Failure by an Applicant to seek clarification of any portion of the Prequalification Documents shall neither relieve the Applicant from its representations as set forth in Article 2, nor serve as the basis for any claim by the Applicant that it was mistaken or misled in connection with the preparation of its Prequalification Submittal.

4.13 Prequalification Addenda. Interpretations, corrections, and changes by the County of the Prequalification Documents will be made by Prequalification Addenda. Interpretations, corrections, and changes of the Prequalification Documents made in any other manner shall not be relied upon by Applicants and will not be binding upon the County. **All addenda will be uploaded to the ePro website.** It is the obligation of the Applicant to verify issuance of Notice by the County of a Prequalification Addenda by checking from San Bernardino County Electronic Procurement Network (ePro) website: <https://epro.sbcounty.gov>. Failure of an Applicant to receive a Prequalification Addendum shall not entitle the Applicant to an extension of the Prequalification Schedule nor shall it permit the submission of any additional prequalification information after the deadline for receipt of the Prequalification Submittal set forth in the Prequalification Schedule.

4.14 Preparation, Copies. The portions of the Prequalification Submittal prepared or filled in by an Applicant must be either typed or completed in ink. Responses in pencil are unacceptable. For “Yes” or “No” answers, Applicants must indicate either “Yes” or “No” by putting a check mark or “X” mark in the box next to “Yes” or “No”. If there is a requirement that the Applicant or any Applicant Constituent Member submit any additional documents, they shall be packaged as part of the Applicant’s Prequalification Submittal. **One (1) USB flash drive, one (1) original marked “Original,” and three (3) paper copies of the Prequalification Submittals shall be submitted.**

4.15 Verification. Prequalification Questionnaires must be verified in the manner required by Paragraph 4.3.2, above, using the form of verification attached hereto as Attachment No. 1 by an individual with legal authority to bind the person or entity on whose behalf such individual is signing.

4.16 Submission. One (1) USB flash drive, one (1) original marked "Original," and three (3) paper copies of the Prequalification Submittals shall be submitted. Prequalification Submittals shall be submitted through ePro, hand-delivered to, or received by mail at San Bernardino County, Project and Facilities Management Department, 620 South E St, San Bernardino, CA 92415-0184, at any time Monday through Friday between the hours of 8 a.m. to 5 p.m., prior to the deadline for receipt of Prequalification Submittals set forth in the

Prequalification Schedule. Prequalification Submittals that are submitted after the deadline specified in the Prequalification Schedule will not be considered and will be returned unopened. Oral, telephonic, or electronically transmitted Prequalification Submittals will not be considered. The Applicant assumes full responsibility for timely delivery of its Prequalification Submittal at the location designated in these Instructions.

4.17 Sealed Envelope. Each Prequalification Submittal, including the original(s) and each copy, shall at the time of delivery be enclosed in a single, sealed opaque envelope. Piecemeal submissions are not permitted. The envelope, as well as any outer envelope or packaging in which the envelope may have been placed by the Applicant or the carrier, shall be addressed and delivered as required by these Instructions and shall be clearly and conspicuously labeled with the Applicant's name and address and the words "**PREQUALIFICATION QUESTIONNAIRES SAN BERNARDINO COUNTY BEST VALUE JOB ORDER CONTRACTS HEALTHCARE GENERAL BUILDING (BHGBJOC1) B LICENSE PREQUALIFICATION**".

4.18 Supplemental Information. Without limitation to the County's rights under Section 4.23, below, unless requested by the County in a Prequalification Addendum or otherwise required by these Instructions, an Applicant shall not have the right to submit new or additional information to supplement its Prequalification Submittal after the deadline in the Prequalification Schedule for receipt of Prequalification Submittals.

4.19 Withdrawal, Resubmission. Prequalification Submittals may be withdrawn upon written notice to the County that is received by County at the place for receipt of Prequalification Submittals. Prequalification Submittals withdrawn prior to the deadline for receipt thereof set forth in the Prequalification Schedule may be resubmitted up to the deadline for receipt of Prequalification Submittals set forth in the Prequalification Schedule.

