This indemnification provision shall apply regardless of the existence or degree of fault of indemnities. The Contractor indemnification obligation applies to the County's "active" as well as "passive" negligence but does not apply to the County's "sole negligence" or "willful misconduct" within the meaning of Civil Code section 2782.
2. **Additional Insured** – All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents, and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.
3. **Waiver of Subrogation Rights** – The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors, and subcontractors. The Contractor hereby waives all rights of subrogation against the County.
4. **Policies Primary and Non-Contributory** – All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.
5. **Severability of Interests** – The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross-liability exclusions that preclude coverage for suits between the Contractor and the County or between the County and any other insured or additional insured under the policy.
6. **Proof of Coverage** – The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. 10. **Insurance Review** – Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

11. **Insurance Specifications** – The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement, or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

Gov. Code section 12900, et seq.); and other applicable federal, state, and County laws, regulations and policies relating to equal employment or social services to welfare recipients, including laws and regulations hereafter enacted.

The Contractor shall not unlawfully discriminate against any employee, applicant for employment, or service recipient on the basis of race, color, national origin or ancestry, religion, sex, marital

status, age, political affiliation or disability. Information on the above rules and regulations may be obtained from the County.

2. Upon request, the County will supply a sample of the Plan format. The Contractor will be monitored by the County for compliance with provisions of its Civil Rights Plan. Additionally, the Contractor shall submit to County an Assurance of Compliance with the California Department of Social Services Nondiscrimination in State and Federally Assisted Programs Statement (Attachment B) annually.

Equity – Contractor shall adhere to and participate in County efforts ensuring all individuals and communities have equal access and opportunity to health and wellbeing by providing culturally and linguistically appropriate services to all people of color and culture, age, disabilities, gender, sexual orientation, or gender identity including people with limited English proficiency (LEP). Services provided must be respectful of and responsive to the cultural and linguistic needs of County residents.

Providing services in a culturally appropriate and responsive manner is fundamental in any effort to ensure success of high quality and cost-effective health and human services. - g. Upon request, Contractor will provide County Human Services evidence of adherence to requirements listed above.
