16. Demographic Data

The Subrecipient must collect and maintain information on race, sex, national origin, age, and disability of victims receiving assistance, where such information is voluntarily furnished by the victim.

17. Performance Reports

The Subrecipient must submit quarterly performance reports on the performance metrics identified by OVC, and in the manner required by OVC. This information on the activities supported by the award funding will assist in assessing the effects that VOCA Victim Assistance funds have had on services to crime victims within the jurisdiction.

18. Access to Records

The Subrecipient must authorize the Office for Victims of Crime (OVC) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, paper, or documents related to the VOCA grant.

19. All Subawards ("Subgrants") must have specific federal authorization

The Subrecipient must comply with all applicable requirements for authorization of any Subaward. This condition applies to agreements that – for purposes of federal grants administrative requirements – OJP considers a "Subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any Subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All Subawards ("Subgrants") must have specific federal authorization), and are incorporated by reference here.

20. Unreasonable restrictions on competition under the award; association with federal government

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award regardless of the dollar

amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used.

a. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no Subrecipient may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

b. Monitoring

The Subrecipient's monitoring responsibilities include monitoring of compliance with this condition.

c. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

d. Rules of construction

1) The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor, grant Subrecipient or -Subrecipient, agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

- 2) Nothing in this condition shall be understood to authorize or require any Subrecipient or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

21. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated – in the application for the award (as approved by DOJ, the DOJ funding announcement (solicitation), or an associated federal statute – that a purpose of some or all of the activities to be carried out under the award is to benefit a set of individuals under 18 years of age.

The Subrecipient must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 42

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

23. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

24. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to

Subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to Subrecipients and Subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

25. Restrictions on "Lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the Subrecipient, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the Subrecipient to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, Subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient would or might fall within the scope of these prohibitions, the Subrecipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Subgrant Award Report (SAR)

The Subrecipient must submit a SAR to OVC for each Subrecipient of the VOCA victim-assistance funds, within ninety (90) days of awarding funds to the Subrecipient. Subrecipients must submit this information through the automated system.

27. Effect of Failure to Address Audit Issues

The Subrecipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the Subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other

outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

28. Additional DOJ Awarding Agency Requirements

The Subrecipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the Subrecipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

29. Hiring Documents

The Subrecipient must keep, maintain, and preserve all documentation (such as Form I-9s or equivalents) regarding the eligibility of employees hired using the funds.

All appropriate documentation must be maintained on file by the project and available for Cal OES or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Subrecipient may be ineligible for Subaward of any future grants if the Cal OES determines that any of the following has occurred: (1) the Subrecipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

CERTIFICATION

I, the official named below, am the same individual authorized to sign the Grant Subaward [Section 15 on Grant Subaward Face Sheet], and hereby swear that I am duly authorized legally to bind the contractor or grant Subrecipient to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of California.

Budget Narrative

The proposed budget provides funding in the amount of \$3,612,053 for a specialized Victim/Witness Assistance Unit with 49 full-time staff members. Two full-time Supervising Victim Advocates, committed at 100 percent of their time, paid for by the grant, will ensure that all staff members accomplish program objectives and conduct activities according to guidelines. One Victim Services Assistant Chief will facilitate programs designed to assist victims and oversee the Victim Witness Unit. Twenty (20) full-time Victim Advocate II's will provide direct services to victims. An additional Victim Advocate II will be assigned to the Mass Victimization Advocate (MVA) position. Twenty-two (22) full-time Victim Advocate I's will also provide direct services to victims. Three (3) Office Assistant III's will provide clerical support and direct support to victims. The Office Assistants will call victims, notify them of court dates, escort them to court, issue notification letters, provide intake services, attend meetings and enter statistics for themselves and the advocates.

Advocates are trained and experienced in working with victims and coordinating services, specializing in areas of major crimes, career criminal prosecution, gang and hate crimes, domestic violence, sexual assault, elder abuse and crimes against children. Advocates are qualified with the experience, skills and training to perform a variety of direct and indirect services for crime victims. Victim Advocate I's are expected to have education equivalent to an Associate's Degree in psychology, sociology, criminal justice, behavioral or social science, as well as one year's experience which includes face to face interviews, making referrals, maintaining case records, and determining eligibility for social services. In addition to the education and experience listed above, Victim Advocate II's are expected to have one year's experience providing advocacy services. Supervising Victim Advocates have the same educational guidelines as above but are expected to have three year's of experience providing a wide variety of victim advocate services, victim compensation claims or restitution services to

victims of crimes in a criminal justice organization, with lead work or supervisory experience highly desired.