4.20 Rejection, Cancellation, Revocation. Without limitation to any of the County's other rights under the Prequalification Documents or applicable laws, the County reserves the right, exercised in its sole and absolute discretion, to at any time: (1) reject any Prequalification Submittal that fails to comply with the requirements of the Prequalification Documents or that contains any information that the County determines is false or misleading; (2) reject all Prequalification Submittals; (3) withdraw and cancel its Request for Prequalification of Contractors Seeking to Bid on Contracts for Best Value Job Order Contracts for Healthcare General Building (BHGBJOC1); (4) cancel, revoke, or limit the prequalification status or rating of any Prequalified Bidder based on subsequently-learned information indicating that the Prequalified Bidder's Prequalification Submittal contained false or misleading information; (5) cancel, revoke, or limit the prequalification status or rating of any Prequalified Bidder based on receipt of new information that the Prequalified Bidder is obligated to disclose in accordance with its continuing obligations under Section 4.21 below; or (6) cancel or revoke the prequalification status of all Prequalified Bidders for any reason, without cause and for its convenience (with or without the issuance of a further Request for Prequalification of Prospective Bidders). Exercise by County of its rights under this Section, or of any other right of County under these Instructions or applicable laws to cancel, revoke, or limit the prequalification status or rating of any Prequalified Bidder shall not, under any circumstance, give rise to any liability or obligation on the part of the County nor shall it constitute grounds for any claim by an Applicant or Prequalified Bidder for recovery from the County of any loss, damage, cost, or expense.

4.21 New Information by Applicant. Applicant has the continuing obligation, commencing upon submission of its Prequalification Submittal and continuing until termination of any Award of a Construction Contract, to immediately notify the County, in writing, if it learns that any of the following have occurred: (1) any statement made in its Prequalification Submittal was false or misleading when made; (2) circumstances have occurred since the Applicant submitted its Prequalification Submittal that, if they had occurred prior to the date that Applicant submitted its Prequalification Submittal, would have constituted grounds for the automatic disqualification of the Applicant under the terms of Prequalification Questionnaire; provided, however, that the obligation set forth in Clause (2) of this Section 4.21 shall not extend to or include the providing of information that would involve a recalculation of the Applicant's Experience Modifier Rate; (3) there has been a change in or addition to the Applicant Constituent Members; or (4) the Applicant has undergone a change in ownership in which ownership of fifty percent (50%) or more of its stock or assets has changed. Additional information provided by Applicant shall be submitted under oath using the form of verification provided as part the Prequalification Documents.

4.22 Certification for Bidding. A Prequalified Bidder may be required by County, as a condition of submitting a Bid in the future as a result of this Prequalification, to prepare and file a certification affirming under oath that it has no new information to disclose that would constitute new information of the type that it has a continuing obligation to disclose pursuant to Section 4.21, above.

4.23 Waiver of Irregularities. County reserves the right to waive minor or clerical irregularities, errors, or omissions in the prequalification process, in the information contained in any Prequalification Submittal or in regard to any Applicant's compliance with the prequalification process. The County's determinations with respect to waiving or not waiving any such irregularities, errors, or omissions shall, in the exercise of its sole and absolute discretion, be final, and binding upon Applicant.

4.24 Not Public Records. Except as otherwise provided by applicable laws, a Prequalification Submittal (including, but not limited to, any included financial information) is not a public record and is not open to public inspection. However, contents of a Prequalification Submittal may be disclosed to third parties for the purpose of verifying information or in the process of an appeal or determination of a protest. If applicable law provides that the names of contractors applying for prequalification status are public records subject to disclosure, and if applicable law does not otherwise require, only the first page of the Prequalification Questionnaire will be disclosed.

4.25 Applicable Laws. All Prequalification Submittals must be submitted, filed, made, and executed in accordance with applicable laws, whether or not such applicable laws are expressly referred to in or conflict with the requirements of the Prequalification Documents.

4.26 Costs and Expenses. Applicants shall bear, at their own expense and without reimbursement by the County, all costs, and expenses associated with their participation in the prequalification process or in connection with the preparation or submission of Bids for the Project.

4.27 Receipt of Notices. Notices by the County to an Applicant that are issued after the deadline in the Prequalification Schedule for submission of Prequalification Submittals shall be deemed delivered and received by the Applicant if provided by delivery, mail or e-mail to the Applicant at the address provided by the Applicant at the Prequalification Conference, in its Prequalification Submittal, or at the Applicant's last known address. It is the obligation of the Applicant to verify issuance of Notice by the County of a Prequalification addenda by checking the County's website. Failure of an Applicant to receive a Prequalification Addendum shall not entitle the Applicant to an extension of the Prequalification Schedule nor shall it permit the submission of any additional prequalification information after the deadline for receipt of the Prequalification Submittal set forth in the Prequalification Schedule.

4.28 Notice of Prequalification. The County will issue a notice ("Notice of Prequalification") to Applicants who have successfully prequalified. Formal issuance of a Notice of Prequalification is for the convenience of the Applicants and is not a condition to the validity of the County's determination that an Applicant is or is not prequalified.

