bond sureties and payment bond sureties;
- B.** A contracting agency for its procurement costs;
- C.** A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor’s bankruptcy estate;
- D.** A contractor’s assignee(s);
- E.** A contractor’s successor(s); or
- F.** A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901-3907.

**4. Subcontracts.** The contractor or subcontractor must insert in any subcontracts the clauses set forth in 29 CFR 5.5(b)(1) through (5) and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor is responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in 29 CFR 5.5(b)(1) through (5). In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss,

due to any workers of lower-tier subcontractors, and associated liquidated damages and may be subject to debarment, as appropriate.

**5 Anti-retaliation** It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:

- i. Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the Contract Work Hours and Safety Standards Act (CWHSSA) or its implementing regulations in 29 CFR part 5;
- ii. Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under CWHSSA or 29 CFR part 5;
- iii. Cooperating in any investigation or other compliance action, or testifying in any proceeding under CWHSSA or 29 CFR part 5; or
- iv. Informing any other person about their rights under CWHSSA or 29 CFR part 5.

**C. CWHSSA required records clause** In addition to the clauses contained in 29 CFR 5.5(b), in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other laws referenced by 29 CFR 5.1, the Agency Head must cause or require the contracting officer to insert a clause requiring that the contractor or subcontractor must maintain regular payrolls and other basic records during the course of the work and must preserve them for a period of 3 years after all the work on the prime contract is completed for all laborers and mechanics, including guards and watchpersons, working on the contract. Such records must contain the name; last known address, telephone number, and email address; and social security number of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid; daily and weekly number of hours actually worked; deductions made and actual wages paid. Further, the Agency Head must cause or require the contracting officer to insert in any such contract a clause providing that the records to be maintained under this paragraph must be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the (write the name of agency) and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview workers during working hours on the job.

**D. Incorporation of contract clauses and wage determinations by reference** Although agencies are required to insert the contract clauses set forth in this section, along with appropriate wage determinations, in full into covered contracts, and contractors and subcontractors are required to insert them in any lower-tier subcontracts, the incorporation by reference of the required contract clauses and appropriate wage determinations will be given the same force and effect as if they were inserted in full text.

**E. Incorporation by operation of law** The contract clauses set forth in this section (or their equivalent under the Federal Acquisition Regulation), along with the correct wage determinations, will be considered to be a part of every prime contract required by the applicable statutes referenced by 29 CFR 5.1 to include such clauses, and will be effective by operation of law, whether or not they are included or incorporated by reference into such contract, unless the Administrator grants a variance, tolerance, or exemption from the application of this paragraph. Where the clauses and applicable wage determinations are effective by operation of law under this paragraph, the prime contractor must be compensated for any resulting increase in wages in accordance with applicable law.

#### **F. HEALTH AND SAFETY**

The provisions of this paragraph (F) are applicable where the amount of the prime contract exceeds **\$100,000**.

1. No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his or her health and safety, as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.
2. The contractor shall comply with all regulations issued by the Secretary of Labor pursuant to 29 CFR Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96), 40 U.S.C. § 3701 et seq.
3. The contractor shall include the provisions of this paragraph in every subcontract, so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

## SECTION 3

(Information for the Section 3 Report will be input on LCPtracker)

### Section 3 Purpose

Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)) ("Section 3") requires the San Bernardino County Community Development and Housing Department ("County") to ensure that employment, training, contracting and other economic and business opportunities generated by certain United States Department of Housing and Urban Development ("HUD") financial assistance, to the greatest extent feasible, is directed to public housing residents and other low- and very low-income persons, particularly recipients of government housing assistance, and business concerns.

### Applicability

As a federal participating jurisdiction, the County receives Community Development Block Grant ("CDBG") funds and Home Investment Partnerships Program ("HOME") funds on an annual basis from HUD. These funds activate Section 3 which applies to any such jurisdiction, and any of its organizations, subrecipients, or other entities receiving in excess of \$200,000 combined from HUD in any one year. The County occasionally may receive additional funding that may contain a Section 3 requirement.

If developers, contractors, and subcontractors and every Sub-tier need to hire new personnel or subcontract portions of Section 3 covered work, they must, to the greatest extent feasible, ensure that employment and other economic opportunities are directed to low-and very low-income persons (Section 3 workers and Targeted Section 3 workers) and to eligible businesses (Section 3 Business) and requires the same of its contractors.

Prime Contractor, Subcontractor and every Sub-tier shall agree to do the following on project(s) that are subject to Section 3 rules as described in 24 CFR Part 75:

- A. Prior to the beginning of work and upon completion of a project, contractors, subcontractors and every Sub-tier will be required to certify that they will make or have made best efforts to follow the prioritization of efforts requirements for Section 3 workers, Targeted Section 3 workers, and Section 3 business concerns as described in 24 CFR Part 75.
- B. After completion of the project contractors, subcontractors and every Sub-tier will be required to certify that they have followed the prioritization of effort requirements. If the Safe Harbor benchmark requirements as described in 24 CFR Part 75 (see below) were not met, evidence of efforts made to assist low and very low-income persons with employment and training opportunities will need to be provided.
  1. Twenty-five (25) percent or more of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and
  2. Five (5) percent or more of the total number of labor hours worked by all workers on a Section 3 project are Targeted Section 3 workers, as defined at 24 CFR Part 75.
- C. Contractor will be responsible to implement efforts to achieve Section 3 compliance. Contractors submitting bids or proposals will be required to certify that they will comply with prioritization of efforts for employment, training and contracting as described in 24 CFR Part 75.
- D. Contractors, Subcontractors and every Sub-tier must make their best efforts to award contracts and subcontract to business concerns that provide economic opportunities to Section 3 workers in the following priority:
  1. Business concerns that provide economic opportunities to Section 3 workers residing within the metropolitan area (or non-metropolitan county)

in which assistance is located in the following order of priority (where feasible).

- a. Section 3 business concerns that provide economic opportunities to Section 3 workers residing within the service area or the neighborhood of the project; and
  - b. YouthBuild programs.
- E. Contractors, Subcontractor and every Sub-tier will provide a Self-Certification Section 3 Worker and Targeted Worker Eligibility Form for qualified Section 3 worker and Targeted Section 3 workers as defined in 24 CFR Part 75. For the purpose of Section 3 worker eligibility, the Contractor, Subcontractor and sub-tier will use the individual income to determine eligibility. The income limits will be determined annually using the guideline published at <https://www.huduser.gov/portal/datasets/il.html>.
- F. In the event Section 3 covered projects include multiple sources of funds, including public housing financial assistance and housing and community development assistance, the Contractor, Subcontractor and Sub-tier may be required to follow the definition of Section 3 worker and Targeted Section 3 worker as defined in subpart B or subpart C of 24 CFR Part 75.
- G. Contractors, Subcontractor and every Sub-tier that feel that they meet the Section 3 business requirements may self-register in the HUD Business Registry, here: <http://www.hud.gov/Sec3Biz>. Business may seek Section 3 business concern preference by demonstrating that it meets one or more of the following criteria:
1. At least 51 percent of the business is owned and controlled by low-or very low-income persons; or
  2. At least 51 percent of the business is owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing; or
  3. Over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 workers.
- H. Contractor, Subcontractor and every Sub-tier agree to collect, at the time of bid/proposal, a Self-Certification Section 3 Business Concern Eligibility form from any business that seeks a Section 3 preference and that meets the Section 3 business criteria as described above and in 24 CFR Part 75.
- I. Contractors, Subcontractor and every Sub-tier will incorporate the Section 3 language in all Section 3 covered contracts or agreements to ensure contractors meet the requirements of 24 CFR Part 75.
- J. Contractors agree to submit a Section 3 Cumulative Report monthly, annually and upon the completion of a project. Monthly reporting will need to be submitted at the beginning of each month for the preceding month. Additionally, reporting shall be submitted on an annual basis and at the end of each project.

#### § 5.105 [Amended]

- 2. Amend § 5.105(a) by removing “; section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR part 135.”

### PART 14—IMPLEMENTATION OF THE EQUAL ACCESS TO JUSTICE ACT IN ADMINISTRATIVE PROCEEDINGS

**Authority:** 12 U.S.C. 1701u; 42 U.S.C. 3535(d).

#### Subpart A—General Provisions

##### § 75.1 Purpose.

This part establishes the requirements to be followed to ensure the objectives of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C.

1701u) (Section 3) are met. The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing or residents of the community in which the Federal assistance is spent.

##### § 75.3 Applicability.

(a) *General applicability.* Section 3 applies to public housing financial assistance and Section 3 projects, as follows:

(1) *Public housing financial assistance.* Public housing financial assistance means:

(i) Development assistance provided pursuant to section 5 of the United States Housing Act of 1937 (the 1937 Act);

(ii) Operations and management assistance provided pursuant to section 9(e) of the 1937 Act;

(iii) Development, modernization, and management assistance provided pursuant to section 9(d) of the 1937 Act; and

(iv) The entirety of a mixed-finance development project as described in 24 CFR 905.604, regardless of whether the project is fully or partially assisted with public housing financial assistance as defined in paragraphs (a)(1)(i) through (iii) of this section.

(2) *Section 3 projects.* (i) Section 3 projects means housing rehabilitation, housing construction, and other public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of assistance to the project exceeds a threshold of \$200,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs, as authorized by Sections 501 or 502 of the Housing and Urban Development Act of 1970 (12 U.S.C. 1701z-1 or 1701z-2), the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4801 *et seq.*); and the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 *et seq.*). The project is the site or sites together with any building(s) and improvements located on the site(s) that are under common ownership, management, and financing.

(ii) The Secretary must update the thresholds provided in paragraph (a)(2)(i) of this section not less than once every 5 years based on a national construction cost inflation factor through **Federal Register** notice not subject to public comment. When the Secretary finds it is warranted to ensure

compliance with Section 3, the Secretary may adjust, regardless of the national construction cost factor, such thresholds through **Federal Register** notice, subject to public comment.

(iii) The requirements in this part apply to an entire Section 3 project, regardless of whether the project is fully or partially assisted under HUD programs that provide housing and community development financial assistance.

(b) *Contracts for materials.* Section 3 requirements do not apply to material supply contracts.

(c) *Indian and Tribal preferences.* Contracts, subcontracts, grants, or subgrants subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)) or subject to tribal preference requirements as authorized under 101(k) of the Native American Housing Assistance and Self-Determination Act (25 U.S.C. 4111(k)) must provide preferences in employment, training, and business opportunities to Indians and Indian organizations, and are therefore not subject to the requirements of this part.

(d) *Other HUD assistance and other Federal assistance.* Recipients that are not subject to Section 3 are encouraged to consider ways to support the purpose of Section 3.

##### § 75.5 Definitions.

The terms *HUD*, *Public housing*, and *Public Housing Agency (PHA)* are defined in 24 CFR part 5. The following definitions also apply to this part:

*1937 Act* means the United States Housing Act of 1937, 42 U.S.C. 1437 *et seq.*

*Contractor* means any entity entering into a contract with:

(1) A recipient to perform work in connection with the expenditure of public housing financial assistance or for work in connection with a Section 3 project; or

(2) A subrecipient for work in connection with a Section 3 project.

*Labor hours* means the number of paid hours worked by persons on a Section 3 project or by persons employed with funds that include public housing financial assistance.

*Low-income person* means a person as defined in Section 3(b)(2) of the 1937 Act.

*Material supply contracts* means contracts for the purchase of products and materials, including, but not limited to, lumber, drywall, wiring, concrete, pipes, toilets, sinks, carpets, and office supplies. *Professional services* means non-construction services that require an

advanced degree or professional licensing, including, but not limited to, contracts for legal services, financial consulting, accounting services, environmental assessment, architectural services, and civil engineering services.

*Public housing financial assistance* means assistance as defined in § 75.3(a)(1).

*Public housing project* is defined in 24 CFR 905.108.

*Recipient* means any entity that receives directly from HUD public housing financial assistance or housing and community development assistance that funds Section 3 projects, including, but not limited to, any State, local government, instrumentality, PHA, or other public agency, public or private nonprofit organization.

*Section 3* means Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u).

*Section 3 business concern* means:

(1) A business concern meeting at least one of the following criteria, documented within the last six-month period:

(i) It is at least 51 percent owned and controlled by low- or very low-income persons;

(ii) Over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 workers; or

(iii) It is a business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing.

(2) The status of a Section 3 business concern shall not be negatively affected by a prior arrest or conviction of its owner(s) or employees.

(3) Nothing in this part shall be construed to require the contracting or subcontracting of a Section 3 business concern. Section 3 business concerns are not exempt from meeting the specifications of the contract.

*Section 3 project* means a project defined in § 75.3(a)(2).

*Section 3 worker* means:

(1) Any worker who currently fits or when hired within the past five years fit at least one of the following categories, as documented:

(i) The worker's income for the previous or annualized calendar year is below the income limit established by HUD.

(ii) The worker is employed by a Section 3 business concern.

(iii) The worker is a YouthBuild participant.

(2) The status of a Section 3 worker shall not be negatively affected by a prior arrest or conviction.

(3) Nothing in this part shall be construed to require the employment of

someone who meets this definition of a Section 3 worker. Section 3 workers are not exempt from meeting the qualifications of the position to be filled.

*Section 8-assisted housing* refers to housing receiving project-based rental assistance or tenant-based assistance under Section 8 of the 1937 Act. *Service area or the neighborhood of the project* means an area within one mile of the Section 3 project or, if fewer than 5,000 people live within one mile of a Section 3 project, within a circle centered on the Section 3 project that is sufficient to encompass a population of 5,000 people according to the most recent U.S. Census.

*Small PHA* means a public housing authority that manages or operates fewer than 250 public housing units.

*Subcontractor* means any entity that has a contract with a contractor to undertake a portion of the contractor's obligation to perform work in connection with the expenditure of public housing financial assistance or for a Section 3 project.

*Subrecipient* has the meaning provided in the applicable program regulations or in 2 CFR 200.93.

