This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. The Contractor indemnification obligation applies to San Bernardino County's "active" as well as "passive" negligence but does not apply to San Bernardino County's "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.

Additional Insured

All policies, except for the Workers' Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming San Bernardino County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of Services hereunder. The additional insured endorsements shall not limit the scope of coverage for San Bernardino County to vicarious liability but shall allow coverage for San Bernardino County to the full extent provided by the policy. Such additional insured coverage shall provide at least as broad coverage and provide for the same limits of coverage to San Bernardino County as provided to the Contractor as the name insured on all such policies of insurance.

Waiver of Subrogation Rights

The Contractor shall require the carriers of the required coverages to waive all rights of subrogation against San Bernardino County, its officers, employees, agents, volunteers, Contractors, and Subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against San Bernardino County.

Policies Primary and Non-Contributory

All policies required above are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by San Bernardino County.

Severability of Interests

Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross-liability exclusions that preclude coverage for suits between the Contractor and San Bernardino County or between the San Bernardino County and any other insured or additional insured under the policy.

Proof of Coverage

The Contractor shall furnish Certificates of Insurance to San Bernardino County's Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Contract, Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A-VII".

Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

Failure to Procure Coverage

In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not replaced, San Bernardino County has the right but not the obligation or duty to cancel the Contract or obtain insurance if it deems necessary and any premiums paid by San Bernardino County will be promptly reimbursed by the Contractor or County payments to the Contractor(s)/Applicant(s) will be reduced to pay for County purchased insurance.

Insurance Review

Insurance requirements are subject to periodic review by San Bernardino County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interest of San Bernardino County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against San Bernardino County, inflation, or any other item reasonably related to the San Bernardino County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of San Bernardino County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of San Bernardino County.

2. Insurance Specifications

Contractor agrees to provide insurance set forth in accordance with the requirements herein. If Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of the contracted services.

If these representatives are unable to resolve the dispute within ten (10) days after the representatives have commenced negotiations, or 20 days have passed since the initial request for negotiations at this level, the Parties may agree in writing to submit the dispute to mediation.

4. In the event of a non-cured breach, County may, at its sole discretion and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract.
