AMENDMENT NO. 3

This Amendment No.3 (this "Amendment") dated May 21, 2024 is made between SAN BERNADINO COUNTY on behalf of Arrowhead Regional Medical Center ("Customer") and Park Place LLC dba CloudWave ("Contractor") and modifies the terms of the agreement executed between the parties as of December 17, 2019 ("Agreement"), as follows

1. Delete Section B.1. of the Contract in its entirety and replace with the following:

B1. Provide Park Place Technologies (PPT) Hardware Maintenance and Cloud Care Infrastructure Support for MediTech Quote #022824-LN-1, and Quote #756969-1 as attached hereto and incorporated herein.

2. Delete Section F.1. of Contract in its entirety and replace with the following:

F.1 The maximum amount of payment under this contract shall not exceed \$1,235,501 of which \$1,235,501 may be federally funded, and shall be subject to availability of other funds to the County. The consideration to be paid to Contractor services and expenses incurred in the performance hereof, including travel and per diem.

3. Contractor has disclosed to the County using Schedule 1 - Campaign Contribution Disclosure Senate Bill 1439, attached hereto, whether it has made any campaign contributions of more than \$250 to any member of the County Board of Supervisors or other County elected officer within the 12 months before the date this Amendment was approved by the Board of Supervisors. Contractor acknowledges that under Government Code section 84308, Contractor is prohibited from making campaign contributions of more than \$250 to any member of the Board of Supervisors or other County elected officer for 12 months after the County's consideration of the Amendment.

In the event of a further amendment to the Contract, the Contractor will provide the County a written statement disclosing any campaign contribution(s) of more than \$250 to any member of the Board of Supervisors or other County elected officer within the preceding 12 months of the date of the proposed amendment.

Campaign contributions include those made by any agent/person/entity on behalf of the Contractor or by a parent, subsidiary or otherwise related business entity of Contractor.

- 4. All other terms and conditions of the Contract shall remain in full force and effect.
- 5. This Amendment No. 3 may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts shall together constitute one and the same Amendment. The parties shall be entitled to sign and transmit an electronic signature of this Amendment (whether by facsimile, PDF or other email transmission), which signature shall be binding on the party whose name is contained therein. Each party providing an electronic signature agrees to promptly execute and deliver to the other party an original signed Amendment upon request.

SCHEDULE 1

Campaign Contribution Disclosure (SB 1439)

DEFINITIONS

Actively supporting the matter: (a) Communicate directly with a member of the Board of Supervisors or other County elected officer [Sheriff, Assessor-Recorder-Clerk, District Attorney, Auditor-Controller/Treasurer/Tax Collector] for the purpose of influencing the decision on the matter; or (b) testifies or makes an oral statement before the County in a proceeding on the matter for the purpose of influencing the County's decision on the matter; or (c) communicates with County employees, for the purpose of influencing the County's decision on the matter; or (d) when the person/company's agent lobbies in person, testifies in person or otherwise communicates with the Board or County employees for purposes of influencing the County's decision in a matter.

Agent: A third-party individual or firm who, for compensation, is representing a party or a participant in the matter submitted to the Board of Supervisors. If an agent is an employee or member of a third-party law, architectural, engineering or consulting firm, or a similar entity, both the entity and the individual are considered agents.

Otherwise related entity: An otherwise related entity is any for-profit organization/company which does not have a parent-subsidary relationship but meets one of the following criteria:

- (1) One business entity has a controlling ownership interest in the other business entity;
- (2) there is shared management and control between the entities; or
- (3) a controlling owner (50% or greater interest as a shareholder or as a general partner) in one entity also is a controlling owner in the other entity.

For purposes of (2), "shared management and control" can be found when the same person or substantially the same persons own and manage the two entities; there are common or commingled funds or assets; the business entities share the use of the same offices or employees, or otherwise share activities, resources or personnel on a regular basis; or there is otherwise a regular and close working relationship between the entities.

Parent-Subsidiary Relationship: A parent-subsidiary relationship exists when one corporation has more than 50 percent of the voting power of another corporation.

Contractors must respond to the questions on the following page. If a question does not apply respond N/A or Not Applicable.

Infrastructure Support Entitlement

CloudWave offers support services for the installed infrastructure components in MEDITECH environments. The infrastructure covered is listed in the pricing section of this proposal.