*Targeted Section 3 worker* has the meanings provided in §§ 75.11, 75.21, or 75.29, and does not exclude an individual that has a prior arrest or conviction.

*Very low-income person* means the definition for this term set forth in section 3(b)(2) of the 1937 Act.

*YouthBuild programs* refers to YouthBuild programs receiving assistance under the Workforce Innovation and Opportunity Act (29 U.S.C. 3226).

#### **§ 75.7 Requirements applicable to HUD NOFAs for Section 3 covered programs.**

All notices of funding availability (NOFAs) issued by HUD that announce the availability of funding covered by § 75.3 will include notice that this part is applicable to the funding and may include, as appropriate for the specific NOFA, points or bonus points for the quality of Section 3 plans.

#### **Subpart B—Additional Provisions for Public Housing Financial Assistance**

##### **§ 75.9 Requirements.**

(a) *Employment and training.* (1) Consistent with existing Federal, state, and local laws and regulations, PHAs or other recipients receiving public housing financial assistance, and their contractors and subcontractors, must make their best efforts to provide employment and training opportunities generated by the public housing

financial assistance to Section 3 workers.

(2) PHAs or other recipients, and their contractors and subcontractors, must make their best efforts described in paragraph (a)(1) of this section in the following order of priority:

(i) To residents of the public housing projects for which the public housing financial assistance is expended;

(ii) To residents of other public housing projects managed by the PHA that is providing the assistance or for residents of Section 8-assisted housing managed by the PHA;

(iii) To participants in YouthBuild programs; and

(iv) To low- and very low-income persons residing within the metropolitan area (or nonmetropolitan county) in which the assistance is expended.

(b) *Contracting.* (1) Consistent with existing Federal, state, and local laws and regulations, PHAs and other recipients of public housing financial assistance, and their contractors and subcontractors, must make their best efforts to award contracts and subcontracts to business concerns that provide economic opportunities to Section 3 workers.

(2) PHAs and other recipients, and their contractors and subcontractors, must make their best efforts described in paragraph (b)(1) of this section in the following order of priority:

(i) To Section 3 business concerns that provide economic opportunities for residents of the public housing projects for which the assistance is provided;

(ii) To Section 3 business concerns that provide economic opportunities for residents of other public housing projects or Section-8 assisted housing managed by the PHA that is providing the assistance;

(iii) To YouthBuild programs; and

(iv) To Section 3 business concerns that provide economic opportunities to Section 3 workers residing within the metropolitan area (or nonmetropolitan county) in which the assistance is provided.

##### **§ 75.11 Targeted Section 3 worker for public housing financial assistance.**

(a) *Targeted Section 3 worker.* A Targeted Section 3 worker for public housing financial assistance means a Section 3 worker who is:

(1) A worker employed by a Section 3 business concern; or

(2) A worker who currently fits or when hired fit at least one of the following categories, as documented within the past five years:

(i) A resident of public housing or Section 8-assisted housing;

(ii) A resident of other public housing projects or Section 8-assisted housing managed by the PHA that is providing the assistance; or

(iii) A YouthBuild participant.

(b) [Reserved]

#### § 75.13 Section 3 safe harbor.

(a) *General.* PHAs and other recipients will be considered to have complied with requirements in this part, in the absence of evidence to the contrary, if they:

(1) Certify that they have followed the prioritization of effort in § 75.9; and

(2) Meet or exceed the applicable Section 3 benchmarks as described in paragraph (b) of this section.

(b) *Establishing benchmarks.* (1) HUD will establish Section 3 benchmarks for Section 3 workers or Targeted Section 3 workers or both through a document published in the **Federal Register**. HUD may establish a single nationwide benchmark for Section 3 workers and a single nationwide benchmark for Targeted Section 3 workers, or may establish multiple benchmarks based on geography, the type of public housing financial assistance, or other variables. HUD will update the benchmarks through a document published in the **Federal Register**, subject to public comment, not less frequently than once every 3 years. Such notice shall include aggregate data on labor hours and the proportion of PHAs and other recipients meeting benchmarks, as well as other metrics reported pursuant to § 75.15 as deemed appropriate by HUD, for the 3 most recent reporting years.

(2) In establishing the Section 3 benchmarks, HUD may consider the industry averages for labor hours worked by specific categories of workers or in different localities or regions; averages for labor hours worked by Section 3 workers and Targeted Section 3 workers as reported by recipients pursuant to this section; and any other factors HUD deems important. In establishing the Section 3 benchmarks, HUD will exclude professional services from the total number of labor hours as such hours are excluded from the total number of labor hours to be reported per § 75.15(a)(4).

(3) Section 3 benchmarks will consist of the following two ratios:

(i) The number of labor hours worked by Section 3 workers divided by the total number of labor hours worked by all workers funded by public housing financial assistance in the PHA's or other recipient's fiscal year.

(ii) The number of labor hours worked by Targeted Section 3 workers, as defined in § 75.11(a), divided by the total number of labor hours worked by

all workers funded by public housing financial assistance in the PHA's or other recipient's fiscal year.

#### § 75.15 Reporting.

(a) *Reporting of labor hours.* (1) For public housing financial assistance, PHAs and other recipients must report in a manner prescribed by HUD:

(i) The total number of labor hours worked;

(ii) The total number of labor hours worked by Section 3 workers; and

(iii) The total number of labor hours worked by Targeted Section 3 workers.

(2) Section 3 workers' and Targeted Section 3 workers' labor hours may be counted for five years from when their status as a Section 3 worker or Targeted Section 3 worker is established pursuant to § 75.31.

(3) The labor hours reported under paragraph (a)(1) of this section must include the total number of labor hours worked with public housing financial assistance in the fiscal year of the PHA or other recipient, including labor hours worked by any contractors and subcontractors that the PHA or other recipient is required, or elects pursuant to paragraph (a)(4) of this section, to report.

(4) PHAs and other recipients reporting under this section, as well as contractors and subcontractors who report to PHAs and recipients, may report labor hours by Section 3 workers, under paragraph (a)(1)(ii) of this section, and labor hours by Targeted Section 3 workers, under paragraph (a)(1)(iii) of this section, from professional services without including labor hours from professional services in the total number of labor hours worked under paragraph (a)(1)(i) of this section. If a contract covers both professional services and other work and the PHA, other recipient, contractor, or subcontractor chooses not to report labor hours from professional services, the labor hours under the contract that are not from professional services must still be reported.

(5) PHAs and other recipients may report on the labor hours of the PHA, the recipient, a contractor, or a subcontractor based on the employer's good faith assessment of the labor hours of a full-time or part-time employee informed by the employer's existing salary or time and attendance based payroll systems, unless the project or activity is otherwise subject to requirements specifying time and attendance reporting.

(b) *Additional reporting if Section 3 benchmarks are not met.* If the PHA's or other recipient's reporting under paragraph (a) of this section indicates

that the PHA or other recipient has not met the Section 3 benchmarks described in § 75.13, the PHA or other recipient must report in a form prescribed by HUD on the qualitative nature of its Section 3 compliance activities and those of its contractors and subcontractors. Such qualitative efforts may, for example, include but are not limited to the following:

(1) Engaged in outreach efforts to generate job applicants who are Targeted Section 3 workers.

(2) Provided training or apprenticeship opportunities.

(3) Provided technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).

(4) Provided or connected Section 3 workers with assistance in seeking employment including: drafting resumes, preparing for interviews, and finding job opportunities connecting residents to job placement services.

(5) Held one or more job fairs.

(6) Provided or referred Section 3 workers to services supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, child care).

(7) Provided assistance to apply for/or attend community college, a four-year educational institution, or vocational/technical training.

(8) Assisted Section 3 workers to obtain financial literacy training and/or coaching.

(9) Engaged in outreach efforts to identify and secure bids from Section 3 business concerns.

(10) Provided technical assistance to help Section 3 business concerns understand and bid on contracts.

(11) Divided contracts into smaller jobs to facilitate participation by Section 3 business concerns.

(12) Provided bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.

(13) Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.

(14) Outreach, engagement, or referrals with the state one-stop system as defined in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.

(c) *Reporting frequency.* Unless otherwise provided, PHAs or other recipients must report annually to HUD under paragraph (a) of this section, and, where required, under paragraph (b) of this section, in a manner consistent with reporting requirements for the applicable HUD program.

(d) *Reporting by Small PHAs.* Small PHAs may elect not to report under

paragraph (a) of this section. Small PHAs that make such election are required to report on their qualitative efforts, as described in paragraph (b) of this section, in a manner consistent with reporting requirements for the applicable HUD program.

#### **§ 75.17 Contract provisions.**

(a) PHAs or other recipients must include language in any agreement or contract to apply Section 3 to contractors.

(b) PHAs or other recipients must require contractors to include language in any contract or agreement to apply Section 3 to subcontractors.

(c) PHAs or other recipients must require all contractors and subcontractors to meet the requirements of § 75.9, regardless of whether Section 3 language is included in contracts.

### **Subpart C—Additional Provisions for Housing and Community Development Financial Assistance**

#### **§ 75.19 Requirements.**

(a) *Employment and training.* (1) To the greatest extent feasible, and consistent with existing Federal, state, and local laws and regulations, recipients covered by this subpart shall ensure that employment and training opportunities arising in connection with Section 3 projects are provided to Section 3 workers within the metropolitan area (or nonmetropolitan county) in which the project is located.

(2) Where feasible, priority for opportunities and training described in paragraph (a)(1) of this section should be given to:

(i) Section 3 workers residing within the service area or the neighborhood of the project, and

(ii) Participants in YouthBuild programs.

(b) *Contracting.* (1) To the greatest extent feasible, and consistent with existing Federal, state, and local laws and regulations, recipients covered by this subpart shall ensure contracts for work awarded in connection with Section 3 projects are provided to business concerns that provide economic opportunities to Section 3 workers residing within the metropolitan area (or nonmetropolitan county) in which the project is located.

(2) Where feasible, priority for contracting opportunities described in paragraph (b)(1) of this section should be given to:

(i) Section 3 business concerns that provide economic opportunities to Section 3 workers residing within the service area or the neighborhood of the project, and

(ii) YouthBuild programs.

#### **§ 75.21 Targeted Section 3 worker for housing and community development financial assistance.**

(a) *Targeted Section 3 worker.* A Targeted Section 3 worker for housing and community development financial assistance means a Section 3 worker who is:

(1) A worker employed by a Section 3 business concern; or

(2) A worker who currently fits or when hired fit at least one of the following categories, as documented within the past five years:

(i) Living within the service area or the neighborhood of the project, as defined in § 75.5; or

(ii) A YouthBuild participant.

(b) [Reserved]

#### **§ 75.23 Section 3 safe harbor.**

(a) *General.* Recipients will be considered to have complied with requirements in this part, in the absence of evidence to the contrary if they:

(1) Certify that they have followed the prioritization of effort in § 75.19; and

(2) Meet or exceed the applicable Section 3 benchmark as described in paragraph (b) of this section.

(b) *Establishing benchmarks.* (1) HUD will establish Section 3 benchmarks for Section 3 workers or Targeted Section 3 workers or both through a document published in the **Federal Register**. HUD may establish a single nationwide benchmark for Section 3 workers and a single nationwide benchmark for Targeted Section 3 workers, or may establish multiple benchmarks based on geography, the nature of the Section 3 project, or other variables. HUD will update the benchmarks through a document published in the **Federal Register**, subject to public comment, not less frequently than once every 3 years. Such notice shall include aggregate data on labor hours and the proportion of recipients meeting benchmarks, as well as other metrics reported pursuant to § 75.25 as deemed appropriate by HUD, for the 3 most recent reporting years.

(2) In establishing the Section 3 benchmarks, HUD may consider the industry averages for labor hours worked by specific categories of workers or in different localities or regions; averages for labor hours worked by Section 3 workers and Targeted Section 3 workers as reported by recipients pursuant to this section; and any other factors HUD deems important. In establishing the Section 3 benchmarks, HUD will exclude professional services from the total number of labor hours as such hours are excluded from the total number of labor hours to be reported per § 75.25(a)(4).

(3) Section 3 benchmarks will consist of the following two ratios:

(i) The number of labor hours worked by Section 3 workers divided by the total number of labor hours worked by all workers on a Section 3 project in the recipient's program year.

(ii) The number of labor hours worked by Targeted Section 3 workers as defined in § 75.21(a), divided by the total number of labor hours worked by all workers on a Section 3 project in the recipient's program year.

#### **§ 75.25 Reporting.**

(a) *Reporting of labor hours.* (1) For Section 3 projects, recipients must report in a manner prescribed by HUD:

(i) The total number of labor hours worked;

(ii) The total number of labor hours worked by Section 3 workers; and

(iii) The total number of labor hours worked by Targeted Section 3 workers.

(2) Section 3 workers' and Targeted Section 3 workers' labor hours may be counted for five years from when their status as a Section 3 worker or Targeted Section 3 worker is established pursuant to § 75.31.

(3) The labor hours reported under paragraph (a)(1) of this section must include the total number of labor hours worked on a Section 3 project, including labor hours worked by any subrecipients, contractors and subcontractors that the recipient is required, or elects pursuant to paragraph (a)(4) of this section, to report.

(4) Recipients reporting under this section, as well as subrecipients, contractors and subcontractors who report to recipients, may report labor hours by Section 3 workers, under paragraph (a)(1)(ii) of this section, and labor hours by Targeted Section 3 workers, under paragraph (a)(1)(iii) of this section, from professional services without including labor hours from professional services in the total number of labor hours worked under paragraph (a)(1)(i) of this section. If a contract covers both professional services and other work and the recipient or contractor or subcontractor chooses not to report labor hours from professional services, the labor hours under the contract that are not from professional services must still be reported.

(5) Recipients may report their own labor hours or that of a subrecipient, contractor, or subcontractor based on the employer's good faith assessment of the labor hours of a full-time or part-time employee informed by the employer's existing salary or time and attendance based payroll systems, unless the project or activity is

otherwise subject to requirements specifying time and attendance reporting.

