- (2) Should any Intellectual Property licensed by the Contractor to CDPH under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve CDPH's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to CDPH. CDPH shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for CDPH to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, CDPH shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate CDPH for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges CDPH would suffer irreparable harm in the event of such breach and agrees CDPH shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor in order to conduct routine business matters.

8. Confidentiality of Information

The Contractor and its employees, agents, or subcontractors shall:

- a. Protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.
- b. Not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.
- c. Promptly transmit to the CDPH Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.
- d. Not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than CDPH without prior written authorization from the CDPH Contract Manager, except if disclosure is required by State or Federal law.

10. Dispute Resolution Process

- a. A Contractor grievance exists whenever there is a dispute arising from CDPH's action in the administration of an agreement. If there is a dispute or grievance between the Contractor and CDPH, the Contractor must seek resolution using the procedure outlined below.
 - (1) The Contractor should first informally discuss the problem with the CDPH Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state

the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.

- (2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal.
- b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. (Title 1, Division 2, Chapter 2, Article 3 (commencing with Section 1140) of the California Code of Regulations).
- c. Disputes arising out of an audit, examination of an agreement or other action not covered by subdivision (a) of Section 20204, of Chapter 2.1, Title 22, of the California Code of Regulations, and for which no procedures for appeal are provided in statute, regulation or the Agreement, shall be handled in accordance with the procedures identified in Sections 51016 through 51047, Title 22, California Code of Regulations.
- d. Unless otherwise stipulated in writing by CDPH, all dispute, grievance and/or appeal correspondence shall be directed to the CDPH Contract Manager.
- e. There are organizational differences within CDPH's funding programs, and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the CDPH Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

11. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

12. Prohibited Use of State Funds for Software

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

13. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, CDPH sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the Agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.
- f. Earned/Accrued Compensation
 - (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See section f (3)(a) below for an example.
 - (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
 - (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) Example No. 1:

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) Example No. 2:

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) Example No. 3:

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to CDPH, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

14. Cancellation

- A. This agreement may be cancelled by CDPH **without cause** upon 30 calendar days advance written notice to the Contractor.
- B. CDPH reserves the right to cancel or terminate this agreement immediately for cause. The Contractor may submit a written request to terminate this agreement only if CDPH substantially fails to perform its responsibilities as provided herein.
- C. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of this agreement.
- D. Agreement termination or cancellation shall be effective as of the date indicated in CDPH’s notification to the Contractor. The notice shall stipulate any final performance, invoicing or payment requirements.
- E. Upon receipt of a notice of termination or cancellation, the Contractor shall take immediate steps to stop performance and to cancel or reduce subsequent agreement costs.
- F. In the event of early termination or cancellation, the Contractor shall be entitled to compensation for services performed satisfactorily under this agreement and expenses incurred up to the date of cancellation and any non-cancelable obligations incurred in support of this agreement.

15. Executive Order N-6-22 - Economic Sanctions

“Economic Sanctions” refers to sanctions imposed by the U.S. government in response to

Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

inspects, or fails to inspect, or has the right to inspect, Business Associate's facilities, systems and procedures does not relieve Business Associate of its responsibility to comply with this Addendum, nor does CDPH's:

1. Failure to detect; or
2. Detection, but failure to notify Business Associate or require Business Associate's remediation of any unsatisfactory practices constitute acceptance of such practice or a waiver of CDPH's enforcement rights under the Agreement and this Addendum.

- B.** If Business Associate is the subject of an audit, compliance review, or complaint investigation by, the U.S. Office of Civil Rights or the U.S. Department of Health and Human Services, that is related to the performance of its obligations pursuant to this Addendum, Business Associate shall notify CDPH and provide CDPH with a copy of any CDPH PHI or PI that Business Associate concurrently provides to the Office of Civil Rights or the U.S. Department of Health and Human Services. Any civil penalties assessed by a government entity due to an audit or investigation of Business Associate will be the Business Associate's responsibility in accordance with 42 U.S.C. section 17934(c).

 2. Immediately terminate the Agreement if Business Associate has breached a material term of this Addendum and cure is not possible.
 3. CDPH may terminate the Agreement if Business Associate is found guilty of a criminal violation of HIPAA. CDPH may terminate the Agreement if a finding or stipulation is made, in any administrative or civil proceeding in which Business Associate is a party or has been joined, that Business Associate has violated a material standard or requirement of HIPAA, or other health information privacy law with respect to PHI created, received, maintained, or transmitted on behalf of CDPH pursuant to the Agreement or this Addendum. All custom-built software (first-party code) that processes CDPH PCI must adhere to a documented vulnerability remediation process. Security vulnerabilities with “Very High” severity ratings must be remediated or mitigated within thirty (30) calendar days of identification; those with “High” severity ratings must be addressed within forty-five (45) calendar days; and “Medium” severity ratings must be completed within sixty (60) calendar days. Exceptions to these timelines are acceptable when a Business Associate's ISO/PO approved mitigation is in place that eliminates the identified vulnerability.

