WHEREAS, Consolidated Fire Agencies as licensee, ("LICENSEE") and San Bernardino County, as licensor, ("COUNTY") desire to enter into this License Agreement ("License") for LICENSEE's use of a certain portion of the COUNTY's existing rack space within the COUNTY-owned equipment shelter and existing antenna space on the COUNTY-owned antenna tower located at the COUNTY's communication site, commonly known as 15900 Smoke Tree St., Hesperia, CA Communication Site ("Site"), for the installation and operation of LICENSEE's communication system equipment; and

WHEREAS, the LICENSEE had previously agreed to Contract 20-326 expiring June 30, 2025 and has been in holdover through June 30, 2026; and,

WHEREAS, COUNTY is willing to permit said use of a portion of the COUNTY existing rack space within the COUNTY-owned equipment shelter and existing antenna space on the COUNTY-owned antenna structure at the Site subject to certain conditions as more specifically set forth in this License; and,

WHEREAS, portions of the existing rack space within the COUNTY-owned equipment shelter and existing antenna space on the COUNTY-owned antenna structure at the Site to be used by LICENSEE are currently excess to the COUNTY's needs.

NOW, THEREFORE, in consideration of the execution of this License, the parties mutually agree to the following terms and conditions.

I. DEFINITIONS

- 1.1 "License" means this License Agreement and any relevant Documents, including any Exhibits and/or Attachments, all of which are made a part of this License.
- 1.2 "Site" refers individually or collectively to the real property owned or controlled by COUNTY and all the structures thereon, including (i) COUNTY-designated rack space with each rack space defined as space for one (1) EIA Standard 19" wide by 2' deep by 7' tall rack or one-half (1/2) EIA Standard 19" wide by 2' deep by 3½' tall rack along with the use of cable runs; and (ii) COUNTY-owned antenna tower space for the placement of the antenna(s) as may be singularly or collectively approved by COUNTY.
- 1.3 "Improvements" (when applicable) refers individually or collectively to the LICENSEE's communication system and related equipment, cabling and antenna(s) as may be approved by the COUNTY's Innovation and Technology Department (ITD)-Communications Division, and as of the commencement date of this License shall mean the equipment set forth in Exhibit "B" of this License.

II. LICENSE TO USE

COUNTY hereby gives permission, revocable and terminable as hereinafter provided, to LICENSEE to enter the Site for the purpose of installing and maintaining Improvements on a portion of rack space at the Site as designed by the County ("Licensed Area"), which Licensed Area consists of two rack spaces for server cabinets and radio equipment as depicted on Exhibit "B" attached hereto and made a part hereof. LICENSEE shall not install any antenna equipment or wave guide cabling or coax antenna cables at the Licensed Area or the Site without the prior written approval of the COUNTY ITD Public Safety Communications Division and only upon prior review and approval of LICENSEE's plans, specifications, and structural calculations in support of the loading of COUNTY's antenna tower at the Site. LICENSEE shall not be permitted to use the Site or the Licensed Area for any other purposes, except by prior written permission of COUNTY.

III. LICENSEE EQUIPMENT

3.1 Acknowledgement of Responsibility

LICENSEE acknowledges that the Site is essential to COUNTY's fulfilling its mission of public safety. LICENSEE warrants that it will not disturb or tamper with any COUNTY equipment, nor other COUNTY clients' or users' equipment to include, but not limited to, electronic, electrical, LPG, buildings, towers, grounding systems, antennas, feed lines, etc., at the Site. Exercising all reasonable diligence, LICENSEE warrants that it will take reasonable steps to ensure it will not hamper in any manner, the ability of the COUNTY to fulfill its mission at/through the Site.

LICENSEE shall be liable for all claims, demands, actions, and causes of action founded upon the negligence or otherwise wrongful conduct on the part of any employee or agent of LICENSEE attributable to LICENSEE's installation/maintenance or operation of LICENSEE's Equipment on the Site. Further, LICENSEE shall release, remise, and forever discharge COUNTY of and from any and all claims, demands, actions, and causes of action not based upon the intentional acts or negligence of COUNTY that LICENSEE may acquire by reason of LICENSEE's installation/maintenance or operation of LICENSEE's Equipment on the Site.