(b) *Additional reporting if Section 3 benchmarks are not met.* If the recipient's reporting under paragraph (a) of this section indicates that the recipient has not met the Section 3 benchmarks described in § 75.23, the recipient must report in a form prescribed by HUD on the qualitative nature of its activities and those its contractors and subcontractors pursued. Such qualitative efforts may, for example, include but are not limited to the following:

- (1) Engaged in outreach efforts to generate job applicants who are Targeted Section 3 workers.
- (2) Provided training or apprenticeship opportunities.
- (3) Provided technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).
- (4) Provided or connected Section 3 workers with assistance in seeking employment including: drafting resumes, preparing for interviews, and finding job opportunities connecting residents to job placement services.
- (5) Held one or more job fairs.
- (6) Provided or referred Section 3 workers to services supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, child care).
- (7) Provided assistance to apply for/or attend community college, a four-year educational institution, or vocational/technical training.
- (8) Assisted Section 3 workers to obtain financial literacy training and/or coaching.
- (9) Engaged in outreach efforts to identify and secure bids from Section 3 business concerns.
- (10) Provided technical assistance to help Section 3 business concerns understand and bid on contracts.
- (11) Divided contracts into smaller jobs to facilitate participation by Section 3 business concerns.
- (12) Provided bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.
- (13) Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.
- (14) Outreach, engagement, or referrals with the state one-stop system as defined in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.

(c) *Reporting frequency.* Unless otherwise provided, recipients must report annually to HUD under paragraph (a) of this section, and, where

required, under paragraph (b) of this section, on all projects completed within the reporting year in a manner consistent with reporting requirements for the applicable HUD program.

#### § 75.27 Contract provisions.

(a) Recipients must include language applying Section 3 requirements in any subrecipient agreement or contract for a Section 3 project.

(b) Recipients of Section 3 funding must require subrecipients, contractors, and subcontractors to meet the requirements of § 75.19, regardless of whether Section 3 language is included in recipient or subrecipient agreements, program regulatory agreements, or contracts.

#### Subpart D—Provisions for Multiple Funding Sources, Recordkeeping, and Compliance

##### § 75.29 Multiple funding sources.

(a) If a housing rehabilitation, housing construction or other public construction project is subject to Section 3 pursuant to § 75.3(a)(1) and (2), the recipient must follow subpart B of this part for the public housing financial assistance and may follow either subpart B or C of this part for the housing and community development financial assistance. For such a project, the following applies:

(1) For housing and community development financial assistance, a Targeted Section 3 worker is any worker who meets the definition of a Targeted Section 3 worker in either subpart B or C of this part; and

(2) The recipients of both sources of funding shall report on the housing rehabilitation, housing construction, or other public construction project as a whole and shall identify the multiple associated recipients. PHAs and other recipients must report the following information:

(i) The total number of labor hours worked on the project;

(ii) The total number of labor hours worked by Section 3 workers on the project; and

(iii) The total number of labor hours worked by Targeted Section 3 workers on the project.

(b) If a housing rehabilitation, housing construction, or other public construction project is subject to Section 3 because the project is assisted with funding from multiple sources of housing and community development assistance that exceed the thresholds in

§ 75.3(a)(2), the recipient or recipients must follow subpart C of this part, and must report to the applicable HUD program office, as prescribed by HUD.

#### § 75.31 Recordkeeping.

(a) HUD shall have access to all records, reports, and other documents or items of the recipient that are maintained to demonstrate compliance with the requirements of this part, or that are maintained in accordance with the regulations governing the specific HUD program by which the Section 3 project is governed, or the public housing financial assistance is provided or otherwise made available to the recipient, subrecipient, contractor, or subcontractor.

(b) Recipients must maintain documentation, or ensure that a subrecipient, contractor, or subcontractor that employs the worker maintains documentation, to ensure that workers meet the definition of a Section 3 worker or Targeted Section 3 worker, at the time of hire or the first reporting period, as follows:

(1) For a worker to qualify as a Section 3 worker, one of the following must be maintained:

(i) A worker's self-certification that their income is below the income limit from the prior calendar year;

(ii) A worker's self-certification of participation in a means-tested program such as public housing or Section 8-assisted housing;

(iii) Certification from a PHA, or the owner or property manager of project-based Section 8-assisted housing, or the administrator of tenant-based Section 8-assisted housing that the worker is a participant in one of their programs;

(iv) An employer's certification that the worker's income from that employer is below the income limit when based on an employer's calculation of what the worker's wage rate would translate to if annualized on a full-time basis; or

(v) An employer's certification that the worker is employed by a Section 3 business concern.

(2) For a worker to qualify as a Targeted Section 3 worker, one of the following must be maintained:

(i) For a worker to qualify as a Targeted Section 3 worker under subpart B of this part:

(A) A worker's self-certification of participation in public housing or Section 8-assisted housing programs;

(B) Certification from a PHA, or the owner or property manager of project-based Section 8-assisted housing, or the administrator of tenant-based Section 8-assisted housing that the worker is a participant in one of their programs;

(C) An employer's certification that the worker is employed by a Section 3 business concern; or

(D) A worker's certification that the worker is a YouthBuild participant.

(ii) For a worker to qualify as a Targeted Section 3 worker under subpart C of this part:

(A) An employer's confirmation that a worker's residence is within one mile of the work site or, if fewer than 5,000 people live within one mile of a work site, within a circle centered on the work site that is sufficient to encompass a population of 5,000 people according to the most recent U.S. Census;

(B) An employer's certification that the worker is employed by a Section 3 business concern; or

(C) A worker's self-certification that the worker is a YouthBuild participant.

(c) The documentation described in paragraph (b) of this section must be maintained for the time period required for record retentions in accordance with applicable program regulations or, in the absence of applicable program regulations, in accordance with 2 CFR part 200.

(d) A PHA or recipient may report on Section 3 workers and Targeted Section 3 workers for five years from when their certification as a Section 3 worker or Targeted Section 3 worker is established.

#### § 75.33 Compliance.

(a) *Records of compliance.* Each recipient shall maintain adequate records demonstrating compliance with this part, consistent with other recordkeeping requirements in 2 CFR part 200.

(b) *Complaints.* Complaints alleging failure of compliance with this part may be reported to the HUD program office responsible for the public housing financial assistance or the Section 3 project, or to the local HUD field office.

(c) *Monitoring.* HUD will monitor compliance with the requirements of this part. The applicable HUD program office will determine appropriate methods by which to oversee Section 3 compliance. HUD may impose appropriate remedies and sanctions in accordance with the laws and regulations for the program under which the violation was found.

**AFFIRMATIVE ACTION COMPLIANCE GUIDELINES FOR  
CONSTRUCTION AND NON-CONSTRUCTION  
CONTRACTORS**

NOT FOR BID

# **AFFIRMATIVE ACTION COMPLIANCE GUIDELINES FOR CONSTRUCTION AND NON-CONSTRUCTION CONTRACTORS**

These Affirmative Action Compliance Guidelines have been designed to provide Contractors with information necessary to comply with Federal regulations found under Title 41, Part 60 of the Code of Federal Regulations. It is the intent of these guidelines to ensure that equal opportunity for employment is practiced by the Contractor without regard to race, color, sex, religion, national origin, disability, and veteran's status. These guidelines provide the minimum information necessary to comply with EEO and affirmative action requirements, including the preparation of an Affirmative Action Plan that complies with federal regulations regarding Affirmative Action for federally assisted projects. Contractors are urged to contact the implementing entity or the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) officer for any necessary technical assistance in meeting Affirmative Action requirements if they are considering bidding under this contract.

## **I. AFFIRMATIVE ACTION COMPLIANCE PROGRAM**

### **A. The Affirmative Action program embodies the following principles:**

1. Discrimination because of race, color, age, sex, religion, national origin, marital status, disability, or veteran's status is inconsistent with the constitution, laws, and policies of the United States, State of California and San Bernardino County.
2. The implementing entity is committed to ensure that there be no discrimination by vendors, Contractors (including professional services and consultants), lessors, or lessees doing business with the implementing entity.
3. Contractors and Subcontractors agree to take affirmative personnel actions to hire and promote workers who traditionally have been discriminated against in the job market, including women, minorities, members of certain ethnic and religious groups, individuals with disabilities, and veterans.

### **B. Affirmative Action Step Requirements for CONSTRUCTION Contractors and Subcontractors:**

1. Personnel affirmative action in recruitment, hiring, and promotion is required by Contractor and Subcontractors who have entered into a federally assisted construction or non-construction contract that exceed \$10,000 or \$10,000 in the aggregate over a 12-month period.
2. Contractors and Subcontractors who enter into a CONSTRUCTION CONTRACT in excess of \$10,000 must take 16 specific affirmative action steps to ensure equal employment opportunity. These steps are included in 41 CFR 60-4.3 (a) (7) and are also included under "Standard Federal Equal Employment Opportunity Construction Contract Specifications" of Attachment "D" of the bid package.

### **C. Affirmative Action Plan requirements for NON-CONSTRUCTION Contractors:**

1. All Contractors who have entered into a NON-CONSTRUCTION CONTRACT and who: 1) do business in the amount of \$50,000 or more with the implementing entity in any one fiscal year and, 2) employ 50 or more employees, must develop a written Affirmative Action Program within 120 days after the contract award date.
2. All Subcontractors rendering services or supplies to a Contractor in the amount of \$50,000 or more and employ 50 or more employees, must develop a written Affirmative Action Program within 120 days after the contract award date.

### **D. Exemptions under 41 CFR 60:**

The following persons/contracts shall be exempt from this program:

1. A contract or contracts by a Contractor that do not exceed \$10,000 in the aggregate over a 12-month period.
2. Contracts for Work outside the United States
3. State and Local Governments
4. Contracts with certain educational institutions
5. Work on or near Indian Reservations
6. Specific contracts and facilities found exempt by Deputy Assistant Secretary
7. Contracts with religious entities
8. National security contracts

Any Contractor who feels qualified for an exemption should contact the local Contract Compliance Officer or the U.S. Department of Labor's OFCCP Officer for further information.

## **II. SATISFYING AFFIRMATIVE ACTION PLAN**

### **A. Affirmative Action Plan requirements for NON-CONSTRUCTION Contractors can be met through the following:**

1. Completing a Contract Compliance Qualifying Report for Non-construction Contractors and Vendors, (refer to the form found in the "Additional Required Documents/Sample Documents" section of Attachment "D" of the bid package).
2. Completing a Contractor's Affirmative Action Policy, including methods of recruiting minorities and women. If the Contractor does not have its own Affirmative Action Policy, it may adopt the County's model Affirmative Action Policy ((refer to the form found in the "Additional Required Documents/Sample Documents" section of Attachment "D" of the bid package).
3. Following Federal Affirmative Action Plan guidelines which comply with the requirements of 41 CFR 60.2.10.

## DEFINITIONS

Unless a provision of a contract otherwise requires, certain words and phrases shall be defined as follows:

- A. "Affirmative Action" is a commitment to increase the number of minorities and women in the work force by setting employment goals and timetables, including action to achieve objectives. Affirmative Action seeks to ensure that discrimination is eliminated in dealings with employees or applicants for employment whether the discrimination is intentional or unintentional. In addition, Affirmative Action seeks to improve job standards and productivity through the removal of artificial and unnecessary barriers to employment and promotion and ensure that all job actions are related to job performance measures.
- B. "Affirmative Action Plan" is a written affirmative plan required of Contractors and Subcontractors who have 50 or more employees and have entered into a contract with the implementing entity that exceeds \$50,000, or \$50,000 in contracts over a 12-month period.
- C. "Contract" means a federally assisted purchase order, offer and acceptance, lease, agreement or other arrangement creating an obligation to which the implementing entity is a party, which would make one of the parties within the definition a Contractor.
- D. "Construction" means the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways or other changes or improvements to real property, including facilities providing utility services.
- E. "Contractor" means a prime Contractor or Subcontractor.
- F. "Covered Area" means the geographical area described in the solicitation from which the contract resulted;
- G. "Director" means Director, OFCCP, U.S. Dept. of Labor, or any person to whom the Director delegates authority to;
- H. "Employee" means one who performs work for compensation, or a person who is permanently or regularly employed by the Contractor or Subcontractor.
- I. "Employer Identification Number" means the Federal Social Security Number;
- J. "Disability" means any individual who:
  - 1. Has a physical or mental impairment, which substantially limits one or more major life activities of such individual;
  - 2. Has a record or such impairment or,
  - 3. Is generally regarded as having such an impairment.
- K. "Employer Identification Number" means the Federal Social Security Number;
- L. "Implementing Entity" means public jurisdiction who is administering the contract.
- M. "Minority" includes:
  - 1. Black (all persons having origins in any Black African racial groups not of Hispanic origin);
  - 2. Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
  - 3. Asian or Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent or the Pacific Islands);
  - 4. American Indian or Alaskan native (all persons having origins in any of the native peoples of North America and maintaining identifiable tribal affiliations through membership and participation in community identification).
- N. "Non-construction Contract" means any contract that does not fall within the definition of "Construction Contract".
- O. "Officer" means the Contract Compliance Officer of the implementing entity or U.S. Department of Labor Office of Federal Contract Compliance Program (OFCCP) Officer.
- P. "Persons" means any individual, firm, co-partnership, public service, joint venture, association, social club, fraternal organization, corporation, estate, trust receiver, syndicate CITY, county, municipal corporation, district or other political subdivision, or any other group or combination acting as a unit.
- Q. "Underutilization" means having fewer minorities or women in a particular job classification than would reasonably be expected by their availability.
- R. "Vietnam-Era Veteran" means a person who:
  - 1. Served on actual duty for a period of more than 180 days, any part of which occurred between August 5, 1964, and May 7, 1975, and was discharged or released therefrom with other than a dishonorable discharge; or
  - 2. Was discharged or released from active duty for a service-connected disability if any part of such active duty was performed between August 5, 1964, and May 7, 1975.

