I don't have the link yet for your block to be able to check there ... I was simply going to the Monterey Marriott main website directly and they are showing one room left for the dates 9/1-9/4, so I was concerned there was a hotel issue. If you have plenty of rooms within CWA's block, that is great! **I just need to know what the eventual room rates are going to be each night (within your block).**
