A. DEFINITIONS

- A.1 Administrative Entity:** A unit of general-purpose local government (city, county or a city that is also a county) or a nonprofit organization that has (1) previously administered federal Department of Housing and Urban Development (HUD) Continuum of Care (CoC) funds as the collaborative applicant pursuant to Section 578.3 of Title 24 of the Code of Federal Regulations, and (2) been designated by the CoC to administer program funds.
- A.2 Bridge Housing:** Temporary housing resources offered while working with clients with Permanent Supportive Housing as the final goal. Case managers, housing locators and employment specialists work with each family to access their unique needs and create a customized plan for achieving long-term stability and independence. Once in permanent housing, families build on their success with aftercare support from program staff and a network of community partners.
- A.3 Case Management:** The coordination of community-based services by a professional team to provide people the quality health care that is customized accordingly to an individual's setbacks or persistent challenges and aid them to their recovery. In addition, it can be defined as a collaborative process that assesses, plans, implements, coordinates, monitors, and evaluates the options and services required to meet the client's health and human service needs.
- A.4 Continuum of Care (CoC):** A group of representatives of organizations, including nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within a geographic area to promote community wide commitment to the goal of ending homelessness; rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness.
- A.5 Continuum of Care (CoC) Housing Providers:** A network of Community Based Organizations partnered with the COUNTY to provide services to homeless individuals and families.
- A.6 Coordinated Entry System (CES):** The CES is used to identify, assess and prioritize homeless individuals and families for housing and services based on vulnerability and severity of need. Services tracked include: emergency, transitional, and permanent housing bed usage, employment, veteran's status, as well as referrals to health and human service providers, or other relevant supportive service agencies. As required by the U.S. Department of Housing and Urban Development, the Continuum of Care utilizes the captured

information to make informed decisions in planning, homeless advocacy, and policy development that result in targeted services. HMIS also includes the use of a comparable database by a victim services provider or legal services provider that is permitted under Part 576 of Title 24 of the Code of Federal Regulations.

- 6) Repay the COUNTY any funds in its possession at the time of the termination of this Contract that may be due to the COUNTY; e.g. ineligible costs, unexpended funds, etc.

B.3.5 Funding

- a. This Contract is valid and enforceable only if sufficient funds are made available to COUNTY by legislative appropriation. In addition, this Contract is subject to any additional restrictions, limitations or conditions, or statutes, regulations or any other laws, whether Federal or those of the State, or of any agency, department, or any

- l. CONTRACTOR confirms that rental assistance will be issued directly to a property owner or an agent authorized to act on behalf of a property owner.
- m. Joint Funding – For all programs and services for which there are sources of funds in addition to COUNTY funds as provided under this Contract, CONTRACTOR shall provide proof of such funding. Contractor must be able to account for the receipt, obligation and expenditure of funds.

The COUNTY shall NOT pay for any services provided by CONTRACTOR which are funded by other sources. All restrictions and/or requirements provided in this Contract relative to accounting, budgeting, and reporting apply to the total program regardless of funding sources.
- n. The COUNTY reserves the right to reduce the Contract award when the COUNTY's fiscal monitoring indicates that CONTRACTOR's rate of expenditure will result in unspent funds at the end of the Contract term or if it is determined that costs incurred are not in conformance with eligible costs as defined in Health and Safety Code Section 50220.5(d). Changes in the Contract award will be done after consultation with CONTRACTOR. Such changes shall be incorporated into this Contract by written amendment(s).
- o. CONTRACTOR may not use HHAP-2 grant funding to supplant existing local funds for homeless housing, assistance, or prevention, and funds must be expended in compliance with Housing First requirements per Health and Safety Code Section 50220.5(g).

- b. CONTRACTOR agrees to furnish duly authorized representatives from the COUNTY and the State access to all financial records necessary to review or audit Contract services and to evaluate the cost, quality, and appropriateness of services.
- c. If the State or the COUNTY determines that all, or any part of, the payments made by the COUNTY to CONTRACTOR pursuant hereto are not eligible expenses in accordance with this Contract, said funds will be repaid by CONTRACTOR to the COUNTY. In the event such payment is not made on demand, the COUNTY may withhold future disbursements to CONTRACTOR until such disallowances are paid by CONTRACTOR. If disallowable expenses are not reimbursed within thirty (30) days of demand, the Contract will terminate without consultation at the COUNTY's sole and absolute discretion.
- d. If there is a conflict between a State audit of this Contract and a COUNTY audit of this Contract, the State audit shall take precedence.

- F.9** CONTRACTOR shall adhere to the COUNTY's Travel Management Policy (8-02 and 08-02SP1) when travel is pursuant to this Contract and for which reimbursement is sought from the COUNTY. In addition, CONTRACTOR is encouraged to utilize local transportation services, including but not limited to, the Ontario International Airport.

G. INDEMNIFICATION AND INSURANCE REQUIREMENTS

G.1 Indemnification

The CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless the COUNTY and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages and/or liability arising out of Contractor's acts or omissions or performance under this Contract and for any costs or expenses incurred by the COUNTY on account of any such claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnities. The CONTRACTOR indemnification obligation applies to the COUNTY's "active" as well as "passive" negligence but does not apply to the COUNTY's "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.

