(b) This Agreement is for the benefit of the parties hereto, their successors and assigns; provided, however, that in the event of the assignment or transfer of the interest of Transferee, all obligations and liabilities of Transferee under this Agreement shall terminate, and thereupon all such obligations and liabilities shall be the responsibility of the party to whom Transferee's interest is assigned or transferred; and provided further that the interest of Subtenant under this Agreement may not be assigned or transferred except to the extent the assignment of Subtenant's interest in the Sublease Documents is permitted under the Sublease Documents.

(c) Anything herein or in the Sublease Documents to the contrary notwithstanding, in the event that Transferee shall acquire title to the Leasehold Interest in Property, Transferee shall have no obligation beyond Transferee's then Leasehold interest in the Property, and Subtenant shall look exclusively to the interest of Transferee in the Leasehold Interest in the Property for the payment and discharge of any obligations imposed upon Transferee hereunder or under the Sublease Documents, or otherwise, subject to the limitation of Transferee's obligations provided for in Paragraph 2 above.

(d) If any party shall take any legal action to interpret or enforce the terms and conditions, or obligations arising out of, this Agreement, or to recover damages for the breach thereof, the prevailing party or parties shall be entitled to recover reasonable attorney's fees, costs and expenses from the non-prevailing party or parties.

(e) This Agreement is the entire agreement between the parties with regard to the subordination of the Sublease Documents to the lien or charge of the Senior Lender Documents, and shall supersede all other subordination agreements. This Agreement may not be modified in any manner or terminated except by an instrument in writing executed by the parties hereto.

(f) This Agreement shall be construed in accordance with and be governed by the laws of the State of California. The parties agree that the venue for any action or claim which is related only to this Property Sublease brought by any party to this Agreement will be in the Superior Court of California, County of San Bernadino. (g) This Agreement may be executed in several counterparts, each of which shall be an

original and all of which shall constitute one and the same instrument.

(h) In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, it will not invalidate or render unenforceable any other part of this Agreement.

(i) Subtenant hereby represents and warrants to the Senior Lender that, at the time of execution of this Agreement, the Borrower is in substantial compliance with its obligations to Subtenant under the terms of the Sublease Documents, and that Subtenant has read and understands the Senior Lender Documents and agrees that in the event of conflict of terms between the Senior Lender Documents and the Sublease Documents, the Senior Lender Documents shall prevail. However, to the extent possible, department shall negotiate in good faith with County with a goal to try to protect the Daycare Sublease, so as to mutually protect the daycare services provided to the low-income tenants of the project Development.
