- 29. Hazardous Materials.** Except as otherwise agreed by Swisslog Healthcare in writing, Customer is responsible for all hazardous materials, however defined from time to time by Applicable Law, located in any area where the System is to be installed.

Swisslog

Healthcare will not assume responsibility or any costs associated with any hazardous materials, including but not limited to any investigation, abatement, containment, testing, inspection or remediation of any asbestos, polychlorinated biphenyl (PCB), radioactive material, toxic mold or any other hazardous materials. In addition to any other indemnity provisions provided herein, Customer shall defend, indemnify and hold harmless Swisslog Healthcare from and against all loss, liability, claims, costs, damage and economic detriment of any kind whatsoever, or expense (including attorney's fees) that arises out of or results from the discovery or existence of hazardous materials in any area where System is installed, whether or not identified in writing. Customer certifies that the work areas are safe and free of actionable levels of any and all hazardous materials, as defined above. All arrangements and expenses required for any and all hazardous material inspections, testing, monitoring, abatement, containment, etc., will be by the Customer.

30. Warranties. The following warranties shall apply to this Agreement for purchased Hardware:

- a. **General Warranty.** THE WARRANTIES SET FORTH HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WHICH ARE HEREBY DISCLAIMED AND EXCLUDED BY SWISSLOG HEALTHCARE, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE. SWISSLOG HEALTHCARE SHALL NOT BE LIABLE FOR ANY LOSS OR DAMAGE CAUSED BY DELAY IN FURNISHING HARDWARE, A SYSTEM AND SERVICES OR ANY OTHER PERFORMANCE UNDER OR PURSUANT TO THIS AGREEMENT. CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES FOR BREACH OF ANY AND ALL WARRANTIES WILL NOT EXCEED THE AMOUNT PAID BY CUSTOMER HEREUNDER IN THE 12 MONTHS PRECEDING THE INCIDENT.
- b. **Hardware Warranty.** Swisslog Healthcare manufactured Hardware will function, perform and conform in accordance with the included terms of then current Swisslog Healthcare Documentation and specifications, under normal Service. Swisslog Healthcare's sole obligation to Customer shall be limited to the repair or replacement, at Swisslog Healthcare's option, of defective Hardware provided that written notice of failure is received by Swisslog Healthcare within 1 year from date of the occurrence of either Beneficial Use or Final Acceptance, whichever occurred earlier.

c. **Exceptions to Hardware Warranty.**

Swisslog Healthcare's warranty of any Hardware is of no effect if (i) the Hardware is not stored, operated or handled in accordance with the Documentation or written instructions provided to Customer; (ii) the defect of the Hardware resulted from damage occurring after delivery and prior to Final Acceptance of the Hardware; (iii) the defect of the Hardware has not been reported, in writing, to Swisslog Healthcare within 30 days after discovery; (iv) the Customer fails to purchase or stay Current with its support agreement; (v) the Customer uses consumables that are not provided directly by Swisslog Healthcare; (vi) the defect was discovered by Customer prior to Final Acceptance and the Customer did not notify Swisslog Healthcare of any such defect; (vii) the defect is caused or limited by abuse, neglect, misuse, carelessness, unauthorized relocation of the Hardware, fire or decomposition by chemical or galvanic action; or (viii) Customer fails to notify Swisslog Healthcare, in writing, within 1 year from date of either Final Acceptance or Beneficial Use; or (ix) unauthorized modifications, enhancements or additions made by unauthorized Swisslog Healthcare personnel. Upon receipt of a claim report, Swisslog Healthcare may either ask Customer for a sample of the defect or schedule an inspection of the defective System.

31. Indemnification. Swisslog agrees to indemnify, defend (with counsel reasonably approved by Customer) and hold harmless the Customer and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the Customer on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. Swisslog's indemnification obligation applies to the Customer's "active" as well as "passive" negligence but does not apply to the Customer's "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782".