Included in Infrastructure Support:

- A single point of contact for problem resolution – Our Cloud Care Center is located and staffed in San Antonio, TX
- 7x24x365 live telephone support via a dedicated Support Hotline: 855-28-OPSUS (855-286-7787)
- Incident reporting and tracking through the MyOpSus customer web portal
- Unlimited requests – use Cloud Care services as often as needed
- Staffed by Support Engineers trained and experienced with MEDITECH and partner technologies
- Enhanced escalation paths with Technology Partners, including access to specialized technical resources
- Expert support advice as needed

OpSus Cloud Care support are supplemental services provided for the installed infrastructure components in your MEDITECH and Enterprise environments. "Infrastructure" is defined as the server and storage systems that support your site managed applications and compute functions. Unless specifically stated in the support agreement it is not support of the software applications themselves that the compute infrastructure supports. Changes made to any of the supported infrastructure and configuration as it existed at the time support was initiated should be discussed with CloudWave to prevent potential support conflicts and gaps. The infrastructure covered is listed in the pricing section of this proposal.

Customer Responsibilities

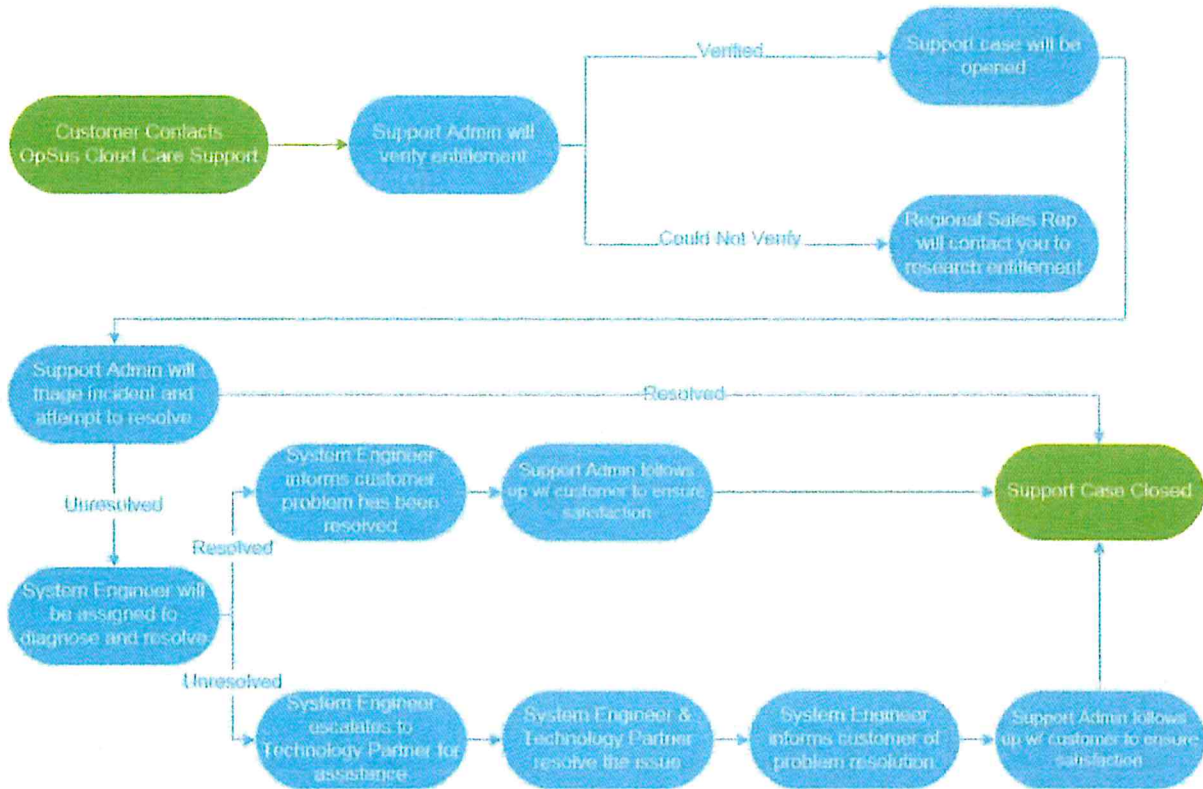

Infrastructure Support augments hardware maintenance contracts, licensed application and imbedded software support agreements. Customers are expected to maintain separate contracts and agreements with appropriate suppliers for hardware break/fix support, licensed application and imbedded software support. Customers are also expected to perform regular updates and periodic systems maintenance. Such maintenance may include patches, critical releases and security updates to OS's (Windows, VMware ESX, etc.) running applications and imbedded software. Such regular maintenance updates are not performed by CloudWave but can be arranged for by engaging us for our Professional Services to do so.