S. Violation and Appeal Procedure:

1. A Contractor found in violation of equal opportunity/affirmative action laws will be referred to the U.S. Department of Labor's OFCCP Division, and the Solicitor for Labor, Associate Solicitor of Labor Relations and Civil Rights Regional Solicitors and Regional Attorney are authorized to institute enforcement proceedings by filing a complaint and serving that complaint to the Contractor (defendant), in accordance with procedures set forth in 41 CFR 60-30.5. The complaint shall contain information on the alleged violation, a prayer regarding the relief being sought, and the name and address of the attorney representing the Government. Within 20 days after receiving the complaint, the defendant shall file an answer with the Chief Administrative Law Judge, if the case has not been assigned to an Administrative Law judge.
2. The answer shall contain a statement of the facts which constitute the ground of defense, and shall:
  - 1) specifically admit, explain, or deny each of the allegations of the complaint unless the defendant is without knowledge, or
  - 2) state that the defendant admits all the allegations contained in the complaint. The answer may contain a waiver for a hearing and if not, a separate paragraph in the answer shall request a hearing. The answer shall contain the name and address of the defendant, or of the attorney representing the defendant. Failure to file an answer or plead specifically to an allegation of the complaint shall constitute an admission of such allegation.
3. Contractor agrees to fully comply with the laws and programs (including regulations issued pursuant thereto) identified herein. Such compliance is required to the extent such laws, programs and their regulations are, by their own terms, applicable to this contract. Contractor warrants that he will make himself thoroughly familiar with the applicable provisions of said laws, programs, and regulations prior to commencing performance of the contract. Copies of said laws, programs, and regulations are available upon request from the implementing entity's Contract Compliance Officer, or from the U.S. Department of Labor's OFCCP Officer to the extent applicable the provisions of said laws programs and regulations are deemed to be a part of this contract as if fully set forth herein.
4. Vietnam Era Veterans' Readjustment Assistance Acts of 1972 and 1974, as amended. Pub. L. 92-540, Title V, Sec 503(a), Pub. L 93-508. Title IV, Sec. 402. (38 USCA 2011-2013).
5. Rehabilitation Act of 1973, as amended (disability) Pub. L 93-112 as amended. (29 USCA 701-794).
6. California Fair Employment Practice Act. Labor Code Sec. 1410 *et seq.*
5. Civil Rights Act of 1964, as amended (42 USCA 2000a to 2000H-6) and Executive Order No. 11246, September 24, 1965, as amended.

## **EQUAL OPPORTUNITY CLAUSES**

**The Contractor and Subcontractors not found exempt under 41 CFR 60-1.5, are required to comply with the following equal opportunity clauses as a condition of being awarded a federally assisted contract. Each nonexempt prime Contractor shall include equal employment opportunity clauses in each of its nonexempt Subcontractors.**

### **EQUAL OPPORTUNITY CLAUSE FOR FEDERALLY ASSISTED CONSTRUCTION CONTRACTS**

This clause is inserted pursuant to Executive Order 11246 of September 24, 1965, as amended, and Title VII of the Civil Rights Act of 1964, and is applicable pursuant to 41 CFR Sec. 60-1.4. The following requirements apply to Contractors and Subcontractors

- (1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
- (2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
- (3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (4) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965 and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations and orders of the Secretary of Labor, pursuant thereto, and will permit

access to his books, records, and accounts by the administering agency and Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders

- (6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations or orders, this contract may be canceled, terminated or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The Contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work; provided, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 1124 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee), refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurances of future compliance has been received from such applicant, and refer the case to the Department of Justice for appropriate legal proceedings.

In addition to the above, Contractor will agree to furnish all information and reports, including Standard form EEO-1, if applicable, to the U.S. Equal Employment Opportunity Commission (EEOC) and the U.S. Department of Labor's OFCCP, as required by Executive Order No. 11246 of September 24, 1965.

### **EQUAL OPPORTUNITY CLAUSE FOR SPECIAL DISABLED VETERANS AND VETERANS OF THE VIETNAM ERA**

This clause is inserted pursuant to Executive Order 11701 of January 24, 1973 and the Vietnam Era Veterans Readjustment Assistance Acts of 1972 and 1974 (P.L. 92-540, 93-508), and is applicable pursuant to 41 CFR Sec. 60-250.

- (1) The Contractor will not discriminate against any employee or applicant for employment because he or she is a disabled veteran or veteran of the Vietnam Era in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified disabled veterans and veterans of the Vietnam Era without discrimination based upon their disability or veterans' status in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- (2) The Contractor agrees that all suitable employment openings of the Contractor which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the Contractor other than the one wherein the contract is being performed but excluding those of independently operated corporate affiliates, shall be

listed at an appropriate local office of the State Employment Service System wherein the opening occurs. The Contractor further agrees to provide such reports to such local office regarding employment openings and hires as may be required.

- (3) Listings of employment openings with the employment service system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and non-veterans. The listing of employment openings does not require the hiring of any particular job applicant or from any particular group of job applicants, and nothing herein is intended to relieve the Contractor from any requirements in Executive Orders or regulations regarding nondiscrimination in employment.
- (4) The reports required by paragraph (2) of this clause shall include, but not be limited to, periodic reports which shall be filed at least quarterly with the appropriate local office or, where the Contractor has more than one hiring location in a State, with the central office of that State Employment Service. Such reports shall indicate for each hiring location, (a) the number of individuals hired during the reporting period, (b) the number of non-disabled veterans of the Vietnam Era hired, (c) the number of disabled veterans of the Vietnam Era hired, and (d) the total number of disabled veterans hired. The reports shall include covered veterans hired for on-the-job training under 38 USC Sec. 1787. The Contractor shall submit a report within 30 days after the end of each reporting period wherein any performance is made on this contract identifying data for each hiring location. The Contractor shall maintain at each hiring location, copies of the reports submitted until the expiration of one year after final payment under the contract, during which time these reports and related documentation shall be made available, upon request, for examination by any authorized representatives of the contracting officer or of the Secretary of Labor. Documentation would include personnel records respecting job openings, recruitment and placement.
- (5) Whenever the Contractor becomes contractually bound to the listing provisions of this clause, it shall advise the employment service system in each State where it has establishments of the name and location of each hiring location in the State. As long as the Contractor is contractually bound to these provisions and has so advised the State system, there is no need to advise the State system of subsequent contracts. The Contractor may advise the State system when it is no longer bound by this contract clause.
- (6) This clause does not apply to the listing of employment openings, which occur and are filled outside of the 50 States, the District of Columbia, Puerto Rico, Guam and the Virgin Islands.

(7) The provisions of paragraphs (2), (3), (4) and (5) of this clause do not apply to openings which the Contractor proposes to fill from within his own organization or to fill pursuant to a customary and traditional employer - union hiring arrangement. This exclusion does not apply to a particular opening once an employer decides to consider applicants outside of his own organization or employer - union arrangement for that opening.

(8) As used in this clause:

a. "All suitable employment openings" includes, but is not limited to, openings which occur in the following job categories: production and non-production; plant and office; laborers and mechanics; supervisory and non-supervisory; technical; and executive, administrative and professional openings as are compensated on a salary basis of less than \$25,000 per year. The term includes full-time employment, temporary employment of more than three days duration, and part-time employment. It does not include openings which the Contractor proposes to fill from within his own organization or to fill pursuant to a customary and traditional employer - union hiring arrangement or openings in an educational institution which are restricted to students of that institution. Under most compelling circumstances an employment opening may not be suitable for listing, including such situations where the needs of the Government cannot reasonably be otherwise supplied, where listing would be contrary to national security, or where the requirement of listing would otherwise not be for the best interest of the Government.

b. "Appropriate office of the State Employment Service System" means the local office of the federal - state national system of public employment offices with assigned responsibility for serving the area where the employment opening is to be filled, including the District of Colombia, Guam, Puerto Rico and the Virgin Islands.

c. "Openings which the Contractor proposes to fill from within his own organization" means employment openings for which no consideration will be given to persons outside the Contractor's organization (including any affiliates, subsidiaries and the parent companies) and includes any openings which the Contractor proposes to fill from regularly established "recall" lists.

d. "Openings which the Contractor proposes to fill pursuant to a customary and traditional employer - union hiring arrangement" means employment openings which the Contractor proposes to fill from union halls, which is part of the customary and traditional hiring relationship which exists between the

Contractor and representatives of his employees.

(9) The Contractor agrees to comply with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.

(10) In the event of the Contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.

(11) The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam Era for employment, and the rights of applicants and employees.

(12) The Contractor will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of the Vietnam Era Veterans' Readjustment Assistance Act, and is committed to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam Era.

(13) The Contractor will include the provisions of this clause in every subcontract or purchase order of \$10,000 or more unless exempted by rules, regulations or orders of the Secretary issued pursuant to the Act, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

(14) Collective bargaining agreement or other contract understanding that the Contractor is bound by the terms of the Vietnam Era Veterans' Readjustment Assistance Act, and is committed to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam Era.

(15) The Contractor will include the provisions of this clause in every subcontract or purchase order of \$10,000 or more unless exempted by rules, regulations or orders of the Secretary issued pursuant to the Act, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

## **EQUAL OPPORTUNITY CLAUSE FOR WORKERS WITH DISABILITIES**

This clause is inserted pursuant to the Rehabilitation Act of 1973 (P.L. 93-112) and 41 CFR Sec. 60-741-4.

- (1) The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified
- (2) disabled individuals without discrimination based upon their physical or mental disability in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- (3) The Contractor agrees to comply with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.
- (4) In the event of the Contractor's non-compliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.
- (5) The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer.
- (6) Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.
- (7) The Contractor will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of Section 503 of the Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally disabled individuals.
- (8) The Contractor will include the provisions of this clause in every subcontract or purchase order of \$2,500.00 or more unless exempted by rules, regulations or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

**STANDARD FEDERAL EQUAL  
EMPLOYMENT OPPORTUNITY  
CONSTRUCTION CONTRACT PROVISIONS  
(EXECUTIVE ORDER 11246, PURSUANT TO  
41 CFR 60-4.3 (a))**

1. As used in these specifications:

- a. "Covered area" means the geographical area described in the solicitation from which this contract resulted;
- b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
- c. "Employer identification number" means the Federal Social Security number used on the Employer's Quarter Federal Tax Return. U.S. Treasury Department form 941.
- d. "Minority" includes:
  - (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
  - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
  - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
  - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.

3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with the plan for those trades which have

unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve Plan goals and timetables.

4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7a through p of these specifications. The goals set forth in the solicitation from which the contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered construction Contractors performing construction work in geographical areas where they do not have a federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the FEDERAL REGISTER in notice form, and such notices may be obtained from any Office of Federal Contract Compliance programs Office or from federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246 or the regulations promulgated pursuant thereto.

6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period and the Contractor must have made commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and

shall implement affirmative action steps at least as extensive as the follow 16 steps:

- a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
- b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.
- c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefore, along with whatever additional actions the Contractor may have taken.
- d. Provide immediate written notification to the Director when the union or unions bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.
- e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's

employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

- f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.
- g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the item and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.
- i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment source, the Contractor shall send written

notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

- j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.
  - k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.
  - l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
  - m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.
  - n. Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
  - o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction Contractors and suppliers, including circulation of solicitations to minority and female Contractor associations and other business associations.
  - p. Conduct a review, at least annually, of all supervisors; adherence to and performance under the Contractor's EEO policies and affirmative action obligations.
8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a – p). The efforts of a Contractor association, joint Contractor-union, Contractor-

community or other similar group of which the Contractor is a member and participant may be asserted as fulfilling any one or more of its obligations provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation, which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

- 9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the executive order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).
- 10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.
- 11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.
- 12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.
- 13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum

results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the director shall proceed in accordance with 41 CFR 60-4.6.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer) dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, Contractors shall not be required to maintain separate records.
15. Nothing herein provided shall be construed as a limitation upon the application of other laws

which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g. those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

- a) The notice set forth in 41 CFR 60-4.2 and the specifications set forth in 41 CFR 60-4.3 replace the New Form for Federal Equal Employment Opportunity Bid conditions for Federal and federally Assisted Construction published at 41 CFR 32482 and commonly known as the Model Federal EEO Bid Conditions, and the New Form shall not be used after the regulations in 41 CFR Part 60-4 become effective.

### **Minority Goals**

The goal for the utilization of women employees on federally assisted construction contracts is set at 6.9%.

The goal for utilization of minorities, based on the Standard metropolitan Statistical Area (SMSA) for Riverside/San Bernardino County is 19%.

For additional information on these goals, please contact the OFCCP-Pacific Region at (415) 848-6969.

## CERTIFICATION OF COMPLIANCE WITH AIR AND WATER ACTS

(Applicable to federally assisted construction contracts  
and related subcontracts exceeding \$100,000)

During the performance of this Contract, the Contractor and all Subcontractors shall comply with the requirements of the Clean Air act, as amended, 42 U.S.C. 1857 et. seq., the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et. seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended.

In addition to the forgoing requirements, all nonexempt Contractors and Subcontractors shall furnish to the owner, the following:

- (1) A stipulation by the Contractor or Subcontractors, that any facility to be utilized in the performance of any nonexempt Contract or subcontract, is not listed on the List of Violating Facilities issued by the Environmental Protection Agency (EPA) pursuant to 40 CFR 15.20.
- (2) Agreement by the Contractor to comply with all requirements of Section 114 of the Clean Air Act, as amended, (42 U.S.C. 1857c-8) and Section 308 of the Federal Water Pollution Control Act, as amended, (33 U.S.C. 1318) relating to inspection, monitoring entry, reports and information, as well as all other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder.
- (3) A stipulation that as a condition for the award of the Contract, prompt notice will be given of any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized, or to be utilized for the Contract, is under consideration to be listed on the EPA List of Violating Facilities.

As a business who has received an award to work on a federally funded construction project, there several forms and certifications that you will be required to sign as part of the CDH's Labor Compliance Program.

