Subject: BNSF Funding Commitment – Vista Road Grade Separation Safety and Mobility Project

Dear Administrator Bose,

This letter of funding commitment serves to support BNSF's contribution towards the non-federal match requirement for the Vista Road Grade Separation Safety and Mobility Project. Funding for this project will be used to support construction of the grade separation project. Upon the requested federal match award, BNSF would be willing to contribute \$10,000,000.00 in private matching funds towards the \$50,000,000.00 total project cost, with a request of \$40,000,000.00 in Consolidated Rail Infrastructure and Safety Improvement (CRISI) grant funds.

BNSF values our working relationship with San Bernardino County, California, and is prepared to work with all involved public agencies on further development of this project, subject to satisfactory review of funding requirements, final engineering, and entering into definitive agreements as may be required by BNSF or other project stakeholders.

Sincerely,

A handwritten signature in black ink, appearing to read "French Thompson". The signature is fluid and cursive, with a large loop at the beginning and a horizontal line extending to the right.
