**Briefly describe the general nature of the contract:**

Several County departments are developing application software to assist in providing County services based on the department's mission. There are various distribution outlets, including Apple's App Store.

This Agreement is required by Apple to publicly distribute application software via Apple's App Store. This Agreement can only be accepted electronically via an Apple Developer Program Account which requires delegated authority to the Chief Information Officer to accept on behalf of the County. An Apple Developer Program Account in the CIO's name will also allow County departments to distribute application software through Apple's App Store for free download utilizing the Apple Developer Program Account.

**FOR COUNTY USE ONLY**