#### **Authorization Agreement**

I am an owner, partner, executive officer, or authorized employee/designee of the above-listed contractor and have authority to enter into agreements on behalf of the above-listed contractor. By signing this e(Electronic)-Signature Authorization Agreement, I authorize CDH to accept, via electronic submission, documents submitted from the above-listed contractor as required by CDH's Online Certified Payroll and Compliance System, which may include, but is not limited to: Certified Payroll Records, Statements of Compliance and other required documents.

To establish a pin (e-signature password) that will allow you the ability to submit your labor compliance related documents electronically, please read the authorization statement below and provide your signature in blue or black ink, accepting the terms of this certification.

You may choose to delegate your signatory authority to other employees of your firm by acquiring their signature on the same form and by identify the employee(s) you wish to designate as an authorized co-signer on page 2 of this same form.

The original hardcopy of this Agreement containing an original wet signature(s), must be submitted to the **County of San Bernardino Community Development and Housing Department, 560 E. Hospitality Lane, Suite 200, San Bernardino, CA 92415-0043.**

#### **By signing the E-Signature Authorization form, I certify to comply with the following:**

- I agree for the above-listed business will exclusively use CDH's Online Certified Payroll and Compliance System for all County of San Bernardino projects on which the above-listed business is required to submit Certified Payroll Reports, Statements of Compliance and other required documents electronically.
- I understand that CDH may change the Online Certified Payroll and Compliance System from time to time.
- I agree that the above-listed business will electronically sign, by use of an established Personal Identification Number (PIN), all documents requiring a signature that are submitted to CDH via its Online Certified Payroll System.
- I agree that my Personal Identification Number (PIN) which I establish on CDH's Online Certified Payroll and Compliance System constitutes my electronic signature.
- I understand that any information and documents submitted using my PIN is electronically certifying my signature.
- I understand that I am legally bound, obligated, and responsible by use of my PIN/electronic signature as much as I would be by my handwritten signature.
- I agree that I will protect my PIN/electronic signature from unauthorized use, and that I will contact CDH immediately, upon discovery that my PIN/electronic signature has been lost, stolen, or otherwise compromised.
- I certify that my PIN/electronic signature is for my own use, that I will keep it confidential, and that I will not delegate it or share it with any individual.
- This request is in effect immediately upon receipt by CDH and will remain in effect until I choose to cancel this request via written notification to the CDH.
- I understand that it is my responsibility to update and notify CDH within three (3) business days, of any circumstances, including my departure or terminated association with the above-listed Company.

The only workers who can be paid less than the wage rate on the wage decision for their work classification are "Apprentices" and "Trainees" registered in approved apprenticeship or training programs. Approved programs are those which have been registered with the Department of Labor (DOL) or a DOL-recognized State Apprenticeship Council (SAC). Apprentices and Trainees are paid wage rates in accordance with the wage schedule in the approved program.

1. **Probationary Apprentice:** Can be paid as an Apprentice (less than the rate on the wage decision) if the DOL or SAC has certified that the person is eligible for probationary employment as an Apprentice.
2. **Pre-Apprentice:** Someone who is not registered in a program and who hasn't been DOL- or SAC- certified for Probationary Apprenticeship would not be considered an "Apprentice" and must be paid the full Journeyman's rate on the wage decision for the classification of work they perform.
3. **Ratio of Apprentices and Trainees to Journeymen:** The maximum number of Apprentices or Trainees that you can use on the job site cannot exceed the ratio of Apprentices or Trainees to Journeymen allowed in the approved program. Compliance with the ratio is determined on a daily, not weekly basis.
4. **Apprentices or Trainees:** All required Apprentice / Trainee documents must be submitted and approved by the Community Development Housing Department before the first payroll on which any Apprentice or Trainee appears. Incomplete or missing Apprentice / Trainee documents will render that Apprentice / Trainee a Journeyman and must be paid the full Journeyman's rate on the wage decision for the classification of work they perform.

### REQUIRED DOCUMENTS FOR APPRENTICE PROGRAMS:

- ❖ Program Certification MUST be issued by the Department of Labor (DOL), Office of Apprenticeship (OA)
- ❖ Copy of DOL Individual(s) Apprenticeship Certification Print out : SAMPLE ATTACHED
- ❖ Copy of the Apprenticeship Program Appendix A which includes: SAMPLE ATTACHED
  - Level, Step or Period of the Apprentice
  - Ratio Information
  - Apprentice Wage Scale
  - Schedule of Work Experience
  - Schedule of Related Instructions
- ❖ Copy of Fringe Benefit Apprenticeship Percentage Form also referred to as Rate Sheet Copy of DIR-DAS Apprenticeship Programs (State only): SAMPLE ATTACHED

I acknowledge that I am aware of the foregoing requirements and that I am authorized to make this certification on behalf of the above-named contractor. I fully understand that failure to comply with any of the above requirements may result in the apprentice/trainee being rendered as improperly paid and will be entitled to the journeyman rate for the classification perform.

### LABOR LAW REQUIREMENTS – (ONE-TIME FORM)

|                                   |  |
|-----------------------------------|--|
| <b>Project Name:</b>              |  |
| <b>Project Address:</b>           |  |
| <b>Contractor (Company) Name:</b> |  |

PLEASE CHECK ONE OF THE FOLLOWING: ☐ PRIME CONTRACTOR ☐ SUBCONTRACTOR ☐ SUB-TIER

The FEDERAL AND STATE LABOR LAW REQUIREMENTS applicable to the contract are composed of, but not limited to, the following:

#### Payment of Prevailing Wage Rates

The contractor to whom the contract is awarded and its subcontractors hired for the public works project are required to pay not less than the specified general prevailing wage rates to all workers employed in the execution of the contract. Labor Code Section 1770 et seq.

The contractor is responsible for ascertaining and complying with all current general prevailing wage rates for crafts and any rate changes that occur during the life of the contract. Information on all prevailing wage rates and all rate changes are to be posted at the job site for all workers to view. Additionally, current wage rate information can be found at the DLSR web site, [www.dir.ca.gov/dlsr/statistics\\_research.htm](http://www.dir.ca.gov/dlsr/statistics_research.htm).

#### Apprentices

It is the duty of the contractor and subcontractors to employ registered apprentices on the public works project and to comply with all aspects of Labor Code Section 1777.5, relating to Apprentices on public Works. (1) Notify approved apprenticeship programs of contract award; (2) employ apprentices; (3) pay training fund contributions.

#### Penalties

There are penalties required for contractor/subcontractor's failure to pay prevailing wages and for failure to employ apprentices, including forfeitures and debarment under Labor Code Sections 1775; 1776; 1777.1; 1777.7 and 1813.

#### Certified Payroll Reports

Under Labor Code Section 1776, contractors and subcontractors are required to keep accurate payroll records showing the name, address, social security number and work classification of each employee and owner performing work; also the straight time and overtime hours worked each day for each week, the fringe benefits, and, the actual per diem wage paid to each owner, journey person, apprentice worker or other employee hired in connection with the public works project.

This requirement includes and applies to all subcontractors performing work on Awarding Body projects even if their portion of the work is less than one half of one percent (0.05%) of the total amount of the contract.

The certified payroll records shall contain the same data fields listed on the Public Works Payroll Reporting Form (A-1-131) and contain or is accompanied by a declaration made under penalty of perjury. (California Code of Regulations, Section 16401).

Prime Contractors are responsible for submittal of their payrolls and those of their respective subcontractors as one package. Any payroll not submitted in the proper form will be rejected. In the event that there has been no work performed during a given week, the Certified payroll report shall be annotated: "No work" for that week or a Non-performance Statement must be submitted.

Employee payroll records shall be certified and shall be made available for inspection at all reasonable hours at the principal office of the contractor/subcontractor, or shall be furnished to any employee, or his/her authorized representative on request, pursuant to Labor Code Section 1776.

## Community Development and Housing Department

Under Labor Code Section 1776(g) there are penalties required for contractor's/subcontractor's failure to maintain and submit copies of certified payroll records on request.

### **Nondiscrimination in Employment**

There exist prohibitions against employment discrimination under Labor Code Sections 1735 and 1777.6, the Government Code, the Public Contracts Code, and Title VII of the Civil Rights Act of 1964.

### **Kickbacks Prohibited**

Contractors and subcontractors are prohibited from recapturing wages illegally by accepting or extracting "kickbacks" from employee wages under Labor Code Section 1778.

### **Acceptance of Fees Prohibited**

There exists a prohibition against contractor/subcontractor acceptance of fees for registering any person for public work under Labor Code Section 1779; or for filling work orders on public works contracts pursuant to Labor Code Section 1780.

### **Listing of Subcontractors**

All prime contractors are required to list properly all subcontractors hired to perform work on the public works projects covering more than one-half of one percent, pursuant to Government Code Section 4104.

### **Proper Licensing**

Contractors are required to be licensed properly and to require that all subcontractors be properly licensed. Penalties are required for employing workers while unlicensed under Labor Code Section 1021 and under the California Contractor License Law found at Business and Professions Code Section 7000 et seq.

### **Unfair Competition Prohibited**

Contractors and sub-contractors are prohibited from engaging in unfair competition as specified under Business and Professions Code Sections 17200 to 17208.

### **Workers Compensation Insurance**

Labor Code Section 1861 requires that contractors and subcontractors be insured properly for Workers Compensation.

### **OSHA**

Contractors and subcontractors are required to abide by the Occupational, Safety and Health laws and regulations that apply to the particular construction project.

### **Proof of Eligibility/Citizenship**

The federal prohibition against hiring undocumented workers, and the requirement to secure proof of eligibility/citizenship from all workers, is required.

### **Itemized Wage Statement**

Labor Code Section 226 requires that employees be provided with itemized wage statements.

### **CERTIFICATION**

I acknowledge that I have been informed and am aware of the foregoing requirements and that I am authorized to make this certification on behalf of the above named contractor. I fully understand that failure to comply with any of the above requirements may subject me, or my company, to penalties as provided above.

### CONTRACTOR'S CERTIFICATION OF COMPLIANCE WITH DAVIS-BACON AND RELATED ACTS REQUIREMENTS

(LCF DB16-2.0)

|                  |  |
|------------------|--|
| Project Name:    |  |
| Project Address: |  |
| Company Name:    |  |

As the undersigned Contractor, Prime/Subcontractor/Sub-Tier, (Subcontractor/Sub-Tier having executed a contract with the above named contractor on the above referenced project), hereby make the following certification and acknowledgment with respect to the applicability of **"DAVIS-BACON AND RELATED ACTS"** requirements:

- 1) By entering into this contract I certify and acknowledge that the above referenced project is federally funded, as the Prime Contractor, I am solely responsible, or as the Subcontractor/Sub-Tier contractor I am responsible, for complying with the **"DAVIS-BACON AND RELATED ACTS"** requirements; and
- 2) I am required to pay laborers and mechanics employed a wage not less than the highest wage applicable to their work classifications. If no federal work classification appears to apply to the employee duties, the Subcontractor/Sub-Tier shall make a written request to the Prime contractor to obtain the applicable work classification and wage rate prior to the start of construction. The Prime Contractor shall forward Subcontractor/Sub-Tier request and shall also make a written request to the County of San Bernardino to obtain the applicable work classification and wage rate prior to the start of construction. The Prime Contractor is solely responsible for ensuring that all Subcontractor/Sub-Tier are in compliance with the **"DAVIS-BACON AND RELATED ACTS"** requirements.
- 3) I have read and understand the **"LABOR COMPLIANCE CONTRACT ADDENDUM"** including the applicable **Wage Determination(s)** for the above referenced project. I acknowledge the receipt and adherence to following provisions set forth in the **"FEDERAL LABOR STANDARDS PROVISIONS"** before participation on this project.
- 4) I will include the **"LABOR COMPLIANCE CONTRACT ADDENDUM"** including the applicable **Wage Determination(s)** for the above referenced project in any subcontracts/lower tier subcontracts/purchase orders executed. I will forward to Prime Contractor a copy of all executed sub- tier contracts/purchase orders to any lower tier subcontractors within seven (7) days of the execution date.

### FRINGE BENEFIT STATEMENT INSTRUCTIONS

The Fringe Benefit Statement must be submitted by each contractor and subcontractor with the first certified payroll report. The form details the fringe benefit contributions and indicates whether these payments are paid to employees in cash or made to a third party trust fund. Supplemental statements must be submitted during the progress of the work should there be an increase or change in rates. Classification: Include all Trades/Classifications of employees that your company will use on the project, including apprentices. Do not list each employee by name. Please provide group number when applicable. For apprentices, please list the period levels.

**Classification:** List each craft(s) of employee(s) that you have working on the Project.

**Effective Date:** The date of the wage determination for the project.

**Subsistence or Travel Pay:** The amount shown in the wage decision of the craft of workers that require subsistence or travel at the Project location. If your company will be required to pay this fringe benefit insert the per diem amount within this section.

**Fringe Benefit Hourly Amount:** The amount of fringe benefits that are paid by craft. If any monies are paid on behalf of the employees they must be authorized in writing. All methods of payment must be shown on the form. Next to each listed Fringe Benefit, indicate the hourly rates for payments made to employees on the various classifications of work. **Do not** include amounts that are paid directly by the employee.

**Name, Address and Contact Information of Plan, Fund, or Program Paid To:** Insert the name, address and phone# of the Plan, Fund or Program where the monies are being paid. If the benefit amount is to be paid directly to the employee, indicate **Paid to Employee**. **Do not** list each employee by name. Note: If you do not make your fringe benefit payments to the local union trust fund you may still claim your own benefit program paid on behalf of your employees, as long as the amounts do not exceed the total amount shown on the Department of Industrial Relations Wage Decision that is posted on their website. If the difference in the amount of your program is less than the amount shown in the wage determination then the difference must be paid to the employee as part as the basic wage rate. Remember that any Pension Fund payments must be irrevocably paid to a "Third Party Trust". All fringe benefits must be irrevocably paid to an authorized Plan, Fund, Program or to the employee.