3.2 Requirements, Limitations, and Installation Conditions – This License is subject to the limitations, requirements and installation conditions as set forth below:

3.2.1 Installation: LICENSEE will observe and require LICENSEE retained contractors and sub-contractors to observe standard safety practices when climbing towers and when installing LICENSEE's Equipment on the Licensed Area as designed by the County. LICENSEE agrees to install, maintain, and operate LICENSEE's Equipment in accordance with the highest standard prevailing in the communications industry. Installation practices and materials are subject to approval of the County's ITD.

3.2.2 Access: Access to rack space and any antenna space at the Site is on an escorted basis using COUNTY ITD personnel at the appropriate COUNTY Board of Supervisors approved ITD standard time and material billing rates, on a portal-to-portal basis, in effect at the time of the escort. LICENSEE must request Site access at least three (3) working days, as defined a COUNTY government work schedule, (and excluding COUNTY holidays and closures) prior to desired access date. After hours are defined as outside the hours of 7:30 A.M. to 5:00 P.M. Pacific Standard Time, and emergency access requests will be billed at the COUNTY's Board of Supervisors approved ITD standard time and material billing rates in effect at the time of the escort.

3.2.3 Equipment Changes: Changes and modifications to Improvements that may alter performance of the Site or interfere with communications at the Site are to be approved in writing prior to any installation of LICENSEE's equipment by the County's ITD-Communications Division.

3.2.4 Power: COUNTY will install electrical power as needed above each rack to be used by LICENSEE under this License. The cost for labor and materials to perform the installation work will be the responsibility of the LICENSEE, payable by LICENSEE to COUNTY upon invoice. The cost of electrical power once installed is included in the rates payable by LICENSEE pursuant to Section V.

3.3 Additional Controlling Documents – Site may be subject to leases, master leases, licenses, rights-of-way, grants, use permits, or other controlling agreements (collectively, "Documents") secured by the COUNTY from other governmental or private entities. LICENSEE agrees to be bound by the conditions and covenants of these Documents and is responsible for any related costs that may be incurred directly or indirectly due to LICENSEE's use of its Licensed Area at the Site. If

requested by LICENSEE in writing, LICENSEE will be furnished with copies of any relevant Documents that may have an impact upon the Site.

- 3.4 Maintenance – The costs of any installation, maintenance, operation, replacement, or removal of the LICENSEE’s Equipment shall be at the sole expense of LICENSEE.
- 3.5 Interference – LICENSEE’s Equipment shall be located so as not to interfere, physically or electronically, with any of the COUNTY’s operations, and any equipment installed previous to LICENSEE’s installation by other COUNTY users.

In the event the COUNTY determines or is notified that the operation of the LICENSEE’s Equipment caused or is causing interference to transmission and/or reception of any other communications systems in use in the vicinity of the Site, County’s ITD shall notify LICENSEE to correct the problem and COUNTY reserves the right to immediately remove all or any portion of LICENSEE’s Equipment from service.

If such interference is not eliminated within a twenty-four (24) hour period, COUNTY shall have the right to terminate this License, remove all or any portion of LICENSEE’s Equipment from service, and take whatever immediate steps are necessary to eliminate said interference, including powering off LICENSEE’s Equipment without further notification.

IV. EFFECTIVE DATE AND TERMINATION

- 4.1 Term: This License shall be for an initial term of five (5) years (“Initial Term”), commencing on July 1, 2026 (“Commencement Date”) and shall terminate on the day immediately preceding the fifth anniversary of the Commencement Date (“Expiration Date”), unless the COUNTY or the LICENSEE, at the sole discretion of either, terminates the License by giving at least sixty (60) days prior written notice to the other party, provided that any such termination date shall be effective at the end of a calendar month or is otherwise earlier terminated in accordance with any other provision of this License. Neither party shall incur any liability to the other by reason of such termination. Notwithstanding the foregoing, in the event the License is terminated by LICENSEE pursuant to this Section IV but LICENSEE, despite its diligent efforts, requires additional time to remove LICENSEE’s Equipment after the effective termination date, upon written request to the COUNTY to be received by COUNTY prior to the effective termination date, COUNTY may, at its sole discretion, opt by express written consent to continue the License for a month-to-month term not to exceed one hundred twenty (120) days after the original effective termination date. During any such month-to-month term and any other holdover period with or without the COUNTY’s permission, LICENSEE shall pay to COUNTY the then current monthly fee (which shall be calculated by dividing the then current annual license fees as set forth in Section V [but without the Annual Escalator] by 12).