32. LIMITATION OF LIABILITY. NEITHER PARTY'S LIABILITY WITH RESPECT TO ANY SINGLE INCIDENT ARISING OUT OF OR RELATED TO THIS AGREEMENT WILL EXCEED THE AMOUNT OF THE CONTRACT, THE ABOVE LIMITATIONS WILL APPLY WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF

LIABILITY. HOWEVER, THE ABOVE LIMITATIONS WILL NOT LIMIT CUSTOMER'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT. IN NO EVENT WILL EITHER PARTY HAVE ANY LIABILITY TO THE OTHER PARTY FOR ANY LOST PROFITS, REVENUES OR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, COVER OR PUNITIVE DAMAGES, WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING DISCLAIMER WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

The Parties acknowledge and agree that the limited warranty, exclusive remedies and limited liability set forth in this Agreement are fundamental elements of the basis of the bargain between Swisslog Healthcare and Customer, and that Swisslog Healthcare would not be able to provide the Products on an economic basis without such limitations. No action, regardless of form, arising out of or in relation to any Services may be brought more than 4 years after the completion of the Services to which the action relates.

33. Intellectual Property Rights. All right, title and interest in and to the intellectual property rights in or to any of the Hardware or Software, and any modifications, enhancements and derivative works thereof, including but not limited to, patents, copyrights, trademarks, know-how and proprietary industrial drawings, will remain the sole property of Swisslog Healthcare and/or its supplier(s). Customer will not remove, obscure or alter any proprietary notices placed on or within any Product.

34. Remedies for Infringement. If the System, Software or Services, or any portion thereof are enjoined under any award or settlement, Swisslog Healthcare, at its option and expense, will:

- a. procure the right to continue using the System or Services;
- b. replace the System or Services or infringing portion thereof with a non-infringing product or service; or
- c. modify the System or Services so they become non-infringing.

If the remedies set forth in (a.) through (c.) are not possible on commercially reasonable terms, Swisslog Healthcare may terminate the License for the allegedly infringing System, Software or

Services, and upon receipt of the System, Software or Services, return the fees paid by Customer to Swisslog Healthcare, if any, prorated over the Agreement term from the delivery date. In electing the remedies set forth in (a.) through (c.) above, Swisslog Healthcare shall consult with and obtain the consent of Customer, which consent shall not be unreasonably withheld.

Notwithstanding the foregoing, Swisslog Healthcare shall not be liable for any claim of infringement resulting from Swisslog Healthcare's compliance with any design, specification or instruction of Customer, modification of the System or Software by Customer without Swisslog Healthcare's approval, use of Equipment in a manner not according to specifications or documentation, or use of Equipment with software or hardware products not supplied by Swisslog Healthcare. Systems for purposes of this indemnity do not include any third-party products, whether or not supplied by either party. The foregoing states Swisslog Healthcare's entire liability and Customer's exclusive remedy for infringement of intellectual property rights.

35. Force Majeure. Neither Party shall be liable nor deemed to be in default for any delay or failure in performance of any of its obligations under this Agreement to the extent and for such periods of time as such delay or failure to perform results directly or indirectly from any act of God, war (declared or undeclared), action of any governmental authority, terrorism, riot, revolution, explosion, sabotage, nuclear incident, natural disaster, inclement weather, lightning, earthquake, fire, flood, storm, sinkhole, epidemic, pandemic, vandalism, strike or other work interruption or any similar or dissimilar cause beyond the reasonable control of either Party ("Excusable Delay"). The Party so affected will give prompt notice to the other Party of an Excusable Delay, in each case specifying to the extent practicable the estimated duration of such Excusable Delay, and shall take whatever reasonable steps are necessary to relieve the effect of such Excusable Delay. Without limiting the generality of the foregoing, the Parties confirm that they are aware of the current COVID-19 pandemic. While the Parties acknowledge that such pandemic may have negative effects on the timely performance of Swisslog's contractual obligations and/or result in increased costs for Swisslog, at the time of entering into this Agreement, the details and severity of any such effects remain unknown and/or unquantifiable. If COVID-19, directly or indirectly, results in a delay and/or increased costs of Swisslog's contractual performance, the Parties shall agree in good faith upon an equitable adjustment of agreed delivery dates and applicable performance schedules, and/or an equitable adjustment of the contract price. The right to terminate

this Agreement for convenience shall remain unaffected.