Please note that training fund contributions cannot be paid directly to employees (Check DIR website for exceptions) and must be paid to the California Apprentice Council (CAC) or to an approved fund such as a union trust fund. Note: A worker's title or status with the employer is not determinative of an individual's coverage by the prevailing wage laws. What is determinative is whether the duties performed by the individual on the public works project constitute covered work. An individual who performs skilled or unskilled labor on a public works project is entitled to be paid the applicable prevailing wage rate for the time the work is performed, regardless of whether the individual holds a particular status such as partner, owner, owner-operator, independent contractor or sole proprietor, or holds a particular title with the employer such as president, vice-president, superintendent or foreman (Department of Industrial Relations (DIR) Public Works Manual).

## Community Development and Housing Department

**VACATION PLAN/PAID HOLIDAY DOCUMENTATION:** CDH may require copies of your company's policy for employer paid vacation and holidays. For vacation, if requested please explain how you track the vacation hours for each employee. Additionally if requested, please submit copies of monthly reports or statements from the bank/fund depository showing that the plan and vacation amounts are available for the workers.

**HEALTH AND WELFARE DOCUMENTATION:** CDH may require copies of the plan documentation indicating monthly or quarterly billings for the covered benefits (and delineating all benefits per worker), as well as statements and copies of checks transmitted by your company to the trust fund or plan for these benefits.

**PENSION PLAN DOCUMENTATION:** CDH may require copies of the plan documentation from the Plan Administrator including the plan summary, account balances, monthly or quarterly transmittals into the account and copies of checks transmitted by your company as payments into the accounts.

**TRAINING DOCUMENTATION:** Please submit copies of the Apprentice/ Training Certification Letter from your Federally Registered Program Sponsors. The apprenticeship program must be registered with the Department of Labor (DOL), Office of Apprenticeship. Include level, step or period of the apprentice; apprentice's wage scale and ratio information. A training or apprentice wage can be paid only if the trainee is registered in a DOL approved apprenticeship or training program or with a State Apprenticeship Agency recognized by DOL. Otherwise, the individual is to be paid the Davis-Bacon and Related Acts (DBRA) prevailing wage rate for the classification of work that they are performing regardless of their skill level. (Federal regulations DO NOT REQUIRE the employment of apprentices on federally funded projects)

**OTHER DOCUMENTATION:** CDH may require copies of explanation, monthly reports or statements and plan documentation from the Plan Administrator for all "OTHER" company paid plan(s). The implementing agency will verify plan(s) for employer to receive credit.

If your company does not operate under a collective bargaining agreement or contribute based on an hourly amount; you may use the following formulas to compute hourly benefits. Please be advised that examples are provided only to demonstrate how the formulas are used.

**Annual Calculation:** The annual calculation is based on 2080 hours per year (40hrs x 52 weeks per year)

**Formula:** Employee's Basic Hourly Rate x Number of Benefit Hours (8 Hrs a Day x Number of Days) divided by 2080 Hours.

Example: At \$20/Hr, with 80 vacation hours a year, the hourly rate would calculate as follows:

$\$20 \times 80 \text{ Hrs} = \$1,600 \text{ divided by } 2,080 \text{ hours per year} = \$ .77$

Fringe Benefit Hourly Amount: \$.77

**Monthly Calculation:** The monthly calculation factor 173.33 is based on 2080 hours per year divided by 12 months.

**Formula:** Monthly Benefit Plan Contribution divided by 173.33

Example: If employer pays \$200/month for a medical benefit, the monthly hourly rate calculates as follows:

A monthly plan contribution of \$200 divided by 173.33 = \$1.15

**State of California - Department of Industrial Relations DIVISION  
OF APPRENTICESHIP STANDARDS**

## Explanation to box 1 - 3 on form DAS 140

---

- Box 1 is for contractors who are already approved to train by an apprenticeship program (signatory/member).
- Box 2 indicates that a contractor is willing to comply with a program's Standards for the current project only. This generally means that the fringe benefits and the training funds will be paid to that Committee's Trust Fund. It also allows a contractor to take advantage of a more generous maximum ratio than the CAC Standards, but does not affect the minimum ratio of 1 apprentice hour for every 5 journeyman hours.
- Box 3 means that a contractor will be governed by the regulations of the California Apprenticeship Council. Generally this means that the minimum and maximum ratio for apprentices is the same – 1 apprentice hour for every 5 journeyman hours per each craft, totaled at the end of the project. It also means the Training Fund Contribution is usually paid to the California Apprenticeship Council.

### SECTION 3 FORMS INSTRUCTIONS

(LCF DB16-2.4)

#### INTRODUCTION:

Employment opportunities for business and lower income persons in connection with assisted projects. Section 3 applies to housing rehabilitation, housing construction, and other public construction projects that exceed \$200,000 or more of housing and community development financial assistance from one or more Housing and Urban Department (HUD) programs.

The County of San Bernardino Community Development and Housing Department (CDH) is the recipient of HUD financial assistance for public housing and housing as well as community development activities. These programs require compliance with Section 3 of the Housing and Urban Development Act of 1968. Section 3 requires that employment and other economic opportunities be directed toward low and extremely low-income persons, particularly those who are recipients of federal assistance for housing, and to business concerns that employ these qualifying residents.

The Section 3 Plan handbook is provided as a guide to understand Section 3 County plan, and the business and employment goals related to this project. It is intended to assist contractors in complying with Section 3 requirements, but does not supersede the contract provisions.

## LABOR COMPLIANCE CONTRACT ADDENDUM

NOT FOR BID

## 1. Applicability

The project or program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such federal assistance.

**A. 1. (i) Minimum Wages.** All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Contractor and its Subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

**(ii) (a)** Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

**(1)** The work to be performed by the classification requested is not performed by a classification in the wage determination; and

**(2)** The classification is utilized in the area by the construction industry; and

**(3)** The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

**(b)** If the Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where

appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

**(c)** In the event the Contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

**(d)** The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1) (ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

**(iii)** Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the Contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

**(iv)** If the Contractor does not make payments to a trustee or other third person, the Contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, provided, that the Secretary of Labor has found, upon the written request of the Contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the Contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

**2. Withholding.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the Contractor under this contract or any other federal contract with the same prime Contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime Contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the Contractor or any Subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part

of the wages required by the contract, HUD or its designee may, after written notice to the Contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the Contractor, disburse such amounts withheld for and on account of the Contractor or Subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

**3. (i) Payrolls and basic records.** Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section I (b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section I(b)(2)(B) of the Davis-Bacon Act, the Contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

**(ii) (a)** The Contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the Contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number. The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/whd/forms/wh347instr.htm> or its successor site. The prime Contractor is responsible for the submission of copies of payrolls by all Subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own

records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

**(b)** Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the Contractor or Subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

**(1)** That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i) and that such information is correct and complete;

**(2)** That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

**(3)** That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

**(c)** The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

**(d)** The falsification of any of the above certifications may subject the Contractor or Subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

**(iii)** The Contractor or Subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the Contractor or Subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the Contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

#### **4. Apprentices and Trainees**

**(i) Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the Contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work

actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a Contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Contractor's or Subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the Contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

**(ii) Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate, who is not registered and participating in a training plan approved by the Employment and Training Administration, shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the Contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

**(iii) Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

**5. Compliance with Copeland Act requirements.** The Contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

**6. Subcontracts.** The Contractor or Subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 of this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the Subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for the compliance by any Subcontractor or lower tier Subcontractor with all the contract clauses in this paragraph.

**7. Contract termination; debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a Contractor and a Subcontractor as provided in 29 CFR 5.12.

**8. Compliance with Davis-Bacon and Related Act Requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

**9. Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the Contractor (or any of its Subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

**10. (i) Certification of Eligibility.** By entering into this contract the Contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the Contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

**(ii)** No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

**(iii)** The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration Transactions", provides in part: "Whoever, for the purpose of influencing in any way the action of such Administration makes, utters or publishes any statement knowing the same to be false shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

**11. Complaints, Proceedings, or Testimony by Employees.** No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any Subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

**B. Contract Work Hours and Safety Standards Act.** The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

**(1) Overtime requirements.** No Contractor or Subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

**(2) Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the Contractor and any Subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such Contractor and Subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

**(3) Withholding for unpaid wages and liquidated damages.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or Subcontractor under any such contract or any other Federal contract with the same prime contract, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime Contractor such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

**(4) Subcontracts.** The Contractor or Subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the Subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

**C. Health and Safety.** The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

**(1)** No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

**(2)** The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

**(3)** The Contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each Subcontractor. The Contractor shall take such action with respect to any subcontract as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

## **SECTION 3 CLAUSE**

**(Information for the Section 3 Report will be input on LCPtracker)**

- 3-2.2 Employment opportunities for business and lower income persons in connection with assisted projects. This clause applies to construction contracts of \$100,000 or more, on projects funded with \$200,000 or more in federal funds from the U.S. Department of Housing and Urban Development.

Assurance of compliance with regulations.

- (A) Every contract or agreement for a grant, loan, subsidy or other direct financial assistance in aid of housing, urban planning, development, redevelopment, or renewal, public or community facilities and new community facilities and new community development, entered into by the Department of Housing and Urban Development with respect to a Section 3 covered project shall contain provisions requiring the applicant or recipient to carry out the provisions of Section 3, the regulations set forth in this part, and any applicable rules and orders of the Department issued thereunder prior to approval of its application for assistance for a Section 3 covered project.
- (B) Every applicant, recipient, contracting party, Contractor and Subcontractor shall incorporate, or cause to be incorporated, in all contracts for work in connection with a Section 3 covered project, the following clause (referred to as Section 3 clause):
- a. The work to be performed under this contract is on a project assisted under a program providing direct federal financial assistance from the Department of Housing and Urban Development as is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns, which are located or owned in substantial part by persons residing in the area of the project.
  - b. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth to 24 CFR 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability, which would prevent them from complying with these requirements.
  - c. The Contractor will send to each labor organization or representative of workers with which he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organizations or worker's representative of his commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
  - d. The Contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the Subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development 24 CFR 135. The Contractor will not subcontract unless the Subcontractor has first provided him with a preliminary statement of ability to comply with the requirements of these regulations.
  - e. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of the contract, shall be a condition of the federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its Contractors and Subcontractors, its successors and assigns, to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided, and to such sanctions as are specified by 24 CFR 135

NOT FOR BID

**AFFIRMATIVE ACTION COMPLIANCE  
GUIDELINES FOR CONSTRUCTION AND  
NON-CONSTRUCTION CONTRACTORS**

NOT FOR BID

# **AFFIRMATIVE ACTION COMPLIANCE GUIDELINES FOR CONSTRUCTION AND NON-CONSTRUCTION CONTRACTORS**

These Affirmative Action Compliance Guidelines have been designed to provide Contractors with information necessary to comply with Federal regulations found under Title 40, Part 60 of the Code of Federal Regulations. It is the intent of these guidelines to insure that equal opportunity for employment is practiced by the Contractor without regard to race, color, sex, religion, national origin, disability, and veteran's status. These guidelines provide the minimum information necessary to comply with EEO and affirmative action requirements, including the preparation of an Affirmative Action Plan that complies with federal regulations regarding Affirmative Action for federally-assisted projects. Contractors are urged to contact the implementing entity or the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) officer for any necessary technical assistance in meeting Affirmative Action requirements if they are considering bidding under this contract.

## **I. AFFIRMATIVE ACTION COMPLIANCE PROGRAM**

### **A. The Affirmative Action program embodies the following principals:**

1. Discrimination because of race, color, age, sex, religion, national origin, marital status, disability, or veteran's status is inconsistent with the constitution, laws, and policies of the United States, State of California and County of San Bernardino.
2. The implementing entity is committed to insuring that there be no discrimination by vendors, Contractors (including professional services and consultants), lessors, or lessees doing business with the implementing entity.
3. Contractors and Subcontractors agree to take affirmative personnel actions to hire and promote workers who traditionally have been discriminated against in the job market, including women, minorities, members of certain ethnic and religious groups, individuals with disabilities, and veterans.

### **B. Affirmative Action Step Requirements for CONSTRUCTION Contractors and Subcontractors:**

1. Personnel affirmative action in recruitment, hiring, and promotion is required by Contractor and Subcontractors who have entered into a federally-assisted construction or non-construction contract that exceed \$10,000 or \$10,000 in the aggregate over a 12-month period.
2. Contractors and Subcontractors who enter into a CONSTRUCTION CONTRACT in excess of \$10,000 must take 16 specific affirmative action steps to ensure equal employment opportunity. These steps are included in 41 CFR 60-4.3 (a) (7) and are also included under "Standard Federal Equal Employment Opportunity Construction Contract Specifications" of Attachment "D" of the bid package.

### **C. Affirmative Action Plan requirements for NON-CONSTRUCTION Contractors:**

1. All Contractors who have entered into a NON-CONSTRUCTION CONTRACT and who: 1) do business in the amount of \$50,000 or more with the implementing entity in any one fiscal year and, 2) employ 50 or more employees, must develop a written Affirmative Action Program within 120 days after the contract award date.
2. All Subcontractors rendering services or supplies to a Contractor in the amount of \$50,000 or more and employ 50 or more employees, must develop a written Affirmative Action Program within 120 days after the contract award date.

### **D. Exemptions under 41 CFR 60:**

The following persons/contracts shall be exempt from this program:

1. A contract or contracts by a Contractor that do not exceed \$10,000 in the aggregate over a 12-month period.
2. Contracts for Work outside the United States
3. State and Local Governments
4. Contracts with certain educational institutions
5. Work on or near Indian Reservations
6. Specific contracts and facilities found exempt by
7. Deputy Assistant Secretary
8. National security contracts

Any Contractor who feels qualified for an exemption should contact the local Contract Compliance Officer or the U.S. Department of Labor's OFCCP Officer for further information.