4.2 Option to Extend Term: COUNTY gives LICENSEE the option to extend the term of the License on the same provisions and conditions, except for the Annual License Fee for three (3) five (5) year periods (“Extended Terms”) following expiration of the Initial Term, provided that at the time of exercise of the applicable option, LICENSEE is not in default with respect to any of the terms, covenants or conditions to be observed or performed by LICENSEE hereunder beyond any applicable notice and cure period. Such extensions shall be automatic unless either party gives 60 days written notice of termination or non-renewal to the other party. The Annual License Fee for the first (1st) year of each Extended Term shall be re-established in accordance with the market rate for comparable properties in the Hesperia area (or High Desert region), County of San Bernardino (with the Annual License Fee for the remainder of the Extended Term to be subject to the 3.5% annual percentage increase, rounded to the nearest whole dollar, stated in paragraph 5.3 and as shown in Exhibit “A”), provided that if the parties are unable to agree on the re-established Annual License Fee for the first year of an Extended Term, such fee shall be determined in accordance with Section 4.3. below.

4.3 If the Parties are unable to agree on the Annual License Fee for the first (1st) year of any Extended Term within five (5) months of LICENSEE's exercise of the subject option, the subject Annual License Fee shall be determined through arbitration conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association. If the arbitration-determined Annual License Fee increases the Annual License Fee payable for the first (1st) year of an Extended Term by an amount equal to more than six percent (6%) over the Annual License Fee payable for the year immediately preceding the expiration of the Initial Term or the then current Extended Term, the LICENSEE shall have the right to terminate this License within thirty (30) days after the date the arbitrator issues its formal Annual License Fee determination by providing written notice of termination to COUNTY within said thirty (30) days. If the arbitration-determined Annual License Fee reduces the Annual License Fee payable for the first year of an Extended Term by an amount equal to more than six percent (6%) below the Annual License Fee payable for the year immediately preceding the expiration of the Initial Term or the then current Extended Term, the COUNTY shall have the right to terminate this License within thirty (30) days after the date the arbitrator issues its formal Annual License Fee determination by providing written notice of termination to LICENSEE within said thirty (30) days. If neither parties timely exercises its respective right to terminate the License under this paragraph, then the Annual License Fee for the first year of an Extended Term shall be the arbitration-determined Annual License Fee. The COUNTY's RESD Director shall be authorized to provide such termination notice on behalf of the COUNTY. If the subject Annual License Fee is pending determination by the arbitration process at the expiration of the Initial Term or the then current Extended Term, as of the commencement date of the subject Extended Term, LICENSEE shall pay the Annual License Fee in the amount due for the year immediately preceding expiration of the Initial Term or the then current Extended Term. Upon determination of the subject Annual License Fee through arbitration, and provided that this License is not terminated pursuant to this paragraph, LICENSEE shall, within forty-five (45) days after the date the arbitrator issues its formal Annual License Fee determination, pay to COUNTY any deficiency between the Annual License Fee paid and the arbitration-determined Annual License Fee for the period from the commencement of an Extended Term through the date the arbitrator issues its formal Annual License Fee determination. In the event that either party terminates the License in accordance with this paragraph, then no deficiency shall be payable to COUNTY and no refunds shall be due to LICENSEE for the period after the commencement of an Extended Term through the date the arbitrator issues its formal Annual License Fee determination.

In the event such substitution or additional equipment is approved by the COUNTY, Exhibit "A" of this License shall be amended to reflect a change in LICENSEE's Equipment, in which case, County will provide to LICENSEE a revised Exhibit "A", incorporating

such change(s) which shall be promptly signed by LICENSEE and returned to COUNTY. LICENSEE's subsequent invoice shall be adjusted in accordance with the change(s), on a prorated basis, as necessary.

- 5.3 As set forth in Exhibit "A," the rates shall be adjusted on each anniversary of the Commencement Date during the initial Term of this License. During any Extension Term, the adjusted rate shall not be less than an amount equal to three and one-half percent (3.5%) above the rate in effect immediately prior to such adjustment.

