THE FOREGOING LIMITATIONS SHALL APPLY NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY STATED HEREIN AND EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.** Medtronic neither assumes nor authorizes any other person to assume any other liabilities arising out of or in connection with the sale or use of any Product. The provisions of this warranty under which the liability of Medtronic is excluded or limited, shall not apply to the extent that such exclusions or limitations are declared illegal or void under applicable law.

**7. INSURANCE.** Medtronic shall comply with the insurance requirements set forth on Exhibit D, the terms of which are incorporated herein by this reference.

**8. CONFIDENTIALITY.** Medtronic and Customer agree that this Agreement represents and/or contains confidential information that shall not be disclosed to any third party or

otherwise made public, without prior written authorization of the other party, except where such disclosure is required by law or where disclosure is made to a Customer's attorneys or other consultants who need to know the confidential information to assist the Customer in performing its obligations under this Agreement and provided each party shall be responsible for its personnel to comply with the provisions of this clause. Medtronic understands that Customer is a public entity under California law and that California sunshine laws, including, but not limited to the California Public Records Act and Ralph Brown Act, prohibit Customer from keeping this Agreement and the terms herein confidential and that such Agreement may be made public as part of the approval process for this Agreement.

**9. PRIVACY.** Medtronic agrees to comply with federal and state health information confidentiality laws and regulations to the extent they are required. Medtronic and its representatives are not covered entity(s) under HIPAA, but may receive PHI, as defined by the HIPAA Privacy Rule, for functions such as payment/billing and invoicing of its medical devices, providing technical support related to medical devices and for public health activities in fulfilling its obligations regarding FDA reporting and data collection (e.g. device tracking) or for other purposes related to the quality, safety and effectiveness of FDA regulated products. Customer acknowledges Medtronic's use and disclosure of PHI for these purposes. Medtronic will use and disclose PHI in accordance with applicable state and federal laws. Medtronic will also implement reasonable safeguards to prevent inappropriate access to and disclosure of PHI to the extent required.

**10. TREATMENT OF DISCOUNTS.** The parties intend to establish a business relationship in which any rebates, discounts, payments and credits that may be provided to Customer comply with the exceptions to the Medicare and Medicaid Anti-Kickback statute set forth at 42 U.S.C. § 1320a-7b(b)(3) and the "Safe Harbor" regulations regarding discounts set forth in 42 C.F.R. § 1001.952(h); and the parties believe that the relationship contemplated by this Agreement is in compliance with those requirements. As to such discounts and rebates, the parties agree to fulfill their obligations under the Safe Harbor and the Customer agrees to fully and accurately reflect in cost reports or other submissions to federal healthcare programs all discounts provided under this Agreement, and upon request by the Secretary of the U.S. Department of Health and Human Services or state agency, must make available information provided to Customer concerning the discount. Medtronic shall provide all information and documents relating to any discounts under this Agreement to Customer upon written request to enable Customer to comply with its reporting obligations.

**11. COMPLIANCE WITH LAWS.** Each party shall comply with its obligations under federal, state or other applicable laws or regulations with respect to the performance of the Agreement.

**12. STATEMENT REGARDING DEBARMENT/ SUSPENSION / EXCLUSION ISSUES.** Medtronic certifies that it is not excluded, debarred or suspended from and is not, in any

other way, ineligible to participate in any state or federal governmental program. Prior to hiring any applicant for employment, Medtronic: (1) conducts a criminal background check (since 1996); (2) requires a pre-employment mandatory drug screening test (since 2000); (3) determines whether the applicant appears on the list of excluded individuals and entities maintained by the Office of Inspector General for the United States Department of Health and Human Services ("excluded list"); and (4) determines whether the applicant is in the Excluded Parties List System (EPLS), which is a government-wide compilation of individuals and firms ineligible to participate in Federal procurement and non-procurement programs, maintained by the United States General Services Administration. In addition, at least once annually, Medtronic screens all employees against the "excluded list" and the EPLS. Effective November 2005, no applicant is hired who is on either the "excluded list" or in the EPLS. Effective November 2006, Medtronic terminates the employment of any current employee who is found to be in either system. As a public company, Medtronic is required on an annual basis to make a disclosure to the United States Securities and Exchange Commission regarding any director, person nominated to become a director or executive officer who was, during the preceding five years, convicted in a criminal proceeding or the named subject of a pending criminal proceeding (excluding traffic violations and other minor offenses). Medtronic makes inquiry of each such persons on an annual basis and has not, during the previous five years, made any disclosure responsive to this requirement. Medtronic's most recent quarterly report on Form 10-Q or annual report on Form 10-K disclosed material pending legal proceedings as of that date, including material legal proceedings known to be contemplated by governmental authorities.