## **II. SATISFYING AFFIRMATIVE ACTION PLAN**

### **A. Affirmative Action Plan requirements for NON-CONSTRUCTION Contractors can be met through the following:**

1. Completing a Contract Compliance Qualifying Report for Non-construction Contractors and Vendors, (refer to the form found in the "Additional Required Documents/Sample Documents" section of Attachment "D" of the bid package).
2. Completing a Contractor's Affirmative Action Policy, including methods of recruiting minorities and women. If the Contractor does not have its own Affirmative Action Policy, it may adopt the County's model Affirmative Action Policy ((refer to the form found in the "Additional Required Documents/Sample Documents" section of Attachment "D" of the bid package).
3. Following Federal Affirmative Action Plan guidelines which comply with the requirements of 41 CFR 60.2.10.

## DEFINITIONS

Unless a provision of a contract otherwise requires, certain words and phrases shall be defined as follows:

- A. "Affirmative Action" is a commitment to increase the number of minorities and women in the work force by setting employment goals and timetables, including action to achieve objectives. Affirmative Action seeks to ensure that discrimination is eliminated in dealings with employees or applicants for employment whether the discrimination is intentional or unintentional. In addition, Affirmative Action seeks to improve job standards and productivity through the removal of artificial and unnecessary barriers to employment and promotion and ensure that all job actions are related to job performance measures.
- B. "Affirmative Action Plan" is a written affirmative plan required of Contractors and Subcontractors who have 50 or more employees and have entered into a contract with the implementing entity that exceeds \$50,000, or \$50,000 in contracts over a 12-month period.
- C. "Contract" means a federally-assisted purchase order, offer and acceptance, lease, agreement or other arrangement creating an obligation to which the implementing entity is a party, which would make one of the parties within the definition a Contractor.
- D. "Construction" means the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways or other changes or improvements to real property, including facilities providing utility services.
- E. "Contractor" means a prime Contractor or Subcontractor.
- F. "Covered Area" means the geographical area described in the solicitation from which the contract resulted;
- G. "Director" means Director, OFCCP, U.S. Dept. of Labor, or any person to whom the Director delegates authority to;
- H. "Employee" means one who performs work for compensation, or a person who is permanently or regularly employed by the Contractor or Subcontractor.
- I. "Employer Identification Number" means the Federal Social Security Number;
- J. "Handicapped Status" means any person who:
1. Has a physical or mental impairment, which substantially limits one or more of such person's major life activities.
  2. Has a record or such impairment or,
  3. Is generally regarded as having such an impairment.
- K. "Employer Identification Number" means the Federal Social Security Number;
- L. "Handicapped Status" means any person who:
1. Has a physical or mental impairment, which substantially limits one or more of such person's major life activities.
  2. Has a record or such impairment, or
  3. Is generally regarded as having such an impairment.
- M. "Implementing Entity" means public jurisdiction who is administering the contract.
- N. "Minority" includes:
1. Black (all persons having origins in any Black African racial groups not of Hispanic origin);
  2. Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
  3. Asian or Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent or the Pacific Islands);
  4. American India or Alaskan native (all persons having origins in any of the native peoples of North America and maintaining identifiable tribal affiliations through membership and participation in community identification).
- O. "Non-construction Contract" means any contract that does not fall within the definition of "Construction Contract".
- P. "Officer" means the Contract Compliance Officer of the implementing entity or U.S. Department of Labor Office of Federal Contract Compliance Program (OFCCP) Officer.
- Q. "Persons" means any individual, firm, co-partnership, public service, joint venture, association, social club, fraternal organization, corporation, estate, trust receiver, syndicate CITY, county, municipal corporation, district or other political subdivision, or any other group or combination acting as a unit.
- R. "Underutilization" means having fewer minorities or women in a particular job classification than would reasonably be expected by their availability.
- S. "Vietnam-Era Veteran" means a person who:
1. Served on actual duty for a period of more than 180 days, any part of which occurred between August 5, 1964, and May 7, 1975, and was discharged or released therefrom with other than a dishonorable discharge; or
  2. Was discharged or released from active duty for a service-connected disability if any part of such active duty was performed between August 5, 1964, and May 7, 1975.

T. Violation and Appeal Procedure:

1. A Contractor found in violation of equal opportunity/affirmative action laws will be referred to the U.S. Department of Labor's OFCCP Division, and the Solicitor for Labor, Associate Solicitor of Labor Relations and Civil Rights Regional Solicitors and Regional Attorney are authorized to institute enforcement proceedings by filing a complaint and serving that complaint to the Contractor (defendant), in accordance with procedures set forth in 41 CFR 60-30.5. The complaint shall contain information on the alleged violation, a prayer regarding the relief being sought, and the name and address of the attorney representing the Government. Within 20 days after receiving the complaint, the defendant shall file an answer with the Chief Administrative Law Judge, if the case has not been assigned to an Administrative Law judge.
2. The answer shall contain a statement of the facts which constitute the ground of defense, and shall:  
1) specifically admit, explain, or deny each of the allegations of the complaint unless the defendant is without knowledge, or 2) state that the defendant admits all the allegations contained in the complaint. The answer may contain a waiver for a hearing and if not, a separate paragraph in the answer shall request a hearing. The answer shall contain the name and address of the defendant, or of the attorney representing the defendant. Failure to file an answer or plead specifically to an allegation of the complaint shall constitute an admission of such allegation.
3. Contractor agrees to fully comply with the laws and programs (including regulations issued pursuant thereto) identified herein. Such compliance is required to the extent such laws, programs and their regulations are, by their own terms, applicable to this contract. Contractor warrants that he will make himself thoroughly familiar with the applicable provisions of said laws, programs, and regulations prior to commencing performance of the contract. Copies of said laws, programs, and regulations are available upon request from the implementing entity's Contract Compliance Officer, or from the U.S. Department of Labor's OFCCP Officer to the extent applicable the provisions of said laws programs and regulations are deemed to be a part of this contract as if fully set forth herein.
4. Vietnam Era Veterans' Readjustment Assistance Acts of 1972 and 1974, as amended. Pub. L. 92-540, Title V, Sec 503(a), Pub. L 93-508. Title IV, Sec. 402. (38 USCA 2011-2013).
5. Rehabilitation act of 1973, as amended (Handicapped) Pub. L 93-112 as amended. (29 USCA 701-794).
6. California Fair Employment Practice Act. Labor Code Sec. 1410 *et seq.*
7. Civil Rights Act of 1964, as amended (42 USCA 2000a to 2000H-6) and Executive Order No. 11246, September 24, 1965, as amended.

## **EQUAL OPPORTUNITY CLAUSES**

**The Contractor and Subcontractors not found exempt under 41 CFR 60-1.5, are required to comply with the following equal opportunity clauses as a condition of being awarded a federally-assisted contract. Each nonexempt prime Contractor shall include equal employment opportunity clauses in each of its nonexempt Subcontractors.**

### **EQUAL OPPORTUNITY CLAUSE FOR FEDERALLY-ASSISTED CONSTRUCTION CONTRACTS**

This clause is inserted pursuant to Executive Order 11246 of September 24, 1965, as amended, and Title VII of the Civil Rights Act of 1964, and is applicable pursuant to 41 CFR Sec. 60-1.4. The following requirements apply to Contractors and Subcontractors

- (1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
- (2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
- (3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (4) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965 and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations and orders of the

Secretary of Labor, pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders

- (6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations or orders, this contract may be canceled, terminated or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The Contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work; provided, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 1124 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee), refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurances of future compliance has been received from such applicant, and refer the case to the Department of Justice for appropriate legal proceedings.

In addition to the above, Contractor will agree to furnish all information and reports, including Standard form EEO-1, if applicable, to the U.S. Equal Employment Opportunity Commission (EEOC) and the U.S. Department of Labor's OFCCP, as required by Executive Order No. 11246 of September 24, 1965.

### **EQUAL OPPORTUNITY CLAUSE FOR SPECIAL DISABLED VETERANS AND VETERANS OF THE VIETNAM ERA**

This clause is inserted pursuant to Executive Order 11701 of January 24, 1973 and the Vietnam Era Veterans Readjustment Assistance Acts of 1972 and 1974 (P.L. 92-540, 93-508), and is applicable pursuant to 41 CFR Sec. 60-250.

- (1) The Contractor will not discriminate against any employee or applicant for employment because he or she is a disabled veteran or veteran of the Vietnam Era in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified disabled veterans and veterans of the Vietnam Era without discrimination based upon their disability or veterans status in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- (2) The Contractor agrees that all suitable employment openings of the Contractor which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the Contractor other than the one wherein the contract is being performed but excluding those of independently operated corporate affiliates, shall be

listed at an appropriate local office of the State Employment Service System wherein the opening occurs. The ConWytractor further agrees to provide such reports to such local office regarding employment openings and hires as may be required.

- (3) Listings of employment openings with the employment service system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and non-veterans. The listing of employment openings does not require the hiring of any particular job applicant or from any particular group of job applicants, and nothing herein is intended to relieve the Contractor from any requirements in Executive Orders or regulations regarding nondiscrimination in employment.
- (4) The reports required by paragraph (2) of this clause shall include, but not be limited to, periodic reports which shall be filed at least quarterly with the appropriate local office or, where the Contractor has more than one hiring location in a State, with the central office of that State Employment Service. Such reports shall indicate for each hiring location, (a) the number of individuals hired during the reporting period, (b) the number of non-disabled veterans of the Vietnam Era hired, (c) the number of disabled veterans of the Vietnam Era hired, and (d) the total number of disabled veterans hired. The reports shall include covered veterans hired for on-the-job training under 38 USC Sec. 1787. The Contractor shall submit a report within 30 days after the end of each reporting period wherein any performance is made on this contract identifying data for each hiring location. The Contractor shall maintain at each hiring location, copies of the reports submitted until the expiration of one year after final payment under the contract, during which time these reports and related documentation shall be made available, upon request, for examination by any authorized representatives of the contracting officer or of the Secretary of Labor. Documentation would include personnel records respecting job openings, recruitment and placement.
- (5) Whenever the Contractor becomes contractually bound to the listing provisions of this clause, it shall advise the employment service system in each State where it has establishments of the name and location of each hiring location in the State. As long as the Contractor is contractually bound to these provisions and has so advised the State system, there is no need to advise the State system of subsequent contracts. The Contractor may advise the State system when it is no longer bound by this contract clause.
- (6) This clause does not apply to the listing of employment openings, which occur and are filled outside of the 50 States, the District of Columbia, Puerto Rico, Guam and the Virgin Islands.

(7) The provisions of paragraphs (2), (3), (4) and (5) of this clause do not apply to openings which the Contractor proposes to fill from within his own organization or to fill pursuant to a customary and traditional employer - union hiring arrangement. This exclusion does not apply to a particular opening once an employer decides to consider applicants outside of his own organization or employer - union arrangement for that opening.

(8) As used in this clause:

a. "All suitable employment openings" includes, but is not limited to, openings which occur in the following job categories: production and non-production; plant and office; laborers and mechanics; supervisory and non-supervisory; technical; and executive, administrative and professional openings as are compensated on a salary basis of less than \$25,000 per year. The term includes full-time employment, temporary employment of more than three days duration, and part-time employment. It does not include openings which the Contractor proposes to fill from within his own organization or to fill pursuant to a customary and traditional employer - union hiring arrangement or openings in an educational institution which are restricted to students of that institution. Under most compelling circumstances an employment opening may not be suitable for listing, including such situations where the needs of the Government cannot reasonably be otherwise supplied, where listing would be contrary to national security, or where the requirement of listing would otherwise not be for the best interest of the Government.

b. "Appropriate office of the State Employment Service System" means the local office of the federal - state national system of public employment offices with assigned responsibility for serving the area where the employment opening is to be filled, including the District of Colombia, Guam, Puerto Rico and the Virgin Islands.

c. "Openings which the Contractor proposes to fill from within his own organization" means employment openings for which no consideration will be given to persons outside the Contractor's organization (including any affiliates, subsidiaries and the parent companies) and includes any openings which the Contractor proposes to fill from regularly established "recall" lists.

d. "Openings which the Contractor proposes to fill pursuant to a customary and traditional employer - union hiring arrangement" means employment openings which the Contractor proposes to fill from union halls, which is part of the customary and traditional hiring relationship which exists between the

Contractor and representatives of his employees.

(9) The Contractor agrees to comply with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.

(10) In the event of the Contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.

(11) The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam Era for employment, and the rights of applicants and employees.

(12) The Contractor will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of the Vietnam Era Veterans' Readjustment Assistance Act, and is committed to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam Era.

(13) The Contractor will include the provisions of this clause in every subcontract or purchase order of \$10,000 or more unless exempted by rules, regulations or orders of the Secretary issued pursuant to the Act, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

(14) Collective bargaining agreement or other contract understanding that the Contractor is bound by the terms of the Vietnam Era Veterans' Readjustment Assistance Act, and is committed to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam Era.

(15) The Contractor will include the provisions of this clause in every subcontract or purchase order of \$10,000 or more unless exempted by rules, regulations or orders of the Secretary issued pursuant to the Act, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

## **EQUAL OPPORTUNITY CLAUSE FOR WORKERS WITH DISABILITIES**

This clause is inserted pursuant to the Rehabilitation Act of 1973 (P.L. 93-112) and 41 CFR Sec. 60-741-4.

- (1) The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- (2) The Contractor agrees to comply with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.
- (3) In the event of the Contractor's non-compliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.
- (4) The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer.
- (5) Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.
- (6) The Contractor will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of Section 503 of the Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.
- (7) The Contractor will include the provisions of this clause in every subcontract or purchase order of \$2,500.00 or more unless exempted by rules, regulations or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

**STANDARD FEDERAL EQUAL  
EMPLOYMENT OPPORTUNITY  
CONSTRUCTION CONTRACT PROVISIONS  
(EXECUTIVE ORDER 11246, PURSUANT TO  
41 CFR 60-4.3 (a))**

1. As used in these specifications:
  - a. "Covered area" means the geographical area described in the solicitation from which this contract resulted;
  - b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
  - c. "Employer identification number" means the Federal Social Security number used on the Employer's Quarter Federal Tax Return. U.S. Treasury Department form 941.
  - d. "Minority" includes:
    - (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
    - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
    - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
    - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.
3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with the plan for those trades which have

unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve Plan goals and timetables.

