## B. CONTRACTOR SERVICE REQUIREMENTS

Contractor shall:

1. Supply a minimum of 842 Apple iPhones, iPads and/or hotspots with accessories and unlimited two (2) year data service plans, per Fee Schedule (Attachment A) attached hereto and incorporated by reference into this contract. No warranty will be given for each device.
2. Accept orders for Apple mobile devices throughout the contract period and in quantities no less than any combination of approximately 100 devices.
3. Contractor will allow advanced payment from the County for the two (2) year data service plans for each device purchased.
4. All equipment will be shipped to DAAS-PG with activation and service suspended for forty-five (45) days. Once service is activated, Contractor will invoice for the equipment, and the two (2) year data service plan.

## C. TERMS AND CONDITIONS

Providing goods and/or services pursuant to this Contract reflects Contractor's acknowledgment of, and agreement to be bound by, the following Terms and Conditions:

1. **Invoices:** Contractor shall invoice each purchase order separately.
2. **Payments:** Payments shall be made, within 60 days after County's receipt of itemized invoices of the prices stipulated, for supplies delivered and accepted or services rendered and accepted, less deductions, if any, as herein provided. Payment on partial deliveries may be made when authorized by the Purchasing Agent.

Note: To expedite payment of the invoice, mail or email the invoice to the "Bill To" address shown on the purchase order promptly and include the purchase order number on the invoice. If for any reason, an over-payment is made, we require prompt refund via your properly referenced check, in order that we can expedite clearing of the overpayment through our accounting system.

3. **Deficit Reduction Act of 2005, Section 6032 Implementation:** As a condition of payment for services, goods, supplies and merchandise provided to beneficiaries in the Medical Assistance Program (Medi-Cal"), providers must comply with the False Claims Act Employee Training and

Policy Requirements in 1902 (A) of the Social Security Act (42 USC 1396 (A) (68)), set forth in that subsection and as the Federal Secretary of Health and Human Services may specify.

4. **Inspection:** All materials and workmanship are subject to inspection and test by the County for compliance with specifications as included herein. In the event articles or services are defective or not in conformity with this contract, the County shall have the right either to reject the items or require correction. Defective articles or services shall be removed from the County premises and/or corrected by and at the expense of the Contractor. Failure to inspect and accept or reject shall not relieve the Contractor of responsibility for compliance with specifications. Final acceptance shall be conclusive except as to latent defects, fraud, or such gross mistakes as amount to fraud.
5. **Responsibility:** Unless otherwise specified, the Contractor shall be responsible for all items covered by this contract until delivered to the designated delivery point, and the Contractor shall bear all risks as to items rejected or requiring correction after notice of such rejection or correction is given.
6. **Changes:** This contract may, at any time, by mutually agreed written amendment, be changed as to the materials or services to be furnished, quantities ordered, unit price, discount, delivery point or arrangements, terms, or any other matters affecting this contract. In the event such change causes an increase or decrease in cost of performance hereunder, an equitable adjustment will be made for the cost, subject to the written approval of the Purchasing Agent. No change or other modification to this contract, by invoice, shipping documents or other communication, shall be binding upon the County unless accepted in writing.
7. **Variations-Quantities:** No variation in the quality or quantity of any item called for by this contract shall be acceptable except pursuant to mutually agreed written change order so authorizing, and no change in cost shall be valid unless so ordered.
8. **Termination:** This contract may be terminated in whole or in part at the end or during any fiscal year by 30 days advance written notice to Contractor for any reason including insufficient funding. Such termination shall be effective in the quantity, manner, and time specified in such notice and the County shall be liable at the stipulated price for only such materials and/or services as have been delivered, and/or rendered and accepted. The County shall not be liable for any excess costs arising out of such termination, and failure of the Contractor to cease delivery and/or work upon receipt of termination notice shall not occasion a claim for extra costs.
9. **Liability:** The County shall not be responsible for any damages that may be claimed by reason of death or injury of the person of the Contractor's officers, agents, employees, invitees, or licensees, or for damage to any property of the Contractor or that may arise or result at any time because of personal injury or damage to property sustained by any other person or persons, to the extent caused or contributed to, proximately, by reason of, or in the course of Contractor's acts or omissions in carrying out this contract. The Contractor shall assume full responsibility for the result of any such claim arising under this contract, and the Contractor shall indemnify, defend, and hold harmless the County, all officers, and employees thereof, from all damages, costs, or expenses, in law or in equity, because of personal injury, property damage, to the extent based on the Contractor's negligence or intentional misconduct in connection with its performance of this contract.
10. **Compliance:** The articles covered by this contract must conform to safety orders of OSHA, CALOSHA, and/or NIOSHA and applicable Safety Data Sheets.
11. **Electronic Funds Transfers:** Contractor shall accept all payments from the County via electronic funds transfer (EFT) directly deposited into the Contractor's designated checking or other bank account. Contractor shall promptly comply with directions and accurately complete forms provided by the County required to process EFT payments.
12. **Reserved.**

