SUBJECT: NOTIFICATION OF SUBRECIPIENT APPLICATION APPROVAL
FY 2024 Homeland Security Grant Program (HSGP)
Subaward #: 2024-0088, Cal OES ID: 071-00000

Dear Crisanta Gonzalez:

The California Governor's Office of Emergency Services (Cal OES) has approved your FY 2024 Homeland Security Grant Program (HSGP) application in the amount of \$1,913,858. As of the date of this letter, you may request reimbursement of eligible grant expenditures using the Cal OES Financial Management Forms Workbook (FMFW) available at www.caloes.ca.gov. A copy of your approved subaward is enclosed for your records.

Any activities requiring additional review (e.g., Environmental Planning and Historic Preservation, Allowability Requests, procurement of Aviation or Controlled Equipment, etc.) shall not incur costs until you receive written approval for those activities.

This subaward is subject to all provisions of 2 CFR Part 200, Subpart F - Audit Requirements. Any funds received in excess of current needs, approved amounts, or those found owed as a result of a final review or audit, must be refunded to the State within 30 days upon receipt of an invoice from Cal OES.

For additional information, please contact your Cal OES Program Representative.

				Montclair PD will use P24 HSGP funds to purchase portable radios, two-way radios, batteries and radio control heads within the performance period to enhance communications during critical incidents throughout their respective jurisdictions to enhance communications capabilities. The radios and accessories will increase situational awareness for first responders to make vital, life-saving decisions and increase police response during terror, active shooter, and other emergencies. This project is claimed as LERP, as it addresses the core capability of Operational Communications within the National Prevention Framework to benefit law enforcement personnel.(SCP FUND # 11)														
U04	Good #5	Subword	007	Low - Community Trauma Kits	SHSP	LE	Equipment	Community Resilience	Build	Both	No	49,271				49,271		
				Rancho Cucamonga PD will use P24 HSGP funds to purchase stop the bleed trauma kits within the performance period to hand out of city and schools to enhance community preparedness during terror attacks and active shooter incidents. The kits will allow school and public safety personnel to provide immediate medical care for responder strikes on scenes, including tourniquets and active shooter training provided by the police department. This project is claimed as LERP as it addresses the core capability of Community Resilience within the National Prevention Framework. FUND # 11														
U09	Good #6	Subword	008	Low - First Responder Kits	SHSP	LE	Equipment	Public Health, Healthcare, and Emergency Medical Services	Build	Both	No	9,360				9,360		
				Updated PD will use P24 HSGP funds to purchase first responder kits within the performance period to enhance response capabilities during critical incidents, active shooter events and terror attacks throughout the city. PD will use the kits to provide critical life-saving care prior to medical personnel arrival on scene, including conducting triage during emergencies. The project is claimed as LERP as it addresses the core capability of Public Health, Healthcare, and Emergency Medical Services within the National Prevention Framework to benefit the public health and safety. FUND # 11														
U09	Good #6	Subword	009	Low - Gas Masks and Filters	SHSP	LE	Equipment	Environmental Response / Health and Safety	Build	Deployable	No	19,472				19,472		
				Updated PD will use P24 HSGP funds to purchase gas masks and filters within the performance period to enhance low response capabilities during critical incidents, including bio-terror events throughout the city. Gas masks and filters will allow first responders to enter contaminated areas without putting low enforcement or first responders at risk. The project is claimed as LERP as it addresses the core capability of Environmental Response, Health and Safety within the National Prevention Framework to benefit low enforcement personnel. FUND # 11														
U06	Good #4	Subword	010	Town - ESC Computers	SHSP	EMG	Equipment	Operational Coordination	Build	Deployable	No	16,646				16,646		
				EMERGENCY COMMUNICATIONS: The Town of Yuca Valley will use P24 HSGP funds to purchase computers within the performance period for the primary and secondary Emergency Operations Center to enhance emergency communications capabilities during critical terror-related incidents and other emergencies. The new computers will ensure that the town has updated equipment to accurately respond to emergency events. SCP Fund # 7														
U08	Good #1	Subword	012	Low - Intelligence Group Monitoring and Analysis	SHSP	IE	Equipment	Intelligence and Information Sharing	Build	Shareable	No	49,340				49,340		
				San Bernardino County Sheriff will use P24 HSGP funds to purchase intelligence group monitoring and analysis services within the performance period to monitor on-site terror and external activity to provide low enforcement agencies actionable intelligence related to terrorist threats. The system will allow low enforcement personnel to access terror and external groups for potential attacks to reduce perceived threats proactively. This project is claimed as LERP as it addresses the core capability of Intelligence and Information Sharing within the National Prevention Framework. (SCP Fund # 7)

11	010	010	010																
1105	Good #1	Subward	013	County Sheriff - Crime System Software and Management	The San Bernardino County Sheriff Department will use F724 HSGP funds to sustain system software and configuration services for a countywide regional data exchange project used for consolidating usable data in domestic violent extremist incident prevention (Domestic Violence Incident Prevention) system. The system allows the consolidation of data pertaining to domestic terrorist investigations/activities throughout the region for terrorist prevention. Where communication starting regarding potential domestic terrorist activities is a weakness, the system will be used to improve communication and coordination with other participating agencies, including the DOJ and sources in bordering states, to reduce threats within Western regions. Providing these services to participating agencies reduces costs for those agencies who may otherwise not have funds for such a system. Matching funds granted to the County for a shared project strengthens coordination with similar agencies within the region and with remote agencies who would otherwise not have the financial ability to better guard themselves against possible terrorist threats. This is an ongoing project where years of data has been collected. As more information is collected, a broad picture of potential threats to the region is more identifiable.	SHIP	LE	Equipment	Intelligence and Information Sharing	Build	Nondeployable	F722: U #6	No	404,091		404,091		404,091	
1101	Good #1	Subward	014	County Sheriff - Terrorism Liaison Officer Coordinator	SB County Sheriff will use F724 HSGP funds for a Terrorism Liaison Officer Coordinator to develop plans, perform community outreach, facilitate with training & development of TLO. Focusing on awareness, training, suspicious activity and fire communication/reporting of identifying such activities for other jurisdictions and large venue organizations for the County regional project. This project can be claimed as LE74 as it addresses the core capability of intelligence and information sharing within the National Prevention Framework.