Support Process

Callers should be prepared to provide the serial or model number of the equipment to assist in problem diagnosis. The Analyst creates a support ticket, noting details of the incident and/or nature of the service request. The Analyst will begin to assess and triage the reported incident. The customer may be asked to perform some simple tasks to assist in problem determination. If the incident is resolved during the initial call, the resolution is documented and the support ticket is closed.

For incidents that require further investigation and intervention, a Systems Engineer will be assigned to remotely access your network, diagnose, and resolve the issue. CloudWave will coordinate with technology partners to secure on-site resources and replacement parts when required.

The Cloud Care Process

Need to Escalate an Issue?

Your satisfaction is important to us. In the event you feel the need to escalate a situation, please call the hotline at 1-855-28-OpSus (1-855-286-7787) and request escalation. In the event further escalation is required, you may contact one of the following members of the CloudWave CloudCare management team:

Response Times and Severity Levels

Cloud Care support calls are answered 7x24x365 in our San Antonio, TX Service Desk. An Analyst will take your call immediately and begin the process of gathering information. Incidents and requests reported in MyOpSus Portal will be reviewed and assigned upon receipt. Every Cloud Care Support incident is assigned a priority level (Critical, High, Medium, and Low). The customer determines the initial priority level when placing a request for assistance.

Priority	Guideline	Initial Contact	Resolution Time	Communication Frequency
Critical	Incidents involving production system failure (typically catastrophic), end users cannot access MEDITECH, service interruption/outage or significant system slowness causing significant loss of functionality for a large portion of the Customer's healthcare environment. (Example, VDI access is unavailable for the entire hospital).	Within 15 minutes	6 hours or Less	Every 2 hours until resolution
High	Incidents affecting customers with production system failure, service interruption or degradation, production backups failing for 48 hours, outage affecting a subset of the Customer's healthcare environment where more than 10 users are affected.	Within 1 Hour	12 hours or Less	Every 4 hours until resolution
Medium	Incidents affecting customers which are not causing a significant impact to the Customer's healthcare environment, where less than 10 users are affected and Individual production (MEDITECH) backups failed.	Within 4 hours	1 working day or Less (Business Hours)	Every 8 hours until resolution
Low	Incidents affecting single users and not causing a business interruption impact, backup failure, and information requests.	Within 4 hours	3 working days or Less (Business Hours)	Every 1 working day until resolution

** Critical incidents require client resources with administrative access to systems and change management authorization available to work with CloudWave and technology partners on an ongoing basis until resolution or priority downgrade. Without the availability of appropriate client resources, CloudWave reserves the right to downgrade the incident to a lower priority.

Support Tiers

Support Tier	Description
Tier 1 Support	All support cases begin in Tier 1, where the initial ticket is created. The issue is identified and clearly documented, and basic hardware/software troubleshooting is initiated.
Tier 2 Support	All support incidents that cannot be resolved with Tier 1 Support are escalated to Tier 2, where more complex support on hardware/software issues can be provided by System Engineers. If required, the Engineer will collaborate with our vendor to resolve the issue.
Tier 3 Support	Support incidents that cannot be resolved by Tier 2 Support are escalated to Tier 3, where support is provided by the most qualified and experienced Engineers who will collaborate with our vendors to resolve the most complex issues.

Remote Access

The customer must agree to provide access to the network and covered components. This access is essential to the delivery of Infrastructure Support Services. At the time of the call, remote access must be available via encrypted or secure PPTP or Internet VPN connection.

Please note: Server or Device Host Name and IP Addresses should be available to the CloudWave Systems Engineer, with current credentials (username and password), and administrative access privileges.

Support Term

The initial term for Infrastructure Support is listed in the pricing section of this proposal and can be extended annually beyond the initial term.
