5. Addition of Section N – Warranties. The Agreement is hereby amended to include the following new section:

Amendment 1 to the Master Services and Purchasing Agreement

N. Warranty.

N.1 Limited Warranty. Axon warrants that Axon-manufactured Devices are free from defects in workmanship and materials for one (1) year from the date of Customer's receipt, except Signal Sidearm which Axon warrants for thirty (30) months from Customer's receipt and Axon-manufactured accessories, which Axon warrants for ninety (90) days from Customer's receipt, respectively, from the date of Customer's receipt. Extended warranties run from the expiration of the one- (1-) year hardware warranty through the extended warranty term purchased.

N.2 Disclaimer. All software and Axon-Cloud Services are provided "AS IS," without any warranty of any kind, either express or implied, including without limitation the implied warranties of merchantability, fitness for a particular purpose and non-infringement. Axon Devices and Services that are not manufactured, published or performed by Axon ("Third-Party Products") are not covered by Axon's warranty and are only subject to the warranties of the third-party provider or manufacturer. If Customer purchases Axon Loki, Customer acknowledges the Loki device is designed for operation in enclosed, controlled environments and must be used in compliance with all applicable laws and safety guidelines. Operation in open or unapproved areas may result in

signal interference, loss of control, or damage, and Axon assumes no liability for improper use, including any resulting harm or regulatory violations.

N.3 Claims. If Axon receives a valid warranty claim for an Axon-manufactured Device during the warranty term, Axon's sole responsibility is to repair or replace the Axon-manufactured Device with the same or like Axon-manufactured Device, at Axon's option. A replacement Axon-manufactured Device will be new or like new. Axon will warrant the replacement Axon-manufactured Device for the longer of (a) the remaining warranty of the original Axon-manufactured Device or (b) ninety (90) days from the date of repair or replacement.

N.3.1 If Customer exchanges an Axon Device or part, the replacement item becomes Customer's property, and the replaced item becomes Axon's property. Before delivering an Axon-manufactured Device for service, Customer must upload Axon-manufactured Device data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the Axon-manufactured Device sent to Axon for service.

N.3.2 Spare Axon Devices. At Axon's reasonable discretion, Axon may provide Customer a predetermined number of spare Axon Devices as detailed in the Quote ("Spare Axon Devices"). Spare Axon Devices are intended to replace broken or non-functioning units while Customer submits the broken or non-functioning units, through Axon's warranty return process. Axon will repair or replace the unit with a replacement Axon Device. Title and risk of loss for all Spare Axon Devices shall pass to Customer in accordance with shipping terms of this Agreement. Axon assumes no liability or obligation in the event Customer does not utilize Spare Axon Devices for the intended purpose.

N.3.3 Limitations. Axon's warranty excludes damage related to: (a) failure to follow Axon Device use instructions; (b) Axon Devices used with equipment not manufactured or recommended by Axon; (c) abuse, misuse, or intentional damage to Axon Device; (d) force majeure; (e) Axon Devices repaired or modified by persons other than Axon without Axon's written permission; or (f) Axon Devices with a defaced or removed serial number. Axon's warranty will be void if Customer resells Axon Devices.

N.3.4 To the extent permitted by law, the above warranties and remedies are exclusive. Axon disclaims all other warranties, remedies, and conditions, whether oral, written, statutory, or implied. If statutory or implied warranties cannot be lawfully disclaimed, then such warranties are limited to the duration of the warranty described above and by the provisions in this Agreement. All sales are final. Axon does not allow refunds or

Amendment 1 to the Master Services and Purchasing Agreement

exchanges, except warranty returns or as provided by state or federal law.

N.3.5 Third-Party Software and Services. Use of software or services other than those provided by Axon is governed by the terms, if any, entered into between Customer and the respective third-party provider, including, without limitation, the terms applicable to such software or services located at www.axon.com/sales-terms-and-conditions, if any.

6. Section F. County Responsibilities is hereby amended to add the following new section:

F.4 County is responsible for: (a) County's use of Axon Devices; (b) any breach of this Agreement or violation of applicable law by County or any user authorized by Customer; (c) disputes between County and any third party arising out of County's use of Axon Devices; (d) secure and sustainable destruction and disposal of Axon Devices at County's cost; and (e) any regulatory violations or fines resulting from improper destruction or disposal of Axon Devices, notwithstanding, the forgoing Axon indemnification obligations will not be affected or diminished by this section.

7. Levine Act - Campaign Contribution Disclosure (formerly referred to as Senate Bill 1439) – Axon has disclosed to the County using Attachment A – Levine Act Campaign Contribution Disclosure (formerly referred to as Senate Bill 1439), whether it has made any campaign contributions of more than \$500 to any member of the Board of Supervisors within the earlier of: (1) the date of the submission of Axon's proposal to the County, or (2) twelve (12) months before the date this Amendment was approved by the Board of Supervisors. Axon acknowledges that under Government Code section 84308, Axon is prohibited from making campaign contributions of more than \$500 to any member of the Board of Supervisors for twelve (12) months after the County's consideration of the Amendment.