Total salaries of \$2,366,097 are budgeted using 18VOCA and 19 VOCA funds including the MVA position. Total benefits of \$1,160,116 are budgeted as follows: \$100,505 from 18VOCA funds, \$103,376 from 19VOCA funds, \$292,280 from 20VWAO funds and \$663,955 from the District Attorney's general fund to cover the 18VOCA and 19VOCA match requirements. Staff members are dedicated to accomplishing the stated objectives and activities described in the project narrative and according to guidelines. All grant funds allocated to salaries and benefits are for the provision of direct services. For grant year 20-21 we are not claiming the full amount of benefits which equals \$1,196,063. For grant year 20-21 the District Attorney will be claiming benefits of \$1,160,116. The remaining benefit amount, not covered under the grant, will be paid for using the District Attorney's general funds.

Ongoing operating expenses will be paid from grant funds. All operating expenses are from 19VOCA. Courthouse dog expenses are budgeted at \$23,270 and pay for expenses for 3 dogs. Costs include: veterinarian care, pet insurance, dog food, grooming, and pet supplies. Three courthouse dog handlers and their dogs will attend the International Courthouse Dog Conference, which will be held in September 2021 for an estimated cost of \$6,765. Additional Training costs of \$20,000 will allow 10 Victim Advocates, 1 Assistant Victim Services Chief and 1 Supervising Victim Advocate to attend the NOVA Conference in the summer of 2021. NOVA is a recognized leader in victim advocacy, education and credentialing and provides excellent training to victim advocates and crisis responders. CTI Training is budgeted at \$3,300 and provides 22 hours of instruction to our Victim Advocates and includes suicide prevention; compassion fatigue, burnout, self-care, and wellness in the workplace. Vehicle maintenance is budgeted at \$4,000 per year to cover maintenance and fuel. Children's Network training is budgeted at \$2,500 to send 10 advocates to a local training. victims. Miscellaneous Emergency is budgeted at \$2,000 and is used for emergency relief to victims such as paying for lodging, clothing, utilities, meals, or transportation. \$2,005 is budgeted for one victim advocate to attend Lifer Parole hearings and support the victim during the process.

No subcontracts are needed; no unusual expenditures are anticipated. Mid-year salary adjustments are calculated in the budget costs.

Project Narrative

San Bernardino County is the largest county in the contiguous United States. Crime victims often live many miles from the nearest victim witness service center in dense sprawling urban communities, remote isolated desert areas, and insular mountain ranges hours from the nearest courthouse or victim services center. Field visits are conducted by the victim advocates where all mandatory and optional services, under California Penal Code 13835, are offered to victims who are unable to reach a victim services center due to lack of transportation, a medical condition, or limiting physical mobility. Funding will allow the Bureau of Victim Services to maintain and improve the services provided to victims.

The Bureau of Victim Services advocates working under the Victim/Witness Assistance program grant allocate 100% of their time to the Victim/Witness Assistance program. Victim advocates are highly qualified, well trained professionals that have met the mandatory, and completed optional advanced, educational requirements. They advise clients of their rights as victims under Marsy's Law and provide trauma informed services such as applying for assistance through the California Victim Compensation Board program, emergency relocation, temporary lodging, funeral/burial assistance and court accompaniment.

The primary program goal of the San Bernardino County District Attorney's Bureau of Victim Services is to provide mandatory services expeditiously to victims of all crime types to minimize the terrible impact of crime upon the

victim. Assistance includes crisis intervention and conducting field visits to aid victims living in remote areas who do not have the ability to reach a center. To accomplish our goal of providing comprehensive assistance to crime victims, advocate staff are assigned to all District Attorney offices, the Children's Assessment Center of San Bernardino, Arrowhead Regional Medical Center Emergency Room and the San Bernardino County Sheriff's Department Headquarters. The victim advocates are assigned to general prosecution felony and misdemeanor units as well as specialized prosecutorial units that are primarily focused on crimes related to human trafficking, gangs, elder abuse, family violence, crimes against children, cold case, parole unit, and major crimes units.