4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7a through p of these specifications. The goals set forth in the solicitation from which the contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered construction Contractors performing construction work in geographical areas where they do not have a federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the FEDERAL REGISTER in notice form, and such notices may be obtained from any Office of Federal Contract Compliance programs Office or from federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.
5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246 or the regulations promulgated pursuant thereto.
6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period and the Contractor must have made commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.
7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and

shall implement affirmative action steps at least as extensive as the follow 16 steps:

- a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
- b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.
- c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefore, along with whatever additional actions the Contractor may have taken.
- d. Provide immediate written notification to the Director when the union or unions bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.
- e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's

employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

- f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.
- g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the item and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.
- i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment source, the Contractor shall send written

notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

- j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.
  - k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.
  - l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
  - m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.
  - n. Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
  - o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction Contractors and suppliers, including circulation of solicitations to minority and female Contractor associations and other business associations.
  - p. Conduct a review, at least annually, of all supervisors; adherence to and performance under the Contractor's EEO policies and affirmative action obligations.
8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a – p). The efforts of a Contractor association, joint Contractor-union, Contractor-

community or other similar group of which the Contractor is a member and participant may be asserted as fulfilling any one or more of its obligations provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation, which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

- 9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the executive order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).
- 10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.
- 11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.
- 12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.
- 13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum

results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the director shall proceed in accordance with 41 CFR 60-4.6.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer) dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, Contractors shall not be required to maintain separate records.
15. Nothing herein provided shall be construed as a limitation upon the application of other laws

which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g. those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

- a) The notice set forth in 41 CFR 60-4.2 and the specifications set forth in 41 CFR 60-4.3 replace the New Form for Federal Equal Employment Opportunity Bid conditions for Federal and federally Assisted Construction published at 41 CFR 32482 and commonly known as the Model Federal EEO Bid Conditions, and the New Form shall not be used after the regulations in 41 CFR Part 60-4 become effective.

### **Minority Goals**

The goal for the utilization of women employees on federally-assisted construction contracts is set at 6.9%.

The goal for utilization of minorities, based on the Standard metropolitan Statistical Area (SMSA) for Riverside/San Bernardino County is 19%.

For additional information on these goals, please contact the OFCCP-Pacific Region at (415) 848-6969.

## CERTIFICATION OF COMPLIANCE WITH AIR AND WATER ACTS

(Applicable to federally assisted construction contracts  
and related subcontracts exceeding \$100,000)

During the performance of this Contract, the Contractor and all Subcontractors shall comply with the requirements of the Clean Air act, as amended, 42 U.S.C. 1857 et. seq., the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et. seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended.

In addition to the forgoing requirements, all nonexempt Contractors and Subcontractors shall furnish to the owner, the following:

- (1) A stipulation by the Contractor or Subcontractors, that any facility to be utilized in the performance of any nonexempt Contract or subcontract, is not listed on the List of Violating Facilities issued by the Environmental Protection Agency (EPA) pursuant to 40 CFR 15.20.
- (2) Agreement by the Contractor to comply with all requirements of Section 114 of the Clean Air Act, as amended, (42 U.S.C. 1857c-8) and Section 308 of the Federal Water Pollution Control Act, as amended, (33 U.S.C. 1318) relating to inspection, monitoring entry, reports and information, as well as all other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder.
- (3) A stipulation that as a condition for the award of the Contract, prompt notice will be given of any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized, or to be utilized for the Contract, is under consideration to be listed on the EPA List of Violating Facilities.
- (4) Agreement by the Contractor to include, or cause to be included, the criteria and requirements in paragraph (1) through (3) of this section in every nonexempt subcontract and requiring that the Contractor will take such action as the Government may direct as a means of enforcing such provisions.

NOT FOR BID

## LABOR COMPLIANCE REQUIREMENTS

### Davis-Bacon and Related Acts:

The Prime Contractor is responsible for ensuring all Subcontractor(s) and lower-tier Subcontractor(s) compliance with all requirements of Davis-Bacon and Related Acts (DBRA). The Federal Labor Standards Provisions (HUD 4010) apply to this project and are attached.

A copy of the Federal Prevailing Wage Decision, (and upon request the State Wage Decision) the date of which reflects the latest applicable modification at the time of this bid advertisement, is included in the Contract Documents and Specifications. Bidders shall be notified, via Addendum, of modifications, if any, which supersede that modification included herein, up until a minimum of ten days prior to the actual Bid Opening for this project.

A weekly Certified Payroll Report (CPR) is required during the term of construction on the project. Payment(s) of invoice(s) for this project may be delayed when CPRs are not submitted weekly. The CITY/COUNTY shall make progress payments on any properly completed payment request submitted by the Prime Contractor. The payment request shall not be approved unless all CPRs for the project submitted through LCPtracker have been approved and accepted for each week worked during the time period covered by said payment request.

### LCPtracker:

As permitted by the Department of Labor (DOL), The Department of Housing and Urban Development (HUD), and Title 8, section 16404 of the California Code of Regulations, the Prime Contractor and each Subcontractor and every lower-tier Subcontractor subject to DBRA are allowed to submit CPRs electronically via LCPtracker

LCPtracker is a web-based system.. The Prime Contractor and Subcontractors and lower-tier Subcontractors will receive an email from LCPtracker providing their log-on identification and temporary password. The Contractors will need to follow the instructions in the email to set-up their permanent password and activate their account. Once their account is setup, LCPtracker Inc. provides two convenient training options:

**Option 1: Computer-Based Training Courses:** Pre-recorded videos can be viewed at any time by logging into the LCPtracker website and following these simple steps:

- Enter user name/password
- Select the "eTraining" link located at the top of the page.
- Select "Contractor Training Videos"

**Option 2: Web-Based Training Sessions:** Online training sessions facilitated by members of LCPtracker's customer support team are available several times per week. All that is needed to participate is a computer with Internet access, an email address and access to a phone.

- Enter user name/password
- Select “Book Now” on the “Projects” tab and register for the Online training sessions.

### **eDocuments:**

In order to meet labor compliance requirements, all contractors will be required to complete eDocuments which are accessed, submitted and approved through LCPtracker. All eDocuments are required to be signed by an owner/officer or authorized signer. Prior to the contractor being allowed by the system to certify CPRs, all eDocuments must be submitted to, and approved by, the County.

### **Other Required Documentation:**

One of the documents that will be required to be uploaded in LCPtracker as part of the eDocuments, is a City business license or an exception letter. All contractors performing work on a project site located within an *incorporated* city must possess or obtain that city's business license. However, if the project is located in an *unincorporated* area of the County, and the contractor's business is located in an *incorporated* city, the contractor must possess or obtain a business license within the city where their business is located. Exception to business license requirement: An exception letter will be required if the contractor's business and the project work site are both located in the *unincorporated* area of the County.

### **Electronic Submission of Certified Payrolls:**

Use of LCPtracker may require data entry in order to certify weekly payroll(s). Data entry includes information regarding employee identification, labor classification, total hours worked on the project, wage and benefit rates paid etc. Contractors currently using a payroll software system may be capable of interfacing with LCPtracker. Submission of electronic CPRs will be required by every lower-tier Subcontractor .

**The Prime Contractor and each Subcontractor and every lower-tier Subcontractor and any Vendors subject to this provision shall comply with Title 8, Section 16404 of the California Code of Regulations.**

## **NOTICE TO CONTRACTOR(s)**

### **COUNTYWIDE VISION:**

The project(s) implemented with these funds assist in meeting an element of the Countywide Vision for sustainable infrastructures and housing as adopted by the County Board of Supervisors and SANBAG on June 30, 2011.

### **FEDERALLY FUNDED PROJECTS:**

Contractors are advised that this is a federally funded project. Funding sources may include Community Development Block Grant funds (CDBG), Neighborhood Stabilization Program funds (NSP) or HOME Investment Partnerships Program funds. The requirements of the Davis-Bacon and Related Acts will apply to this project and those requirements will be enforced when the Contract amount for the Prime Contract exceeds \$2,000. Those wages are determined pursuant to the Davis-Bacon Act (40 USC 276a-7) (29 CFR, Part 5.0) and related Federal Acts, as applicable and as pursuant to the State of California Labor Code Section 1720 *et seq.* and implementing regulations of the State of California Department of Industrial Relations. For HOME Investment Partnerships Program and NSP funded projects, the Prime Contractor, all Subcontractors and all lower-tier Subcontractors are required to pay their laborers and mechanics employed under this Contract, a wage not less than minimum wage classification, as specified in the Federal Wage Decision. **Should other funding be implemented on this project that triggers State Prevailing Wage, then the higher of the two applicable wage classifications, either Federal Prevailing Wage or, State Prevailing Wage will be enforced for all work under this Contract.** For CDBG funded projects, the Prime Contractor, all Subcontractors and all lower-tier Subcontractors are required to pay their laborers and mechanics employed under this Contract, a wage not less than minimum wage classification, as specified in **both** the Federal and State Wage Decision for this project **The higher of the two applicable wage classifications, either the Federal Prevailing Wage or, State Prevailing Wage will be enforced for all work under this Contract.** The Prime Contractor is responsible for ensuring all Subcontractor(s) and lower-tier Subcontractor(s) compliance with Davis-Bacon and Related Act Requirements. The Federal Labor Standards Provisions (HUD 4010) apply to this project and are attached.

**Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity** - The Contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Specifications" contained herein. Goals and timetables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, is 19% for minorities and 6.9% for women.

## Sample JOC System License and Fee Agreement

This Agreement is made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ by and between **[Insert Contractor's Full Legal Name]**, whose address is **[Insert Contractor's Legal Address]** ("Contractor"), and The Gordian Group, Inc., whose address is 30 Patewood Drive, Suite 350, Greenville, SC 29615 ("Gordian").

WHEREAS, **[Insert Owner's Full Legal Name]** ("Owner") has awarded Contract No. **[Insert Number]** ("Contract") to the Contractor.

WHEREAS, the Owner has currently selected Gordian's JOC System/Job Order Contracting (JOC) Solution ("Gordian JOC Solution™" (collectively the "Proprietary Information", hereinafter further defined) for its JOC Program, which shall be used by Contractor to prepare and submit Price Proposals, subcontractor lists, and other requirements specified by the Owner and as required or requested under the JOC Contract. Gordian has agreed to provide Contractor with a license to Gordian's Proprietary Information, and

NOW, THEREFORE, Contractor agrees to the terms and conditions of the following JOC System License ("Agreement"):

Gordian hereby grants to Contractor, without cost to Contractor, and Contractor hereby accepts from Gordian for the term of the JOC Contract (as same may be amended, renewed, or extended), or for such period as Gordian continues to supply the Proprietary Information to the Owner for operation of its JOC Program pursuant to any agreement with the Owner, whichever is shorter, a non-exclusive and nontransferable right, privilege, and license to Gordian's proprietary JOC System/Gordian JOC Solution™ and other related proprietary materials (collectively referred to as "Proprietary Information") to be used for the sole purpose of executing the Contractor's responsibilities under the JOC Contract ("Limited Purpose"). Contractor hereby agrees that the Proprietary Information shall include, but is not limited to, Gordian's JOC information management software applications and support documentation, Construction Task Catalog®, construction cost data, training materials, and any other proprietary materials provided to Contractor by Gordian. In the event the JOC Contract expires or terminates (after any amendments, renewals, and extensions), or Gordian no longer supplies the Proprietary Information to the Owner pursuant to any agreement with the Owner, this JOC System License shall terminate and Contractor shall return all Proprietary Information in its possession to Gordian.

Contractor acknowledges that Gordian shall retain exclusive ownership of all proprietary rights to the Proprietary Information, including all U.S. and international intellectual property and other rights such as patents, trademarks, copyrights and trade secrets. Contractor shall have no right or interest in any portion of the Proprietary Information except the right to use the Proprietary Information for the Limited Purpose set forth herein. Except in furtherance of the Limited Purpose or as otherwise may be approved by Gordian, Contractor shall not distribute, disclose, copy, reproduce, display, publish, transmit, assign, sublicense, transfer, provide access to, use or sell, directly or indirectly (including in electronic form), any portion of the Proprietary Information.

Either party may terminate this Agreement in the event of: (1) any breach of a material term of this Agreement by the other party which is not remedied within thirty (30) days (or such longer period if such default cannot with diligence be cured within such 30-day period and the breaching party is continuing to diligently attempt to cure the breach) after written notice to the breaching party and to the Owner; or (2) the other party's making an assignment for the benefit of its creditors, or the filing by or against such party of a petition under any bankruptcy or insolvency law, which is not discharged within thirty (30) days of such filing.

Contractor acknowledges and agrees to respect the copyrights, trademarks, trade secrets, and other proprietary rights of Gordian in the Proprietary Information during and after the term of this Agreement, and shall at all times maintain complete confidentiality with regard to the Proprietary Information provided to Contractor, subject to federal, state and local laws related to public disclosure. Contractor further acknowledges that a breach of any of the terms of this Agreement by Contractor will result in irreparable

harm to Gordian for which monetary damages would be an inadequate remedy, and Gordian shall be entitled to injunctive relief (without the necessity of posting a bond) as well as all other monetary remedies available at law or in equity. In the event that it becomes necessary for either party to enforce the provisions of this Agreement or to obtain redress for the breach or violation of any of its provisions, whether by litigation or other proceedings, the prevailing party shall be entitled to recover from the other party all reasonable costs and expenses associated with such proceedings, including reasonable attorney's fees.

This Agreement shall be construed under the laws of the **Commonwealth of Pennsylvania** without regard to choice of law principles. Both parties irrevocably consent to the jurisdiction and venue of the federal and state courts located in the **Commonwealth of Pennsylvania** for purposes of any action brought in connection with this Agreement or use of the Proprietary Information.

The parties agree that in the event of a conflict in terms and conditions between this Agreement and any other terms and conditions of the Contract, the Owner Contract, or any Job Order, Purchase Order or similar purchasing document issued to Contractor by Owner, this Agreement shall take precedence.