- 36. Independent Contractor.** The Parties intend that Swisslog Healthcare, in performing Services specified in this Agreement, shall act as an independent contractor and shall have complete control of the work and the manner in which it is performed. Swisslog Healthcare is not to be considered an agent or employee of Customer and is not entitled to participate in any pension plans, or in bonus, stock, or similar benefits that Customer provides for its employees.
- 37. Non-solicitation.** If allowed by applicable law, during the term of this Agreement and thereafter at all times through the one-year anniversary date that Swisslog Healthcare last invoiced Customer for Services, neither Party shall, directly or indirectly, recruit, solicit or cause to be recruited or solicited any employees or independent contracting consultants subject to written agreements, of the other Party for the purpose of hiring them or inducing them to leave their employment. Any such solicitation or recruitment will entitle the solicited Party to any and all indirect and direct costs and expenses associated with such solicitation. Notwithstanding the foregoing, a Party is not prohibited from offering employment to any person: (a) with whom it has had contact regarding possible employment prior to the Effective Date; (b) who responds to a general solicitation or advertisement that is not specifically directed only to employees of the other Party; or (c) who is referred by a search firm, employment agency or other similar entity provided that such entity has not been specifically instructed to solicit the employees of the other Party.
- 38. Confidentiality and Non-Disclosure.** It is expressly understood the Parties may be exposed to or receive certain confidential information. "Confidential Information" means all non-public information, whether or not explicitly marked or identified as such, and whether written, oral, recorded on tapes, disks or in any other media or format about the other Party, including without limitation, information that the Party designates confidential or which, under the circumstances surrounding disclosure or receipt, ought to be treated as confidential. Confidential Information includes, without limitation, pricing and merchandising strategies, order handling, processes and procedures, and information relating to the Services, System, Hardware or intellectual property, trade secrets, plans, drawings, specifications, know-how, manuals and/or technology including usernames, passwords, and any other security information used to access the Systems. Except as stated herein, the Parties agree both during and after the termination of this Agreement, to hold the Confidential Information in the strictest confidence, not

Party, as required by law, and to use the same solely for the purposes for which it was provided by the Party. Further, the Parties shall not modify, reverse-engineer, or decompile the Hardware or Software or the System or Confidential Information nor create derivative works based on the Hardware or Software or the System or Confidential Information. Each Party agrees that in the event of a breach or threatened breach of this section (Confidentiality and Non-Disclosure), the other Party may suffer irreparable harm for which it may have no adequate monetary remedy and may be entitled to injunctive and other equitable relief for such breach, in addition to and not in limitation of any other legal or equitable remedies to which it would otherwise be entitled. Customer agrees that Customer shall be liable for any failure on the part of any such Representative, employee or third-party to comply with these Terms and Conditions to the same extent as if such Representative, employee or third-party had been Parties hereto to use the Confidential Information solely in accordance with the terms of these Terms and Conditions; and to protect the Confidential Information from unauthorized disclosure or use. Confidential Information will not include information which the receiving Party is able to demonstrate: (i) is or becomes available to the general public in a manner other than as a result of an unauthorized disclosure by the receiving Party; (ii) is already in the possession of the receiving Party prior to disclosure by the disclosing Party and was not subject to an obligation of confidentiality owed to the disclosing Party at the time such information came into the possession of the receiving Party; (iii) becomes available to the receiving Party on a non-confidential basis from a third-party who has a right to make such disclosure and is not in violation of confidentiality obligations with the disclosing Party; and/or (iv) is independently developed by the receiving Party without use of, access to, and/or reference to the disclosing Party's Confidential Information. Either Party may disclose Confidential Information of the other Party to the extent required by law, court, and/or other governmental order, rule, and/or regulation, provided that the Party receiving such request: (i) gives the other Party written notice of the compelled disclosure (to the extent legally permitted); (ii) gives the other Party reasonable assistance, if such Party wishes to contest the disclosure; and (iii) only discloses the portions of the Confidential Information that are necessary in order to comply with such request. For clarification purposes, a Customer name is not confidential and may be used by Swisslog Healthcare in external communications.