The District Attorney's Information Technology Department developed and maintains a comprehensive database (CRM) which tracks the number of victims assisted and types and number of services provided in compliance with the requirements set forth by the Office of Victims of Crime (OVC) for the Performance Measurement Tool. The database will be used to track services provided to victims and the performance measures can be easily collected from the database. The supervising victim advocates, victim advocates and office assistants update the database each time contact is made with a victim and services have been provided. For each victim, the database contains their name, address, e-mail address, telephone number, date of birth, crime type and services provided. Any supervisor, victim advocate or office assistant that

has contact with a victim will be able to immediately identify when and what type of previous contact has been made and what services have been provided to that victim. The information will be used for reporting performance measures for the grant. Supervisors can monitor the database for quality assurance and run reports as needed for performance measures. Caseloads are monitored throughout the grant year to assess needs and determine where advocates are needed. Additionally, our advocates can assist victims in remote areas, hours away from the nearest regional service center, with our Microsoft office cloud-based tenant licensing platform (remote video and audio) to provide critical services to remote inhabitants in our desert and mountain regions.

Referrals to our program are received by police departments, sheriff's substations, fire departments, Loma Linda University Children's Medical Center, the Children's Assessment Center of San Bernardino, various local hospitals, Children and Family Services, Adult Protective Services, city and county schools, and deputy district attorneys from all regional offices. Our services also extend to the Native American community; Services are offered to the Chemehuevi, Fort Mohave and San Manuel tribes.

Victim advocates will continue to provide all mandatory and optional services to victims including crisis intervention, referrals to other agencies, orientation to the criminal justice system to include case updates and providing court accompaniment and assisting the victim in completing the California

Victim Compensation Board program application. Victim advocates work closely with court staff, law enforcement, staff from the Department of Motor Vehicles, the District Attorney's Victims of Crime Claims units, to assist the victim with various services to lessen the impact of the crime. All Victim advocates have, and new advocates will, complete both the Cal-OES mandated CCVAA Entry Level Victim Advocate and Crisis Response trainings, Critical Incident Stress Management, Compassion Fatigue, as well as other trainings to improve their skills and trainings that lessen the impact of secondary trauma. Outreach activities will continue to be conducted on a regular basis, victim advocates will attend meetings and participate in outreach events at local colleges, community centers, senior centers, town hall meetings, County fairs, local civic gatherings and will participate in National Crime Victims' Rights Week and National Night Out.

Volunteers are recruited through the District Attorney website and through the outreach efforts made by our staff at local community centers and at various college campuses. Individuals interested in volunteering contact the volunteer coordinator and are given complete information and instructions as to the process of volunteering and what the volunteering position entails. All prospective volunteers are required to complete an application that is screened by the volunteer coordinator. The volunteer coordinator and a supervising victim advocate will interview the volunteer, asking a series of questions regarding their interest in our program and experience they have working with

victims of crime. The District Attorney's Bureau of Investigations conducts a background check on qualified candidates and the individual is fingerprinted by the San Bernardino County Sheriff's Department. Once the applicant has received clearance, they are then required to attend a 4-hour CLETS/Computer use training. The volunteers are then trained on the job and assist by requesting police reports, contacting victims for missing information for claims, updating cases, translating, sending victim contact letters and assisting the victim advocate in court. Volunteers are required to complete a monthly time sheet, which is then approved by their supervisor and submitted to the volunteer coordinator.

Specialized Units Supported by Victim Witness Funding

Major Crimes Against Children Advocates

In December 2012, The San Bernardino County District Attorney created the Major Crimes Against Children (MCAC) Unit, which is dedicated to pursuing justice for these most vulnerable victims. Specially selected deputy district attorneys, local law enforcement, victim advocates and medical partners work to ensure that these cases continue to receive the priority they deserve.

