The San Bernardino County Solid Waste Management Division (County) intends to enter into an agreement with Biofuels San Bernardino Biogas, LLC (Biofuels) to provide for the processing and/or on-site use of landfill gas from the Colton Landfill. This revenue agreement, in conjunction with the Colton Sanitary Landfill site lease, provides for the sale of County-collected landfill gas from the Colton Landfill to Biofuels for on-site processing and/or use in the production and sale of a renewable natural gas and/or renewable fuel.

The County will collect revenue on a quarterly basis via a tiered sale price structure.