**13. ACCESS TO RECORDS.** During the Term of this Agreement, plus 4 years after the Term, both parties will comply with all applicable requirements of 42 CFR Section 420.302, including without limitation: (i) retaining required documents, and (ii) giving the US Comptroller General, HHS, and their duly authorized representatives access to its contract, books, documents, and records related to the sale under this Agreement and those of any organizations related to the parties.

**14. ASSIGNMENT.** Medtronic may assign its rights pursuant to this Agreement and/or delegate its obligations to any entity directly or indirectly controlling, controlled by or under common control with Medtronic without consent from so long as the assignee is not a business with whom Customer is legally prohibited from doing business and notice is provided to Customer. Customer may not assign its rights nor delegate its obligations under this Agreement in whole or in part, or subcontract its obligations hereunder, without the prior written consent of Medtronic. All terms, agreements, covenants and rights contained herein will inure to the benefit of, and be binding on any permitted assignee.

**15. ENTIRE AGREEMENT / MODIFICATIONS / WAIVER.** This Agreement, including the contract cover sheet, exhibits and schedules hereto, sets forth the entire agreement and understanding between the parties, and supersedes all prior agreements, understandings and discussions, regarding the subject matter hereof. This Agreement may be amended, changed, or modified only by mutual written agreement of the

parties. This Agreement may not be amended by an agreement required by Customer for Medtronic's representatives to gain access to Customer's facility. No waiver of a breach by a party will be a waiver of any subsequent breach.

**16. FORCE MAJEURE.** In any event, neither party shall be liable to the other party in respect of any delay or failure to perform that result from any event of cause that is beyond the reasonable control of the party obligated to perform.

**17. AUTHORITY.** The parties represent that they have the authority to enter into this Agreement. The parties further represent that the terms of this Agreement are not inconsistent with any other contractual obligations, express or implied, that they may have.

**18. INDEMNIFICATION.** Medtronic agrees to indemnify, defend and hold harmless Customer, its employees or agents ("Indemnitees") against any claims, actions, losses, suits, judgments, awards, and expenses (hereinafter "Claims") associated thereto for personal injury, property damage or death to any third party, made or instituted by a third party against Indemnitees to the extent said Claims are caused by (i) a defect of the Product purchased under the terms of this Agreement; or (ii) a negligent act or willful omission of Medtronic in performance of its obligations hereunder (hereinafter said Claims are referred to as the "Indemnifiable Claims"). Medtronic agrees to provide attorneys to defend any such Indemnifiable Claims brought or filed against Indemnitees.

Medtronic's obligations set forth in this Section 18 will not apply to any liability arising out of or attributable to: (a) any negligence, willful misconduct, or criminal acts by Indemnitees; (b) any unauthorized modification made to any Product by Indemnitees; or (c) any actions taken, or statements made by Indemnitees that constitute the unauthorized practice of medicine. For clarity, modifications to any Product must have been approved in advance and in writing by Medtronic.