Camp Good Grief

Camp Good Grief Special Victims Program was established in March 2005. The 4-day grief camp is for children ages 10-16 who have lost a loved one to a violent crime. The San Bernardino County District Attorney's Office, in partnership with Loma Linda University Children's Hospital, offers this unique four-

day camp that provides a relaxed, supportive and safe environment for children to enjoy the typical activities of a summer camp, as well as to have opportunities to work with professionals to share their feelings related to their loss, learn new ways to cope, and interact with other children and teens in an atmosphere of love and acceptance.

A goal our program set for FY 19/20 was to place a victim advocate at Loma Linda University Children's Hospital to provide victim assistance to crime victims admitted to the hospital's ER and trauma center and to build upon the success of Camp Good Grief. Our intent is for the Loma Linda University Children's Hospital advocate to model our advocate staff at Arrowhead Regional Medical Center. Due to the Covid-19 Pandemic, we have been delayed in meeting this goal but continue to work with the Loma Linda University Children's Hospital staff to establish a victim advocate program.

Children's Assessment Center (CAC) Advocates

The Bureau of Victim Services has staff assigned to the Children's Assessment Center of San Bernardino. Two victim advocates, and an office assistant have been placed in this critical location to provide intake work and mandatory services to children who are victims of physical and sexual abuse. The advocates and office assistant participate in the bi-weekly case review meetings with the staff of the Children's Assessment Center, advocates provide direct victim assistance to crime victim seeking CAC services, and provide a professional transition to assigned regional District Attorney based advocate.

Family Violence Advocates

The San Bernardino County District Attorney's office has three family violence units. Victim advocates are assigned to each of these units that are in our San Bernardino, Rancho Cucamonga and Victorville offices. They have many duties including assisting victims of child molestation and domestic violence, and unserved/underserved victims such as victims of elder abuse. The cases are filed by family violence attorneys and all cases are vertically prosecuted with the advocate remaining with the victim beginning with pre-trial and following through to post-trial.

Gang Prosecution

The District Attorney's office has gang prosecution units throughout the county where specially trained prosecutors seek gang-enhanced charges whenever possible, which increases the penalty against the offenders. Victim Services has victim advocates assigned to gang prosecutorial units, providing services to victims at all stages of prosecution. The gang advocates work closely with the gang attorneys and gang officers, assisting these victims who are difficult to get to court due to fear and intimidation by the gangs. The victim advocates attend monthly meetings to share information with law enforcement, Probation, Corrections and other agencies that handle gang crimes.

Domestic Violence

In October 2004, the family violence unit was created. Within the unit, domestic violence advocates provide a full range of victim services to all victims

of domestic violence. These advocates attend quarterly Family Violence Unit meetings. High desert advocates work with tribal members at the Fort Mojave Domestic Violence Shelter in Needles and the Drop-In Center at the Chemehuevi Indian Tribe Reservation. As mentioned earlier, these advocates are specially trained to understand and work with the cultural issues of this unserved/underserved community, and they have a close working relationship.

Special Victims K-9 Unit

In June 2015, the District Attorney's office established a Special Victims K-9 Unit. Two victim advocates from our existing staff were the primary handlers of our specially trained facility dogs. The facility dogs are used to provide support to children and reduce the fears that a child has about participating in the criminal justice system. During FY 19/20, we added a third K-9 and advocate staff member to the team. We are currently using the facility dogs to provide support to children during meet and greets in the District Attorney's Office and when they are interviewed in preparation for court. In August 2015, the facility dogs and their handlers/victim advocates were trained to provide support to children in the courtroom when they are required to testify in court. The facility dogs have been successful in providing support to children in both juvenile and adult court as well as responding to mass critical incidents.

Human Trafficking Prosecution Unit

The District Attorney's office established the Human Trafficking Prosecution Unit (H.T. Unit) in February 2013. The H.T. Unit works closely with the Coalition

Against Sexual Exploitation (C.A.S.E.), local law enforcement, school districts and non-governmental victim-support agencies to ensure that no case of human trafficking or sexual exploitation goes unreported to law enforcement.

Advocates are regionally assigned and are responsible for providing comprehensive services to all victims of human trafficking to include victims who are foreign national, legal permanent residents, and commercially sexual exploited children. Additionally, our advocates are trained to assist HT victims that identify as male and females notwithstanding binary designation or identification. Our HT advocate staff are trained to assist local, state, and federal agencies that combat human trafficking by rescuing victims in safe joint operations away from the crime scene for direct victim/rescue assistance.