G.2 Additional Insured

All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the COUNTY and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the COUNTY to vicarious liability but shall allow coverage for the COUNTY to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

G.3 Waiver of Subrogation Rights

The CONTRACTOR shall require the carriers of required coverages to waive all rights of subrogation against the COUNTY, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the CONTRACTOR and CONTRACTOR's employees or agents from waiving the right of subrogation

prior to a loss or claim. The CONTRACTOR hereby waives all rights of subrogation against the COUNTY.

G.4 Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the COUNTY.

G.5 Severability of Interests

The CONTRACTOR agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the CONTRACTOR and the COUNTY or between the COUNTY and any other insured or additional insured under the policy.

G.6 Proof of Coverage

The CONTRACTOR shall furnish Certificates of Insurance to the COUNTY Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and CONTRACTOR shall maintain such insurance from the time CONTRACTOR commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Contract, the CONTRACTOR shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

G.8 Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

G.9 Failure to Procure Coverage

In the event that any policy of insurance required under this Contract does not comply with the requirements, is not procured, or is canceled and not replaced, the COUNTY has the right but not the obligation or duty to cancel the Contract or obtain insurance if it deems necessary and any premiums paid by the COUNTY will be promptly reimbursed by the CONTRACTOR or COUNTY payments to the CONTRACTOR will be reduced to pay for COUNTY purchased insurance.

G.10 Insurance Review

Insurance requirements are subject to periodic review by the COUNTY. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the COUNTY. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the COUNTY, inflation, or any other item reasonably related to the COUNTY's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the COUNTY.

G.11 Insurance Specifications

WELFARE AND INSTITUTIONS CODE
Section 8255

8255. For purposes of this chapter:

(a) "Coordinating council" means the Homeless Coordinating and Financing Council established pursuant to Section 8257.

(b) "Core components of Housing First" means all of the following:

- (1) Tenant screening and selection practices that promote accepting applicants regardless of their sobriety or use of substances, completion of treatment, or participation in services.
- (2) Applicants are not rejected on the basis of poor credit or financial history, poor or lack of rental history, criminal convictions unrelated to tenancy, or behaviors that indicate a lack of "housing readiness."
- (3) Acceptance of referrals directly from shelters, street outreach, drop-in centers, and other parts of crisis response systems frequented by vulnerable people experiencing homelessness.
- (4) Supportive services that emphasize engagement and problem solving over therapeutic goals and service plans that are highly tenant-driven without predetermined goals.
- (5) Participation in services or program compliance is not a condition of permanent housing tenancy.
- (6) Tenants have a lease and all the rights and responsibilities of tenancy, as outlined in California's Civil, Health and Safety, and Government codes.
- (7) The use of alcohol or drugs in and of itself, without other lease violations, is not a reason for eviction.
- (8) In communities with coordinated assessment and entry systems, incentives for funding promote tenant selection plans for supportive housing that prioritize eligible tenants based on criteria other than "first-come-first-serve," including, but not limited to, the duration or chronicity of homelessness, vulnerability to early mortality, or high utilization of crisis services. Prioritization may include triage tools, developed through local data, to identify high-cost, high-need homeless residents.
- (9) Case managers and service coordinators who are trained in and actively employ evidence-based practices for client engagement, including, but not limited to, motivational interviewing and client-centered counseling.
- (10) Services are informed by a harm-reduction philosophy that recognizes drug and alcohol use and addiction as a part of tenants' lives, where tenants are engaged in nonjudgmental communication regarding drug and alcohol use, and where tenants are offered education regarding how to avoid risky behaviors and engage in safer practices, as well as connected to evidence-based treatment if the tenant so chooses.
- (11) The project and specific apartment may include special physical features that accommodate disabilities, reduce harm, and promote health and community and independence among tenants.

(c) "Homeless" has the same definition as that term is defined in Section 91.5 of Title 24 of the Code of Federal Regulations.

(d) (1) "Housing First" means the evidence-based model that uses housing as a tool, rather than a reward, for recovery and that centers on providing or connecting homeless people to permanent housing as quickly as possible. Housing First providers offer services as needed and requested on a voluntary basis and that do not make housing contingent on participation in services.

(2) (A) "Housing First" includes time-limited rental or services assistance, so long as the housing and service provider assists the recipient in accessing permanent housing and in securing longer-term rental assistance, income assistance, or employment.

(B) For time-limited, supportive services programs serving homeless youth, programs should use a positive youth development model and be culturally competent to serve unaccompanied youth under 25 years of age. Providers should work with the youth to engage in family reunification efforts, where

appropriate and when in the best interest of the youth. In the event of an eviction, programs shall make every effort, which shall be documented, to link tenants to other stable, safe, decent housing options. Exit to homelessness should be extremely rare, and only after a tenant refuses assistance with housing search, location, and move-in assistance.

(e) "State programs" means any programs a California state agency or department funds, implements, or administers for the purpose of providing housing or housing-based services to people experiencing homelessness or at risk of homelessness, with the exception of Federally funded programs with requirements inconsistent with this chapter or programs that fund emergency shelters.