Indemnitees will promptly notify Medtronic (in no event more than thirty (30) days after learning of the Indemnifiable Claim) in writing in the event Indemnitee becomes aware of any Indemnifiable Claim that may be covered by this indemnity and reasonably cooperate with and authorize Medtronic to carry out the sole investigation, management and defense of any such Indemnifiable Claim. Such notice will describe with reasonable specificity the factual basis for the Indemnifiable Claim and the amount of the Indemnifiable Claim, if known, and will include a copy, if available, of all pleadings or other writings setting forth the Indemnifiable Claim. Customer's failure to provide or delay in providing such notice will relieve Medtronic of its obligations only if and to the extent that such delay or failure materially prejudices Medtronic's ability to defend such lawsuit or claim. Indemnitees agree and understand that settling or compromising any Indemnifiable Claims without Medtronic's prior consent or failing to reasonably cooperate with or authorize Medtronic to investigate, manage or defend an allegedly Indemnifiable Claim will materially constitute prejudice to Medtronic and will void Medtronic's obligation to indemnify, defend and hold Indemnitees harmless with respect to such Indemnifiable Claim. Indemnitees agree they will not compromise or settle any Indemnifiable Claims without the prior

written consent of Medtronic. Medtronic may not settle the claim or suit absent the written consent of Customer unless such settlement (a) includes a release of all claims pending against Customer, (b) contains no admission of liability or wrongdoing by Customer, and (c) imposes no obligations upon Customer other than an obligation to stop using the Products that are the subject of the claim.

**THIS SECTION 18 STATES MEDTRONIC'S SOLE AND EXCLUSIVE LIABILITY TO CUSTOMER FOR ANY THIRD-PARTY CLAIMS WITHIN THE SCOPE OF THAT SECTION.**

**19. INTELLECTUAL PROPERTY WARRANTY AND INDEMNITY.** Medtronic represents and warrants to Customer that Customer's use or possession of the Product provided by Medtronic pursuant to this Agreement, when used in compliance with the instructions for use accompanying the Product, will not infringe any third party's copyright, trade secret, trademark, service mark, or valid patent (the "IP Warranty"). If a breach of the IP Warranty causes Customer to be unable to use the Product, Customer's sole and exclusive remedies for breach of the IP Warranty will be that Medtronic will, at its option and expense, either (a) procure for Customer the right to continue to use the Products; (b) replace the Products to be non-infringing without incurring a material diminution in performance or function; (c) modify the Products to make them non-infringing without incurring a material diminution in performance or function; (d) refund to Customer the purchase price it paid for any infringing Product that has not been used, or (e) if none of the foregoing are commercially feasible, terminate this Agreement. Notwithstanding the foregoing, Medtronic shall have no obligations under this Section 19 with respect to claims to the extent arising out of (i) use of the Product in combination with any materials or equipment not supplied to Customer or specified by Medtronic in writing, if the infringement would have been avoided by the use of the Product not so combined; or (ii) any modifications or changes made to the Product by or on behalf of any person other than Medtronic.

Medtronic will also indemnify, defend, and hold harmless Customer and its officers, employees, agents and volunteers, from any and all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement of any United States patent, copyright, trademark or trade secret (Intellectual Property Rights) by Products provided under or subject to this Agreement. If a credible claim is made or threatened, including without limitation the filing of a lawsuit against Customer, or Customer receives a demand or notice claiming actual or potential infringement or misappropriation of any Intellectual Property Rights, Customer will notify Medtronic promptly of such lawsuit, claim or election. However, Customer's failure to provide or delay in providing such notice will relieve Medtronic of its obligations only if and to the extent that such delay or failure materially prejudices Medtronic's ability to defend such lawsuit or claim. Customer will give Medtronic sole control of the defense (with counsel reasonably acceptable to Customer) and settlement of such claim; provided that Medtronic may not settle the claim or suit absent the written consent of Customer unless such settlement (a) includes a release of all claims pending against Customer, (b) contains no admission of liability or wrongdoing by Customer, and (c) imposes no obligations upon Customer

other than an obligation to stop using the Products that are the subject of the claim.

**20. GOVERNING LAW/VENUE.** This Agreement shall be governed by and construed under the laws of the State of California without regard to California's principles of choice of law. Any claims, demands, or actions arising out of this Agreement shall be brought in the state or federal courts of California.

**21. ATTORNEY'S FEES AND COSTS.** Except as to those that may be payable as an indemnification obligation, if any legal action is instituted to enforce any party's rights hereunder, each party shall bear its own costs and attorney fees, regardless of who is the prevailing party.

