BACKGROUND INFORMATION

CYEP is California's job readiness and work-experience training program for CalWORKs participants, ages 16 through 24. TAD receives CalWORKs funding and distributes a portion of the funding to WDD who administers CYEP.

On May 24, 2023, TAD and WDD entered into a MOU, which became effective on July 1, 2023, under which WDD would provide CYEP services to no less than 140 participants through June 30, 2024. Pursuant to the MOU, WDD recommended entering into contracts in order to provide subsidized employment opportunities, including job development, work-readiness training, and subsidized employment placement to a minimum of 140 CYEP participants.

On June 27, 2023 (Item No. 123), as the result of a competitive procurement process, the Board of Supervisors (Board) approved the contracts listed in Recommendation No. 1 to provide subsidized employment services to CYEP participants, in an aggregate amount not to exceed \$1,395,868, for the period of July 1, 2023 through June 30, 2024.

On June 3, 2024, TAD and WDD extended the MOU, under which WDD will provide services to no less than 105 participants through June 30, 2025, in the amount of \$1,046,901. There was a 25% cut to the program from the previous year affecting funding and the number of participants to be served.

On June 25, 2024, (Item No. 119), the Board approved amendments to the contracts listed in Recommendation No. 1 to adjust the number of participants to be served by the Contractors, increase the aggregate contract amount by \$5,234,505, from \$1,395,868 to \$6,630,373, extended the term by one year for a total contract term of July 1, 2023 through June 30, 2025, and authorized the Director of the Workforce Development Department to execute amendments to extend the term of these contracts for a maximum of three consecutive one-year periods, subject to review by County Counsel.

On June 20, 2025, the County Administrative Office approved amendments to the contracts listed in Recommendation No. 1 to extend the term by one year for a total contract term of July 1, 2023 through June 30, 2026, with no changes to the aggregate amount of \$6,630,373 and authorizing the Director of the Workforce Development Department to execute amendments, subject to review by County Counsel.

The proposed amendment extends the contract term by two years for a total contract term of July 1, 2023 through June 30, 2028. The proposed two year term executes the remaining one year extensions from the original contract. The proposed amendment also authorizes the Director or Assistant Director of WDD to modify the number of CYEP participants annually served and adjust the associated amount of funding by letter to the contractor. Funding adjustments by letter will be limited to reallocations within the Board-approved aggregate amount and existing scope/term. This will allow for flexibility to serve the greatest need for work readiness training within the County. Each of the contractors will continue to provide CYEP participants with work readiness training and placement into subsidized employment training opportunities for up to six months.