13. **Indemnity:** The Contractor agrees to indemnify, defend and hold harmless the County, its officers, agents and employees from any and all third party claims, costs (including without limitation reasonable attorneys' fees), and losses due to the injury or death of any individual, or the loss or damage to any real or tangible personal property, to the extent resulting from the willful misconduct or negligent acts or omissions of the Contractor or any of its affiliates, agents, subcontractors, employees, suppliers, or laborers furnishing or supplying work, deliverables, Services, materials, or supplies in connection with the performance of this Contract. Such defense and payment will be conditional upon the following:
- a. The County will notify the Contractor of any such claim in writing and tender the defense thereof within a reasonable time (but no delay or failure to so notify the Contractor shall relieve it of its obligations under this Contract except to the extent that Contractor has suffered actual prejudice by such delay or failure); and
  - b. The Contractor will have sole control of the defense of any action on such claim and all negotiations for its settlement or compromise; provided that (i) when substantial principles of government or public law are involved, when litigation might create precedent affecting future County operations or liability, or when involvement of the County is otherwise mandated by law, the County may participate in such action at its own expense with respect to attorneys' fees and costs (but not liability); (ii) where a settlement would impose liability on the County, affect principles of California government or public law, or impact the authority of the State and Authorized Purchasing Entities, the County shall have the right to approve or disapprove any settlement or compromise, which approval will not unreasonably be withheld or delayed; and (iii) the County will reasonably cooperate in the defense and in any related settlement negotiations.
14. **Insurance:** County self-insures goods upon title of goods being transferred to County. Prior to commencement of work, Certificates of Insurance shall be delivered and approved by the County Department to which products or services are being provided. Commencement of work prior to delivery and approval of Certificates of Insurance shall not act as a waiver of the Terms and Conditions attached hereto and may be treated as a material breach of this agreement. Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement, or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

- a. Workers' Compensation/Employer's Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons providing services on behalf of the Contractor and all risks to such persons under this contract.

If Contractor has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

- b. Commercial/General Liability Insurance – The Contractor shall carry General Liability Insurance covering all operations performed by or on behalf of the Contractor providing

coverage for bodily injury and property damage with a limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:

- 1) Premises operations and mobile equipment.
- 2) Products and completed operations.
- 3) Broad form property damage (including completed operations).
- 4) Explosion, collapse and underground hazards.
- 5) Personal injury.
- 6) Contractual liability.
- 7) \$2,000,000 general aggregate limit.

15. **Reserved.**

16. **Compliance with Laws:** Contractor shall fully comply with all applicable provisions of federal, state, and local laws, rules and regulations, and Contractor agrees to hold the County, its agents, officers, and employees harmless from any and all liability, costs, including, but not limited to attorney's fees and damages resulting from failure of compliance.

17. **Nondiscrimination:** By acceptance of this contract, Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally by it without regard to or because of race, religion, ancestry, national origin, disability, or sex and in compliance with all anti-discrimination laws of the United States and the State of California. Contractor further certifies and agrees that it will deal with its subcontractors, bidders, or Contractors without regard to or because of race, religion, ancestry, national origin, disability, or sex. If the County finds that the above provisions have been violated, the same shall constitute a material breach of contract and the County through the Purchasing Agent may determine to cancel, terminate, or suspend the contract.