- F. *User Identification and Access Control.*** All Business Associate Workforce Member(s) must have a unique local and/or network user identification (ID) to access CDPH PHI and PI. To access systems/applications that store, process, or transmit CDPH PHI and PI, it must comply with CDPH risk-based approach aligned with:

- When roles change
- When the execution of privileged function occurs (e.g., performing a critical transaction)

I. Warning Banners. During a user log-on process, all systems providing access to CDPH PHI and PI must display a warning banner stating that the CDPH PHI and PI is confidential, system and user activities are logged, and system and CDPH PHI and PI Use is for authorized business purposes only. This includes the auditing necessary to cover related events, such as the various steps in distributed, transaction-based processes and actions in service-oriented architectures. Audit trail information with CDPH PHI and PI must be stored with read-only permissions and be archived for six (6) years after event occurrence. Contractor must protect audit information and audit logging tools from unauthorized access, modification, and deletion. There must also be a documented and routine procedure in place to review system logs for unauthorized access.

K. Live Data Usage. Using live data (production data) for testing and training purposes is not allowed. Synthetic data must be Used. If synthetic data cannot be generated and/or Used, it may be permissible to use a de-identification process against the live data. The de-identification process removes identifying information from a dataset so that individual data cannot be linked with specific individuals. The de-identification process Used by the Business Associate must be at least as stringent as that set forth in the CDPH Data De-Identification Guidelines. Use of de-identified data must be approved prior to Use by sending a request to the CDPH Privacy Officer and CDPH Chief Information Security Officer at the contact information in section XI.F. above. Agreement by Employee/Contractor to Comply with Confidentiality Requirements

Summary of Statutes Pertaining to Confidential Public Health Records and Penalties for Disclosure

All HIV/AIDS case reports and any information collected or maintained in the course of surveillance-related activities that may directly or indirectly identify an individual are considered *confidential public health record(s)* under California Health and Safety Code (HSC), Section 121035(c) and must be handled with the utmost confidentiality. Furthermore, HSC §121025(a) prohibits the disclosure of HIV/AIDS-related public health records that contain any personally identifying information to any third party, unless authorized by law for public health purposes, or by the written consent of the individual identified in the record or his/her guardian/conservator. Except as permitted by law, any person who negligently discloses information contained in a confidential public health record to a third party is subject to a civil penalty of up to \$5,000 plus court costs, as provided in HSC §121025(e)(1). Any person who willfully or maliciously discloses the content of a public health record, except as authorized by law, is subject to a civil penalty of \$5,000-\$25,000 plus court costs as provided by HSC §121025(e)(2). Any willful, malicious, or negligent disclosure of information contained in a public health record in violation of state law that results in economic, bodily, or psychological harm to the person named in the record is a misdemeanor, punishable by imprisonment for a period of up to one year and/or a fine of up to \$25,000 plus court costs (HSC §121025(e)(3)). Any person who is guilty of a confidentiality infringement of the foregoing type may be sued by the injured party and shall be personally liable for all actual damages incurred for economic, bodily, or psychological harm as a result of the breach (HSC §121025(e)(4)). Each disclosure in violation of California law is a separate, actionable offense (HSC §121025(e)(5)).

Because an assurance of case confidentiality is the foremost concern of the California Department of Public Health, Office of AIDS (CDPH/OA), any actual or potential breach of confidentiality shall be immediately reported. In the event of any suspected breach, staff shall immediately notify the director or supervisor of the local health department's HIV/AIDS surveillance unit who in turn shall notify the CDPH/OA Surveillance Section Chief or designee. CDPH/OA, in conjunction with the local health department and the local health officer shall promptly investigate the suspected breach. Any evidence of an actual breach shall be reported to the law enforcement agency that has jurisdiction.

Employee Confidentiality Pledge

I recognize that in carrying out my assigned duties, I may obtain access to private information about persons diagnosed with HIV or AIDS that was provided under an assurance of confidentiality. I understand that I am prohibited from disclosing or otherwise releasing any personally identifying information, either directly or indirectly, about any individual named in any HIV/AIDS confidential public health record. Should I be responsible

for any breach of confidentiality, I understand that civil and/or criminal penalties may be brought against me. I acknowledge that my responsibility to ensure the privacy of protected health information contained in any electronic records, paper documents, or verbal communications to which I may gain access shall not expire, even after my employment or affiliation with the Department has terminated.

By my signature, I acknowledge that I have read, understand, and agree to comply with the terms and conditions above.