Lifer Parole Unit

On January 6, 2013, the District Attorney created the lifer parole unit. The lifer parole unit is responsible for attending all post-conviction parole hearings within the state of California. The hearings are conducted in person at the inmate's assigned penal institution or telephonically at our regional offices upon request of the victim. Recognizing the special needs for victims requiring post-conviction court support during parole hearings, an advocate is regularly deployed to penal institutions to assist victims at parole hearings. The lifer unit advocate has traveled to various department of correction institutions, provided court support to help reduce and prevent new traumatic experiences to our victims.

MVA Components

Crisis Response Plan

On March 23, 2018, the District Attorney's Office established and developed a completed crisis response plan and protocol. The plan contains structured provisions related to need assessments, emergency assistance, resource and referral, and advocate mobilization protocols within the District Attorney's office. Additionally, the plan highlights advocate responses and advocate/officewide expectations before, during, and after a critical incident of mass violence. Moreover, our plan provides guidance on responding with, and providing mutual aid, for neighboring victim witness assistance centers, the California Victim Compensation Board program and Cal OES. Our plan and protocols will be reviewed yearly for updates and reviewed for revisions, best practices, and emerging trends by the Victim Services Bureau Chief and the Assistant Chief.

Mutual Aid Memorandums and Memorandums of Understanding

The District Attorney's office does not have operational mutual aid memorandums and memorandums of understanding with community partners and stakeholders at this time. However, we are a part of the CCVAA Southern Regional Crisis Response Team that includes the following counties: Riverside, San Diego, Orange, and Imperial counties. Meetings continue to be held quarterly. Our goal was to have mutual aid agreements and memorandums of understandings in place with sister counties for FY 19/20 and to obtain additional memorandums of understanding in FY 20/21.

MVA Outreach and Community Events.

Our MVA, management, and supervisory advocate staff are actively conducting community outreach and participate in community meetings related to critical incidents of mass violence. Our team continues to attend regular meetings with the San Bernardino County Sheriff Coroner's Office, San Bernardino Unified School District Police Division, San Bernardino County Office of Emergency Services, and the Department of Behavioral Health. All within the context of critical incidents of mass violence. Our team successfully provided presentations on crisis response, under the umbrella of victim services, and obtained invaluable community partnerships that we intend to incorporate in our regional crisis response team meetings. We anticipate building stronger professional bonds with the above-mentioned agencies.

MVA Presentations

During this fiscal year, MVA presentations included the following: University of Redlands Campus Police Dept, California State University San Bernardino Campus Police Department, Chaffey College Campus Police Department, Ontario Police Department, Rancho Cucamonga Police Department, Department of Veterans Affairs/Veterans Outreach Committee, County Department of Behavioral Health and the United Way of the Inland Empire 2-1-1.

MVA Funding

During FY 18/19, MVA funding was used to maintain go-bags. The go-bags, in the event of a crisis, will be used to provide deployed advocates with essential

Subrecipient: San Bernardino County District Attorney Subaward #: VW20 39 0360

items they may need for personal and professional comfort for themselves as responders. The purchased items included the following: tactical clipboards, writing utensils, cellular/smart phone mobile charging devices, eye nose and ear protection, personal hygiene cleansers, mylar blankets, and water beverage containers.

Funding was also used to provide in-house training courses to advocate staff, and future funding will also be utilized accordingly. During the FY 19/20, funding was utilized to train our team with the following: Critical Incident Stress Management, Compassion Fatigue, Burnout and Self-Care, and Death Notification Training.

MVA Emergency Fund

The office is not requesting to establish an MVA emergency fund at this time as we already have an emergency fund line item in the overall VW grant budget.

MVA Trainings

The MVA has attended the following training: San Francisco Mass Casualty Summit, Critical Incident Stress Management, Death Notification and Compassion Fatigue, Burnout and Self-Care. The MVA and relevant advocate staff have received CCVAA Entry Level and Advanced Advocate Training as well as the CCVAA Crisis Response Training.
