COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Operate in a Fiscally-Responsible and Business-Like Manner.

Provide for the Safety, Health and Social Service Needs of County Residents.

FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The cost of \$78,150 is funded by State Medi-Cal, Federal Medicare, private insurances, and other departmental revenue. Funding sources may change in the future pending any legislative activity related to the repeal and/or replacement of the Affordable Care Act. Adequate appropriation and revenue have been included in the Arrowhead Regional Medical Center (ARMC) 2023-24 budget and is included in the 2024-25 recommended budget.

BACKGROUND INFORMATION

Amendment No. 2 (Amendment) to Asset Lease Agreement No. 22-1020 (Agreement) will allow ARMC to continue providing critical Magnetic Resonance Imaging (MRI) examinations during a project to replace one of two hospital MRI machines. The current machine to be replaced is more than 20 years old and beyond its life expectancy. Renting the MRI trailer from DMS Imaging Inc. dba DMS Health Technologies (DMS) will help ensure continued patient care is not compromised during the construction process for the new machine in the hospital. The MRI Machine Replacement Project (Project) has been fully approved and funded by the County Project and Facilities Management Department (Project No. WBSE 10.10.0246). However, Project completion is now anticipated to go beyond July 2024, with a new estimated completion in the third quarter of 2024. Therefore, the Amendment to extend the term of the lease is necessary.

On May 9, 2023 (Item No. 7), the Board approved Amendment No. 1 to the Agreement with DMS, increasing the contract amount by \$340,600, from \$36,800 to \$377,400, and extending the lease from a one-month period to a 13-month period of June 12, 2023 to July 11, 2024.

ARMC recommends approval of Amendment No. 2 to ensure continuity of critical MRI services at the hospital for the health and safety of county residents.