4.29 Non-Transferable. Neither an Applicant's Prequalification Submittal nor a Prequalified Bidder's prequalification status is assignable or transferable. Any attempt to assign or transfer in violation of this provision shall be null and void.

4.30 Subsequent Responsibility Determination. A determination that an Applicant is prequalified does not constitute a waiver by the County of its right to make a subsequent determination that a Prequalified Bidder, or any Subcontractor to a Prequalified Bidder, is not a responsible bidder as defined in Public Contract Code Section 1103 to submit a Bid for Award of a Best Value JOC contract.

4.31 Debriefing. At the County's option, exercised in its sole and absolute discretion after the issuance of the Notice of Prequalification, the County may make available for those requesting it an opportunity for a debriefing. Debriefings, if conducted, will be conducted in accordance with the Prequalification Schedule. At the prequalification debriefings, summaries of the overall evaluation of an Applicant's Prequalification Submittal will be reviewed. Copies of Prequalification Submittals or scoring of individual questions will not be provided nor will there

be point-by-point comparisons of competing Prequalification Submittals.

ARTICLE 5 APPEALS AND PROTESTS

5.1 Appeals.

5.1.1 Appeal of Prequalification Determination. Any Applicant may dispute the County's determination denying prequalification status to the Applicant by filing an appeal provided that each and all of the following are complied with:

- A. The appeal shall be in writing and include a request for hearing of the appeal.
- B. The appeal shall be based on a dispute relating to the prequalification rating of the Applicant filing the appeal; appeals are not permitted if the reason for disqualification is the failure by Applicant to submit a complete Prequalification Submittal.
- C. The appeal shall be filed with and received by the County at the following address: San Bernardino County, Purchasing Department, Attn: Araceli Gutierrez, 777 E. Rialto Avenue, San Bernardino, CA 92415- 0760, not more than ten (10) calendar days following the date of issuance of the County's Notice of Prequalification. Failure to timely file an appeal shall constitute grounds for the County to deny the appeal without further consideration of the grounds stated therein and shall constitute a waiver by Applicant of any and all rights to challenge the prequalification decision of the County, whether by administrative process, judicial process or any other legal process or proceeding.

5.1.2 Notification of Grounds. If the Applicant's written notice of appeal requests that County give a written explanation of the basis for disqualification, then County shall provide the Applicant with a written statement of the basis for Applicant's disqualification and any supporting evidence that has been received from others or adduced as a result of an investigation by the County.

5.1.3 Hearing. An Applicant that has properly filed an appeal in accordance with the requirements of Paragraph 5.1.1, above, shall be given notice and opportunity to appear before a panel ("Appeal Panel"), consisting of individuals appointed by the Purchasing Department, to rebut any evidence used as a basis for disqualification and to present evidence as to why the Applicant should be prequalified. Hearing before the Appeal Panel shall be an informal process. If the Applicant chooses not to avail itself of this process, then the County's determination that the Applicant is not prequalified may be adopted by the County without further proceedings.

5.1.4 Final Decision. The Appeal Panel shall provide a written decision to the Purchasing Agent to review and notify the Applicant filing the appeal, either granting or denying the appeal. The written decision of the Appeal Panel on an appeal shall be final, unless overturned by the Board of Supervisors.

5.2 Protests. Any protest with respect to the conduct of the prequalification process, not involving an appeal by an Applicant pursuant to Section 5.1, above, of a determination that such Applicant is not prequalified, must be filed in writing within ten (10) calendar days following the date of issuance of the County's Notice of Prequalification. Such protest can only be brought on the following grounds:

- A. Failure of San Bernardino County to follow the selection procedures and adhere to requirements specified in the RFQ or any addenda or amendments.
- B. There has been a violation of conflict of interest as provided by California Government Code Section 87100 et seq.
- C. A violation of State or Federal law.

Notice of protest must be sent to:

**Pete Mendoza, Director
SAN BERNARDINO COUNTY
Purchasing Department
777 E. Rialto Avenue
San Bernardino, CA 92415**

Such protest shall state the grounds for the protest and any evidence and legal authority for such protest. Without limitation to the provisions of Section 1.16, above, failure to do so shall result in Applicant waiving all rights and grounds for protest of the County's execution, handling, or implementation of the prequalification process. Determination by County of protests that are properly and timely noticed in accordance with this Section 5.2 shall be made by County based on the information submitted as part of the protest and without the necessity of a hearing.

5.3 Bid Closing. The date for submission of Bids for a Contract subject to this Prequalification shall not be delayed or postponed to allow for completion of the processing of an appeal or protest.
