**Briefly describe the general nature of the contract:**

In accordance with Master Agreement No. 08-5954F15 approval of Program Supplement Agreement No. F138 is required prior to County invoicing Caltrans for reimbursement of costs associated with the emergency opening and restoration of Goffs Road. The restoration work was completed following the July 2018 storm event in the Essex area. The County's Department of Public Works will receive \$145,598 in federal Emergency Relief program funds to reimburse the cost of the Project's restoration work (\$145,598).

The program supplement sets out special covenants as a condition for the local agency to receive federal-aid through the State for a designated project. The program supplement also identifies the type of funds available for reimbursement.