VI. AGREEMENT AUTHORIZATION

LICENSEE warrants and represents that the individual signing this License is a properly authorized representative of the LICENSEE and has the full power and authority to enter into this License on the LICENSEE's behalf.

VII. ASSIGNMENT

This License, or any interest therein, including any claims for monies due with respect thereto, shall not be assigned, and any such assignment shall be void and without effect.

VIII. DEFAULT

If the LICENSEE does not make timely payment of amounts due under this License or breaches any term or condition of this License, COUNTY may declare immediately due and payable the entire unpaid amount, plus all other amounts due hereunder, less any unearned charges. COUNTY may also exercise all rights and remedies of a secure party under the Uniform Commercial Code (or other similar law) of the State of California and pursue any other remedies existing in law or in equity.

IX. HOLDING OVER

If the LICENSEE continues in possession of the Premises after the expiration of the term or after any termination of this license prior to the expiration of the term, and if said occupancy is with the consent of the COUNTY, then LICENSEE shall be deemed to be holding the Premises on a month-to-month basis subject to all the provisions of this license, and the annual fee payable during such period of holding over shall be the same as the annual fee most recently payable prior to the date such holding over was commenced.

X. INDEMNIFICATION AND INSURANCE

10.1 Indemnification

The LICENSEE agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless the COUNTY and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of this License from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the COUNTY on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnities. The LICENSEE'S indemnification obligation applies to the COUNTY'S "active" as well as "passive" negligence but does not apply to the COUNTY'S "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.

10.2 Insurance

Without in any way affecting the indemnity herein provided and in addition thereto, the LICENSEE shall secure and maintain throughout the License the following types of insurance with limits as

shown. LICENSEE is a self-insured public entity and may opt to provide evidence of coverage through an authorized program of self-insurance:

10.2.1 Workers' Compensation – A program of Workers' Compensation insurance or a state-approved Self-Insurance Program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of the LICENSEE and all risks to such persons under this License.

10.2.2. Commercial/General Liability Insurance – The LICENSEE shall carry General Liability Insurance covering all operations performed by or on behalf of the LICENSEE providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:

- (a) Premises operations and mobile equipment.
- (b) Products and completed operations.
- (c) Broad form property damage (including completed operations).
- (d) Explosion, collapse and underground hazards.
- (e) Personal injury
- (f) Contractual liability.
- (g) \$2,000,000 general aggregate limit

10.2.3 Commercial Property Insurance providing all risk coverage for the Licensed Area, including any building, fixtures, equipment and all property constituting a part of the licensed areas. Coverage shall be sufficient to insure One Hundred percent (100%) of the replacement cost.

10.2.4 Automobile Liability Insurance – Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence. If LICENSEE is transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence. If the LICENSEE owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

10.2.5 Umbrella Liability Insurance - An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

10.2.6 Additional Named Insured – All policies, except for the Workers' Compensation policies shall contain endorsements naming the COUNTY and its officers, employees, agents and volunteers as additional named insureds with respect to liabilities arising out of this License. The additional insured endorsements shall not limit the scope of coverage for the COUNTY to vicarious liability but shall allow coverage for the COUNTY to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

10.2.7 Waiver of Subrogation Rights –LICENSEE shall require the carriers of the above-required coverages to waive all rights of subrogation against the COUNTY, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the LICENSEE and LICENSEE's employees or

agents from waiving the right of subrogation prior to a loss or claim. The LICENSEE hereby waives all rights of subrogation against the COUNTY.

10.2.8 Policies Primary and Non-Contributory – All policies required above are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the COUNTY.

10.2.9 Proof of Coverage – The LICENSEE shall furnish Certificates of Insurance to the San Bernardino Real Estate Services Department (RESA) administering the License evidencing the insurance coverage, including endorsements, as required, at the time this License is mutually executed, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to RESA, and LICENSEE shall maintain such insurance for the duration of this License. IF LICENSEE is a self-insured public entity, LICENSEE shall furnish to RESA a copy of membership in an authorized program of self-insurance at the commencement of this License and on an annual basis. Within fifteen (15) days of the Commencement Date of this License, the LICENSEE shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

10.2.10 Severability of Interests – The LICENSEE agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the LICENSEE and the COUNTY or between the COUNTY and any other insured or additional insured under the policy.