18. **Governing Law and Venue:** This contract shall be governed by and construed in accordance with the laws of the State of California. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this contract, and further agrees and consents that venue for any action shall be exclusively in the County of San Bernardino, California.

19. **Assignment and Delegation: Contractor** shall not assign its rights or delegate its duties under this contract without County's prior written authorization and any assignment without such authorization shall be null and void and shall constitute a material breach of this contract. For clarification purposes, this provision is not intended to restrict or otherwise modify Contractor's right to utilize subcontractors (in T-Mobile's sole good faith discretion) in the normal course of providing its products and services to customers generally.

20. **Reserved.**

21. **Covenant Against Gratuities:** The offering of gifts, excluding token gifts of a promotional or advertising nature, or gratuities by the Contractor or any agent or representative of the Contractor is strictly prohibited. The Contractor warrants that no gratuities (in the form of entertainment, gifts or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor, to any officer or employee of the County with a view toward securing this contract or favorable treatment with respect to any determination concerning this.

22. **Executive Order N-6-22 Russian Sanctions** – On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>), as well as any sanctions imposed under state law (<https://www.dgs.ca.gov/OLS/Ukraine-Russia>). The EO directs state agencies and their contractors (including by agreement or receipt of a grant) to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of

Economic Sanctions. Accordingly, should it be determined that Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. Contractor shall be provided advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the County.

**D. TERM OF CONTRACT**

1. This Contract is effective as of April 1, 2024, and expires September 30, 2024, but may be terminated earlier in accordance with provisions of this Contract.
2. Contractor shall only be reimbursed for costs and uncancelable obligations incurred prior to the date of termination. Contractor shall not be reimbursed for costs incurred after the date of termination.
3. Upon receipt of termination notice Contractor shall promptly discontinue services unless the notice directs otherwise. Contractor shall deliver promptly to County and transfer title (if necessary) all completed work, and work in progress, including drafts, documents, plans, forms, data, products, graphics, computer programs and reports.

**E. COUNTY RESPONSIBILITIES**

County shall:

1. Develop and maintain professional relationships and open communication with Contractor.
2. Monitor and evaluate Contractor performance on an ongoing basis and schedule periodic meetings with Contractor to discuss performance, problem areas, procedures, and recommend changes.
3. Compensate Contractor per the provisions outlined in the Fiscal Provisions section of this Contract.
4. Negotiate modifications or revisions of service to assure that all necessary service/program requirements are covered.
5. Negotiate equipment order schedule with Contractor based on evolving program interest.

The consideration to be paid to Contractor, as provided herein, shall be in full payment for all Contractor's services and expenses incurred in the performance hereof, including travel and per diem.
2. Invoices shall be issued with a net sixty (60) day payment term.
3. Contractor shall accept all payments from County via electronic funds transfer (EFT) directly deposited into the Contractor's designated checking or other bank account. Contractor shall promptly comply with directions and accurately complete forms provided by County required to process EFT payments.
4. County is exempt from federal excise taxes and no payment shall be made for any personal property taxes levied on Contractor or on any taxes levied on employee wages. The County shall only pay for any state or local sales or use taxes on the services rendered or equipment and/or parts supplied to the County pursuant to the Contract.
5. Costs for services under the terms of this Contract shall be incurred during the contract period except as approved by County. Contractor shall not use current year funds to pay prior or future year obligations.
6. Funds made available under this Contract shall not supplant any federal, state or any governmental funds intended for services of the same nature as this Contract. Contractor shall not claim reimbursement or payment from County for, or apply sums received from County with

respect to that portion of its obligations that have been paid by another source of revenue. Contractor agrees that it will not use funds received pursuant to this Contract, either directly or indirectly, as a contribution or compensation for purposes of obtaining funds from another revenue source without prior written approval of the County.
