

On March 28, 2023 (Item No. 26), the Board of Supervisors (Board) authorized ED to release the RFS for the Event. Beginning in April 2023, the RFS was publicized on the County and ED websites, through social media posts, via emails, calls to potential sponsors using Purchasing Department and ED contacts and a press release that was sent to news outlets within county Regions.

Following the RFS process, the ED Director assisted the Chief Executive Officer in evaluating and selecting the sponsors for the Event. Amazon expressed interest in sponsoring the Event at the Gold Sponsor level (\$12,500) but requested to do it in the form of a donation rather than in a formal Sponsorship Agreement as their company policies do not allow for formal sponsorship contracts.

Per County Policy 06-01, Board approval is required to accept gifts or donations valued over \$10,000.

BACKGROUND INFORMATION

The annual Event has been hosted since 2011. This year, the Event took place on September 18, 2024. Each year, the Event brings together government, business and community leaders and provides a platform to promote the County vision, celebrate the growth within the County, and share upcoming opportunities.

A Request for Sponsors (RFS) is released annually to fundraise for this important Event. All proceeds from the fundraising are used to offset the Event costs.