L. 111-5) (“ARRA”) and its applicable regulations. The Parties further acknowledge that Swisslog Healthcare may be a “business associate” as that term is used and defined in the Privacy Rule and in ARRA. In the event the Parties enter into an arrangement under this Agreement whereby Swisslog Healthcare will provide services to or perform functions on behalf of Customer that require Customer to disclose patient Protected Health Information to Swisslog Healthcare, Swisslog Healthcare agrees to enter into a Business Associate Agreement with Customer.

Except as set forth above, Customer acknowledges and agrees that information used and stored within the Software and System are not the responsibility or liability of Swisslog Healthcare.

41. Health and Human Services Audit. Should the provisions of section 952 of the Omnibus Reconciliation Act of 1980 [42 U.S.C. 1395x (v) (1)] (the “Act”) apply to this Agreement, then Swisslog Healthcare agrees to abide by the terms of the Act and its interpretative regulations including, but not limited to, maintenance of records concerning services and costs incurred under said agreement. Pursuant to the foregoing, Swisslog Healthcare agrees that until the

expiration of 4 years after the furnishing of any goods and services pursuant to this Agreement, it will make available, upon written request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of this Agreement and any books, documents, records, and other data of Swisslog Healthcare that are necessary to certify the nature and extent of the costs incurred by Customer in purchasing such System and Services. If Swisslog Healthcare carries out any of its duties under this Agreement through a subcontract with a related organization involving a value or cost of ten thousand dollars (\$10,000) or more over a twelve-month period, Swisslog Healthcare will cause such subcontract to contain a clause to the effect that, until the expiration of 4 years after the furnishing of any good or service pursuant to said contract, the related organization will make available upon written request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of this Agreement and any books, documents, records, and other data of said related organization that are necessary to certify the nature and extent of costs incurred by Customer for such System or Services. Swisslog Healthcare shall give Customer notice immediately upon receipt of any request from the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives for disclosure of such information.

42. Exclusion List. Swisslog Healthcare represents and warrants to Customer that it (i) is not currently sanctioned by the Health and Human Services Office of the Inspector General as set forth on the Cumulative Sanctions Report, or excluded by the General Services Administration as set forth on the List of Excluded Providers [see <http://oig.hhs.gov/fraud/exclusions.html> and <https://www.precheck.com/blog/gsa-epls-exclusion-database-changing-sam>]; (ii) has not been convicted of a criminal offense related to the provision of healthcare items or services; and (iii) has not yet been excluded, debarred, or otherwise declared ineligible to participate in the federal healthcare programs or any state healthcare programs as defined in 42 U.S.C. Swisslog Healthcare will immediately notify Customer of any change in the status of the representations and warranty set forth in this section.

43. Assignment. Neither Party shall have the right to assign or otherwise transfer its right and obligations

- 44. Export Control.** The Software, the Documentation, and all underlying information or technology may not be exported or re-exported into any country to which the US has embargoed goods, or to anyone on the US Treasury Department's list of Specially Designated Nationals or the US Commerce Department's Table of Deny Orders. Customer shall not export the Software or Documentation or any underlying information or technology to any facility in violation of these or other applicable laws and regulations. unenforceable under the laws or regulations of any government or subdivision thereof, such terms shall be deemed stricken from this Agreement, but such invalidity or unenforceability shall not invalidate any of the other terms of this Agreement and this Agreement shall continue in force, unless the invalidity or unenforceability of any such provisions hereof does substantial violence to, or where the invalid or unenforceable provisions comprise an integral part of, or are otherwise inseparable from, the remainder of this Agreement. The failure of a Party in any one or more instances to insist upon strict performance of any of the terms and conditions of this Agreement shall not be construed as a waiver or relinquishment, to any extent, of the right to assert or rely upon any such terms or conditions on any future occasion.

- 48. Choice of Law and Venue.** This Agreement and Proposal shall be governed by, and construed in accordance with, the laws of the state in which Customer is located.
