**16.0222 Refuse Disposal.**

**a) Solid Waste Management Disposal Site Fees for Sites which Charge a Fee Upon Entrance:**

**1) A) Ordinary refuse**

\$48.80/ton

\$50.00/ton

\$51.00/ton

B) Ordinary refuse subject to the Comprehensive Disposal Site Diversion Program (AB 939 Fee)

\$12.00/ton

\$12.00/ton

\$12.00/ton

(This fee is charged in addition to the per ton gate fee set forth in Subsection (a)(1)(A) above. This fee is charged on solid waste brought to a facility at which the Comprehensive Disposal Site Diversion Program has been implemented, unless such solid waste is: waste from a franchised or permitted waste hauler (or from a city, if the city collects its citizens' waste) and is brought in a front-, rear-, or side-loading refuse vehicle (i.e., packer truck); or waste brought from a Materials Recovery Facility or where collection or processing includes a recycling component and the waste contains only an incidental amount of inseparable recyclable materials; or waste generated by a commercial enterprise that has been reviewed and determined by the San Bernardino County Department of Public Works–Solid Waste Management Division to be sufficiently source separated as to not contain more than an incidental amount of inseparable recyclable materials.)

C) For loads in excess of one ton, the per ton charge shall be prorated for any fraction of a ton of the total weight of the load.

**2) Uncovered/Unsecured Loads: To encourage the entrance into County waste facilities of loads that are properly secured or covered pursuant to applicable State or local laws and in deflection of the additional costs incurred because of waste escaping such vehicles, loads brought**

<p>1 to such facilities which are not properly secured or covered will be  2 required to pay an additional Solid Waste Management Disposal Site  3 Fee equal to the normal applicable disposal gate fee (including any  4 applicable perchlorate add-on fee) for such waste. This will apply  5 to both minimum and per ton loads, and also loads which would  6 otherwise pay no gate fee, given the payment of a Land Use Fee  7 pursuant to the provisions of Section 16.0222(c).</p>			
<p>8 <b>b) Fee Adjustments:</b> Whenever use of a disposal site financed by land use  9 fees is restricted by order of the Board of Supervisors and refuse is  10 thereby hauled to other sites, the Board of Supervisors may permit  11 acceptance of such refuse without charge at the receiving sites.</p>			
<p>12 <b>c) Solid Waste Management Disposal Facility Fees:</b></p> <p>13 1) The following annual refuse disposal land use fees, based on the  14 County Assessor's Land Use Codes, shall apply in the following areas.  15 Where the Land Use Fee for any Use Code contains a schedule of fees  16 based on the building size or number of dwelling units per parcel,  17 but the relevant data base does not disclose sufficient building  18 size or unit information to determine the correct category for a  19 particular parcel, said parcel shall be charged as though it were the  20 third smallest sized category if there are five or six size categories. If  21 paid, such land use fees shall constitute, relative to ordinary refuse  22 (excluding demolition waste, tires and hard to handle and special  23 handling items) generated on the parcel of property for which the  24 fee is paid, payment of the ordinary refuse per ton fee as set forth in  25 Subsection 16.0222(a)(1), and the passenger/light use vehicle and  26 trailer fee as set forth in Subsection 16.0222(h)(1), which may be  27 otherwise due:</p>

20	<b>Land Use Services Department and Department of Public Works</b>			
21	<b>(collectively referred to in this subsection as “Department”):</b>			
22	An initial deposit is required for each actual cost service or process. The			
23	initial deposit is as specified in the code. If no amount is specified, the initial			
24	deposit is the Department’s initial estimate of the actual cost of the service			
25	or process. The Department may revise its estimate at any time during the			
26	processing of the project. If a revised estimate is higher than a previous			
27	estimate, the Department may require an additional deposit. Notice of any			
28	required additional deposit shall be mailed (including e-mail) to the			

1 applicant. The notice shall include the date by which the deposit must be  
 2 made, and shall inform the applicant that unless provision for payment is  
 3 made by the date specified, the application will be deemed denied without  
 4 prejudice, without further action by the County. Notwithstanding Section  
 5 86.08.010, any such denial without prejudice is not appealable. Each estimate  
 6 shall be a good faith attempt to determine the probable actual cost of the  
 7 service or process, based on the nature of the project, the Department’s  
 8 experience in processing similar services or processes, and applicable rates.  
 9 Initial deposits and any additional deposits for all services or processes  
 10 related to a project shall be placed and combined into a Project Trust  
 11 Account. Such combined deposited funds will be utilized as the source of  
 12 payment for any flat fee service, security deposit, or actual cost service on  
 13 that project. In addition, deposits may also be placed in a Developer Deposit  
 14 Account. Deposited funds in a Developer Deposit Account may be used by an  
 15 individual or entity to fund various Project Trust Accounts.

16 **d) Applicant's obligation to pay actual cost –**  
 17 **Land Use Services Department and Department of Public Works:**

18 The applicant shall pay the actual cost of the project, regardless of any  
 19 estimate; except that the applicant is not obligated for costs incurred after  
 20 the applicant delivers to the Department of Public Works and/or the Land  
 21 Use Services Department either an unconditional written withdrawal of the  
 22 application, or a written notice to stop work which includes a waiver of any  
 23 applicable time limits for processing the application.

24 **e) Amounts of \$10.00 or less: Pursuant to Government Code**  
 25 **section 29373.1, the applicant shall not be required to pay a**

13	the application.			
14	B) If the applicant fails to submit required information within			
15	the allocated time, or voluntarily withdraws the application			
16	before acceptance and before staff work on the projects has			
17	commenced, any fee paid, less \$60.00, shall be refunded.