**22. LEVINE ACT - CAMPAIGN CONTRIBUTION DISCLOSURE (FORMERLY REFERRED TO AS SENATE BILL 1439).** Medtronic has disclosed to the Customer using Exhibit E – Levine Act - Campaign Contribution Disclosure (formerly referred to as Senate Bill 1439), whether it has made any campaign contributions of more than \$500 to any member of the Board of Supervisors or other County elected officer [Sheriff, Assessor-Recorder-Clerk, Auditor-Controller/Treasurer/Tax Collector and the District Attorney] within the 12 months before the Effective Date of this Agreement was approved by the Board of Supervisors. Medtronic acknowledges that under Government Code section 84308, Medtronic is prohibited from making campaign contributions of more than \$500 to any member of the Board of Supervisors or other San Bernardino County ("County") elected officer for 12 months after the County's consideration of the Agreement.

In the event of a proposed amendment to this Agreement, Medtronic will provide the Customer a written statement disclosing any campaign contribution(s) of more than \$500 to any member of the Board of Supervisors or other County elected officer within the preceding 12 months of the date of the proposed amendment.

Campaign contributions include those made by any agent/person/entity on behalf of Medtronic or by a parent, subsidiary or otherwise related business entity of Medtronic.

### **Insurance Requirements**

Medtronic agrees to provide insurance set forth in accordance with the requirements herein. If Medtronic uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, Medtronic agrees to amend, supplement or endorse the existing coverage to do so.

1. Without in anyway affecting any indemnity obligations provided and in addition thereto, Medtronic shall secure and maintain throughout the Term the following types of insurance with limits as shown:
  - a. Workers' Compensation/Employer's Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of Medtronic and all risks to such persons under this contract. If Medtronic has no employees, it may certify or warrant to Customer that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by Customer's Director of Risk Management. With respect to contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.
  - b. Commercial/General Liability Insurance – Medtronic shall carry General Liability Insurance covering all operations performed by or on behalf of Medtronic providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:
    - i. Premises operations and mobile equipment.
    - ii. Products and completed operations.
    - iii. Broad form property damage (including completed operations).
    - iv. Explosion, collapse and underground hazards.
    - v. Personal injury.
    - vi. Contractual liability.
    - vii. \$2,000,000 general aggregate limit.
  - c. Automobile Liability Insurance – Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence. If Medtronic is transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence. If Medtronic owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.
2. **Additional Insured.** All policies, except for Worker's Compensation, shall contain additional endorsements naming Customer and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for Customer to vicarious liability but shall allow coverage for Customer to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.
3. **Waiver of Subrogation Rights.** Medtronic shall require the carriers of required coverages to waive all rights of subrogation against Customer, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit Medtronic and Medtronic's employees or agents from waiving the right of subrogation prior to a loss or claim. Medtronic hereby waives all rights of subrogation against Customer.
4. **Policies Primary and Non-Contributory.** All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by Customer.
5. **Severability of Interests.** Medtronic agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between Medtronic and Customer or between Customer and any other insured or additional insured under the policy.
6. **Proof of Coverage.** Medtronic shall furnish Certificates of Insurance to Customer evidencing the insurance coverage at the time the Agreement is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to Customer, and Medtronic shall maintain such insurance from the time Medtronic commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Agreement, Medtronic shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.
7. **Acceptability of Insurance Carrier.** Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII". Notwithstanding the foregoing, Medtronic reserves the right to self-insure all or a portion of the insurance coverage provided in this Agreement.

8. **Deductibles and Self-Insured Retention.** Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.
9. **Failure to Procure Coverage.** In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, Customer has the right but not the obligation or duty to cancel the Agreement or obtain insurance if it deems necessary and any premiums paid by Customer will be promptly reimbursed by Medtronic or Customer payments to Medtronic will be reduced to pay for Customer purchased insurance.
10. **Insurance Review.** Insurance requirements are subject to periodic review by Customer. The Customer's Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of Customer. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against Customer, inflation, or any other item reasonably related to Customer's risk. Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Medtronic agrees to execute any such amendment within thirty (30) days of receipt. Any failure, actual or alleged, on the part of Customer to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of Customer.