10.2.11 Acceptability of Insurance Carrier – Unless otherwise approved by the COUNTY Department of Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum “Best” Insurance Guide rating of “A- VII”.

10.2.12 Insurance Review – The COUNTY’s Risk Manager is authorized, but not required, to reduce or waive any of the above insurance requirements whenever the Risk Manager determines that any of the above insurance is not available, is unreasonably priced, or is not needed to protect the interests of the COUNTY. In addition, if the Risk Manager determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Risk Manager is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the COUNTY, inflation, or any other item reasonably related to the COUNTY’s risk.

Any such reduction or waiver for the entire term of the License and any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this License. LICENSEE agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of RESA or COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of RESA or the COUNTY.

10.2.13 Deductibles and Self-Insurance Retention – Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

10.2.14 Failure to Procure Insurance. All insurance required must be maintained in force at all times by LICENSEE. Failure to maintain said insurance, due to expiration,

cancellation, etc., shall be cause for the COUNTY to give notice to immediately suspend all LICENSEE's business activities on the Licensed Area. Failure to reinstate said insurance within the (10) days of notice to do so shall be cause for termination and for forfeiture of this License, and/or COUNTY, at its discretion, may procure or renew such insurance and pay any and all premiums in connection therewith, and all monies so paid by COUNTY shall be repaid by LICENSEE to COUNTY upon demand but only for the pro rata period of non-compliance.

10.2.15 COUNTY shall have no liability for any premiums charged for such coverage(s). The inclusion of COUNTY as additional named insured is not intended to and shall not make a partner or joint venturer with LICENSEE in LICENSEE's operations.

10.2.16 The LICENSEE agrees to require all parties or subcontractors, or others it hires or contracts with related to the use of the Licensed Area to provide insurance covering such use with the same insurance policies and requirements for LICENSEE as set forth in this License and naming the COUNTY as additional insured. LICENSEE agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided as required herein.

XI. GENERAL TERMS AND CONDITIONS

11.1 Permits - LICENSEE is responsible for obtaining and paying any costs of all permits, licenses or approvals by any regulatory bodies having jurisdiction over the uses authorized herein, as appropriate.

11.2 Waiver - No waiver of a breach of any provision of this License shall constitute a waiver of any other breach, or of such provision. Failure of COUNTY to enforce at any time, or from time to time, any provision of this License shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

11.3 Validity - The invalidity in whole or in part of any provision of this License shall not void or affect the validity of any other provision.

11.4 Captions and Paragraph Headings - Captions and paragraph headings used herein are for convenience only and are not a part of this License and shall not be used in construing it.

This License shall be governed by the laws of the State of California.

11.7 Compliance – This License shall be subject to immediate termination under the following circumstances:

- (a) LICENSEE fails or neglects to comply with any term or condition of this License; or
- (b) LICENSEE fails or neglects to comply with any reasonable requirement of COUNTY after thirty (30) days written notice and demand; or
- (c) LICENSEE fails or neglects to comply with any Master Lease, Agreement, or Permit to which the COUNTY is subject.

In the event of such termination, the COUNTY may immediately disconnect all LICENSEE's Equipment. LICENSEE shall, if appropriate, immediately remove any and all of LICENSEE's

Equipment from the Site and surrender all rights and privileges under this License. If LICENSEE fails to promptly restore the Site to its former condition, the COUNTY may restore the Site at LICENSEE's sole expense.

11.8 Changes and Right to Prioritize – COUNTY reserves the right to make rack and antenna space changes at the Site, and to prioritize or restrict usage as necessary to optimize overall service effectiveness of the Site to the COUNTY and its users without liability to LICENSEE and LICENSEE shall have no claims of liability, damages, or otherwise against the COUNTY.

11.9 Notifications - All notices or demands required, or permitted to be given or made hereunder, shall be in writing and shall be deemed duly given upon the date actual delivery to the recipient or the recipient's refusal to accept delivery, if delivery is by hand; OR if delivery is by first class United States mail, postage pre-paid, certified or registered, return receipt requested, OR reputable overnight courier service.
